ABOVE & BEYOND

EVERY LAND ROVER IS DIFFERENT **MAKE YOURS YOURS**

To help you add your own individual stamp to your Land Rover, we've created accessories that let you tailor your vehicle to your own requirements. From new wheels, to carrying and towing equipment, they're all designed to make your Land Rover even more capable, stylish, tough and versatile.

You can add these accessories at any time in your vehicle's life, so you can update it to suit changing lifestyles. Every accessory comes with a 24-month warranty. Also, if it's fitted within a month of your vehicle's handover date, or 1,000 miles (whichever is first) it'll be covered by your vehicle's three year warranty.

ACCESSORY LIFESTYLE COLLECTIONS

To help you choose, we've created Lifestyle Collections, which are designed to enhance the way you enjoy your Land Rover. Every accessory is manufactured to fit perfectly and complement the overall design of your vehicle.

To make sure every accessory is as tough as your Land Rover, it's exposed for up to two years in extreme light conditions, a process known as Florida Weathering. We subject it to Heat Shock Testing, in which it's cooled to -40°C , then heated to 70°C . Then it's Humidity Tested for 168 hours at 48°C in 95-100% humidity. Finally, to simulate real world driving, it's subjected to a relentless barrage of salt, dirt and dust.
