The Audi Q5

A different kind of SUV.

Our latest Audi Q5 has been redesigned from the ground up. The result is a combination of smooth contours, lightweight engineering and cutting-edge technology. With enhanced suspension and a range of updated engines to choose from, this is our best-selling SUV, re-imagined.

The Exterior

Beautifully sculpted, expertly engineered.

Taut. Defined. Powerful. The curved shoulder line and flared wheel arches give the Audi Q5 a profile that's unmistakable. Upgrade to Matrix LED headlights and the distinctive face becomes all the more striking. At the rear, the wraparound tailgate smoothly integrates the tailpipes, with strong horizontal lines giving real presence.

Performance

Lower weight. Higher performance.

With a body that's up to 90kg lighter than its predecessor, the Audi Q5 is agile and responsive to drive. There's enhanced performance too, thanks to the new choice of engines offering up to 27PS more power. All engines also include quattro on-demand as standard, giving you added efficiency.

Feel closer to the road.

When you're behind the wheel, the newly developed five-link front suspension combines sporty handling with exceptional comfort. Adaptive air suspension, also available as an option, gives a smoother ride on uneven terrain. And torque vectoring distributes power intelligently between the wheels for an even more engaging experience.

The Interior

Surrounded by luxury.

The first thing you'll notice on stepping into the Audi Q5 is space. There's more headroom, legroom and cabin space than the previous model, creating a calm ambience for driver and passengers alike. Premium materials combined with ergonomic controls add to the overall sense of luxury.

Your personal space.

You can personalise the cabin to suit you perfectly. In the dark, optional ambient lighting gives a whole new dimension to the car's interior, using a choice of 30 different colours to create a unique look. And there's also more boot space than before, with 550 litres of storage, which can be expanded up to 1,550 litres, meaning you should never be short on room for your luggage.

Technology

Technology to show you the way.

The Audi Q5 is one of our first cars to feature optional personal route assist, which works with your Satellite Navigation system to learn the routes you use most commonly. It's just one of the innovations designed to help you on the road. Others include Audi Pre-sense City, which can initiate emergency braking when a collision looks imminent, and optional cross-traffic assist rear that provides an extra pair of eyes when you're reversing.

A close-up shot focusing on the Audi Q5's instrument cluster and infotainment system. The cluster includes a digital speedometer and tachometer. The infotainment screen shows a detailed 3D navigation map with a red route line, a destination point labeled "Purple Rain In The Dark", and a speed limit indicator of "70m". The Audi logo is visible on the center console.

Vorsprung durch Technik

Not just a slogan. A philosophy.

Progress. It's behind everything we do at Audi. It's why, in the Audi Q5 range, you'll find some of our most innovative new technologies – from standard features like Audi Smartphone Interface to advanced options like Audi Virtual Cockpit.

The Audi Q5 range is Vorsprung durch Technik, evolved.

Driving confidence, whatever the weather.

Loose gravel. Icy patches. A tight bend in the rain. Conditions on the road are always changing, so quattro changes too. Standard on Q5, it analyses your grip – automatically distributing power between all four wheels to where it's needed most. It's made for the most challenging conditions of all – the ones you encounter every day. Whatever the road holds, you can be confident that quattro will react.

quattro

highlights

Illuminating features.

The Q5's new optional Matrix LED headlights produce a light similar in colour to daylight. They also incorporate sensors and an inbuilt camera that detects other road users, as well as ambient light in built-up areas. They then react by dipping individual LEDs to reduce the risk of dazzle, while still fully illuminating the remainder of the road.

Where available, Matrix LED technology will even use the vehicle's navigation data to anticipate corners, adjusting LEDs as you negotiate the bend. The result is a much wider visual range, benefiting both you and other road users. Dynamic sweeping indicators complete the striking look at the front and rear.

Smartphone Interface

Bring your phone to the fore.

Imagine being able to use your smartphone applications safely while driving. The Audi Smartphone Interface, standard across the Q5 range, lets you do just that.

Satellite navigation. Music streaming. Your contact list. Now you can access apps, approved for in-car use by Android and Apple, from the MMI controls on the Q5's centre console, and from the multi-function steering wheel.

Simply connect your compatible smartphone via USB* and approved apps appear in full colour on the central MMI screen.

Finding your way.

