METICULOUSLY DESIGNED AND ENGINEERED

Land Rover accessories are engineered by the same team who designed your vehicle. They are the experts who understand every inch of your Land Rover and its capabilities. Their expertise allows them to create accessories that complement the overall design of your vehicle, while optimising performance.

TESTED TO THE HIGHEST INDUSTRY STANDARDS

All Land Rover accessories are rigorously tested and inspected to ensure they meet the exacting standards you expect from Land Rover. This ensures they always work in harmony with your vehicle.

Accessories are tested in extreme hot and cold temperatures to ensure they will perform in all conditions, year round.

Corrosion resistance testing ensures accessories can withstand demanding climates such as coastal conditions, while a series of tests ensures seamless integration with your Land Rover's existing safety features.

Bespoke testing ensures that accessories are put through their paces in a series of tests that suit their design, function and the materials from which they're made.

Exterior accessory testing, for example, includes:

- Exposure to up to two years of direct sunlight known as 'Florida Weathering'.
- Heat Ageing Test for 500 hours.
- Extreme Heat Test ranging from -40 °C to 80 °C.
- Heat Shock Testing during which parts are cooled to -40 °C for 16 hours, then heated to 70 °C for 5 minutes.
- Humidity Resistance Test where accessories are subjected to 168 hours at 48 °C in 95-100 % humidity.
- Accelerated Environmental Cycle Testing comprising a relentless barrage of salt, dirt and dust to simulate real world driving.

QUALITY ASSURED

For additional peace of mind, all Land Rover accessories come with a minimum 24 month warranty or can be covered under your vehicle's existing warranty if they're purchased within the first month of ownership or 1,000 miles (whichever comes first).

For further information on accessories and the latest accessory lifestyle films, please visit accessories.landrover.com

EXTERIOR STYLING

Chrome Mirror Covers

Chrome mirror covers to enhance the vehicle's exterior design cues.

Noble Chrome Mirror Covers

Noble Chrome mirror covers to enhance the vehicle's exterior design cues.

Narvik Black Side Vents

Narvik Black side vents provide an exterior design enhancement.

Bright Side Tubes

Highly polished stainless steel side tubes provide an off-road inspired appearance and complement the vehicle's exterior design.

EXTERIOR STYLING

Fixed Side Steps

The side step aids entry to and exit from the vehicle, improves access to and from the roof and also provides a rugged, off-road style to the vehicle. Features embossed 'Discovery' branding and bright metallic trim finish to complement the vehicle's exterior design cues.

Body Side Mouldings - Black Finish

Enhances the side of your vehicle and provides protection for your door panels from accidental damage by adjacent vehicles.

Deployable Side Steps

These smart, practical steps make it easier to get in and out of the vehicle. Neatly stowed under the sills, the side steps automatically deploy as soon as the door is opened, or when activated by the key fob. They stow automatically when the door is closed. The side steps are sensitive to obstructions. Automatic mode can be overridden to allow access to the roof when the doors are closed.

Body Side Mouldings – Silver Finish

Enhances the side of your vehicle and provides protection for your door panels from accidental damage by adjacent vehicles.

EXTERIOR PROTECTION

Inflatable Waterproof Awning

A high quality, inflatable waterproof awning designed with an inflatable air beam to allow rapid deployment for protection from sun or light showers, making it ideal for a family picnic or watching an event. It can be used as a windbreak or converted to a sun canopy by rolling away and fastening the sides.

All-Weather Car Cover

All-weather tailored cover protects your Discovery from the elements including showers, frost, snow and dust. Quick and easy to fit.

Mudflaps – Front and Rear

Mudflaps are a popular upgrade for reducing spray and ensuring paintwork is protected from debris and dirt whilst complementing the vehicle's exterior design.

INTERIOR STYLING

Door Sill Outer Treadplates

Aluminium treadplates cover front and rear door sills. Feature laser etched 'Land Rover' branding.

Sport Pedal Covers

Stainless steel bright finish sport pedal covers are easy to fit and feature hidden fixings for a clean finish.

Luxury Carpet Mat Set with Ingot Branding – Ebony

Luxurious, tailored, 2,050gm^2 deep pile carpet mat set with Land Rover ingot branding and waterproof backing for vehicles with Ebony interior.

INTERIOR PROTECTION

Luggage Partition - Divider

Can be fitted to the luggage partition to separate the loadspace into two sections.

Luggage Partition - Full Height

Available as full height, the luggage partition is designed to prevent luggage from entering the passenger compartment. The design of the luggage partition has been optimised to second row seating, featuring tilt functionality.

Luggage Partition- Half Height

Available as half height, the luggage partition is designed to prevent luggage from entering the passenger compartment. The design of the luggage partition has been optimised to second row seating, featuring tilt functionality.

