

Audi Genuine Accessories

A5

Audi Genuine Accessories. As individual as you are.

Timeless design and impressive performance. What sets the Audi A5 apart can be enhanced even further with Audi Genuine Accessories. These include products specially tailored to the A5, demonstrating the highest standards of quality and functionality – crafted and tested with the same care and attention to detail as any Audi model. Read on to discover more.

Sport and design

Page 04

Add an extra touch of style and flair to your A5 with a range of dynamic options.

Transport

Page 08

Wherever your journey takes you, make sure you can bring everything you need with genuine Audi travel accessories.

Communication

Page 12

Music. Phone contacts. Social networks. Stay connected to everything that matters as you drive with our communication technology.

Family

Page 14

Nothing in your Audi could be more important than your family, so we've developed features with their safety, security and convenience in mind.

Comfort and protection

Page 18

Give your Audi all the protection it needs, whether it's against muddy footprints or scratches while unloading luggage.

Sport and design

Tailgate spoiler in carbon*

For a sporty and particularly high-quality look at the rear of the vehicle. This spoiler offers good aerodynamics and signals pure power.

Side sills*

Accentuate the striking body contours of your Audi and give it an individual look.

Front spoiler with blade*

The front spoiler is primed; the inserts and blade are matt black. Can be painted in a colour from a wide selection, including the body colour, for an extra charge. Only available in conjunction with the tailgate spoiler.

Tailgate spoiler*

For even more dynamism at the rear.

Rear apron*

The rear apron adds a sporty note to the rear of the vehicle. Works well with the side sills.

Decorative inlay for rear bumper*

Creates an eye-catching look to the bumper. Comes in matt black.

*Available as optional equipment or as a retrofit solution from your Audi Centre.

Exterior mirror covers in carbon

The exterior mirror covers, featuring high-quality carbon, are a real visual highlight.

