Version 1.4 (23)

MORRIS GARAGES

## CAR SETTINGS

Within Car Settings you will find Driver comfort and Valet mode. While the former makes driving so much easier for you, the latter makes it just as hard for others to drive your MG. Yup, its super-smart.

MORRIS GARAGES

### ← Car settings

#### Dirver comfort

#### Valet mode

Be able to activate valet mode in order to let parking assistants park the user's car

MORRIS GARAGES

# START YOUR ENGINES

## Driver comfort

No more oven-like cars! Turn on your engine by time or temperature. Schedule a daily time so your car is ready before you leave for office. Or run your engine for an hour every day when on holiday.

MORRIS GARAGES

## ← Driver comfort

### Scheduled start

1 presets

Set the engine to start just before your journey starts by selecting up to 7 presents on specific days and times

### Running duration

This option allows you to set the engine running duration if it has been started using thus App

#### Duration

10 Mts

### Outside temperature-trigger

Will start the car for coold or heat the cabin, when the outside temperature is too hot or too cold for you

### Starts when it's

Above

#### Temperature

40°C

MORRIS GARAGES

# CONTROL FREAKS, YOU'RE WELCOME!

## Valet mode

Turn on valet mode to get total control of your car even when someone else is driving it.

Use this with the notifications settings to set limits on speed and driving radius. After all your car, your rules.

MORRIS GARAGES

MORRIS GARAGES

# NOTIFICATIONS

This is how your car talks to you and you can control what you want to hear. Easy slider controls literally put the power at your fingertips.

MORRIS GARAGES

## Notifications

### CAR STATUS

#### Overspeeding alert

Get an instant push-notification if your car exceeds the selected speed limit

#### Maximum Speed Limit

121 km/h

#### Punch sensor

Get notified whenever your car receives any hit when the engine is turned off

#### Hit sensitivity

Low

#### Zone Control

You can set a zone on the map to receive push-notifications if your car leaves it

SELECT ZONE

MORRIS GARAGES

## STAY WOKE

### Speeding alert notification

Use the slider to set a speed limit. Every time the car exceeds the speed limits you get a notification on your phone. Great when your friends borrow your car for an errand. Or when a valet eyes it with the zeal of a racing driver.
