

Dacia Sandero Stepway

The supermini with **SUV style**

Easy **on the eye**

– easy on the wallet

A little more about **our range**

Dacia fully supports the introduction of the new emissions testing procedure, called 'Worldwide Harmonised Light Vehicle Test Procedure' (WLTP). WLTP represents a positive change to provide consumers with fuel economy and emissions data which is more representative of the results you may achieve in real life.

Stand out from the crowd

If you're tired of the same old family cars, then the Sandero Stepway is a breath of fresh air. Whether you're on the school run or the open road, it's not short on style either.

For starters there's the raised ride height. It really puts you in the driving seat with a clearer view of whatever's ahead. Then there are the **16" wheels**, skid plates*, and black wheelarch extensions and side sill. Everything you need for some rugged SUV style.

Look the business with satin chrome roof bars, stunning metallic colours, a restyled front grill and LED day-time running lights.

Throw in a choice of impressively reliable engines, ABS, **Emergency Brake Assist (EBA)** and **Electronic Stability Control (ESC)**. It's quite the performer.

Good looking inside and out

Looks will only get you so far. So we made sure the Sandero Stepway's interior punches above its price bracket too. After all, you spend most of your time driving the car, not gazing at it lovingly (although we won't judge if you do.)

Satin chrome air vent, central console and door handle surrounds? Fancy upholstery and **DAB radio** as standard? Air conditioning to make sure you keep your cool? They're all there and ready to roll.

Five proper seats mean there's plenty of room for the whole family too. And they'll all help you stay extra safe, thanks to the reinforced body structure, **front and side airbags**, and **height-adjustable headrests**.

Tech at your fingertips

Life's already too complicated for unnecessary fuss. But a few useful and fun gadgets and gizmos can make getting from A to B so much better.

That's why you get **DAB radio** as standard in your Sandero Stepway. And a 12V socket for easy tablet and phone charging. Not to mention USB and Aux inputs to play your favourite music, and Bluetooth®* to let you make handsfree calls.

Choose the Comfort model with **7" Touchscreen MediaNav** system and you'll also get **SatNav** with voice guidance. That means you'll always know where you're heading. Now that's smarter thinking. As well as your smartphone apps being used on screen via **Apple Car Play™** or **Android Auto™***.

Manoeuvre with ease! Sandero Stepway's **rear parking camera including sensors**[^] alerts you when there is a potential obstacle behind you.

Navigation

Provided by Navteq with vocal guidance.

Phone

Bluetooth® technology* allows you to make and receive calls on the move.

Rear Camera

Reverse with ease in the Sandero Stepway Techroad

Radio

Listen to DAB, FM or AM radio.

Music

DAB/FM/AM tuner, connect devices via USB and AUX sockets.

The engine room

Reliable performance under the bonnet

Just because your car's affordable, doesn't mean you have to compromise on engine quality. All our engines are rigorously tested, over 800,000 kilometres of test driving in fact. So you can relax every time you turn the key.

Pick the engine for your lifestyle:

The **SCe75** petrol engine is a great all-rounder.

- 3 cylinder, offers 75hp with CO₂ emissions of 116-119 g/km*

The turbocharging **TCe** engine offers more performance.

- Produces 90hp from its 3-cylinder, 898cc engine, yet still achieves CO₂ emission 123-125 g/km*

The **Blue dCi** engine offers amazing mileage.

- Producing 95hp with an impressive 58.8 - 62.7 with CO₂ emissions of just 98 - 103 g/km*

* WLTP figures shown are for comparability purposes; only compare figures with vehicles tested to the same technical procedures. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO₂ figures however until April 2020 the CO₂ figures are based on the outgoing (NEDC) test cycle which will be used to calculate vehicle tax on first registration. Please visit dacia.co.uk/configure for WLTP figures for any selected options.

† Vehicle Excise Duty: first 12 months.

Blue dCi Engines

Sandero Stepway benefits from the latest Blue dCi engines which are equipped with a system to reduce polluting Nitrogen Oxide vehicle emissions by injecting a urea-based fluid, AdBlue®, into the exhaust system. A dashboard message will remind you when the AdBlue® needs topping up via the specific AdBlue® filling cap located next to the usual Diesel fuel filler cap. A full tank of AdBlue® will last for 6 full tanks of Diesel.

We've got you covered

You might think our shockingly affordable prices mean our cars aren't made to last. Actually, the Dacia range is one tough cookie. To prove it, you get a 3-year* warranty (or 60,000 miles, if you reach that first). This means we'll repair or replace any defective parts for free. To keep the good times rolling, you can extend your warranty up to 7 years for a great price.

We also give you a 2-year paintwork and 6-year anti-corrosion warranty, so you can kick back knowing that your Dacia will stay looking good-as-new for years to come.

