

CORSA

2016 Models Edition 2

WELCOME TO A LIFETIME OF FORWARD THINKING

1903 – Forward thinking has been in our nature from the very start. The 6HP, our first ever car, had two forward gears. And no reverse.

1922 – The Silver Arrow OE 30-98 was capable of speeds of over 100mph, this model was built for shipping magnate Sir Leonard Ropner to race at Brooklands.

1937 – The Vauxhall 10' H-type, the first British car to have integral construction.

1957 – The PA Cresta introduced Americana styling to the UK.

1984 – The MkII Astra introduced class-leading aerodynamic styling that still looks good today. The Formula Vauxhall Lotus ran a modified version of the Astra GTE's 2.0i 16v engine.

1971 – The formation of Dealer Team Vauxhall (DTV). The track car was the precursor to our enormous success in touring car racing.

1999 – The Zafira introduced the revolutionary Flex7® seating system inventing the seven-seat compact MPV.

1990 – The Calibra was the world's most aerodynamic production car.

1989 – The Lotus Carlton was the world's fastest production four-door saloon.

2012 – The 'RAK e'. A radical looking electric concept car for the future. Our forward thinking continues.

2012 – Ampera. The first ever Extended-Range Electric Vehicle (E-REV) that redefined electric vehicle innovation leading to it being voted European Car Of The Year 2012.

2015 – Introduction of Vauxhall OnStar. Your personal onboard assistant.

Scan this QR code with your smartphone for more information on the last 110 years of Vauxhall innovation. Don't forget to download a QR reader from your app store first.

The world was a very different place in 1903 when Vauxhall made its first car. We steered with tillers, not wheels. Six horsepower was considered pretty nippy. And King Edward's face was still on the stamps. But for us, one important thing hasn't changed: we started out with a philosophy of Forward Thinking and, over 110 years later, it still motivates everything we do. Who knows what innovations the next 110 years will bring?

LOVE AT FIRST SIGHT.

Introducing Corsa from Vauxhall.

Bold, bright and altogether brilliant, it's our smartest and best Corsa to date.

That means great looks. Clever design. And an interior so gorgeous and comfortable you simply won't want to get out.

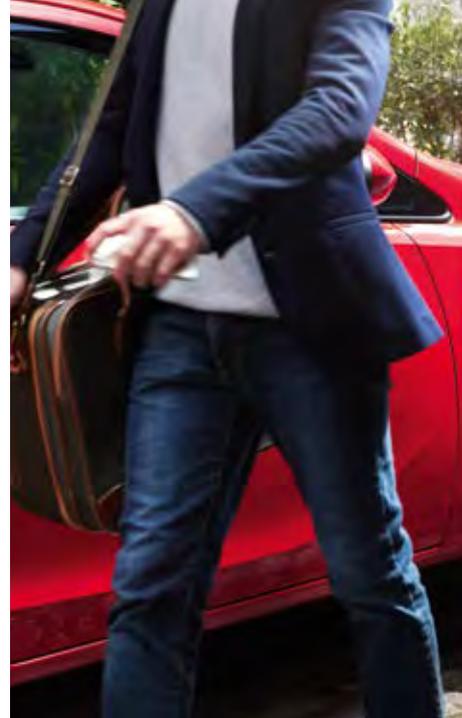

Corsa is a dream to drive too, with lively engines including a punchy 1.0 litre turbo that does economy for fun.

And then there are some seriously intelligent features... big car features you just wouldn't expect:

A heated windscreen for those frosty mornings. Headlights that see you safely round corners. An intelligent camera system that reads road signs. A touch-screen audio system with apps that connects to the internet through your phone.

Corsa can even find you a parking space and then steer into it.

That's Corsa from Vauxhall. A match made in heaven.

TURBO

Corsa SE

LOVE THE LOOKS. ADMIRE THE DETAIL.

CAPTIVATING STYLE MEETS REASSURING SUBSTANCE.

