A8

Product and Price Guide

Model Year 2020 - Released January 2020

Doyen of style

The Audi A8 is stylistically defining – it signals the dawning of a new design era for the entire brand. The front end with the wide, upright Singleframe grille and the fluid, muscular body symbolize sporty elegance, sophistication and progressive status.

Luxury lounge

Freedom is the defining design feature with a new luxury slant. This explains the A8's resemblance to a lavish, spacious lounge. Compared to the predecessor model, it has grown substantially in length. The range of equipment and materials is extensive, with every detail radiating superlative bespoke quality.

Sensitive, with understanding

In the A8, Audi conveys its claim to high quality to the digital age with a revolutionary operating concept. The A8 dispenses with the rotary/push-button control and touchpad of its predecessor – MMI touch becomes MMI touch response. At the center of the instrument panel is a 10.1-inch touchscreen display which, when off, blends almost invisibly into the high-gloss black surround thanks to its black-panel look. When the system is started, the user interface appears which features new, concise graphics.

The chassis

Dynamic all-wheel steering, adaptive air suspension, electronic chassis platform – Audi has rethought every aspect of the chassis of its new flagship. Revolutionary technologies and control systems make it even more comfortable, sporty and safe.

Audi Configurator

The easy way to build your Audi

Our online configurator makes it simple to create your ideal Audi, using all your favourite options from this pricelist.

A8 Standard Equipment (SE)

Exterior Equipment

- 18" '5-spoke V-style alloy wheels
- LED headlamps
- LED rear lights
- High-beam assist
- Separate daytime running light
- Exterior mirrors, electrically adjustable, heated and folding, automatically dimming on both sides, with memory function
- Body-coloured exterior mirror housings
- High-Gloss styling package
- Standard bumpers in body colour
- Luggage compartment lid, electrically opening and closing
- Heat-insulating glass for windscreen, side and rear windows

Interior Equipment

- Twin-spoke leather steering wheel with multifunction and shift paddles
- 2-zone deluxe automatic air conditioning
- Ambient lighting package with white LED lighting for the interior
- Reading lights
- Sun visor with vanity mirror, illuminated on the driver and front passenger side
- Lower inlays in matt brushed aluminium, dark (for dashboard)
- Upper inlays in fine grain ash natural, grey-brown (for dashboard, door trims and centre console; including surrounds in aluminium look)
- Control buttons in black glass look with haptic feedback and extended aluminium look
- Headlining in cloth (in pastel silver or pearl beige, to match the respective interior equipment colour)
- Gear lever in leather
- Floor mats, front and rear, in velour, to match the carpet colour
- Cigarette lighter and ashtray, front and rear; including second ashtray
- Comfort centre armrest, front
- Color-matched roof grab handles

Seats & Upholstery

- Comfort seats in front with electric 4-way lumbar support
- Front seats, electrically adjustable with memory function
- Valetta leather upholstery
- Seat heating, front
- Head restraints, rear
- ISOFIX child seat mounting and top tether for the outer rear seats

Technology & Security

- Anti-theft alarm
- Anti-theft wheel bolts and loose wheel detection
- Comfort key with sensor-controlled release of the luggage compartment lid, with Safelock
- Adaptive air suspension
- Progressive steering
- quattro with self-locking centre differential
- Visual and acoustic tyre pressure loss indicator
- Vehicle tool kit
- Tyre repair kit including 12V compressor and tyre sealant
- Omission of output/technology logo
- First-aid kit with warning triangle and high-visibility vests
- Deactivation switch for the front passenger
- 72l fuel tank + 24l AdBlue tank
- Side airbags, front and rear, including head airbag system
- Extended pedestrian protection
- Start-stop system

Infotainment, Audio & Communication

- Audi Virtual Cockpit
- Head-up display
- MMI navigation plus with MMI touch response
- Audi connect navigation & infotainment
- Audi connect emergency call & service including remote services
- Audi smartphone interface
- Bluetooth interface
- Audi music interface including 2 USB interfaces with charging and data transfer function to play music from a portable storage medium (USB, smartphone, MP3 player)
- DVD player installed in the glove compartment
- Audi sound system with 10 loudspeakers including centre speaker and subwoofer, 6-channel amplifier with a total output of 180 watts

Assistance Systems

- Adaptive cruise control with speed limiter, efficiency assist, swerve assist and turn assist
- Parking system plus (acoustic and visual parking system, front and rear, assists with parking and manoeuvring)
- Reversing camera
- Lane departure warning
- Lane change warning with exit warning and cross traffic assist rear
- Camera-based traffic sign recognition
- Audi pre sense front & rear

A8 Luxury

Luxury adds the following equipment over Standard models:

- 20” ‘10-spoke Y-style alloy wheels
- HD Matrix LED headlights with dynamic indicator
- LED rear lights with dynamic indicators
- Headlight cleaning system
- Acoustic glazing
- Chrome exterior package
- Comfort customised contour seats
- Valcona Leather
- Parking system plus with display of surroundings
- 360 degree cameras
- Audi phone box

Luxury Plus package

Only available with A8 Luxury

+ Panoramic glass sunroof
+ Seat ventilation, front
+ Bang & Olufsen 3D Premium Sound System

Offer price starting from:
€4,286

Up to 27% customer saving

Order Code: WI5

Exterior Colour Options

Choose the paint colour that best matches your personality. To ensure excellent quality, your vehicle will be painted not just once but four times. For more than just a shiny look, your vehicle will be protected from environmental conditions as well as wear and tear effects.