Roadside assistance

Although our cars are built for plain sailing, you can rely on us if you have a breakdown – 24/7 365, wherever you are in the UK or Northern Ireland. This offer also stands for the first 3 years/60,000 miles^Δ after you buy your new Dacia.

*Dacia warranty ends when you reach the age or mileage limit (whichever comes first). Subject to status, terms and conditions apply. The monthly service plan offer is available at point of signing agreement for vehicle purchased under HP and PCP finance agreement provided by Dacia Finance Ltd. (Not available on cash purchases). For full Dacia Warranty Terms and Conditions visit www.dacia.co.uk/services-and-finance/warranty.

^Δ Standards Manufacturer term and mileage

[†] Dacia Extended warranties are available to purchase from first date of registration up to end of manufacturer warranty.

[‡] The Service plan offer is available for eligible retail vehicles only and valid at participating dealers only. Vehicle must be ordered and registered between 21st December 2018 and 30th September 2019. The Dacia Service plan covers the manufacturer's minimum maintenance programme requirements for the term of the Service plan purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/- 1 month or 1,000 miles of the service interval and can only be carried out at a Dacia Approved outlet. Service plans do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. For Service plan full Terms & Conditions visit www.dacia.co.uk/services-and-finance/service-plan. Cannot be part exchanged, refunded or transferred.

**36 or 48 monthly payments options are only available at point of signing a finance agreement provided by Dacia Finance, Rivers Office Park, Denham Way, Rickmansworth, WD3 9YS. Guarantees and indemnities may be required. You must be a UK resident (excluding the Channel Islands) and over 18 to apply for finance. Terms and conditions apply.

Servicing

Dacia Service Plans are the ultimate hassle free way to take care of your vehicle. Depending on the Service plan you purchase (see opposite grid) your servicing needs are covered and you benefit from;

- Inflation Proof Servicing – You know exactly what you'll pay and there are no hidden costs
- Peace of Mind – No matter where life takes you, we'll be there in over 5000 workshops across Europe
- Dacia Expertise & Quality – Our highly trained technicians know your Dacia inside out

The Dacia Service Plan contains Dacia services in-line with the manufacturer's service schedule, plus comes with a complimentary vehicle health check to ensure your Dacia is in the best condition possible.

Service Intervals[◊]

Annual servicing **OR** servicing at 18,000 miles (whichever comes first)

[◊] The service schedule and intervals are subject to the registration number. Ask your local dealer to confirm your service schedule / intervals as the above is a guideline.

The Dacia Community

For us, going the extra mile doesn't stop at making great value cars. We take great pride in playing an active part in the community and giving back to communities throughout the UK. We support the life-saving work of the Nationwide Association of Blood Bikes. We proudly support Future Terrain, a charity that helps injured ex-service personnel back into employment through motorsport and vehicle engineering. We get stuck in as the official partner of Rugby League. Now the proud sponsors of the Nation England Rugby League teams for Men, Women, Wheelchair and Youth. We also run Dacia Days, which are full of fun and games for our amazing Dacia drivers - keep up to date with us on Facebook, Twitter, Instagram and our YouTube channel.

Our Trophy Cabinet

We don't like to brag, but we think it's only right to celebrate our hard work. Take a peek at the awards we've had chucked our way (so far)...

And our most recent additions:

“There really are very few cars on sale in any class that can match the Duster’s value-for-money offering”

What Car?

★★★★☆
“In terms of sheer value, the second-generation Duster is very much in a class of its own”

Autocar

★★★★☆
“How Dacia is still able to offer so much car for so little cash is quite astounding”

Auto Express

★★★★☆
“The value, just look at the value! It’s also big and surprisingly cheery”

Top Gear

“And no car available for similar money has anything like as much space and practicality”

The Dacia way

Fifteen years isn't long. But in that time we've grown from unknown to international warriors. We've sold 5.8 million Dacias globally since 2004. And since we launched in the UK in 2013, 150,000 smart folk have bought themselves Dacias.

It takes something different to make an impact like that. And we've got different by the shed-load.

See, we think practicality should always come first. No silly frills, just exactly the kit and quality you need. So that's what our simple range of smart, reliable cars give you. Our prices are always clear and remain shockingly affordable.

Maybe that's why we've been one of the **fastest growing car brands** in Europe since 2004. Or maybe it's the awards we keep winning like our most recent award Autotrader's best value brand 2019. Don't just take our word for it – check out our trophy cabinet and our genuine customer reviews on **Dacia.co.uk**.

Did you know we're part of the **Renault Nissan Mitsubishi Alliance**, and share our head office with Renault? That means we also share Renault's **nationwide dealer network**. So if you want to pop in for a look, chat or test drive, chances are we're pretty close by.

Drop in; it's easy to find your local dealer at **dacia.co.uk/find-a-dealer**.

Take your **first adventure**