You can now use Apple and Google Maps™* as your navigation system. Turn-by-turn directions, traffic guidance and estimated arrival times are easy to see on your MMI screen without having to touch your phone – and addresses from your email, texts, contacts and calendar can be added as destinations. Don't forget, planning your journey at home reduces data usage while on the move.

Google Maps™*

Your own soundtrack.

You can play music stored on your phone as you drive, controlling it simply and intuitively through the interface. Streaming services are also available, including Spotify and Google Play Music.*

Spotify and Google Play Music*

Keeping in touch.

With Audi Smartphone Interface, any text messages you receive while driving can be read out to you – and if you need to respond, you can do so simply by dictating your message. But not only that. You can also use approved third-party apps* like WhatsApp to keep in touch while driving.

WhatsApp, Skype and Google Hangouts*

What's on your phone is now available on the road.

The Audi Smartphone Interface makes linking your smartphone[†] to your car quick, safe and easy.

With Android Auto and Apple CarPlay, you can access approved apps* from your phone safely via the Q5's MMI system. So you can make calls, receive and dictate messages, navigate, select music and podcasts and much more without taking your eyes off the road.

All imagery on these pages shows use of Apple CarPlay with Audi Smartphone Interface. [†]Audi Smartphone Interface uses Apple CarPlay, which is available with iPhone 5 and above, or Android Auto, which is available with phones using Android 5.0 Lollipop or above. *Availability of applications differs by operating system and is dependent on approval by Apple or Google. An up-to-date list of approved apps is available on the relevant systems' websites. Permanent availability cannot be guaranteed as this is the responsibility of Apple and Google. Use of certain apps with Audi Smartphone Interface will be subject to signal availability of the mobile network in your location and in-car usage may increase your mobile data usage. If using regularly, a mobile phone contract including an unlimited or high amount of data is recommended.

Customisable control.

The information you need is always changing, so the Audi Virtual Cockpit changes too. Available as an option, it replaces the traditional dashboard with a high-resolution, 12.3" LCD screen, which you can customise by pressing the 'view' button on the multi-function steering wheel. Choose the 'classic' view, with prominent speedometer and rev counter, or the 'infotainment' view, which brings functions such as the navigation map or media to the fore – with crisp 3D graphics and highly detailed effects.

The world at your fingertips.

Being inside your car shouldn't mean losing touch with the outside world. That's why, with optional Audi Connect, the Q5 creates a link between you and the internet. With internet access in your car, you can go online to access information, entertainment and Google Earth™ for navigation maps. And, with a wireless hotspot within the car, passengers can connect their mobile devices – to browse the internet or download emails. With Audi Connect, the world is at your fingertips. Available as part of the optional Technology Pack.

Audi connect

Infotainment Services

Image for illustrative purposes only. Terms and conditions apply to certain Audi Connect Infotainment Services functions. Please see pages 61-62 for additional information.

Stay connected on the move.

The following Audi supported services are currently available on the Q5 range with Audi Connect Infotainment Services:

Infotainment.

-  **Online media streaming*** Pairing a smartphone with the Audi Music stream app offers access to worldwide radio stations and music stored on the smartphone
-  **Weather information** Gives you forecasts and maps for your chosen destination
-  **News online (individual)[^]** Text and images from your favourite news sources with text-to-speech function
-  **Country-specific information*** The legal regulations for a specific country, such as speed limits or whether it is compulsory to carry a high-visibility vest or display a motorway toll sticker, are displayed when crossing a border

Communication.

-  **Wi-Fi hotspot** Connects your mobile devices to the internet
-  **Twitter[^]** Enables you to tweet and receive updates on the move, with text-to-speech and other convenient text functions
-  **Email** Your emails can be transmitted to your Audi MMI and read out conveniently**

Mobility and navigation.

