What to do in the event of a breakdown

Should you break down there are two simple steps to follow:

STEP 1: Make sure you and your vehicle are in a safe place

STEP 2: Call us on 0800 980 2733* (UK and Channel Islands)

*Please note: Calls from a mobile phone are at the caller's cost.

On the motorway:

Pull over on the hard shoulder.

- › Pull on to the hard shoulder and stop as far to the left as possible with the wheels turned to the left.
- › Leave your sidelights on and turn on the hazard warning lights.
- › Get out of the vehicle by the left-hand door and make sure that all your passengers do the same.
- › Leave animals in the vehicle or, in an emergency, keep them under proper control on the verge.
- › If you have reflective jackets in the vehicle wear them.
- › Do not use a warning triangle on the hard shoulder.
- › Make sure that passengers keep away from the carriageway and hard shoulder, and that children are kept under control. It is best to retreat up the bank, or behind a barrier if this is possible.
- › Don't attempt even simple repairs.

If you can't get across to the hard shoulder.

- › Stopping on a running lane is extremely dangerous.
- › Switch on your hazard warning lights.
- › Don't attempt to place any warning device on the carriageway.
- › Leave the vehicle only when you can safely get clear of the carriageway.

On other roads:

- › Get your vehicle off the road if possible and warn other traffic by using your hazard warning lights, particularly if your vehicle is causing an obstruction.
- › If you have a reflective jacket, put it on.
- › If you have any fear that your vehicle may be struck by other traffic make all your passengers get out of the car and get well away from the traffic.
- › Question whether it is safe for you to fix the car or whether you need professional help.
- › If it is safe and you have one, put a warning triangle or other permitted warning device on the road at least 45 metres (50 yards) behind your broken down vehicle on the same side of the road. Always take great care when doing this.
- › Keep your sidelights on if it is dark or visibility is poor.
- › Do not stand (or let anybody else stand), between your vehicle and oncoming traffic.
- › At night or in poor visibility do not stand where you will prevent other road users seeing your lights.

5.1 Hyundai Roadside Assistance

5.1.1 What is available:

Roadside Assistance is available if Your Car is stranded on the highway more than a quarter of a mile from Your UK home address following a Breakdown Incident;

If, following a Breakdown Incident, a patrol or appointed agent cannot fix Your Car within a reasonable time, it, together with the driver and no more passengers than the legal seating capacity of Your Car, will be taken to Hyundai's choice of relevant local repairer or to a local destination of Your choice, provided it is no further than the nearest dealer;

Hyundai Roadside Assistance will make a telephone call at Your request following a Breakdown Incident.

Please note that any contract for repair, other than repairs carried out by Hyundai's contractors or agents at the roadside under Your Hyundai Roadside Assistance, is between the person requesting the repair and the repairer – it is not Hyundai Roadside Assistance's responsibility to instruct the repairer to undertake any work required or to pay them for it.

Hyundai Roadside Assistance does not guarantee that any recovery to a relevant local repairer will be within the opening hours of the repairer, or that the repairer will be immediately available to undertake any required repair. Whilst Hyundai Roadside Assistance will endeavour to check that the chosen repairer carries out the type of repair work required, this cannot be guaranteed and Hyundai Roadside Assistance, its contractors and agents do not provide any assurance or warranty with respect to any work carried out at Your request by any third party repairer.

5.1.2 What is not available:

- 1) The cost of spare parts, petrol, oil, keys or other materials required to repair Your Car or any supplier delivery or call out charges related to these items;
- 2) The cost of any labour, other than that provided by Hyundai's contractors and / or agents under your Hyundai Roadside Assistance at the scene of the Breakdown Incident.
- 3) Any additional transport or other costs that You might incur or any incidental expenses that may arise during a recovery. Hyundai Roadside Assistance cannot accept any costs for passengers who do not accompany Your Car while it is being recovered;
- 4) Routine maintenance and running repairs e.g. radios, air conditioning, interior light bulbs, heated rear windows;
- 5) Any recovery or tow following an accident. See General Terms and Conditions, General Exclusions for more information. Any recovery for an RTA is available from the Accident Management Programme.
- 6) Assistance following a Breakdown Incident attended by the Police, Highways Agency or other emergency service, until the services concerned have authorised the car's removal. If the Police, Highways Agency or emergency service insist on recovery by a third party, the cost of this must be met by You;
- 7) A second or subsequent recovery, after Your Car has been recovered following a Breakdown Incident;
- 8) All things excluded under General Terms and Conditions detailed in section 6.

