DARE TO DREAM ...IN A DIFFERENT WAY

Once in a generation, a car is created that defies convention. A car so bold, it pushes the principles of outstanding design and redefines sports styling. A car that tests the rules of space versus versatility and challenges perceptions of performance. A car that simply quickens the pulse, catches the eye and steals hearts and minds. Welcome to the Kia ProCeed. The Kia ProCeed range offers three stunning models - the GT-Line, GT-Line S and GT.

Images shown are for illustrative purposes only and not to UK specification. Features are not necessarily standard across the range.

BELIEVE YOUR EYES ...AND YOUR SENSES

The first thing you notice about the daring design concept of the Kia ProCeed is the innovative body type - combining the excitement and elegance of a coupé with the practical refinement of a sportwagon. Look closer and admire the dramatic fast-dropping low roofline with streamlined contouring along its strong sculptured body, all designed to give the ProCeed its sporty character and outstanding appeal - and all finished off with striking 18" alloy wheels (grade dependant).

ADMIRE THE BOLDNESS ...OF ITS SPORTY CHARACTER

Wherever it goes, the boldness of the Kia ProCeed leaves a lasting impression, most notably thanks to the introduction of unique rear LED Daytime Running Lights that have been integrated perfectly in the stylish silhouette body type. What's more, with a twin-layered rear bumper and dual exhaust pipes the ProCeed is a joy to look at and listen to as well.

SENSE THE CONFIDENCE ...FROM EVERY ANGLE

At every turn, the ProCeed GT speaks for itself. Sporty side mouldings with colour accents set the pace, with a honeycombed black 'tiger nose', front bumper lip and GT badge. Meanwhile, LED headlamps with 'Ice Cube' LED Daytime Running Lights, touring-style fog lamp edges and the alloy wheels add extra daring.

SAVOUR THE VERSATILITY ...THAT TRUE SPACE BRINGS

With the Kia ProCeed body type, you never need to sacrifice style for space. Not only does it offer more room for everyone on board - indeed, its 594 litres of luggage space ranks amongst the best in the segment. There's also added versatility with 40:20:40 one-touch remote- folding rear seats and a Smart Power Tailgate. What's more, with a host of other storage features it's packed with ideas to take you further (specs are grade dependant).

Images shown are for illustrative purposes only and not to UK specification. Features are not necessarily standard across the range.

Excitement and sophistication come in equal measure for the driver and passengers inside the Kia ProCeed. Step in and you'll be greeted with a high-quality interior that features black cloth and light grey faux leather in 'GT-Line', black leather and faux suede with grey stitching in 'GT-Line S' and black leather and faux suede with red stitching in the 'GT' with stunning logo badging. Once seated, in front of you there's an elegant sporty D-cut steering wheel with paddle shift levers (DCT only), a dashboard that includes a seamless 10.25" Touchscreen Satellite Navigation with Telematics, a brand-new 12.3" TFT Supervision Cluster Display (grade dependant) and, for complete comfort, fully automatic climate control including a digital display showing the cabin temperature.

REDISCOVER THE SPIRIT ...OF TRUE ADVENTURE

In the Kia ProCeed the spirit of adventure comes with style, comfort, convenience and versatility as standard. Its dynamic styling means there's plenty of space for any journey you and your passengers have planned, starting with 594 litres of luggage capacity (1,545 litres with the rear seats folded). Enjoy the comfort of heated front seats as well as heated outer rear seats (grade dependant), marvel at the rear flat-folding seating for larger items - and when your hands are full there's a Smart Power Tailgate (grade dependant). And with all the additional luggage compartments and extra storage, the Kia ProCeed will always be your perfect travel companion.

CONVENIENCE

Space has never felt as flexible and versatile - though without compromising the sporty design and character of the Kia ProCeed. Whether you have a full load or simply need to move something extra-large, you'll find the Kia ProCeed has it covered with a whole range of inspired solutions.

40:20:40 FLAT-FOLDING SEATS

Thanks to the split-folding seats, the Kia ProCeed adapts to your needs - great for carrying passengers as well as transporting sports equipment or other long items at the same time (grade dependant).

REMOTE FOLDING

Make loading quick and effortless without cumbersome folding: simply use the lever in the luggage compartment to fold down the seats remotely (grade dependant).

HEATED SEATS

Whatever the weather has in store, you're ready for it. The front and outer rear seats can be heated on cold days (grade dependant). Featuring adjustable settings, they warm up quickly and then level off after the desired temperature is reached.