Unashamedly attention-seeking, Corsa's bright character and contemporary lines show off its fun-to-drive personality.

- // Dynamic three-door oozes style and charisma
- // Elegant five-door gives you space and versatility
- // Stylish LED daytime running lights make you easier to see
- // Enjoy fresh air and more light with an optional glass sunroof

See more of the Corsa at www.vauxhall.co.uk/corsa

A TOUCH MORE SOPHISTICATED.

A SMALL CAR INTERIOR LIKE NO OTHER.

Ever sat in a small car that feels this good. We thought not. Let's be honest, Corsa makes most car interiors seem, well, old school.

// Super-stylish curves meet touchy-feely surfaces

// Chrome-style details bring the wow factor

Experience the stunning Corsa interior when you visit www.vauxhall.co.uk/corsa

FULL OF GOOD IDEAS.

TECHNOLOGY THAT LOOKS AFTER YOU.

Designed to tackle every twist and turn of life on the road, Corsa brings you the latest intelligent technologies to make driving safer, easier and a lot more fun.

- 1. City Mode.** Lightens the steering to make tight, low speed turns easier when you're parking.
- 2. Hill start assist.** Automatically stops the car from rolling back as you set off on a steep hill or slope.
- 3. Advanced park assist*.** Finds a parking slot as you drive past it and then steers your Corsa into the tightest space. How clever is that?
- 4. Side blind spot detection*.** A door mirror symbol tells you if another vehicle enters your car's blind spots so you can change lanes safely.
- 5. Heated windscreen, steering wheel, seats and door mirrors.** A choice of heating options to make life safer, easier and a lot cosier when it gets chilly.
- 6. Bi-xenon headlights with cornering lights**.** See corners better with lights that turn in the direction you're heading at low speeds. They also point left and right to help when you're reversing at night.

Visit www.vauxhall.co.uk/the-a-z-ofcorsa to see the benefits in action for yourself.

*Optional at extra cost.

**Optional at extra cost. Standard on Elite models.

1.

2.

3.

4.

5.

6.

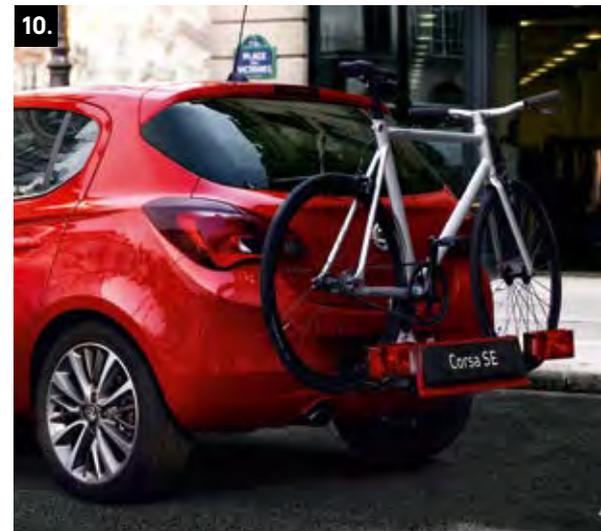

7.

8.

9.

10.

7. Front camera system*. Reads traffic signs before you do, warns if you drift from your lane, or approach slower vehicles too fast, and also helps to keep your distance too.

8. IntelliLink. Keep in touch and entertained with an infotainment system that has digital radio, USB and Bluetooth® with voice control, all easy to use with a seven-inch touch-screen. You can even give Siri voice instructions through your iPhone.

9. On-board apps with IntelliLink. Apple CarPlay or Android Auto, enables certain apps and features from your smartphone to display on the colour display.

10. Flex-Fix® bike carrier*. An optional rack that carries up to two bikes. The best bit is that it hides away neatly by sliding into the bumper when you don't need it.

*Optional at extra cost.

SMOOTH THE CORNERS.