5) Service descriptions

5.2 Hyundai Roadside Assistance from Home ('Home Start')

5.2.1 What is available

- › Home Start provides access to the same service as is available under 'Hyundai Roadside Assistance' following a Breakdown Incident at or within a quarter of a mile of Your UK home address.

5.2.2 What is not available:

- › All things excluded under paragraph 5.1.2 'Hyundai Roadside Assistance' 'What is not available'.

5.3 Hyundai Recovery ('Recovery')

5.3.1 What is available

Recovery is available when Hyundai Roadside Assistance provides either Roadside Assistance or Home Start service and Hyundai Roadside Assistance cannot arrange a prompt local repair within a reasonable time;

Recovery provides recovery of Your Car, together with the driver and no more passengers than the legal seating capacity of Your Car to any single destination of Your choice on the UK mainland or in Northern Ireland (see also General Terms and Conditions detailed in section 6).

Please note that vehicle repatriation will not be provided following a collision repair or a non-warranty incident.

5.3.2 What is not available:

Recovery of the car is not available following an accident. See General Terms and Conditions, General Exclusions for more information.

- › All things excluded under paragraph 5.1.2 'Hyundai Roadside Assistance' 'What is not available' above.

5.4 Hyundai Onward Travel ('Onward Travel')

Onward Travel is only available at Hyundai's absolute discretion.

If Your Car is immobilised following a Breakdown Incident which Hyundai Roadside Assistance has attended under Roadside Assistance and where Hyundai Roadside Assistance cannot arrange a prompt local repair. Hyundai may at its absolute discretion choose to arrange either a replacement car OR overnight accommodation OR public transport costs (see overleaf for full details of what is available under each benefit).

6) General Terms and Conditions

6.1 General exclusions

6.1.1 Hyundai Roadside Assistance does not provide for:

- 6.1.1.1 vehicle servicing or re-assembly, for example, where this is required as a result of neglect or unsuccessful work on the vehicle (including, but not limited to, DIY vehicle maintenance), other than that on the part of Hyundai, its contractors and / or agents;
- 6.1.1.2 the cost of garage or other labour required to repair Your Car, other than that provided by Hyundai, its contractors and / or agents at the scene of the relevant Breakdown Incident;
- 6.1.1.3 any costs of draining or removing fuel, lubricants or other fluids as a result of the introduction of an inappropriate substance. Hyundai will arrange for Your Car to be taken to a Hyundai Dealer or another location of your choice, provided no further, but you will have to pay for any work required;
- 6.1.1.4 any additional charges resulting from Your failure to carry a legal and serviceable spare wheel or tyre, except where this is not provided as manufacturers standard equipment. Hyundai will endeavour to arrange on your behalf, but will not pay for, assistance from a third party;
- 6.1.1.5 having Your Car stored or guarded in Your absence;
- 6.1.1.6 the provision of service when Your Car is on private property e.g. garage premises, unless You can establish that You have the permission of the owner or occupier;
- 6.1.1.7 the provision of service to or for any persons in excess of the number of seats fitted in the vehicle at the time of the relevant Breakdown Incident, or to anyone who was not travelling in the relevant vehicle at the time of the relevant Breakdown Incident. If there are more people than the maximum allowed, Hyundai will seek to arrange, but will not pay for, their onward transportation;
- 6.1.1.8 any ferry, toll or congestion charges incurred in connection with Your Car as a result of it being recovered;
- 6.1.1.9 the recovery of any vehicles bearing trade plates or which Hyundai, its contractors and /or agents have reason to believe have just been imported or purchased at auction;
- 6.1.1.10 the transportation of immobilised vehicles where Hyundai, its contractors and /or agents consider this to be part of a commercial activity, for example, to, from or for motor dealers or delivery companies;
- 6.1.1.11 the cost of any locksmith, body-glass or tyre specialist, should Hyundai, its contractors and /or agents consider this to be required. Hyundai will endeavour to arrange this help on Your behalf, however it will not pay for these specialist services and any contract for services provided will be between You and the relevant specialist. If, in the reasonable opinion of Hyundai , its contractors and / or agents, Your Car requires recovery to such a specialist to be mobilised and, to effect that recovery, specialist lifting equipment not normally carried by Hyundai's contractors and / or agents is required, Hyundai will arrange the recovery but at Your cost. If use of a locksmith or other specialist would, in the opinion of Hyundai, its contractors and / or agents, mobilise the car, no further service will be available for the Breakdown Incident in question;
- 6.1.1.12 the cost of any specialist lifting equipment (not normally carried by Hyundai's contractors and /or agents), if this is, in the view of Hyundai , its contractors and / or agents, required to provide assistance e.g. when a vehicle has left the highway, is standing on soft ground or is stuck in snow or floodwater. In these instances, Hyundai will arrange recovery but at Your cost and Hyundai will not be liable for any damage they may be incurred. Once the car has been recovered to a suitable location, normal Hyundai Roadside Assistance will be provided;
- 6.1.1.13 the transportation or arrangement of the transportation of any animal (guide dogs or hearing dogs to be transported together with their owner, where Hyundai will provide transportation unless this is not possible for health and/or safety reasons). Hyundai, its contractors and / or agents will not recover horses or livestock. If Hyundai, its contractors and / or agents does at its absolute discretion, agree to transport an animal, then this will be at Your own risk. It is Your responsibility to secure any animal being transported or to make alternative arrangements for its transportation;
- 6.1.1.14 assistance for cars broken down as a result of taking part in any "Motor Sport Event", including, without limitation, racing, rallying, trials or time-trials or auto test. However, for the avoidance of doubt, Hyundai does not consider "Concours d' elegance" events, track test days for road-legal vehicles or rallies held exclusively on open public highways where participants are required to comply with the normal rules of the road, to be Motor Sports Events.