CONNECT TO THE WORLD...AROUND YOU

On the move, yet always connected - in the Kia ProCeed, technology is simply effortless. Select your destination via the seamless 10.25" Touchscreen Satellite Navigation with Telematics to keep you on track. Charge your phone wirelessly, manage functions with integrated voice recognition and use Bluetooth® for all your music and calls.

WIRELESS PHONE CHARGER

Forget cables, just place your smartphone with Qi technology on the convenient Wireless Phone Charger (grade dependant).

JBL PREMIUM SOUND SYSTEM

For great sound, the Kia ProCeed comes with a JBL Premium Sound System. It features eight speakers and advanced Clari-Fi music restoration technology to improve the quality of MP3s and provide high-definition sound (grade dependant).

All specifications are grade dependant.

Stay Connected...

KIA UVO CONNECT

Created exclusively by Kia, UVO CONNECT brings driving into the digital era in two distinct ways. Firstly, our All-New Kia Live service delivers real-time information to your navigation system with a range of information for your journey, and secondly, our new UVO app offers a range of data and information about your car through your Android™ or Apple™ smartphone. What's more, this exciting new technology has been developed to comply with the latest EU Data Protection Directive, ensuring the highest levels of data privacy, transparency and protection.

Live traffic information

The navigation system delivers highly accurate live traffic information from TomTom® that is updated every two minutes, so you know exactly where traffic is running smoothly, or which areas to avoid. When things get busy, the system lets you know and suggests alternative routes.

Camera/danger zones

Be alerted to a whole range of fixed and stationary speed cameras as well as restricted access zones. The system also alerts you to areas where accidents are particularly common.

Weather forecast

With an up to four-day forecast available, you can simply type in your destination to view a complete summary, including minimum and maximum temperatures, wind speed and chances of sun or rain.

Points of interest

Looking for a place to eat, a local business or somewhere special to visit? All this information and more is easily accessible with the live, regularly updated POI directory.

Parking

Kia Live shows available parking locations before you arrive at your destination. It will show potential **on-street parking** and **off-street parking**, including locations, details, prices and availability.

Fuel info

When you're running low on fuel, the system will show you the nearest petrol stations and prices using a TomTom® online database, so you can plan your refuelling stops accordingly.

Kia Live

Once activated, Kia Live makes use of the SIM chip included in the infotainment system to retrieve and update live data for its services, so you have access to seamless information displayed directly on the navigation screen.

UVO App

Designed for both Android™ and Apple™ smartphones, the UVO app offers complete peace of mind with a whole range of features dedicated to providing diagnostic data about the status of your car and the trips you take. The app can also activate a range of remote functions and features when you are away from the car. UVO App connectivity available on all models.

Vehicle Information

Find my car

tells you the last known location of your vehicle - ideal if you are parked in a large car park.

Vehicle status

offers an overview of key elements of your car's status such as door locks and ignition.

My trips

gives a summary of your previous journeys including average speed, distance driven and time in transit.

androidauto

Android Auto™ is designed to keep you perfectly connected to your phone - while minimizing distractions so you stay safe on the road. The simple, intuitive interface lets you access features like Google Maps, apps, music and voice control, and automatically organizes info into simple cards that appear just when they're needed.

Apple CarPlay™ is a smart, safe way to use your iPhone while driving. It takes all the things you might want to do, and puts them into your ProCeed's display, so you can get directions, make a call and listen to music - all while staying focused on the road.

Remote Service

Send to car

allows you to pre-plan and set your journey through the app for seamless use in the navigation system.

Notifications

Notifications will notify you whenever the car alarm is triggered; share **Diagnostic Notifications** with you about the current status of your car; and supply you with a **Monthly Vehicle Report** giving an overview of your car usage.

PROTECTION BY DESIGN ...FOR PEACE OF MIND

Peace of mind is key to enjoying your journey. That’s why the Kia ProCeed comes with innovative features and sophisticated technology to keep you and your passengers as safe as possible.

SMART CRUISE CONTROL (SCC) WITH STOP AND GO

Using a camera and radar, Smart Cruise Control can regulate both the Kia ProCeed’s speed and the distance to the car in front. The system maintains the distance to the preceding vehicle by automatically modulating your car’s speed. If the vehicle ahead picks up the pace, the Kia ProCeed accelerates up to the set speed. If the vehicle in front slows down and the predetermined safe distance cannot be maintained, the system will reduce the speed, or even stop the car. A helpful feature, particularly in stop and go traffic (grade dependant).