CITY MODE AND CHASSIS DESIGN.

Whichever way you turn, Corsa is pure joy to drive.

When you need precise and lighter steering for a tricky three-point turn or a tight parking space, City Mode helps you out with the ease of powered handling.

And when you're on the road, Corsa handles like a dream.

This is thanks to its agile chassis design and steering system. You'll enjoy a smoother, more solid and responsive ride – the kind of dynamic feel you'd expect of a much larger car.

// Parking and slow turns are easier with City Mode

// Enjoy outstanding ride and handling

Curious about City Mode and the chassis design?
Visit www.vauxhall.co.uk/corsa

LOOKING OUT FOR YOU.

ADVANCED PARK ASSIST AND SIDE BLIND SPOT DETECTION.*

Not only will Corsa help you find an ideal parking spot – let go of the wheel, and the car manoeuvres itself safely into the space.

And when you're in traffic, side blind spot detection senses and warns of vehicles behind you to help you change lanes safely.

- // Advanced park assist helps you find a parking space
- // Once a good space is found, it steers you into the spot**
- // In traffic, side blind spot detection monitors vehicles in the next lane
- // Flashing icons in your door mirrors warn of vehicles you can't see

*Optional at extra cost on all models except Sting, Sting R and Design. **The driver works the pedals and gears, while advanced park assist steers the car.

Corsa SE

THE ONLY WAY IS UP.

HILL START ASSIST.

Hill start assist will automatically stop your Corsa from rolling back as you set off on a steep hill or slope.

// Pull away on hills smoothly and steadily every time

// Steep starts are now as easy as a level surface

// Hill start assist is standard on every Corsa

To get the heads-up on hill start assist, visit www.vauxhall.co.uk/corsa

YOU'RE GETTING WARMER.

HEATING FEATURES FOR YOUR SAFETY AND COMFORT.

Beat the winter chills with heating options that you would not expect in a small car.

// Ice and condensation melt away with the heated windscreen

// Heated leather steering wheel warms up your hands and fingers*

// Stay cosy and sitting comfortably with heated front seats*

// See clearly behind you with heated door mirrors**

*Standard on Energy, SE and Elite models. Optional at extra cost on all other models except Sting and Sting R.

** Not available on Sting, Sting R and Design.

FORWARD THINKING.

LOOKING OUT FOR YOU.

FRONT CAMERA SYSTEM: LEADING SAFETY TECHNOLOGY.

As part of a Driving Assistance Pack, this optional system features an advanced camera behind the windscreen that constantly scans the road and your driving pattern to raise alerts and keep you safe.

It's like an extra pair of eyes watching the road for you.

- // Front camera system gives you intelligent assistance 24/7
- // It senses when roads are fast-moving and busy
- // And warns if you're distracted by traffic or passengers
- // Also includes high beam assist for when you're driving at night*

To see how the front camera system works, visit www.vauxhall.co.uk/corsa

*Available with bi-xenon headlights and Sight and Light Pack Two as part of the optional Driving Assistance Pack One.

THE GIFT OF SECOND SIGHT.

FRONT AND REAR-VIEW SAFETY CAMERAS.

Constantly scanning the road to warn of upcoming hazards, the front camera system* is one of the most advanced optical assistance systems ever engineered in a car.

- // Traffic sign recognition warns before you break a rule
- // Forward collision alert helps prevent rear-end accidents
- // Following distance indication reminds you to keep a safe distance
- // Lane departure warning helps you stay within the lane boundaries
- // High beam assist** makes driving easier and safer at night
- // Rear-view camera† helps you to judge distances better when you reverse

Traffic sign recognition. On busy roads it's all too easy to miss a new speed limit or important sign, but this smart optical sensor alerts you to upcoming road signs.

Forward collision alert (FCA) and following distance indication (FDI). FCA warns if you approach slower vehicles too fast from behind (over 25mph), while FDI helps you maintain a safe distance and avoid tailgating fines.