- 6.1.1.15 Hyundai Roadside Assistance does not provide for any vehicle recovery following an accident. Hyundai may, if You request, be prepared to arrange recovery following an accident but, if so, You will be responsible for paying the charges for this assistance (including, but not limited to, any charges relating to any specialist equipment used).
- 6.1.1.16 Please note that, following an accident, or otherwise, it is and remains Your responsibility to ensure that You properly comply with any requirements of Your motor insurer in making a claim under Your motor insurance policy.
- 6.2 General rights to refuse service**
- 6.2.1 **Please note:** if a Driver is refused service by Hyundai, its contractors and / or agents the Driver has the right to an explanation in writing.
- 6.2.2 Hyundai, its contractors and / or agents reserves the right to refuse to provide or arrange Hyundai Roadside Assistance where:
- 6.2.2.1 You are not with Your Car at the time of the relevant Breakdown Incident and You are unable to be present at the time assistance arrives;
- 6.2.2.2 in the reasonable opinion of Hyundai, its contractors and / or agents, Your Car was, immediately before the relevant Breakdown Incident, dangerous, overladen, unroadworthy or otherwise unlawful to use on a public road;
- 6.2.2.3 in its reasonable opinion or that of its contractors and / or agents, and other than solely as a result of a failure on the part of Hyundai, the giving of service would involve a breach of the law (including, without in any way restricting the type of breach being referred to under this sub-clause, a breach of Hyundai's and / or its contractors and / or agents health and safety duties);
- 6.2.2.4 in its reasonable opinion, there has been an unreasonable delay in reporting the relevant Breakdown Incident;
- 6.2.2.5 You cannot produce a valid Assistance card (if supplied) or this being supplied (or appropriate receipt) and some other form of identification. If these cannot be produced, and entitlement for Hyundai Roadside Assistance cannot be verified, Hyundai, its contractors and / or agents reserve the right to refuse service. However if you are unable to prove entitlement to service or you are aware that you do not hold entitlement to Hyundai Roadside Assistance, Hyundai may, at its discretion, offer service on the immediate payment (by credit, debit or Switch Card) of the charges for such services.
- 6.2.2.6 The charges paid will be fully refunded if it can be established to Hyundai's reasonable satisfaction that the relevant level of service entitlement was held at the time of the relevant Breakdown Incident. Without prejudice to Your statutory rights, no refunds will be given if entitlement cannot be proved, or simply because Your Car cannot be fixed at the roadside;
- 6.2.2.7 Hyundai its contractors and / or agents reasonably considers that You:
- 6.2.2.7.1 or anyone accompanying You, is behaving or has behaved in a threatening or abusive manner to the employees, patrols or agents, of Hyundai and / or its contractors and / or agents; or
- 6.2.2.7.2 have falsely represented that You are entitled to services that You are not entitled to;
or
- 6.2.2.7.3 have assisted another person in accessing Hyundai Roadside Assistance services to which they are not entitled;
or
- owe Hyundai its contractors and / or agents money with respect to any services, spare parts or other matters provided by Hyundai its contractors and / or agents on Hyundai's instruction.
- 6.3 Additional services**
Any additional services made available by Hyundai which are not described in these Terms and Conditions are provided on a purely discretionary basis and may be withdrawn at any time.
- 6.4) Use of agents**
Hyundai Roadside Assistance will be provided by Hyundai and / or its contractors and / or agents.
- 6.5) Requests for assistance**
All requests for assistance must be made to Hyundai using the contact instructions provided by Hyundai from time to time. If You contact a garage direct, You will have to settle its bill and Hyundai will be under no obligation to reimburse You.