For a life long strong appearance.

Metallic and Pearl Effect paint prices begin at €1,709.
Audi Exclusive paint prices begin at €4,774.

A8 Optional Equipment

Infotainment, Audio & Communication

Audi Virtual Cockpit Plus - 9S9

Innovative, fully digital 12.3-inch instrument cluster in full HD resolution with additional graphic display options “dynamic” and “sport” in addition to the regular instrument display in “classic” design.

The Audi virtual cockpit plus supports the flexible display of information tailored to the driver’s needs, such as: speed/engine speed, maps, Audi connect services, radio/media information, etc.

Pricing from: | SE: €232 | Luxury: €244

Bang & Olufsen 3D Advanced Sound System - 8RF

Sound reproduction via 23 loudspeakers including 3D sound, front and rear; loudspeakers, centre speaker and subwoofer each with their own, separate power amplifier, exclusive loudspeaker covers in aluminium and high-quality neodymium magnets; centre speaker and 2 automatically extending acoustic lenses on the instrument panel for an extremely detailed acoustic perspective in any seat.

Symphoria 2.0 3D supplements the dimensions that are essential for natural sound: breadth, depth and height.This has the effect of creating a pleasant sense of dimensionality within the car. At the same time, the physical limits of the passenger cell are dissolved: the vehicle interior feels larger, allowing the music to unfold as originally intended.

Pricing from: | SE: €10,009 | Luxury: €10,506

Audi phone box - 9ZE

Inductive charging function (Qi standard) with 5 watts including left-behind warning as well as charge status display in the MMI; phone charging pad measuring 170 × 87 mm in the centre armrest, front. Hands-free use is possible with up to 2 connected mobile phones.

Including in-car coupling aerial for connecting the mobile phone with the external aerial, resulting in low radiation inside the vehicle and improved signal quality; supports LTE.

Pricing from: | SE: €985 | Luxury: Standard

Rear Seat Entertainment - 9WF

2 removable Audi tablets, including two brackets for the seats. The Audi tablet provides fully integrated in-car Rear Seat Entertainment and can also be removed, allowing it to be used conveniently outside the car. The Audi tablet is also a fully fledged Android tablet used as Rear Seat Entertainment. In one single device, therefore, Rear Seat Entertainment combines convenient in-vehicle entertainment courtesy of your own favourite songs and films with everyday use as an Android tablet and offers the customer a great deal of flexibility.

Pricing from: | SE: €4,774 | Luxury: €5,010

A8 Optional Equipment

Infotainment, Audio & Communication

		Pricing from SE	Pricing from Luxury
UF8	**Audi music interface in the rear**, 2 USB interfaces with charging and data transfer functions in the rear in addition to 2 interfaces in the front to play music from a portable storage medium (USB, smartphone, MP3 player).	€232	€244
9VS	**Bang & Olufsen 3D Premium Sound System**, sound reproduction via 17 loudspeakers, including 3D sound loudspeakers, centre speaker and subwoofer, 16-channel amplifier with a total output of 730 watts; three-dimensional audio reproduction thanks to the 3D sound feature for the front seats. This is created by additional broadband loudspeakers in the A-pillar, by the mid-range speakers and by Fraunhofer's Symphoria technology. The 3D sound can be reproduced with all sources. A virtually unrivalled authentic 3D sound experience is created in the vehicle, giving the impression that you are sitting in the front row of a concert hall.	€1,848	€1,939
6G2	**DVD changer and DVD player**, DVD changer fitted in the interior between the rear seats, for 6 DVDs or CDs, supports audio CDs and video DVDs; shock-proof; can be loaded and changed individually; MP3 and WMA cannot be played; DVD player installed in the glove compartment; MP3, WMA and AAC can be played.	€848	€890
QW5	**Rear Seat Remote**, the Rear Seat Remote control unit is a multifunction control unit in the rear compartment for operating the various climate control, seat and convenience functions. It can adjust settings on the central computer, provides an alternative to using the Audi tablet and doubles up as a handset for telephony in the rear. The Rear Seat Remote control unit features a high-resolution 5.7-inch OLED display and includes touch-sensitive controls.	€755	€792
QF8	**Telephony in the rear including Audi phone box without wireless charging**, the Rear Seat Remote control unit can be used as a handset to make private calls in the rear. Charging of mobile phone via USB-A connection by using the Audi phone box in the centre armrest on the 3-seat rear seat system; including coupling aerial to connect the mobile phone with the external aerial, resulting in low radiation inside the vehicle and improved reception quality; supports LTE; including Audi music interface, rear (2 × USB-A data transfer/charging).	€1,123	N/A