*Available as part of the optional Driving Assistance Packs. Deletes City Mode steering function. **Available with bi-xenon headlights and Sight and Light Pack Two as part of optional Driving Assistance Pack One. †Standard on Elite models. Optional on most other models with parking sensors or advanced park assist.

Lane departure warning. Get a heads-up warning if you start drifting out of your lane above 37mph (without signalling first).

High beam assist.** Automatically switches from high to low beam as it detects oncoming vehicles (over 25mph) so your lights don't dazzle oncoming drivers.

Rear-view camera†. The rear camera system and parking sensor clearly displays a wide-angle view behind your car to help you reverse safely and accurately.

The front camera system is optional at extra cost on most models as part of a Driving Assistance Pack. The rear-view camera is optional at extra cost on most models in conjunction with parking sensors or advanced park assist.

SEE WHAT YOU'RE MISSING.

BI-XENON HEADLIGHTS, CORNERING LIGHTS AND HIGH BEAM ASSIST.

Corsa makes light of tricky manoeuvres, with a smart array of optical innovations and visibility technologies to ease your mind and keep you safe.

- // Powerful bi-xenon headlights light the road more clearly for you at night*
- // Cornering lights adjust to illuminate your turning direction (when you're driving under 25mph)
- // As you reverse, the cornering lights helpfully point in the direction you turn
- // High beam assist** switches from high to low beam as it detects oncoming vehicles (over 25mph)
- // Rain-sensitive windscreen wipers automatically switch on when it rains†
- // Automatic lighting control switches on your headlights when it gets dark†
- // Electro-chromatic rear-view mirror automatically dips to stop you getting dazzled by vehicles from behind†

Discover more about Corsa advanced light technologies – visit www.vauxhall.co.uk/corsa

*Standard on Elite models. Optional at extra cost on Limited Edition, Red Edition, Black Edition, SRi VX-Line and SE models (includes cornering light function).

**Featured in Driving Assistance Pack One. Optional at extra cost on Limited Edition, Red Edition, Black Edition, SRi VX-Line, SE and Elite models.

†Featured in the Sight and Light Pack. Standard on Energy, SRi, SRi VX-Line, SE and Elite models. Optional at extra cost on Design, Limited Edition, Red Edition and Black Edition models.

Corsa SE

IT'S PLAYTIME.

BLUETOOTH, USB AND INTELLILINK INFOTAINMENT.

Oh yes, Corsa loves to play. It's kitted out for you to connect all the media¹ on your smartphone, MP3 players and tablets using the aux-in socket (CD/MP3 CD player only) or on most models the standard Bluetooth® or USB connection. iPhone users can also use Siri Eyes Free as the system is integrated in Corsa through the iPhone itself.

And on most models there's also a digital radio and the IntelliLink system. Designed to work without a CD player, it features a touch-screen interface that not only enables you to access your device media and the built-in apps but allows you to project your smartphone to the large colour display – perfect for safely accessing your smartphone functions¹, making calls and checking information while you drive.

// Connect your devices¹ using aux-in (CD/MP3 CD player only), Bluetooth®, USB or FlexDock®²

// Access your music, videos³ or slideshows³ directly from your phone, MP3 player or tablet