6.6 Emergency nature of Hyundai Roadside Assistance

Hyundai's contractors and / or agents are trained and equipped to carry out emergency roadside repairs and are not in a position to comment on the general safety or roadworthiness of a vehicle after a Breakdown Incident or an emergency repair. In addition, completion of an emergency repair cannot be taken to signify or in any way guarantee the general roadworthiness of the vehicle concerned.

6.7 Cancellation

Hyundai shall have the right to cancel any Hyundai Roadside Assistance entitlement if you have been refused service under clause 6.2.2.7.

6.8 Changes to Terms and Conditions

Hyundai Roadside Assistance also reserves the right to make changes to these Terms and Conditions during the Term, on the giving of reasonable notice, where it reasonably considers this necessary in order to comply with any applicable laws, regulations or the advice or instruction of any regulatory authority.

While Hyundai Roadside Assistance seeks to meet the service needs of its customers at all times, its resources and those of its contractors and / or agents are finite and this may not always be possible. Hyundai its contractors and / or agents shall not be liable for service failures where Hyundai its contractors and / or agents are faced with circumstances outside their reasonable control. Events which might constitute circumstances outside such reasonable control include (but are not limited to) Acts of God, outbreak of hostilities, riot, civil disturbance, acts of terrorism, acts of government or authority (including the refusal or revocation of any licence or consent), fire, subsidence, explosion, flood, snow, fog or other bad weather conditions, car, equipment or systems failures, shortages of fuel or other necessary supplies, failure of telecommunications lines or systems, default of suppliers or sub-contractors, theft, malicious damage, strike, lock out or industrial action of any kind.

6.11 Exclusion of liability for loss of profit etc.

Hyundai Roadside Assistance, its contractors and / or agents shall not, in any event, and to the extent permitted by law, have any responsibility for (a) any increased costs or expenses, (b) any loss of (i) profit, (ii) business, (iii) contracts, (iv) revenue or (v) anticipated savings or (c) for any special or indirect losses incurred as a result of or in connection with any service, whether resulting from tort (including negligence or breach of statutory duty), from breach of contract or otherwise.

For the avoidance of doubt, nothing in this clause or these Terms and Conditions shall exclude or restrict the liability of Hyundai its contractors and / or agents for negligence resulting in death or personal injury.

6.12 Enforcement of Terms and Conditions

6.12.1 Failure to enforce or non-reliance on any of these Terms and Conditions by Hyundai its contractors and / or agents will not prevent Hyundai its contractors and / or agents from subsequently relying on or enforcing them.

6.12.2 The Terms and Conditions, or benefits, of Hyundai Roadside Assistance are only enforceable by the Customer, Hyundai its contractors and / or agents. For the avoidance of doubt, and without limiting the above, any rights under The Contract (Rights of Third Parties) Act 1999, or any replacement or amendment of such act, are excluded.
