³Official fuel consumption according to EU Directive 99/94. The consumption calculation according to 1999/100/EC is based on the actual unladen weight of the vehicle. Additional specifications can lead to a higher weight class and hence to consumption figures of this higher weight class. The driving style, road traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated within this standard.

Safety

AIRBAGS.

Whether you're taking a long trip or a short one, in company or alone, you'll always be prepared for whatever might happen on the road. Feel totally protected inside your new SEAT Mii with twin front head and chest airbags.

ELECTRONIC STABILITY CONTROL.

The ESC stability control provides perfect stability on every bend. Making sure, through sensors located on the tyres, that the direction being followed is the same as the real movement of the vehicle. Standard on all Mii models.

ISOFIX.

The iSOFiX anchorage system enables fast and secure mounting of the two rear child safety seats.

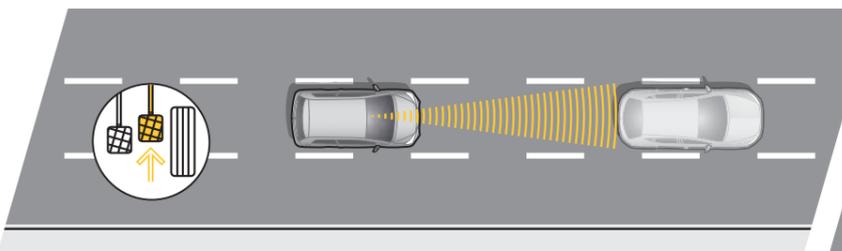

TOP TETHER.

The Top Tether Seatbelt counteracts the forward rotation motion in case of a front impact. The belt holds the upper part of the seat back in place, preventing movement and increasing safety in the two rear seats.

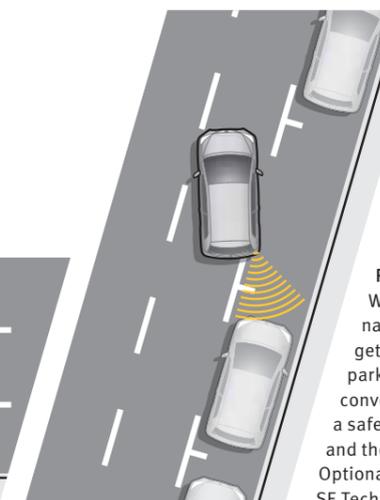

SAFETY ASSIST.

Safety Assist system scans the front of the vehicle with a laser. It then identifies and calculates the distance between the car and any object ahead. If the system senses it is getting too close to anything, it automatically activates the brake system to avoid any collision. Optional on all Mii models.

REAR PARKING SENSOR.

When you own such a beautiful car, naturally you won't want others to get too close. No problem. The rear parking sensor, part of the optional convenience pack, will help you keep a safe distance between your Mii and the car parked behind you. Optional as part of Convenience Pack on SE Technology, FR-Line and Mii by MANGO.

SOLUTIONS PERSONAL CONTRACT PLAN (PCP)

Making your budget go the extra mile

Solutions (PCP) is a flexible finance package that really puts you in the driving seat. Solutions offers flexibility – from your deposit and monthly repayments to what you do with your SEAT at the end of the agreement.

By paying a small deposit (as little as a single month's repayment) over a repayment period from 18 months up to four years, you can enjoy a plan individually suited to your needs and monthly budget.

Solutions takes away the worry about depreciation because a proportion of the value is left until the end of the agreement (the optional final payment), which acts as a guaranteed minimum future value. By doing this you can lower your monthly repayments or make your budget go even further with a higher spec.

The options are wide open with Solutions.

DECISION TIME

1. Choose a repayment period and annual mileage.
2. Pay your deposit which can be made up of cash or a part exchange.
3. Agree the number of repayments.

Setting the deposit and repayment term helps create the right combination for a monthly payment budget.

AT THE END OF YOUR AGREEMENT YOU HAVE 3 OPTIONS

1. Part exchange your existing car for a new SEAT on a Solutions (PCP) contract (subject to status).
2. Pay the optional final repayment and keep your SEAT.
3. Hand the car back (subject to terms and conditions).

IMPORTANT INFORMATION TO CONSIDER

/ You may end your agreement earlier than the full term. However, depending how far you are in to your agreement will affect the final amount left to pay.

/ If you exceed the anticipated mileage agreed at the start of your agreement and intend to return the vehicle then excess mileage charges will apply.

/ It is important to keep the vehicle in good condition as this will affect the value of the vehicle. You may be charged for any damage that goes beyond fair wear and tear, should you choose to return your vehicle.

COST OF YOUR CAR

| DEPOSIT | AMOUNT TO FINANCE | ADDITIONAL FINAL PAYMENT |
|----------------------------|--|---|
| As little as one repayment | Divided into any choice of 18 to 48 fixed repayments | You have three choices at the end of your agreement |

An offer of finance depends on certain conditions. Finance subject to status. Available to 18s and over. Terms and conditions apply. SEAT Finance.