// IntelliLink can even read e-mails and text messages out loud

// Siri Eyes Free is integrated in Corsa through your iPhone⁴

// Smartphone projection through Apple CarPlay or Android Auto

Discover all the ways Corsa can entertain you – visit www.vauxhall.co.uk/corsa

¹The majority of phones, MP3 players and tablets can be connected by either Bluetooth®, USB connection or aux-in. Please note you may need to change your connection method (i.e. from Bluetooth® to USB cable) if you want to access another function on your device. Certain operations with certain devices may require special leads. ²Available as an accessory at extra cost. There is an iPhone-specific version suitable for iPhone 3GS/4G/4GS and a universal version (maximum dimensions of width: 70mm, height: 127mm, depth: 20mm) suitable for certain other smartphones including iPhone 5/5C/5S – for more information see page 65. Please consult your retailer for the latest compatibility information. iPhones are automatically connected through the cradle itself. Other smartphones utilise the USB connection on the FlexDock® baseplate (USB cable not supplied). ³Video clips and slideshows will not display while the car is moving. ⁴Siri is available on iPhone 4s or later, iPad with Retina display, iPad mini and iPod touch (5th generation), and requires internet access. Siri may not be available in all languages or in all areas, and features may vary by area. Mobile network data charges may apply. Some features may not be available in all countries or all areas.

Digital radio. Digital radio means digital quality sound, a broader range of stations easier to find by name and improved track display info on some stations. IntelliLink system illustrated.

Your apps. Apple CarPlay or Android Auto, enables certain apps and features from your smartphone to display on the colour display. Your smartphone can be conveniently controlled via the IntelliLink touch-screen or by voice command. You can make calls, check your voice mail, send and receive messages, stream music and use Apple or Google Maps to get directions, real-time traffic information and route guidance.

YOUR PERSONAL ON BOARD ASSISTANT

Many car brands talk about innovation as soon as they improve their cup holders, but this one-of-a-kind system is revolutionary: 24/7, 365 days a year, Vauxhall OnStar puts you in touch with an individual, not a machine.

With Vauxhall OnStar you have access to a host of innovations, from Vehicle Diagnostics and Smartphone Function to a fully integrated Wi-Fi Hotspot. In the event of an accident, Vauxhall OnStar even automatically calls for help¹.

Best of all, OnStar services are free of charge on Corsa Limited Edition, Red Edition, Black Edition, SE and Elite models* for the first 12 months!

What's more, this unique service doesn't stop at national borders. You can access it virtually anywhere in Europe².

Motoring re-imagined.

WHAT ONSTAR CAN DO FOR YOU¹

SOS

Automatic Crash Response.

We hope, this won't ever happen to you, but in the event of a crash, built-in vehicle sensors automatically alert an OnStar advisor. The expert will be immediately connected to your car to assess the situation and, if needed, notify the emergency services, providing them with your exact GPS location.

Wi-Fi Hotspot².

Cyberspace now comes on wheels. Thanks to the extra powerful OnStar aerial, you have a stable and quick Internet connection. Your Vauxhall Corsa creates a mobile Wi-Fi Hotspot for up to seven devices.

Smartphone App.

Referring to Murphy's Law your car keys will be in the locked car at least once in a lifetime. No problem, just start the OnStar app and remotely lock/unlock your door with your smartphone. Or use the remote control to sound the horn and flash the lights. The app also checks the oil life by the touch of a button.

Stolen Vehicle Assistance.

"Where is my...? NO WAY!?!?" A stolen car is a nightmare – but from now on you can call our Vauxhall OnStar advisors to track and recover it together with the police.

Vehicle Diagnostics.

Hey Corsa, how are you doing today? You can ask OnStar to remotely check some of the key systems of your car like engine, transmission, emissions or airbags. If you prefer a newsletter, Vauxhall OnStar will automatically send you a monthly e-mail with this key data.

¹Optional on all other Corsa models except Sting and Sting R. ²The Vauxhall OnStar services rely on wireless communication networks and satellite positioning systems. ³Some features may not be available in certain foreign countries. Please check the comprehensive specifications and technical data available in the Corsa price/specification guide PDF for an overview of any restrictions at www.vauxhall.co.uk under 'Request a brochure'. ³In events such as a crash or if your vehicle is stolen.

YOUR PRIVACY. YOUR CALL

One person alone decides what Vauxhall OnStar can and cannot do: YOU.