INTERIOR PROTECTION

Loadspace Partition Net

Convenient loadspace partition net helps protect passengers from stowed items. The net fits to the loadspace 'D' loops and fixings in roof lining. Easily detachable for when carrying longer loads.

Loadspace Full Protection Liner

The loadspace full protection liner covers sides, roof and loadspace floor and provides full protection from wet or muddy items like boots, garden waste, or leisure equipment. When loading, the padded panel drops down and acts as a bumper protector. The liner anchors securely to the lashing eyes to keep it in place and is designed to keep bulky objects hidden from view. A side zip allows easy access to the loadspace area.

INTERIOR PROTECTION

Loadspace Rubber Mat

Land Rover branded waterproof rubber mat with retaining lip, helps to protect the rear loadspace carpet from general dirt.

Loadspace Rubber Mat Extension

This waterproof mat extension covers the back of the rear seats when they are folded down.

INTERIOR PROTECTION

Deep-Sided Rubber Mats

For the ultimate in footwell protection, this set of synthetic rubber mats contains deep-sided rubber mats for the first row and standard rubber mats for the second row. Perfect for containing sand, mud, water or snow from driver's and passenger's feet when returning to the vehicle. The mats are available in Ebony with a bright finish metal, Land Rover branded ingot and the front mats follow the slope of the footwell for added protection. Both the first and second row mats attach securely to the floor with retention clips.

Ebony Protective Seat Covers

Helps protect seats from mud, dirt, wear and tear. Easily fitted and wipeable.

FUNCTION & TECHNOLOGY

Click and Play

This removable tablet holder attachment can easily be positioned at multiple angles for in-cabin comfort and rear entertainment. Fits a selection of Apple and Android tablets.

Click and Work

This folding table offers the rear passengers a practical surface from which to work, particularly useful on long journeys. It also has a cup holder and is height and angle adjustable for in-cabin comfort.

Click and Hang

This removable coat hanger allows shirts or jackets to be kept crease-free whilst transporting. Also includes an integral hook for use outside the vehicle.

Click and Hook

This universal hook creates extra storage space for items to be hung, especially useful for handbags or groceries.

FUNCTION & TECHNOLOGY

iPhone Connect and Charge Dock

The iPhone connect and charge dock has been designed to charge utilising the cup holder space in the central console. When connected, the iPhone's media is accessible and can be controlled via the integrated infotainment/audio system. The 'cut-out' design of the holder is such that the home button is also accessible for use when parked. The iPhone USB charger can be easily disconnected if the USB connection is required for other use. Fits iPhones up to 67.3mm wide.

Activity Key

The Activity Key works like a normal vehicle key allowing owners to leave their conventional key fob behind and wear this practical wrist device instead. This is particularly useful for owners with an active lifestyle or for times when carrying a normal key might not be convenient. The water-resistant, weatherproof Activity Key allows owners to securely lock and unlock all their vehicle's doors, including the loadspace area, using the LCD screen, which also displays the time. This Activity Key also enables owners to start and drive their vehicle. Its black wristband has a standard pin size, making the key easy to personalise with a 22mm strap of your own choice. The Activity Key can be charged from inside the vehicle using its unique Activity Key USB charger.

Dash Cam

The Land Rover dash cam records footage of driving events and incidents and is designed to integrate seamlessly into your vehicle's cabin and electrical system. Engineered to have low power consumption for extended use, the dash cam features full HD front and rear video cameras.

FUNCTION & TECHNOLOGY

Centre Armrest Cooler/Warmer Box

Food and drinks cooler and warmer that acts as a rear centre armrest. With a leather-covered top, it is held in place by the centre seat belt and powered from the rear auxiliary socket. Ideal for long journeys with the family.

Seat Back Stowage – Premium Leather

Manufactured from the same premium leather offered on the vehicle, complemented with soft touch interior lining and magnetic button clasps. Provides a convenient stowage solution for the rear of the front seats with multiple compartments for stowing small items.

Seat Back Stowage

Provides a convenient stowage solution for the rear of the front seats with multiple compartments for stowing small items.

FUNCTION & TECHNOLOGY

Collapsible Organiser

The collapsible organiser keeps items from shifting during transport. Can be easily folded away when not in use.

Loadspace Side Net

Keep smaller items safely stowed away – but easy to find – with a loadspace side net.

FUNCTION & TECHNOLOGY

Tailgate Event Seating

The tailgate event seating is hand crafted from beautiful Windsor, Ebony leather with a highly durable aluminium frame. Stowed in the loadspace, these seats can be quickly and easily fitted to provide comfortable seating for two adults on the lower tailgate, when the vehicle is stationary. The seats come complete with a luxury storage bag with soft lining, which also acts as a useful protective mat to prevent the users' clothes coming into contact with the exterior vehicle surfaces when in use.

Loadspace Retention Net

Secure small items and luggage within the loadspace. Utilises loadspace tie-down points. Includes floor net and two ratchet straps which are approximately two metres long.