-  **Points of interest** Search Google™ using free text
-  **Navigate with Google Earth™ and Google Street View™** Uses high-resolution aerial and satellite images, as well as photos, to guide you to your destination with ease
-  **Destination entry via myAudi or Google Maps™** If required, navigation destinations can be conveniently planned on your PC or smartphone. myAudi and Google Maps™ allow individual navigation destinations to be sent to the vehicle. When you start your journey, these can be easily loaded as your destination. myAudi or Google account required
-  **myAudi – special destinations**^** Import individual point-of-interest (POI) lists to your Satellite Navigation system via the myAudi portal

Map update online The map version delivered can be updated free of charge with the first 5 navigation updates which are issued at intervals of 6 months. In conjunction with Audi Connect, the update can be carried out online in the vehicle*

Flight information Get information about departure and arrival times, as well as the corresponding gates, and search directly for flight numbers

Train information Find departure and arrival times and platform information while you're on the road (also available for other types of public transport such as underground systems)

Fuel prices Information on filling stations with the cheapest prices in your selected search area

Parking information Helps you find car parks nearby and, where available, information on prices and currently vacant spaces

Traffic information online Complements the dynamic route guidance with real-time traffic flow information for individual stretches of road

Terms and conditions apply to certain Audi Connect Infotainment Services functions.
Please see pages 61-62 for additional information.

*Only available when ordered in combination with one of the optional Technology Packs.

^myAudi account required.

**For information about compatible phones and software versions please visit www.audi.co.uk/phonecompatibility

Safety and Service

Reassurance comes as standard.

Audi Connect Safety and Service lets you locate your car, check your vehicle status and lock/unlock your Audi from a distance via your smartphone.* And, should you ever find yourself in an emergency situation, it's good to know that with Audi Connect Safety and Service, you'll also have access to the emergency services† or Audi Roadside Assistance.†

*In order to activate these features, customers must register and accept the terms and conditions on myAudi. †These services are only within the range of the selected mobile phone network operated by Audi's chosen mobile phone provider.

Safety and Service

Remote control your Audi.

Audi Connect Safety and Service myCarManager lets you locate your car, check its status and lock/unlock the doors from distance via your smartphone or tablet. So if you want to check up on your Audi but can't spare the time to get away, you can reassure yourself even when you're far away.*

Vehicle status report**

How many miles of fuel have I got left? What's my current mileage? Is the car locked? Have I turned the lights off? With an Audi Connect MMI app on your smartphone or tablet, you'll have the answer instantly.

Remote lock and unlock**

If you forgot to lock your car, or you need to give someone urgent access, don't worry: even if you're some distance away, you can lock and unlock your Audi via your smartphone or tablet.

Car finder**

A common frustration is forgetting where you parked your car. With myCarManager you can check where you last switched the ignition off on a map to help locate your car.

Help is on hand.

Audi Connect Safety and Service myCarManager lets you locate your car, check its status and lock/unlock the doors from distance via your smartphone or tablet. So if you want to check up on your Audi but can't spare the time to get away, you can reassure yourself even when you're far away.*

Emergency Call† In an emergency, time is of the essence. That's why your Audi comes with an SOS button that can call for urgent assistance when pressed. In the unfortunate event of the car detecting a major accident** it will automatically place a call to an Audi partnered emergency call centre, who will send emergency assistance to your GPS location.

Online Roadside Assistance† In case of a mechanical fault or minor accident, just press the Online Roadside Assistance button. It will connect you to an Audi Roadside Assistance call centre, which can quickly establish your location and what kind of assistance you require.

Audi Service Request** After registering with myAudi, your chosen Audi Service Partner can receive relevant vehicle service data sent directly from your car to tell them when your car requires a service. They will then contact you in advance to arrange a booking.

*In order to activate this feature, customers must register and accept the terms and conditions on myAudi. †These Audi Connect services are only within the range of the selected mobile phone network operated by Audi's chosen mobile phone provider. Services are provided via a SIM card installed in the vehicle. Costs for calls and connections are included in the price of your Audi. Audi Connect Emergency Call, Online Roadside Assistance and Audi Service Request services are available for 10 years after vehicle delivery. For full terms and conditions please see pages 61-62. **For example if the vehicle's airbags or seat belt tensioners have been activated.

Build your **Audi**

**Express your individuality
with a choice of standard
and optional features.**

The following sections of this guide are designed to make it easy for you to understand the specification of your Q5 and select the options you want.

So with just a few choices, you can begin to create the Audi you've always imagined. However, if you want more details, please download the relevant pricelist from www.audi.co.uk/pricelist

Audi Q5 SE

The SE specification offers a high level of equipment as standard. Highlights include Xenon headlights with LED daytime-running lights, Audi Parking System Plus and Audi Pre-sense City accident detection.