- Once you've registered and activated OnStar, you can access every OnStar Service. To ensure security, several services will ask for your PIN. For example, Remote Door Lock/Unlock or Stolen Vehicle Assistance.
- Press and hold the Privacy Button for approximately five seconds to mask your car's location at any time. If you change your mind, press the Privacy Button again for approximately five seconds to reveal your location. Only in emergencies³ can OnStar override this.

OnStar Europe Ltd t/a Vauxhall OnStar will never sell your information on. Your information will only be disclosed to OnStar and GM Holdings LLC (USA), its affiliate companies (i.e. Adam Opel AG and General Motors UK Limited), your selected/preferred retailers, companies involved in providing or carrying out the OnStar Services and, at your request, to other service companies.

Privacy Policy – General Motors UK Ltd, General Motors Holdings LLC (Michigan, USA) and OnStar Europe Ltd may process your data for marketing, market research, tracking sales data and to contact you. On request, you can stop the processing of your personal data for marketing at any time.

Your personal details may be shared within the General Motors Group and suppliers, retailers and agents for the above purposes – we will not share your personal details with third parties for their independent use. The data may be transferred outside the European Economic Area ('EEA'). All steps reasonably necessary will be taken to ensure that your data is treated securely and in accordance with applicable laws. Please read our privacy policy – www.vauxhall.co.uk/privacy for more detail.

HOW CAN I GET ONSTAR?

Vauxhall OnStar is standard on Corsa Limited Edition, Red Edition, Black Edition, SE and Elite and is available as an extra cost option on most other models*.

To get it:

1. Request OnStar when you order your new Vauxhall Corsa.
2. OnStar will send you an e-mail invitation so you can activate your account.
3. Complete your registration and set up your preferences.
4. OnStar is ready to go!

After the 12-month free trial period, you can decide to order a continuation of the OnStar services. This will be subject to a fee.

To find out more, visit www.vauxhall.co.uk/onstar

*Optional on all other Corsa models except Sting and Sting R.

HOW MY VAUXHALL SERVICES DO MORE FOR YOU

My Vauxhall is your one-stop shop to manage everything to do with your Vauxhall – from your Vauxhall OnStar account to organising your vehicle's next service to rewards and exclusive offers. Everything is targeted to you and the Vauxhall you drive.

- Manage your Vauxhall – take care of your Vauxhall online, book a service
- Access your Vauxhall OnStar Services – get diagnostics reports, manage your subscription and more
- Exclusive offers – stay up to date on special offers, latest news and current events
- Dealer locator – find your nearest Vauxhall retailer

If you already are a Vauxhall OnStar customer, you can access all the My Vauxhall services. Otherwise, you can register for My Vauxhall by following these easy steps:

1. When you order your car, your retailer will go through a simple pre-registration with you.
2. We will send you an e-mail invitation so you can activate your account.
3. Complete your registration.
4. My Vauxhall is ready to go!

To easily access My Vauxhall from your smartphone, just download the app from the Google Play Store or from Apple iTunes App Store.

FUN. TURBOCHARGED.

ECONOMY + PERFORMANCE = SERIOUS FUN.

Lively petrol engines. Powerful turbo diesels. And an amazing 1.0 litre turbo petrol unit that's lean and efficient. Corsa engines pack real punch – but their super efficiency won't send your plastic into meltdown when you fill up. This is what we mean by serious fun.

// ecoFLEX engine technology gives lower emissions and excellent fuel economy

// CO₂ emissions from just 82g/km* place your car in the lowest VED band

// Start/Stop technology reduces the fuel you use in busy traffic

// Super-smooth six-speed manual transmission for a more refined drive

// Redesigned chassis and steering introduces smoother ride and handling

// Selected models feature a sports chassis for a firmer, more responsive drive

TURBO

*1.3CDTi 95PS Start/Stop ecoFLEX Easytronic (3-door) with optional 16-inch wheels fitted.

Corsa SE

CORSA

TURBO

ENTER A NEW DIMENSION.