Loadspace Retention Kit

The loadspace retention kit consists of a pack of attachments that fix into the loadspace rails via a quick lock/quick release system to help provide a comprehensive and flexible solution for retaining luggage and other items within the loadspace.

FUNCTION & TECHNOLOGY

Windscreen Sun Shield

UV windscreen sun shield reflects the sun's rays and helps to keep the vehicle interior cool in hot weather.

Sunshade – Side Windows, Second Row and Rear Tailgate

Easy to install or remove, these sunshades provide increased comfort helping to protect passengers from heat and glare of the sun. Also available for side windows, third row.

FUNCTION & TECHNOLOGY

Garage Door Opener (HomeLink®)

The HomeLink® System is a universal transmitter fitted to the underside of the interior rear view mirror. This transmitter can be programmed to operate up to three home or office wireless controlled systems, such as garage doors, automatic gates, or security lighting. By replacing the individual remote control units normally required for each system, the driver no longer needs to search the car interior for the correct handset when needed.

Smoker's Pack

Option to fit a Smoker's Pack with front cigarette lighter and ash tray receptacle in a vehicle produced with Non-Smoker's Pack.

Jump Cables

Jump cables enable you to re-start your engine using another vehicle's battery, should yours ever fail. Simple and safe to use, these high quality, heavy duty jump cables come in a box/case and are an on-board essential.

SAFETY

Child Seat – Group 0+

For babies from birth - 13kg (approximately birth to 12 - 15 months). Land Rover branded. Rearward facing on rear seat. Includes wind/sun canopy and padded machine washable cover. Easy, height adjustable headrest and five-point harness with one-pull adjustment. Can be installed with the vehicle's three-point seat belt or the child seat ISOFIX base. Approved to European test standard ECE R44-04.

Child Seat – Group 1

For children from 76cm - 105cm tall (approximately 15 months to 4 years, 9kg - 22kg). Land Rover branded. Forward facing on rear seat. Padded machine washable cover. One pull, height adjustable headrest and five-point harness. Improved side impact protection. Multi-position recline system. ISOFIX fitment only. Indicators confirm the ISOFIX has been correctly installed. Approved to European test standard ECE R129/01.

Child Seat – Group 2/3

For children 15kg - 36kg (approximately 3½ to 12 years). Land Rover branded. Forward facing on rear seat. Padded machine washable cover. Height adjustable headrest and upper seat belt guides ensures correct seat belt position. Easy adjustable backrest offers increased protection from deep, padded side wings and side impact protection cushion. Backrest can be removed when child reaches 135cm for added flexibility. Can be installed with the vehicle's three-point seat belt or ISOFIX system. Approved to European test standard ECE R44-04.

SAFETY

Fire Extinguisher – 1kg

Dry powder fire extinguisher, supplied with mounting bracket.

Warning Triangle

Vital in emergencies. Stows in the loadspace compartment.

First Aid Kit

Aids in the treatment of minor cuts and grazes.

PET PRODUCTS

Spill Resistant Water Bowl

Providing a convenient solution for use in transit or outside of the vehicle, the spill resistant water bowl incorporates a clever design feature which redirects water towards the centre of the bowl when the water is disturbed, making it ideal for owners who regularly carry dogs or other pets in their vehicle. The bowl retains an open area allowing your pet to take a drink at all times, has an anti-slip rubber base and also a retention strap for securing it to the loadspace 'D' loop. The bowl has a spill resistant capacity of 350ml.

Portable Rinse System

Designed to be used outside the vehicle, the portable rinse system provides a convenient solution for washing pets before loading or rinsing down other equipment from bikes to wetsuits. Depending on the setting selected, this portable rinse system will deliver a minimum of two minutes of continuous water flow through a shower hose style attachment. Without the need for batteries or external power, the system utilises pressure captured when filling from a tap, and an integrated hand pump allows the user to pressurise if filling the water tank away from home. Featuring a Land Rover branded cover and handle.

PET PRODUCTS

Pet Access Ramp

Designed with optimal dimensions and angle, the pet access ramp assists pets into the loadspace area without the owner having to lift them, making it ideal for owners who regularly carry dogs or other pets in the loadspace area of their vehicle.

Foldable Pet Carrier

The foldable pet carrier provides a safe, comfortable environment for the transportation of pets, making it ideal for owners who regularly carry dogs or other pets in the loadspace area of their vehicle. Reinforced carry handles and corner pieces provide a premium finish, with a side pocket providing a convenient stowage option for other pet accessories or small items. Height 52cm, width 52cm, length 72cm.

PET PRODUCTS

Pet Loadspace Protection Pack

Designed to provide protection and easy cleaning of the loadspace from wet and muddy paws. Combines the quilted loadspace liner, full height luggage partition and spill resistant water bowl.