LANE KEEPING ASSIST (LKAS)

No need to worry about drifting out of your lane. Lane Keeping Assist uses a camera mounted at the top of the windscreen to monitor lane markings, and if you move out of the lane unintentionally the system will alert you and even help steer the car back into your lane.

DRIVER ATTENTION WARNING (DAW)

The system detects whether you’re losing concentration by monitoring the pattern of the steering wheel, indicator, acceleration and overall duration of the journey. If you show signs of drowsiness or inattentiveness, DAW alerts you with a warning sound and a coffee cup symbol in the cluster.

FORWARD COLLISION-AVOIDANCE ASSIST (FCA)

The FCA system can detect preceding vehicles and pedestrians crossing the road. On selected grades, the system can detect cyclist as well. Using a camera and radar sensors to monitor the velocity of and distance between vehicles, it warns the driver in the event of a potential collision risk by activating a visual alert. In conjunction with pedestrian detection (grade dependant), the steering wheel gives a haptic response. If there is no driver reaction, the car brakes automatically to help avoid or mitigate an accident.

SAFETY AND ASSISTANCE

STAY SAFE ...WITH INNOVATIVE FEATURES

The Kia ProCeed is designed to make driving as safe as possible. It assists you with innovative features that enable you to drive more safely. Negotiating traffic jams, help with parking or shining a brighter light into corners at night? The Kia ProCeed takes care of it so you can avoid potential danger.

LANE FOLLOWING ASSIST (LFA)

LFA controls acceleration, braking and steering depending on the vehicles in front. This makes driving in stop-and-go traffic easier and safer. The system uses camera and radar sensors to maintain a safe distance to the preceding vehicle and monitors road markings to keep your car in the centre of your lane. LFA works between 0 and 81 mph (grade dependant).

HIGH BEAM ASSIST (HBA)

When the camera in the windscreen detects the headlights of an oncoming vehicle at night, the High Beam Assist system automatically switches to low beam to avoid dazzling other drivers. Once the car has passed, the high beam is automatically switched back on.

SMART PARKING ASSIST

The Smart Parking Assist makes parking a breeze. It uses front, side and rear sensors to assist you with parallel, angled and perpendicular parking. All you need to do is operate the brake, accelerator and gears - the system takes care of the steering. It can even help you pull out of parallel parking spots (grade dependant).

REAR CROSS-TRAFFIC COLLISION WARNING (RCCW)

When reversing out of a parking space or driveway, the radar-based Rear Cross-Traffic Collision Warning system alerts you to potential traffic crossing your path (grade dependant).

DISCOVER THE POWER...OF CHOICE

TRIM TEMPLATES

THE PROCEED GT-LINE & GT-LINE S

If you're looking for the bold sporty design and sleek styling of a coupé combined with the versatility and safety of a sportswagon, then the Kia ProCeed GT Line and GT-Line S meet your needs. Inside you'll find a sophisticated interior featuring navigation and premium sound systems (GT-Line S), D-cut steering wheel with grey stitching, paddle shift gear levers, logo-stitched ergonomic seats, and enough passenger space and storage capacity for any trip. Add to that finishing touches such as dual exhaust pipe design and alloy wheels - and any drive becomes an adventure.

THE PROCEED GT

If bold design, daring sports styling, innovative detailing and muscular performance drives you, then you're in for a treat with the Kia ProCeed GT. From the tiger nose grille with GT badge to the front Ice Cube LED lights back along the sloping roofline to the connected rear LED lamps and dual exhaust pipe design, this is a car that demands to be seen and driven. Inside is just as impressive, with high-spec navigation, D-cut steering wheel with paddle shift gear levers and GT-logo-stitched ergonomic seats. The GT really is a feast for the eyes and the senses.

SET THE MOOD ...AND REFINE THE DETAIL

The fun starts here: with stylish interior options, carefully selected materials and bold trims, you'll want to get behind the wheel instantly. Choose between black cloth and light grey faux leather and leather seats with a contrasting faux suede profile line down the centre, or new design elements such as grey stitching in the GT-Line and GT-Line S, and red stitching in the GT, all featuring stunning logo badging.

GT-LINE

The GT-Line features stylish black cloth, light grey faux leather seats and GT-Line badging.

GT-LINE S

The GT-Line S comes with black faux suede and leather seats with grey stitching highlights and GT-Line badging on seats in grey.