THE CAPABLE CORSA 5-DOOR.

Made to give you more space and versatility, almost every Corsa model is available in a super-flexible 5-door option. Corsa SE and Elite models feature a 60/40 split-folding rear seat back* as standard to give you plenty of adaptable loading space.

- // Five doors and a versatile luggage compartment are ideal for families or when you need just a bit more space
- // Two extra doors make it simple to anchor child safety seats
- // Easier access for passengers and storage in the back seats

*Available as an extra cost option on all other models.

OK – HERE'S THE DIFFICULT BIT.

CORSA TRIMS.

They say variety is the spice of life. Well, Corsa offers no less than 11 trim levels. Talk about being spoilt for choice. To help make your mind up, turn the page or ask your retailer for a copy of the Corsa product features brochure. You can even build your own Corsa by using our online configurator at www.vauxhall.co.uk/corsa

All models add their own features to this superb list of standard equipment:

- // Heated windscreen
- // Daytime running lights
- // Bluetooth® connectivity
- // Remote control central locking
- // Electrically operated front windows
- // Tyre pressure monitoring system
- // Electronic stability programme
- // Hill start assist
- // Anti-lock Braking System
- // Cruise control
- // Six airbags
- // Electronic engine deadlock immobiliser
- // Steering column adjustable for reach/rake
- // Steering wheel mounted audio controls
- // Speed-sensitive power-assisted steering
- // Electrically adjustable door mirrors
- // Driver's seat height adjuster
- // City Mode steering function
- // Stereo radio
- // USB connection with iPod control

STING/STING R

Corsa SE

TURN UP THE VOLUME.

VXR STYLING ACCESSORIES.

Bring even more body, tone and style to your Corsa with VXR Styling accessories, showing off the power and boldness of your vehicle.

// Tone up with front and rear lower spoilers

// Rear spoiler and side sills add a streamlined side profile

// A chrome-effect exhaust tailpipe rounds off a road-hugging rear

Go all-out with VXR styling accessories. To find out more, visit www.vauxhall.co.uk/accessories

STYLE ABOVE THE LINE.

Get your show on the road with the Corsa accessory stripes featuring distinctive stripes running along the bonnet, roof and tailgate. Or make a splash with the bubbles decal foil design.

Tweak your design choice further with contrasting door mirror covers and alloy wheel designs. It's all about your style.

To find out how you can personalise your Corsa, visit www.vauxhall.co.uk/accessories

Non-specific models illustrated.

MAKE IT YOUR OWN.

CUSTOMISED ACCESSORIES.

Once you've chosen your Corsa, there's plenty of ways to customise it for your lifestyle. These must-have accessories are a great place to start.

For more Corsa accessories, visit www.vauxhall.co.uk/accessories

On the up and on the move. Customised roof base carrier and specialist Thule attachments for surfboards, boxes or bikes.

Tough love.
The hard cargo liner helps keep the boot carpet clean, tidy and dry.

FlexDock®. The FlexDock® mount lets you make or take calls and stream your media to the audio unit. It recharges the battery, too.

No paparazzi, please. Shades to filter out the sun and stay cool as well as keep your privacy.

Stop dirt in its tracks. Durable floor mats keep things nice and tidy, and save wear and tear on your carpet.

Pretty neat. Save time and space with the versatile FlexConnect bracket system. Hang a tablet, place a drink, or hold shopping and a jacket in place.

LET'S GO.

DRIVE IT TO BELIEVE IT.

TEST DRIVE THE CORSA.

It's true. The best way to experience the sheer fun of Corsa is simply to pick up the key and drive it.

To get things started and book your appointment with fun, visit www.vauxhall.co.uk/corsa

CAPTIVATING IN SO MANY WAYS.

Because it was completely redesigned to be even more fun to drive, there's dozens of reasons to love Corsa and we think it's best you discover them for yourself. So are you ready to play?