Quilted Loadspace Liner

This tailored liner covers and protects all the carpeted areas of the loadspace including the floor, second row seat backs and loadspace side walls. Manufactured from a soft quilted fabric, with an integral rubber base and detachable bumper protector it is easy to wipe clean, making it ideal for owners who regularly carry dogs or other pets in the loadspace area of their vehicle.

CARRYING

Cross Bars

Elegant, durable bright finish aluminium cross bars, with compact design which utilises the full length of the bars, providing space to mount multiple accessories. The cross bars are easy to attach or remove with a simple clamp down with handle operation and are also lockable for security. Aerodynamic profile minimises drag and wind noise. When fitted maximum load capacity is 74kg.

Roof Rails

Elegantly designed roof rails facilitate fitment of cross bars for roof carrying. Pre-set positioning points ensure cross bars are fixed in optimum position for weight distribution and dynamics. When fitted maximum load capacity is 80kg.

Ratchet Strap

Useful nylon ratchet strap for securing items to the cross bars or luggage carrier when roof carrying. Five metres long, 20mm wide and supplied individually.

CARRYING

Roof Box

Roof mounted luggage box with Gloss Black finish. Opens from both sides and is lockable for security. Includes power-grip mounting for easy and quick fixing to the cross bars. External dimensions: 1,750mm long, 820mm wide, 450mm high. Volume 410 litres. When fitted maximum load capacity is 57kg.

Versatile Roof Rack

The versatile roof rack has a lightweight and fully integrated design which enhances the exterior and provides a large volume carrying capacity. When fitted maximum load capacity 60kg.

Luggage Carrier

Flexible rack system to facilitate roof carrying.

CARRYING

Ski and Snowboard Carrier

Carries four pairs of skis or two snowboards and incorporates slider rails for easy loading. Lockable for security. When fitted, the maximum carrying capacity of the ski and snowboard carrier is 36kg.

Ski Bag

The Land Rover padded ski/snowboard bag carries up to two pairs of skis and poles up to 180cm long. It is manufactured from durable 600D polyester and features removable shoulder straps.

CARRYING

Aqua Sports Carrier

Carries a sailboard, canoe or kayak. Includes lockable multi-purpose holder to carry oars or paddles. Tilts to facilitate loading/unloading. Features lockable straps and rubber supports. When fitted maximum load capacity is 45kg.

Aqua Sports Carrier - 2 Kayaks

Carries two kayaks or canoes. Also suitable for transporting crafts such as small boats. T-track adaptor and adjustable 275cm strap included.

CARRYING

Tow Bar Mounted Cycle Carrier - 2 Bike

The tow bar mounted cycle carrier features a one hand, quick attach/release tow bar coupling mechanism and can be tilted away from the vehicle, by use of a foot pedal, to allow easy access into the rear tailgate. The tailgate can be opened with carrier in deployed/folded position. Manufactured from aluminium and other lightweight materials, the cycle carrier also features a rear lighting and licence plate mount and it is lockable for security. The carrier has a folding/sliding mechanism to allow ease of stowage when not in use. A holder and ratchet function ensure bicycles are safely secured. Maximum load capacity is 40kg for 2 bike carrier and 51kg for 3 bike carrier (maximum 20kg per bike).

Fork Mounted Cycle Carrier

Roof mounted cycle carrier provides a simple and secure fitting with the bicycle front wheel removed, ideally suited to lightweight bicycles and 'racing' wheels. A separate carrier is included for the front wheel. Easy to fit, lockable cycle carrier which carries one bicycle per holder. A maximum of two holders can be fitted.

Wheel Mounted Cycle Carrie

Roof mounted, lockable bike carrier designed for holding a single bike, up to 20kg. Carries one bike per holder and a maximum of three holders can be fitted.

TOWING

Electrically Deployable Tow Bar

The electrically deployable tow bar is operated via a switch in the rear loadspace or by the infotainment system in the cabin. It is sensitive to obstruction encountered during deploying/stowing and will stow automatically if necessary. The electrically deployable tow bar is stowed discreetly behind the rear bumper when not in use providing a clean attractive finish. The towing electrics are included and are also hidden until deployed. Approved for up to 3,500kg maximum towing capacity and 350kg nose weight.

Detachable Tow Bar

Convenient and easy to use, the detachable tow bar ensures a clean look when not in use. 50mm tow ball. Approved for up to 3,500kg maximum towing capacity and 195kg nose weight.

TOWING

Towing Electrics Adaptor – 13 Pin to 12N/12S

Towing electrics connection adaptor to convert a 13 pin socket to 12N/12S. Provides all trailer rear lighting and interior equipment power where required.

Towing Electrics Adaptor – 13 Pin to 12N

Towing electrics connection adaptor to convert a 13 pin socket to 12N.