Equipment highlights include:*

- ▶ 18" x 8.0 '5-twin-spoke dynamic' design alloy wheels
- ▶ Standard seats in Twin leather
- ▶ Heated front seats
- ▶ Comfort Dynamic suspension
- ▶ Inlays in Aluminium Rhombus
- ▶ quattro on-demand
- ▶ High multi-function 3-spoke leather steering wheel
- ▶ Xenon headlights with LED daytime-running lights
- ▶ Power-operated tailgate
- ▶ MMI Radio Plus with 7" colour MMI screen and controller
- ▶ Cruise control system with speed limiter
- ▶ Audi Parking System Plus
- ▶ Audi Pre-sense City

Main images. Q5 SE in optional Azores green, metallic paint. **1.** High multi-function 3-spoke leather steering wheel.
2. MMI Radio Plus with 7" colour MMI screen and Audi Smartphone Interface. **3.** Deluxe 3-zone electric climate control.
4. Standard seats in Twin leather in Black.

Audi Q5 Sport

Specification in addition or replacement to SE.

The Sport trim adds styling upgrades both inside and out for an enhanced, sporty look. 18" alloy wheels and air inlets in Matt titanium black make a striking impression, while the LED Interior Lighting Pack gives a unique ambience inside.

Equipment highlights include:*

- ▶ 18" x 8.0 '5-arm star' design alloy wheels
- ▶ Air inlets in Matt titanium black, with blades in Matt aluminium silver
- ▶ Radiator grille in Twilight grey with horizontal Matt aluminium struts
- ▶ Front Sport seats in Twin leather
- ▶ 4-way electric lumbar support
- ▶ LED Interior Lighting Pack
- ▶ MMI Navigation (SD card-based)
- ▶ Audi Connect Infotainment Services (3-month trial)[†]

Main images. Q5 Sport in optional Navarra blue, metallic paint. **1.** MMI Navigation with 7" colour MMI screen.
2. Audi Connect (3-month trial). **3.** Front Sport seats in Twin leather in Black.

Audi Q5 S line

Specification in addition or replacement to Sport.

The S line specification includes an upgrade to larger 19" alloy wheels and enhanced S line exterior styling. These aren't the only features that stand out on the road. LED headlights with a signature 'Q' design make this car just as attractive, day or night. Inside, front Sport seats and contrast stitching give an unmistakably premium feel.

Equipment highlights include:*

- ▶ 19" x 8.0J '5-twin-spoke star' design diamond cut finish alloy wheels
- ▶ S line exterior body styling and badging
- ▶ LED headlights with 'Q' signature design, LED rear lights and dynamic indicators
- ▶ Front Sport seats with 'S' embossed logo in leather/Alcantara
- ▶ Inlays in Matt brushed aluminium
- ▶ High multi-function 3-spoke leather steering wheel with grips in perforated leather and 'S' badging
- ▶ Gear-lever knob in black perforated leather
- ▶ Illuminated door sill trims with 'S' logo
- ▶ Privacy glass
- ▶ Contrast stitching on seats, steering wheel and gear-lever gaiter

Main images. Q5 S line in optional Daytona grey, pearl-effect paint. **1.** High multi-function 3-spoke leather steering wheel with grips in perforated leather and 'S' badging. **2.** Illuminated door sill trims with 'S' logo. **3.** Front Sport seats with 'S' embossed logo in leather/Alcantara. **4.** Inlays in Matt brushed aluminium.

360° camera showing bird's-eye view

Options shown may not be available on all Q5 models, or may only be available as part of a Pack.
Please check the relevant pricelist on www.audi.co.uk/pricelist for full details.
Options are subject to availability and may extend time taken for delivery.

Your configurator

The easy way to build your Audi.

Our online configurator makes it easy to create and price your ideal Audi by simply choosing your favourite options.

Visit www.audi.co.uk/configurator to create your perfect Audi Q5.

Audi Genuine Accessories

Personalise your Audi today.

Make your Q5 your own by adding some genuine accessories. All created by Audi and specially crafted for our models, so they'll deliver the high standards you expect. What you see here is just a selection. See the full collection at www.audi.co.uk/accessories or speak to your Audi Centre for pricing.

All weather mats

Protect the Q5 interior from muddy feet and daily wear and tear.

Safety harness for dogs

Attaches to the rear seat, making journeys safe, legal and easy for driver and dog. Available in sizes S/M/L.