Our online configurator helps you to create the Corsa of your dreams. Choose your colour, pick out some wheels, have a browse and add a few extras – whatever takes your fancy. Start making your Corsa now. Just scan the QR Code and have some fun.

Of course, this is only half the fun. Book a test drive today and experience more – visit www.vauxhall.co.uk/corsa

Trust Vauxhall

Company Car Driver 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (excluding all VXR models and Commercial Vehicles), with full insurance cover provided, to give you a meaningful length of time to make an informed decision about your next company car.

To book your free* test drive just log on to www.vauxhall3dtd.co.uk or call **0870 240 4848****

Fleet Customer Services

Our dedicated support services for fleet decision makers include factory demonstrators and information on whole life costs, company car taxation and finance.

For further information please call **0870 010 0651**.

E10 Fuel

E10 fuel is cleared for use in all petrol-engined Vauxhall vehicles excluding models with the 2.2 litre direct injection petrol engine (code Z22YH) used in Vectra, Signum and Zafira models. Owners of these vehicles should continue to use regular unleaded or premium unleaded petrol.

Proud Sponsor of Home Nations Football

OnStar Europe Ltd t/a Vauxhall OnStar will never sell your information on. Your information will only be disclosed to OnStar and GM Holdings LLC (USA), its affiliate companies (e.g. Adam Opel AG and General Motors UK Limited), your selected/preferred retailers, companies involved in providing or carrying out the OnStar Services and, at your request, to other service companies.

Privacy Policy – General Motors UK Ltd, General Motors Holdings LLC (Michigan, USA) and OnStar Europe Ltd may process your data for marketing, market research, tracking sales data and to contact you. On request, you can stop the processing of your personal data for marketing at any time. Your personal details may be shared within the General Motors Group and suppliers, retailers and agents for the above purposes – we will not share your personal details with third parties for their independent use. The data may be transferred outside the European Economic Area (EEA). All steps reasonably necessary will be taken to ensure that your data is treated securely and in accordance with applicable laws. Please read our privacy policy – www.vauxhall.co.uk/privacy for more detail.

*The free 3 Day Test Drive programme is open to Company Car Drivers and excludes fuel and lubricants, congestion charges, parking and speeding fines and the £250 insurance excess (if applicable). It features a wide selection of models from the Vauxhall range (excluding all VXR models and Commercial Vehicles and subject to availability). Drivers must be aged 25 years or over, have held a full driving licence for at least a year and hold a major credit card. You will need to have your driving licence (and proof of identity (i.e. passport) where the driving licence is not a photocard licence) when your car is delivered. While every effort will be made to ensure that at least 3 days are provided for the test drive, this cannot always be guaranteed due to delivery and collection dates and timings. Available for UK Mainland only. Terms and conditions apply. **Telephone lines open Monday-Friday 9.00am to 5.00pm excluding Bank Holidays. Calls may be recorded or monitored for quality and/or training purposes.

Every effort has been made to ensure that the contents of this publication were accurate and up-to-date at the time of publication (July 2016). Vauxhall vehicles are equipped with components manufactured by various General Motors operating units and outside suppliers. The Company reserves the right to alter specifications and withdraw products from sale without notice. Any such alterations will be notified to Vauxhall retailers at the earliest opportunity, please consult your local retailer for the latest information. The specifications detailed within this brochure are not necessarily applicable to alternative models such as Special Editions. Details of any such models will be contained in specific literature or found on the Vauxhall website. Please note that Vauxhall retailers are not the agents of General Motors UK Limited and are not authorised to bind the Company by any specific or implied undertaking or representation. It is advisable to ensure that your motor insurance policy provides adequate cover for additional fitted options and accessories. Please note accessories shown are for illustrative purposes only. As part of Vauxhall's policy of environmental care, this brochure is printed on paper manufactured using Elemental Chlorine Free pulps from specially farmed, sustainable timber resources.