GT

The GT features dynamic black faux suede and leather seats with red stitching and GT badging on seats in red.

INTERIOR TRIMS

POWERTRAINS

EXPECT MORE ...AND ENJOY MORE

For dynamic driving in the city and on the open road, the Kia ProCeed is the ideal choice because it's backed by expert engineering at every level and a range of powerful engines. Models are available with a 6-speed manual or 7-speed auto dual clutch transmission, featuring paddle shift levers as well as a sport button that (DCT only) activates Drive Mode Select to increase driving dynamics such as improved throttle response and acceleration from idle as well as for overtaking. What's more, all powertrains have been refined to meet the latest European emissions regulations.

7-SPEED AUTO DCT (DUAL-CLUTCH TRANSMISSION)

The latest-generation 7-speed auto dual-clutch transmission ensures a sporty drive and excellent fuel efficiency.

6-SPEED MANUAL TRANSMISSION

The 6-speed manual transmission combines quick, smooth gear changes and gear ratios matched to engine torque curves. The result? A perfect balance between power and efficiency.

PADDLE SHIFT LEVERS*

The paddle shift levers allow you to change gears swiftly without taking your hands off the steering wheel. They also make driving more dynamic and intuitive, while keeping/leaving you in complete control.

DRIVE MODE SELECT (DMS)*

Designed to push your driving pleasure to the next level, Drive Mode Select can be operated via a sport button next to the gearshift. Working with the DCT, it increases driving dynamics by providing an improved throttle response and acceleration from idle, as well as optimising performance while overtaking. DMS also offers a better steering response for a thoroughly dynamic drive.

* DMS and paddle shift levers are available only for models with a DCT transmission.

Kia Care Service Plan

For complete peace-of-mind, Kia can offer you a great value fixed-price servicing package for your new Kia ProCeed which is called Kia Care. Please speak to your Kia dealer for more information and pricing. Terms and conditions apply. Log onto www.kia.com/uk for details.

5-year paint warranty & 12-year anti-perforation warranty

High-quality body paint ensures long-lasting protection and shine for your new Kia. It also comes with superior corrosion protection and a 12-year warranty against rust from the inside out.

Financing

Your local Kia dealer can help you with a financing plan that's best suited to your needs. Log onto www.kia.com/uk for more details

Now there are even more reasons to buy a stylish, technology packed Kia. Peace of mind comes as standard when you join the Kia family with the Kia Promise 7 great owner benefits when you buy your Kia and register at MyKia.

7 more reasons to join our Kia family

There are a lot of things to consider when buying a new car. Compromising on reliability in the long term shouldn't be one of them. That's why Kia have redefined quality and offers a unique, industry-leading 7 year warranty that comes with peace of mind for at least 100,000 miles.

Our complimentary driveaway insurance, with up to 5 days of optional cover if required, will get you on the road right away and comes complete with one year's free Excess Return worth up to £250, protecting your excess whoever your insurer is. You can also upgrade to a great value, annual insurance policy. Our policies cover you for genuine Kia approved repairs, parts and labour, meaning you never have to compromise when keeping your Kia 100% Kia.

Our 24/7 Roadside Assistance package is designed for Kia owners in partnership with the RAC. All new cars have complimentary cover for 12 months from the first date of registration. If you register on MyKia, you can unlock Kia Roadside Assistance Plus, giving you the highest level of cover provided by the RAC, including onward travel and European cover.

Order Genuine Kia accessories, where and when you need them! Our Click & Collect service offers choice and convenience, recognising your model from the registration number to ensure you get exactly what you need. Then simply collect at your nearest Dealer, where they can fit them too.

Online service booking offers convenience and flexibility 24/7. Offering quality and value at one of our Dealers nationwide. Kia trained technicians use the latest diagnostic equipment and technology. All of our Genuine Kia parts come with a 2 year warranty. Fully inclusive pricing at the click of a button.

When you own a Kia, you become part of the family and benefit from a relationship based on trust and transparency. When you visit one of our dealers for a service, your vehicle will benefit from a complimentary Health Check, a wash and vacuum and alternative transport if needed. Welcome to the Kia family!

Available to all Kia owners, whoever your insurer and whatever the circumstances of the accident, Kia Accident AfterCare can take care of things for you. We'll liaise with your insurer, provide a free courtesy car and exercise your right to genuine Kia parts and repairs at a Kia Approved Bodyshop.

*For full terms, conditions and exclusions please visit kia.com/uk