Lighting Board

This robust lighting board is primarily designed for use with a trailer. Neatly designed, with 13 pin ISO rated plug and eight metres of cable, it also includes reverse and rear fog lights, two tail lamps, indicators and brake lights.

Tow Strap

Includes a storage bag that can be attached as a warning flag to the strap and has a 3,000kg maximum load capacity.

WHEEL ACCESSORIES

Wheel Nuts – Gloss Black Finish

A set of 20 wheel nuts to complete the finish of the Gloss Black alloy wheels.

Locking Wheel Nuts – Black

Manufactured to demanding safety standards, locking wheel nuts provide added security at low cost for valuable wheels and tyres. Kit includes a set of four locking wheel nuts and one key tool.

Styled Valve Caps

This exclusive range of styled valve caps, available in a choice of designs, provides a subtle styling enhancement to alloy wheels.

WHEEL ACCESSORIES

Snow Traction System - 19"-21" Wheels

Snow traction system is designed to give improved steering and braking control on snow and ice, when fitted to front wheels. Easy-fit design, manufactured from high quality hardened galvanised steel, the chains are supplied in a tough vinyl carry bag.

Wheel Centre Cap - Silver Finish

Enhances and adds style to alloy wheels. Features Land Rover logo.

Tyre Pressure Gauge

Digital tyre pressure gauge which stores recommended pressure and has a 360° rotating nozzle to locate tyre valve, LED light to locate tyre valve, tread depth gauge to measure tyre tread depth, measuring in psi, bar, kpa, kg/cm2. Range 0-99 psi/0-7 bar. Complete with case.

Activity Key	The Activity Key works like a normal vehicle key allowing owners to leave their conventional key fob behind and wear this practical wrist device instead. This is particularly useful for owners with an active lifestyle or for times when carrying a normal key might not be convenient. The water-resistant, weatherproof Activity Key allows owners to securely lock and unlock all their vehicle's doors, including the loadspace area, using the LCD screen*, which also displays the time. This Activity Key also enables owners to start and drive their vehicle. Its black wristband has a standard pin size, making the key easy to personalise with a 22mm strap of your own choice. The Activity Key can be charged from inside the vehicle using its unique Activity Key USB charger.	Wristband 434Mhz	An Activity Key charging cable is also available and can be ordered separately.	LR147249	£167.00
	Unique to Land Rover, the Activity Key charging cable allows the Activity Key wristband to be charged from inside the vehicle.	Activity Key charging cable		Contact your Retailer	
Dash Cam	The Land Rover dash cam records footage of driving events and incidents and is designed to integrate seamlessly into your vehicle's cabin and electrical system. Engineered to have low power consumption for extended use, the dash cam features full HD front and rear video cameras.	- The front camera is removable with fixed viewing angle. - The rear camera is fixed but with an adjustable viewing angle. - G-sensors trigger recording in the event of an accident or heavy braking. - Integrated radar system** enables recording when your parked vehicle is approached. - Manual record option allows the user to record additional events that they witness. - Onboard GPS enables optional speed and location data to be linked to the video files creating detailed records of each event. - Includes 32GB SD card for storing recordings. - Recordings can be accessed and controlled by the optional Apple or Android Smartphone apps or via a web browser.		VPLKV0134	£693.00
Click and Go - Base	The Click and Go range is a multi-purpose seat back system for second row passengers. The versatile Click and Go Base fixes between the headrest mountings and further attachments can be added to hold tablets, bags and shirts or jackets. Each attachment is sold separately. The base can be easily removed when not in use.		Required for fitment of Click and Go attachments. Requires vehicle to have adjustable headrest for fitment. Not applicable with rear seat entertainment.	VPLRS0388	£33.00
Click and Hook	The Click and Hook is part of the Click and Go range. This universal hook creates extra storage space for items to be hung, especially useful for handbags or groceries.		Click and Go base required for fitment. Not applicable with rear seat entertainment.	VPLGS0593	£43.00
Click and Hang	The Click and Hang is part of the Click and Go range. This removable coat hanger allows shirts or jackets to be kept crease-free whilst transporting. Also includes an integral hook for use outside the vehicle.			VPLRS0390	£77.00
Click and Play	The Click and Play holder is part of the Click and Go range. This removable tablet holder attachment can easily be positioned at multiple angles for in-cabin comfort and rear entertainment.	For iPad 2-4		VPLRS0391	£134.00
		For iPad Air 1st generation and iPad Air 2 with 9.7" screen size only		VPLRS0392	£134.00
		For iPad mini 1-3. Not applicable for iPad mini 4		VPLRS0393	£134.00
		For Samsung 10.1" Tab 3 and Tab 4 only		VPLRS0394	£134.00
Click and Work	The Click and Work is part of the Click and Go range. This folding table offers the rear passengers a practical surface from which to work, particularly useful on long journeys. It also has a cup holder and is height and angle adjustable for in-cabin comfort.			VPLRS0395	£116.00
iPhone Connect and Charge Dock	The iPhone connect and charge dock has been designed to charge utilising the cup holder space in the central console. When connected, the iPhone's media is accessible and can be controlled via the integrated infotainment/audio system. The 'cut-out' design of the holder is such that the home button is also accessible for use when parked. The iPhone USB charger can be easily disconnected if the USB connection is required for other use. Fits iPhones up to 67.3mm wide.			VPLRV0119	£255.00

*The Activity Key is compatible with keyless entry so for vehicles with this feature the owner does no need to use the LCD screen to unlock their vehicle.
**Only available on certain vehicles, please contact your Land Rover Retailer for more information. To preserve the 12V battery life it may be necessary to disable this feature on some vehicles.

