THE HONDA ODYSSEY: A CAR FULL OF BIG IDEAS

The best in the segment just got better. Introducing the completely redesigned and re-engineered Honda Odyssey: Dynamic and versatile with a whole host of new comfort and convenience features, the Honda Odyssey is truly the most sophisticated and technologically advanced minivan yet.

Intelligent LED's

LED Headlights with Auto-On/Off help you see more while using less energy, eliminating the fear of accidentally leaving them on.

INTERIOR

Cabin Features and Technology

The New Odyssey, delivers a new host of comfort and convenience features and state of the art technology giving a comfortable cabin environment to one and all.

Enter Into Peace of Mind

The New Odyssey interior is impressive with engaging state of the art new features to ensure everyone enjoys the journey.

Seat Configurations

With Magic Slide 2nd-Row Seats™ and 3rd 60/40 Row Magic Seats, there is plenty of room to get into the third row as well as accommodate 7- 8 passengers with comfort. The seats can also be folded to accommodate a number of cargo sizes.

How Much Farther?™

Another kid-friendly innovation, the How Much Farther? app provides a fun way to track mileage in KMS and travel time to a final destination. Choose from a selection of different themes showing the distance from the start point to the destination.

Honda CabinTalk™

Honda CabinWatch™

Rear Entertainment System

Honda SENSING®

Honda Sensing® is an intelligent suite of safety and driver-assistive technologies designed to alert you to things you might miss while driving. It includes:

- Collision Mitigation Braking System™ (CMBS™)
- Forward Collision Warning (FCW)
- Lane Departure Warning(LDW)
- Road Departure Mitigation System(RDM)
- Lane Keeping Assist System(LKAS™)
- Adaptive Cruise Control(ACC)
- Blind Spot Information
- Rear Cross Traffic Monitor
- Pedestrian Detection System
- Head on Collision Detection

CONNECTIVITY & CONVENIENCE

Refined and Redesigned Instrument Panel

The Newly designed instrument panel includes a full color and an interactive 8-inch Display Audio Touch Screen, start stop button, ventilated seats and new push button gear selector.

8-Inch Display Audio Touch Screen

Multi-Zone Audio

Digital Driver Information Interface

A 7-inch Digital Driver Information Interface is right in front of the steering wheel ensuring information such as Honda Sensing®, phone book, indicators, select app control are accessible and easy to read.

Tri-zone Climate Control

Elegant Push Button Gear Selector

Wireless Charging

8 way Power Driver's seat

Electronic Sun Roof

Push Button Start

Multi-Angle Rearview Camera with Dynamic Guidelines

Height Adjustable Power Tailgate

The Power Tailgate's height adjustable feature makes it quick and easy to customize for drivers of all heights. It also protects the tailgate from damage in areas with lower ceiling heights.