Audi Beam

Project the Audi rings on to the ground with LEDs when the door is open.

Roof box

Add to the Q5's already generous luggage capacity.

Your finance

Get your finance quote in seconds.

Simply go to www.audi.co.uk and enter a few details to see the monthly payments you could be making on an all-new Audi Q5. Below we've outlined some of the different options available – you just need to choose your annual mileage and length of term, then pay an initial deposit that could be as little as one monthly payment.

Solutions Personal Contract Plan

A flexible finance plan designed to give you a number of options, making it ideal if you want to change your car more regularly. At the end of the agreement, you have three choices:

1. Exchange the car for a new Audi.
2. Pay the option to purchase fee and optional final payment, then take full ownership of the car.
3. Simply return the car to Audi (fees may be payable).

Hire Purchase

If you know you'd like to keep your Audi, Hire Purchase could be right for you. And as you're making your payments with a view to owning the car, there's no restriction on how far you can drive each year.

Contract Hire

If you don't want to own your Audi, Contract Hire could be a great option. You can add a service, maintenance and tyres plan and, for VAT-registered businesses, an element of the VAT on rentals may be recoverable. You simply need to commit to a regular monthly payment and hand your car back at the end of your agreement (subject to our return standards).

Online Finance Calculator

Use our online Finance Calculator to get a personalised quote that suits you. Simply visit the Finance and Offers section on www.audi.co.uk and you can choose between our Solution Personal Contract Plan and Contract Hire calculators and see what you can expect to pay for your new Audi.

Audi Insurance

To ensure you can start enjoying your new car from day one, the first five days' insurance* is included as standard with all new Audi models. To activate it, simply call 0330 303 6900, give us a few details and you can drive it away as soon as you take delivery.

Telephone lines are open Monday to Friday 8am–8pm, and Saturday 9am–4pm. For details of our full range of insurance products, visit www.insurewithaudi.co.uk

*Subject to eligibility criteria. Audi Motor Insurance is sold and administered by Ageas Retail Limited. Audi Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"). Registered in England and Wales No. 2835230. Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Financial and consumer credit services are provided by VWFS UK. Volkswagen Financial Services (UK) Limited is authorised and regulated by the Financial Conduct Authority, registration number 311988. Audi Motor Insurance from Audi Financial Services is sold and administered by Ageas Retail Limited, registered in England and Wales No. 1324965. Registered office: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA. Ageas Retail Limited is authorised and regulated by the Financial Conduct Authority (FCA), registration number 312468. Volkswagen Financial Services (UK) and Ageas Retail Limited are not part of the same corporate group.

Important information

Welcome to Audi.

By placing an order for your Audi, you're choosing to drive a car created in the spirit of Vorsprung durch Technik. And because we believe the service we offer should reflect the quality of our cars, we want to let you know exactly what you can expect from us, now and in the future.

Audi customer care

Every new Audi includes these reassuring features as standard:

- 3-year Audi warranty (unlimited-mileage in the first two years, with a full mechanical and electrical warranty up to 60,000 miles in the third year)
- A 3-year paint warranty
- A 12-year anti-corrosion warranty
- 3-year UK roadside assistance and recovery
- 3-year Accessories warranty on any accessories purchased with your car (2-year warranty if purchased separately from your new Audi)*

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty.

Speak to a member of the sales team for more information.

Warranty terms and conditions apply. Please see

www.audi.co.uk/warrantyterms for further details.

Information in this guide

We've done all we can to make the prices, specifications, technical details and all other information you see in this brochure accurate at the time of publication. However, as our products are constantly being updated, we recommend checking the details with your Audi Centre.

We reserve the right to change prices or specification at any time.

All prices shown in this guide include VAT which is currently charged at 20%. Delivery charges and number plates are not included in the Total RRP inc VAT vehicle price.

Delivery charge £504.99

Number plate £20.00

VAT £105.01

Total £630.00

Recommended On-The-Road (OTR) prices include the delivery and number plate charges above, Road Fund Licence (which may vary depending on model/transmission – see table for details) and first registration fee at £55.00.

The images featured in this brochure are for illustrative purposes only. They may feature left-hand drive vehicles and include equipment that is not UK specification.