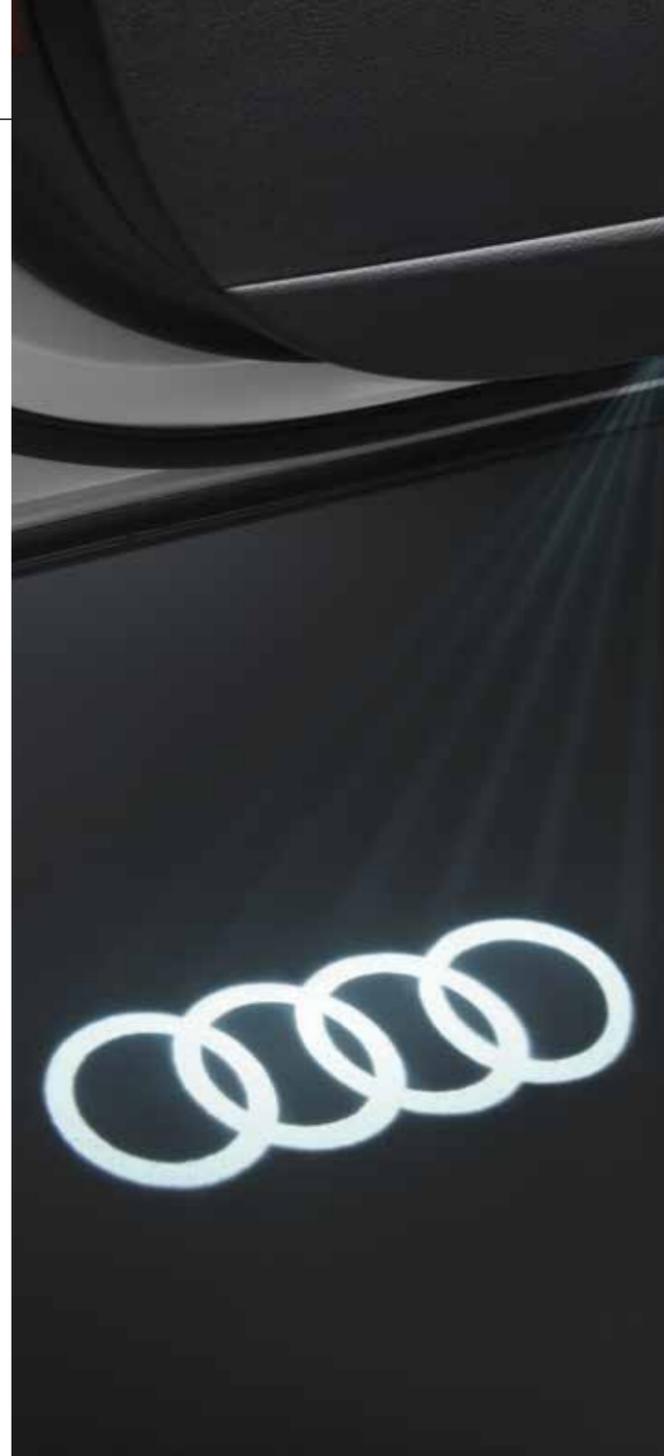

LED tail lights, clear glass

LED tail lights set with dark-tinted interior. The lights are made of clear plastic, emphasising the progressive design of the lights even more.

LED for entry area

Depending on the variant, either the quattro logo or the Audi rings are projected onto the ground. Illumination is activated whenever you enter or exit the vehicle. Available in a two-part set for the driver and front-passenger side or for the rear vehicle doors. Can only be fitted along with the Lighting Pack that is available as an option.

Audi Sport tailpipe trims (not pictured)

Made from chrome-finished stainless steel. Single or twin tailpipe available, depending on the engine option.

Cast aluminium winter wheels in '5-arm ramus' design*

Set the tone with brilliant silver or make a striking impression with gloss black. In size 19" x 8.5J for 255/35 R19 tyres. Not suitable for use with snow chains.

Anti-theft wheel bolts

To stop thieves, the bolts can only be loosened with the special adapter provided.

Valve caps

The four metal valve caps with embossed Audi logo provide enhanced protection for the valve against dust, dirt and moisture. Available for rubber, metal and aluminium valves.

*Please note that not all cast aluminium wheels are available as optional equipment; some are only available as a retrofit solution from your Audi Centre.

Transport

Ski and luggage box

A new design from Audi featuring improved aerodynamics thanks to a flatter, sportier design. Available in Platinum grey with Brilliant black side blades or gloss Brilliant black, each featuring chrome Audi rings and a high quality, rivet-free look. Boxes are lockable and can be opened from both sides for easy loading and unloading, with an internal handle for closing the box. The simple, quick-action securing system includes torque limitation. Positioned towards the front of the vehicle, providing optimum access to the luggage compartment. Available in three sizes: 300 litres, 360 litres and 405 litres. Can only be used in conjunction with the carrier unit.

Carrier unit

Carrier unit for various roof rack modules, such as the bicycle rack, kayak rack or ski and luggage boxes. Made from anodised aluminium. The carrier unit is easy to fit and is lockable.

Bags for roof boxes (not pictured)

Robust yet flexible. These bags are equipped with a watertight floor featuring a border extending 5 cm upwards. Ideal for making full use of the Audi roof boxes, as it is possible to use the individual bags in various combinations. Available in three sizes: S (43 litres), M (76 litres) and L (82 litres).

Ski and luggage boxes

Volumes	300 l	360 l	405 l
External dimensions (LxWxH)	1,902 x 630 x 376 mm	1,756 x 826 x 376 mm	2,050 x 800 x 380 mm
Maximum number of skis	4-6	5-7	5-7
Maximum length of skis	1,750 mm	1,550 mm	1,900 mm
Maximum number of snowboards	3-4	4-5	4-5
Maximum permissible load	60 kg	75 kg	75 kg

Ski bag (not pictured)

A convenient way to transport your skis. The ski bag, with its premium design, offers space for up to four pairs of skis or three snowboards and can be secured to the fastening rings in the luggage compartment via the integrated straps. The roller system makes it easy to carry the bag outside the vehicle.

Ski and snowboard rack

To transport up to six pairs of skis or four snowboards easily. Lockable. Can only be used in conjunction with the carrier unit.

**Bicycle carrier for the trailer towing hitch (not pictured)**

Bicycle carrier (also suitable for electric bikes) for up to two bicycles with a maximum load capacity of 60 kg.* The same key can be used to separately lock bicycles onto the carrier and the bicycle carrier onto the vehicle. Moveable wheel restraints provide a secure hold. Easy access to the luggage compartment is achieved by way of a practical folding mechanism. The bicycle carrier can be folded up and conveniently stored in the bag provided, thereby saving space. An extension kit for a third bicycle is also available as an option.

Trailer towing hitch

Mechanically swivelling trailer towing hitch. The ball hitch under the vehicle can be swivelled out for use and swivelled back in when not in use. Includes a 13-pin socket, which is integrated into the ball hitch for easy access.