PRODUCT NAME	DESCRIPTION			PART NUMBER	PRICE
Garage Door Opener (HomeLink®)	The HomeLink® System is a universal transmitter fitted to the underside of the interior rear view mirror. This transmitter can be programmed to operate up to three home or office wireless controlled systems, such as garage doors, automatic gates, or security lighting. By replacing the individual remote control units normally required for each system, the driver no longer needs to search the car interior for the correct handset when needed.	Europe only	For vehicles with electro magnetic mirror only.	LR083142	£561.00
Seat Back Stowage	Provides a convenient stowage solution for the rear of the front seats with multiple compartments for stowing small items.			VPLVS0181	£92.00
Seat Back Stowage – Premium Leather	Manufactured from the same premium leather offered on the vehicle, complemented with soft touch interior lining and magnetic button clasps. Provides a convenient stowage solution for the rear of the front seats with multiple compartments for stowing small items.			VPLVS0182	£228.00
Smoker's Pack	Option to fit a smoker's pack with front cigarette lighter and ash tray receptacle in a vehicle produced with non-smoker's pack.			VPLRS0365	£165.00
Seat Backpack	The seat backpack is for use both inside out outside the vehicle. Ideal for both leisure or business purposes as convenient flight luggage as the seat backpack falls within the maximum dimension for cabin luggage. When used inside the vehicle, the seat backpack fits neatly into the middle of the second row seating and is secured to the centre seat via the seat belt. The sides are rigid with support in the lid, allowing it to be used as an armrest, console or as an adjustable drinks holder. Essential items can be kept within easy reach of second row passengers and then conveniently zipped up and taken with them when they leave the vehicle. Made from contrast black and dark grey nylon with a light grey interior and a non-slip base this, Land Rover branded, seat backpack supports numerous pockets including one on the outside and one on the inside of the lid and internal side pockets. The drinks holder is adjustable using a velcro divider to accommodate a variety of containers. The zipped front opening can be opened from either side, and it has a convenient carry handle at the top and two adjustable arm straps that stow away neatly in the rear pocket when not in use. Capacity 20 litres.			VPLES0573	£156.00
Electric Cool Bag	This cool bag is thermostatically temperature controlled, is powered by the 12 volt auxiliary socket and has an easy to clean interior surface. Height 380mm, length 380mm, width 220mm. Volume 14 litres.			VPLZS0529	£203.00
Centre Armrest Cooler/Warmer Box	Food and drinks cooler and warmer that acts as a rear centre armrest. With a leather-covered top, it is held in place by the centre seat belt and powered from the rear auxiliary socket. Ideal for long journeys with the family.			VPLVS0176	£446.00
Sunshade	Easy to install or remove these sunshades provide increased comfort helping to protect passengers and the interior from heat and glare of the sun.		For rear tailgate.	VPLRS0364	£126.00
			For side windows, second row.	VPLRS0367	£104.00
			For side windows, third row.	VPLRS0363	£102.00
Windscreen Sun Shield	UV windscreen sun shield reflects the sun's rays and helps to keep the vehicle interior cool in hot weather.			VPLRS0366	£105.00