CO₂ emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO₂) a vehicle emits, measured in grams per kilometre (g/km). First-year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Petrol and Diesel engines	First year	Annual rate (second year onwards)
A - up to 100g/km	£0	£0
B - 101 to 110g/km	£0	£20
C - 111 to 120g/km	£0	£30
D - 121 to 130g/km	£0	£110
E - 131 to 140g/km	£130	£130
F - 141 to 150g/km	£145	£145
G - 151 to 165g/km	£185	£185
H - 166 to 175g/km	£300	£210
I - 176 to 185g/km	£355	£230
J - 186 to 200g/km	£500	£270
K - 201 to 225g/km	£650	£295
L - 226 to 255g/km	£885	£500
M - over 255g/km	£1,120	£515

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate.

Audi tax-free sales

If you are entitled to purchase a vehicle free of VAT, normally through military or diplomatic privilege, please contact your local Audi Centre for full details. Should you have any difficulty obtaining the information you require, please call 0870 241 5663.

Audi Connect Infotainment Services

Audi Connect Infotainment Services are provided via a SIM card embedded in the vehicle. The cost for data connection is free of charge during the 3-month free trial (where standard), or included within the cost of the optional Audi Connect Infotainment Services 36-month subscription. Data is unlimited (but you will not, for example, be able to use the embedded SIM to provide Wi-Fi hotspot services or tether any other device to the embedded SIM). There are no additional charges for data roaming within the EU (availability of services limited to certain countries).

Audi Connect Infotainment Services are available only within the range of the selected mobile phone network operated by Audi's chosen mobile phone provider. The content and scope of the online-based services offered may vary.

Audi Connect Infotainment Services enable access to certain search, social media and other online services provided by third parties. Permanent availability cannot be guaranteed, as this is the responsibility of the relevant third-party provider. Google and the Google logo are registered trademarks of Google Inc. All other trademarks are the property of their respective owners.

The availability of services supported by Audi Connect Infotainment Services varies from country to country and can be dependent on the capability of your mobile phone. For mobile phone and software compatibility please visit www.audi.co.uk/phonecompatibility or your Audi Centre.

Audi Connect Infotainment Services 3-month trial

The 3-month free use of Audi Connect Infotainment Services is activated from vehicle delivery. Should you wish to continue with the services after the three months, please consult your Audi Centre for details. Charges will apply upon renewal.

The Audi Connect Infotainment Services listed are correct at time of publication. Please be aware that we cannot guarantee permanent availability to all these services throughout the 3-month trial.

Important information

Audi Connect Infotainment Services

36-month subscription

If purchased as part of the optional Technology Pack, a 36-month subscription for the use of Audi Connect Infotainment Services is activated from vehicle delivery. The Audi Connect Infotainment Services listed are correct at time of publication. Please be aware that we cannot guarantee permanent availability to all these services throughout your subscription. Should you wish to continue to use Audi Connect Infotainment Services after 36 months, please consult your Audi Centre for details. Charges will apply upon renewal.

Online Map updates for MMI

Navigation Plus

The map version delivered for the optional MMI Navigation Plus can be updated with the first five updates which are issued at intervals of six months. The current navigation data can be downloaded from the myAudi Platform at www.audi.com/myaudi and installed in the vehicle via SD card. In conjunction with Audi Connect Infotainment Services, the update can be carried out online in the vehicle. In addition, it is possible to have the new navigation data installed by an Audi Centre at extra cost.

Diamond cut finish alloy wheel

Diamond cut is a special finish on aluminium wheels. It is also sometimes referred to as 'polished' or 'partly polished'. Special aftercare should be taken when driving in extreme wintry road conditions. For manufacturing reasons, these wheel surfaces do not have sufficient corrosion protection for such use and they may be permanently damaged by road salt or similar.

CO₂ and fuel consumption figures

Official fuel consumption figures for the Q5 range, in mpg (l/100km) from:

Urban 32.8 (8.6) – 52.3 (5.4), Extra Urban 44.8 (6.3) – 58.9 (5.4), Combined 39.8 (7.1) – 56.5 (5.0), CO₂ emissions 162 – 132g/km.*

For full technical data by engine, please see the relevant pricelist on www.audi.co.uk/pricelist

*Fuel consumption and CO₂ emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at www.dft.gov.uk/vca. Optional wheels may also affect emissions and fuel consumption figures.