*Please note the information regarding the maximum permissible trailer load and the gross vehicle weight rating of your car can be found in the vehicle manual.

**Kayak rack**

For single kayaks weighing up to 45 kg. Can be tilted for easy loading and unloading. The kayak rack and elasticated belt can be secured separately. Can only be used in conjunction with the carrier unit.

Bicycle rack (not pictured)

This bicycle rack, made from specially shaped aluminium and powder-coated steel, enables you to attach your bike to your Audi safely and securely. Lockable. Maximum load capacity: 17 kg. Can only be used in conjunction with the carrier unit.

Bicycle fork mount

Easy to use. Lockable. Suitable for bicycles with quick-release front wheel. Maximum load capacity 17 kg. Can only be used in conjunction with the carrier unit.

Front wheel holder

Made from anodised matt aluminium, mounted with anti-theft bolts, completely pre-assembled. Not suitable for bicycles with a half axle. Can only be used in conjunction with the bicycle fork mount.

Communication

Release for the navigation function (not pictured)

Allows the navigation function and navigation data to be activated at any point in the future (requirements: MMI Radio and Connectivity Pack).

Navigation update* (not pictured)

Maps with advanced content (e.g. new roads and points of interest), for greater comfort and a more relaxed driving experience. Our tip: Combine the update with the next vehicle service.

*A mobile phone contract (not included) is required for use.
*For more detailed information, visit your Audi Centre.

Bluetooth headset

The ideal addition to the optional Audi Entertainment Mobile, compatible with various Apple products such as the iPad. The headset can be folded up and conveniently stored in the bag provided. The rechargeable batteries can achieve an operational life of up to 15 hours.

Wireless charging cover

Enables wireless charging of the Apple iPhone 5 upwards. To charge, simply place the inductive charging case on a Qi-compatible charging station, such as the Audi Phone Box with wireless charging.

Audi wireless internet access with LTE*

For an LTE internet connection with a Wi-Fi network in the vehicle. With a data transfer rate of up to 100 Mbps and a hotspot for up to eight Wi-Fi enabled mobile devices. Access is possible from up to 100 metres outside the vehicle. The use of mobile data abroad is possible using either a domestic contract SIM card following activation in the configuration menu or a local prepaid SIM card. For more detailed information, visit your Audi Centre.

Family

Audi child seat youngster plus

Offers a high level of comfort thanks to the intelligent seat-belt guide. The height and width of the backrest are adjustable. Adjustments to the seat size can be made with ease using a viewing panel. Suitable for children weighing between 15 and 36 kg (approx. 4 to 12 years of age).

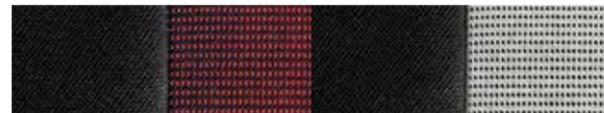

ISOFIX base for Audi baby seat and Audi child seat

A more secure fit for the Audi baby seat and the Audi child seat. Can be installed and removed quickly. The adjustable support provides better stability. Enhances the level of protection for the child. Note: The ISOFIX base is optional for the baby seat, but is mandatory for the child seat.

Child seat colour variants

All child seats are available in the colour combinations of Misano red/black and Titanium grey/black. The materials used are kind to the skin, breathable, light-resistant, removable and washable and are certified in accordance with the Oeko-Tex® Standard 100. Replacement covers are available from your Audi Centre.

Child seat underlay (not pictured)

Tailored to the design of the child seats as well as the interior of the vehicle. Car seats are protected against dirt and potential imprints made by the child seats. Includes two practical storage pockets. Fully compatible with all Audi child seats, even where the ISOFIX base is used.

Audi child seat

Can be used in the forward or rear-facing position. With adjustable seat shell, integrated seat belt and adjustable headrest. Can only be used in conjunction with the ISOFIX base. Suitable for children weighing between 9 and 18 kg (approx. 1 to 4 years of age).

Audi baby seat

Easy to fit using the ISOFIX base (recommended). Can also be secured using the three-point belt. The integrated seat belt ensures that the child is more secure; the attached hood also acts as a means of sun protection. With adjustable headrest. Suitable for small children up to 13 kg (approx. 12 months).

Audi baby mirror

Easy to secure to the headrest of the rear seat thanks to the Velcro fastener, keeping the baby in the rear-facing baby seat in view. Viewing angle can be adjusted as required. Not for integrated headrests.

