AGTL, with its plant located in Dera Ghazi Khan is a perfect example of Corporate Social Responsibility. The plant, the staff town, and the allied hub of activities that gravitate around AGTL have transformed the social fabric of the entire region. What began by pitching our tents in the parch desert has contributed to sustained economic development of the entire community and the society at large. Offering ample employment opportunities, a staff town has been built adjacent to the manufacturing plant full of amenities such as hospital, fair price shop, sports club etc. Utility Stores Corporation has now opened a store in the staff town for residents of the staff town. The plant with a capacity to produce 30,000 tractors per annum in a single shift is a vibrant business center which has created thousands of jobs by way of transportation activities, workshops, vendor shops and a host of other developments. The Company has directly contributed to human values and the quality of life of the whole region.

As part of CSR and with a view to interacting with educational institutions, AGTL has appointed graduates of TEVTA for its assembly operations in the plant. AGTL and TEVTA are working on a programme to not only induct more graduates but also utilize the joint facilities of TEVTA and AGTL plant for customized training on operational activities.