PRODUCT NAME	DESCRIPTION			PART NUMBER	PRICE
Pet Access Ramp	Designed with optimal dimensions and angle, the pet access ramp assists pets into the loadspace area without the owner having to lift them, making it ideal for owners who regularly carry dogs or other pets in the loadspace area of their vehicle. The ramp is suitable for use for pets up to 85kg and features aluminium side panels and a plastic centre section with a high-grip tread pattern. Rubber feet help to prevent the ramp slipping and retaining straps secure it to the loadspace 'D' loops, providing a lightweight but robust, practical solution. The ramp weighs 8kg and can be folded for stowage in the stowage bag provided. Height 11cm, width 41cm, length when open 193cm and length when closed 83cm.	Large		VPLRS0517	£337.00
Foldable Pet Carrier	The foldable pet carrier provides a safe, comfortable environment for the transportation of pets, making it ideal for owners who regularly carry dogs or other pets in the loadspace area of their vehicle. Manufactured from a durable 600D nylon the foldable pet carrier has a lightweight metal frame and includes a quilted fabric cushion, net windows and a spring loaded locking mechanism which snaps into place when required. Reinforced carry handles and corner pieces provide a premium finish, with a side pocket providing a convenient stowage option for other pet accessories or small items. Height 52cm, width 52cm, length 72cm.			VPLCS0520	£289.00
Spill Resistant Water Bowl	Providing a convenient solution for use in transit or outside of the vehicle, the spill resistant water bowl incorporates a clever design feature which redirects water towards the centre of the bowl when the water is disturbed, making it ideal for owners who regularly carry dogs or other pets in their vehicle. The bowl retains an open area allowing your pet to take a drink at all times, has an anti-slip rubber base and also a retention strap for securing it to the loadspace 'D' loop. The bowl has a spill resistant capacity of 350ml.			VPLCS0518	£55.00
Portable Rinse System	Designed to be used outside the vehicle, the portable rinse system provides a convenient solution for rinsing outdoor equipment such as muddy boots, bikes and wetsuits before loading. Depending on the setting selected, this portable rinse system will deliver a minimum of two minutes of continuous water flow through a shower hose style attachment. Without the need for batteries or external power, the system utilises pressure captured when filling from a tap, and an integrated hand pump allows the user to pressurise if filling the water tank away from home. Featuring a Land Rover branded cover and handle, with an additional stowage bag it can be secured to the loadspace 'D' loops during transit.			VPLCS0598	£279.00
Collapsible Organiser	The collapsible organiser keeps items from shifting during transport. Can be easily folded away when not in use.			VPLVS0175	£65.00
Loadspace Side Net	Keep smaller items safely stowed away – but easy to find – with a loadspace side net.		Not available for vehicles with rear air conditioning.	VPLRS0361	£81.00
Loadspace Retention Kit	The loadspace retention kit consists of a pack of attachments that fix into the loadspace rails via a quick lock/quick release system to help provide a comprehensive and flexible solution for retaining luggage and other items within the loadspace. The attachment pack includes a retractable strap with inertia reel and telescopic rod.	For 5 seat only	Requires loadspace rails for fitment.	VPLCS0324	£190.00
Loadspace Retention Net	Secure small items and luggage within the loadspace. Utilises loadspace tie-down points. Includes floor net and two ratchet straps which are approximately two metres long.		Requires loadspace rails for fitment.	VPLMS0302	£144.00
Loadspace Rails – Full Length	Loadspace mounted rails to help increase the flexibility of loadspace stowage, also allowing the fitment of the luggage retention kit stowage system.	For 5 seat only	Required for use with loadspace retention kit.	VPLRS0357	£367.00

CARRYING AND TOWING

CARRYING

PRODUCT NAME	DESCRIPTION			PART NUMBER	PRICE
Roof Rails	Elegantly designed roof rails facilitate fitment of cross bars for roof carrying. Pre-set positioning points ensure cross bars are fixed in optimum position for weight distribution and dynamics. When fitted maximum load capacity is 80kg.	Black finish	Kit includes roof rails and front and rear ditch finishers.	VPLRR0155 VPLRR0157 VPLRR0158	£667.00
		Silver finish		VPLRR0156 VPLRR0157 VPLRR0158	£667.00
Cross Bars	Elegant, durable bright finish aluminium cross bars, with compact design which utilises the full length of the bars, providing space to mount multiple accessories. The cross bars are easy to attach or remove with a simple clamp down with handle operation and are also lockable for security. Aerodynamic profile minimises drag and wind noise. The combined incremental height of roof rails and cross bars when fitted is up to 110mm. When fitted maximum load capacity is 74kg.		Roof rails required for fitment.	VPLRR0154	£244.00
Versatile Roof Rack*	The versatile roof rack has a lightweight and fully integrated design which enhances the exterior and provides a large volume carrying capacity. When fitted maximum load capacity 60kg.	For vehicles not fitted with roof rails.	Kit includes versatile roof rack, front and rear ditch finishers and fixing sealing kit.	VPLRR0153 VPLRR0157 VPLRR0166 VPLRR0167	£1,581.00
		For vehicles already fitted with roof rails.	Kit includes versatile roof rack, rear ditch finishers and fixing sealing kit.	VPLRR0153 VPLRR0167 VPLRR0166	£1,446.00
Luggage Carrier	Flexible rack system to facilitate roof carrying.		Roof rails and cross bars or a versatile roof rack are required for fitment.	VPLRR0159	£454.00
Roof Box*	Roof mounted luggage box with Gloss Black finish. Opens from both sides and is lockable for security. Includes power-grip mounting for easy and quick fixing to the cross bars. External dimensions: 1,750mm long, 820mm wide, 450mm high. Volume 410 litres. When fitted maximum load capacity is 57kg.		Roof rails and cross bars are required for fitment. Not compatible the versatile roof rack.	VPLVR0062	£487.00
Roof Box Ski/Snowboard Inserts	A secure way to fasten skis or snowboard within the luggage roof box.			VPLRR0151	£80.00
Ski Bag	The Land Rover padded ski/snowboard bag carries up to two pairs of skis and poles up to 180cm long. It is manufactured from durable 600D polyester and features removable shoulder straps.			VPLGS0166	£128.00
Ski and Snowboard Carrier*	Carries four pairs of skis or two snowboards and incorporates slider rails for easy loading. Lockable for security. When fitted, the maximum carrying capacity of the ski and snowboard carrier is 36kg.		Roof rails and cross bars or a versatile roof rack are required for fitment.	VPLZR0187	£249.00
Aqua Sports Carrier*	Carries a sailboard, canoe or kayak. Includes lockable multi-purpose holder to carry oars or paddles. Tilts to facilitate loading/unloading. Features lockable straps and rubber supports to maintain optimum weight distribution whilst protecting the kayak and vehicle from scratches/scuffs. When fitted maximum load capacity is 45kg.		Roof rails and cross bars or a versatile roof rack are required for fitment.	VPLGR0107	£321.00
Aqua Sports Carrier – 2 Kayaks	Carries two kayaks or canoes. Also suitable for transporting crafts such as small boats. T-track adaptor and adjustable 275cm strap included.		Roof rails and cross bars or a versatile roof rack are required for fitment.	VPLWR0099	£95.00
Ratchet Strap	Useful nylon ratchet strap for securing items to the cross bars or luggage carrier when roof carrying. Five metres long, 20mm wide and supplied individually.			CAR500010	£17.00