Audi plush steering wheel

A steering wheel in an exclusive Audi design for racing drivers both big and small. Fitted with a squeaky horn for even more fun.

Cuddly 'Rob the Gecko'

Made from high-quality plush, Rob is hard-wearing, soft and washable.

Comfort and protection

Retrofit solution for the parking system (not pictured)

Supports drivers by emitting an audible signal whenever there is insufficient distance from obstacles. Four unobtrusive ultrasonic sensors are installed in the rear bumper. Activated by selecting reverse gear.

Retrofit solution for the cruise control system (not pictured)

Keeps the required speed constant at any speed over 19mph.* An automatic brake function is available, which is useful when travelling downhill. The system can also be operated separately via the steering column lever. The set speed is displayed in the Driver's Information System.

Retrofit solution for Audi Drive Select (not pictured)

Audi Drive Select allows you to change the vehicle characteristics according to your preferences. Features such as the power steering, the characteristics of the accelerator pedal and the shifting characteristics can be tailored to the driving situation or your individual requirements via different modes. 'Comfort', 'Auto' and 'Dynamic' modes are available, and, depending on the vehicle equipment, 'Efficiency' and 'Individual' modes can be enabled too. For more detailed information, visit your Audi Centre.

All-weather floor mats

Made-to-measure, durable and easy-to-clean all-weather floor mats in contrasting colours. Help protect the vehicle interior from moisture and dirt. Made from 100% recyclable plastic; perfectly tailored to the floor dimensions of your Audi A5. The floor mats are secured using the points provided on the floor of the vehicle. A5 branded.

Premium textile floor mats

Tailored to the size of the floor in the Audi A5. Made from durable, tightly woven velour. With a special coating on the underside. The floor mats are always secured using the points provided on the floor of the vehicle. A5 branded.

Sun protection system

Offers virtually full sun protection. Made-to-measure three-part set for the side and rear windows. Easy to fit and stow away.

*Provided that engine power and/or engine braking effect permit it.

Seat back pocket

Featuring a high-quality Audi design, this pocket offers additional storage capacity with various practical sections for an even tidier interior. The pocket has a volume of approx. 11 litres and can be secured to the backrest of the front seats. The handles also enable it to be used outside the vehicle.

Loading sill protective sheet (not pictured)

The made-to-measure protective sheet for the loading sill, made from transparent film, enhances the level of protection for the bumper against damage when loading and unloading the luggage compartment.

Luggage compartment shell

Made-to-measure luggage compartment protection. Robust and washable. All-round edging prevents liquids from leaking onto the luggage compartment floor.

Business bag

More space for all your business needs. The high-quality business bag offers you a storage volume of approx. 14 litres – enough space for a laptop of up to 15 inches, as well as other accessories. Can be securely fastened to the rear seat bench or the front passenger seat using the three-point seat belt. Can also be used outside the vehicle as a briefcase.

Rear seat bag

An organised storage space for the rear seat bench. With its various interior mesh pockets, additional storage compartment and total volume of approx. 27 litres, the rear seat bag in high-quality Audi design provides plenty of space for the various items required on a long journey. Easily secured using the three-point seat belt. Includes a non-slip surface on the underside of the bag.

Rear seat box

A sturdy storage solution for various small items. The high-quality rear seat box with a volume of approx. 12 litres makes journeys even more comfortable. It can be secured to the rear seat bench in just a few steps using the standard three-point seat belt. Includes a mesh pocket with internal drawstrings to secure the contents.

Mud flaps (not pictured)

Made from high-quality plastic. Prevent damage to paintwork and stop dirt building up in the area around the sills and rear apron of the vehicle. Available as a two-part set for the front and/or rear of the vehicle.

Anti-marten device (not pictured)

Keeps animals away from your Audi. A battery-powered, high-voltage device with double-pole stainless steel contact plates. Does not require an electrical connection to the vehicle. Emits ultrasonic signals.

Espresso mobile

With a pressure of 16 bar, the espresso mobile is perfect for coffee lovers. The set includes 18 illy ESE pods, two shatterproof espresso cups, a microfibre cloth and an elegant case. Connection via the cigarette lighter in the vehicle interior.

Gecko air freshener

Attaches easily to the air vents and fills the vehicle interior with a pleasant fragrance. No risk of leakage because the gecko air freshener does not contain any liquid.

Care products

Tailored to the high-quality materials used to construct your Audi. Suitable for numerous applications, either in the vehicle interior or for outer care, depending on the product.