A8 Optional Equipment

Assistance Systems

360 degree cameras - PCZ

4 wide-angle 360 degree cameras cover the entire area immediately around the vehicle, allowing for a range of different views for even easier manoeuvring. The views can be controlled via the top MMI display:

- Exterior view
- Bird's-Eye view
- View of the front and rear wheels
- Reversing camera view
- View from the front camera
- Panoramic view

Pricing from: | SE: €1,123 | Luxury: Standard

Assist package City - PCM

The assist package City includes assistance functions designed specifically for urban traffic. The package includes:

- intersection assist
- lane change warning
- exit warning
- cross traffic assist rear
- Audi pre sense rear
- Audi pre sense side

Pricing from: | SE: €924 | Luxury: €970

Park assist with parking system plus - 7X5

Park assist helps the driver to enter and exit parking spaces by means of suitable steering manoeuvres. Ultrasonic sensors are used to search for suitable bay and kerb-side parking spaces. The system calculates the ideal parking path for bay parking spaces (forwards and backwards), and the ideal parking and exiting paths for kerb-side parking spaces. The steering action is performed by the system. The driver simply needs to follow the instructions on the display, change gear, accelerate, brake and monitor the parking process. The visual display warns the driver of any obstacles at the side by showing the path, depending on the steering angle. Parking in several moves is supported.

Pricing from: | SE: €616 | Luxury: N/A

Adaptive cruise assist with emergency assist - 6I6

Adaptive cruise assist is a combination of adaptive cruise control and active lane assist. Within the systems limits, adaptive cruise assist helps the driver accelerate, brake, maintain speed and distance as well as stay in lane. This can increase ride comfort, especially on long journeys.

Emergency assist detects within system limits when the driver fails to respond. The system provides the driver with a visual, acoustic and haptic warning. If the driver does not respond, the system assumes control of the vehicle, automatically bringing it to a stop in its own lane. Audi pre sense protective measures are activated and the vehicle is prepared for a rescue of the occupants. If available, an automatic emergency call is made.

Pricing from: | SE: €308 | Luxury: €323

A8 Optional Equipment

Assistance Systems

Night vision assist - 9R1

Night vision assist improves poor visibility in the dark by electronically visualising the road and surroundings. The system assists the driver when driving at night by displaying a thermal image of the surroundings. People and larger wild animals that are detected are highlighted in yellow in the Audi virtual cockpit. If they move or if the system determines from their position that there is a potential risk, the marking changes to red, a warning triangle appears and an acoustic warning is emitted. In conjunction with one of the following lighting systems, a highlighted person is also illuminated with several brief flashes of one of the headlights (marking light):

- HD Matrix LED headlights
- HD Matrix LED headlights with laser light

The system is automatically switched on in the dark, provided that the dipped beam has been activated or the rotary light switch has been set to AUTO. Additional display of warning messages in the optional head-up display (if ordered).

Pricing from: | SE: N/A | Luxury: €3,717

Weights/capacities	
Unladen weight[2] in kg	2050
Gross vehicle weight in kg	2690
Roof load/trailer nose weight in kg	90/95
Towing capacity in kg (braked - 8% gradient)	2300
Tank capacity, approx. (l)	72
AdBlue tank capacity approx. (l)	24
Performance/consumption	
Top speed in km/h	250
Acceleration 0–100 km/h in s	5.9
Fuel grade	Diesel sulphur-free
Fuel consumption in l/100 km NEDC*	
urban	6.8-6.5
extra-urban	5.6-5.3
combined	6.0-5.7
CO_2 emissions combined in g/km NEDC*	158-151
Fuel consumption in l/100 km WLTP combined*	7.5-6.9
CO_2 emissions combined in g/km WLTP*	197-180
NOx emissions in mg	70.6
Emissions standard	EU6

* The stated fuel consumption and emission values were determined according to the legally prescribed measurement procedures. Since 1 September 2017, certain new cars have already been type-approved under the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption and CO 2 emissions. From 1 September 2018, the WLTP will progressively replace the new European Driving Cycle (NEDC). Because of the more realistic test conditions, fuel consumption and CO 2 measured according to the WLTP are Emission values are in many cases higher than those measured according to the NEDC. As a result, from 1 September 2018, changes in vehicle taxation may result. Values stated above are WLTP values. Irish taxation is based on NEDC2.0 values. Further information on the differences between WLTP and NEDC can be found at www.audi.ie/wltp. All retail prices include both Co2 and NOx element of VRT. Please note, these values are subject to change based on configuration. WLTP ranges and NOx values shown are accurate at the time of publishing. Please visit our online configurator at www.Audi.ie to display the WLTP values & NOx values which are specific to your new Audi's individual specification. Final NOx emission data will be issued on delivery of your vehicle.