*Maximum load capacity is based upon only one carrying product being fitted. Consideration should always be given to vehicle's maximum roof load capacity to ensure this is not exceeded.
PLEASE NOTE: Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted.

CARRYING (CONTINUED)

PRODUCT NAME	DESCRIPTION			PART NUMBER	PRICE
Wheel Mounted Cycle Carrier	Roof mounted, lockable cycle carrier designed for holding a single bike, up to 20kg. Carries one bike per holder and a maximum of three holders can be fitted.		All bikes must be facing forwards and the width of the bike's handle bars may reduce the maximum capacity. Roof rails and cross bars are required for fitment and will accommodate two cycle carriers.	VPLZR0186	£150.00
Fork Mounted Cycle Carrier	Roof mounted cycle carrier provides a simple and secure fitting with the bicycle front wheel removed, ideally suited to lightweight bicycles and 'racing' wheels. A separate carrier is included for the front wheel. Easy to fit, lockable cycle carrier which carries one bicycle per holder. A maximum of two holders can be fitted.		Carrier is not compatible with mountain bike front forks featuring 15mm diameter axles, 20mm fork axles are compatible.	VPLWR0101	£264.00
Tow Bar Mounted Cycle Carrier	The tow bar mounted cycle carrier features a one hand, quick attach/release tow bar coupling mechanism and can be tilted away from the vehicle, by use of a foot pedal, to allow easy access into the rear tailgate. The tailgate can be opened with carrier in deployed/folded position. Manufactured from aluminium and other lightweight materials, the cycle carrier also features a rear lighting and licence plate mount and it is lockable for security. The carrier has a folding/sliding mechanism to allow ease of stowage when not in use. A holder and ratchet function ensure bicycles are safely secured. Maximum load capacity is 40kg for 2 bike carrier and 51kg for 3 bike carrier (maximum 20kg per bike).	2 Bike RHD	Cycle carrier and heat shield are included. Requires 50mm tow ball and 13 pin towing electrics for fitment.	VPLYR0183	£625.00
		3 Bike RHD		VPLYR0185	£745.00

Consideration should always be given to vehicle's maximum roof load capacity to ensure this is not exceeded.
PLEASE NOTE: Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted.

TOWING

PRODUCT NAME	DESCRIPTION			PART NUMBER	PRICE
Electrically Deployable Tow Bar Kit**	The electrically deployable tow bar is operated via a switch in the rear loadspace or by the infotainment system in the cabin. It is sensitive to obstruction encountered during deploying/stowing and will stow automatically if necessary. The electrically deployable tow bar is stowed discreetly behind the rear bumper when not in use providing a clean attractive finish. The towing electrics are also hidden until deployed. Approved for up to 3,500kg* maximum towing capacity and 350kg* nose weight. Includes a unique trailer light test facility which allows the driver to check without assistance if the trailer lights, including reverse and brake lights, are functioning correctly. The trailer light test is activated via either a switch in the loadspace or via the touchscreen, depending on the vehicle's specification.	Electrically Deployable Tow Bar	Not applicable for R-Dynamic vehicles. The tow eye cover replaces the rear valance when towing is ordered. This tow eye cover is supplied painted.	VPLRT0302	£2,320.00
