The latest edition is more practical than ever, and comes with the agility you need to navigate urban streets in style. A choice of five grades are available.

The Honda Jazz now comes with a choice of two great i-VTEC engines: The economical and proven 1.3 litre is complemented by an all-new 1.5 – and you'll find it under the bonnet of the latest Sport grade. It's a really energetic engine that's perfect for zipping around town or for pushing on beyond the city limits – we call it fun-injection.
