---

### **Family**

**Page 14**

Nothing in your Audi could be more important than your family, so we've developed features with their safety, security and convenience in mind.

---

### **Comfort and protection**

**Page 18**

Give your Audi all the protection it needs, whether it's against muddy footprints or scratches while unloading luggage.

# Sport and design

### Front spoiler with blade\*

Emphasises the sporty character of the front of the vehicle. The blade in Matt black provides an attractive contrast to the colour of the vehicle.

### Side sills\*

Accentuate the dynamic body contours and give your Audi an individual look.

### Rear wing\*\*

Fixed and permanently visible, the rear wing is a replacement for the standard electrically retractable tailgate spoiler.

\*Parts are supplied primed and can be painted in the vehicle colour or a colour of your choice for an extra charge.  
 \*\*Available for the Audi TT Coupé and Roadster. Please contact your Audi Centre for special installation requirements.

### Rear diffuser\*

Emphasises the sporty design of the vehicle and ensures increased downforce.

### Rear apron\*

A striking end to the rear section, precisely integrated into the body line of the vehicle.

#### LED for entry area

For a bright entrance. Depending on the variant, either the quattro logo or the Audi rings are projected onto the ground by means of an LED light when the vehicle door is opened. Available in a two-part set for the driver and front-passenger side. Requirement: the Lighting Pack that is available as an option.

#### Cast aluminium winter wheels in '5-arm falx' design, brilliant silver\*

Complete winter wheels suitable for use with snow chains in dimensions 17" x 7.0J for 225/50 R17 tyres. Maximum permissible speed: 130mph. Fuel efficiency class: C, wet grip class: C, external rolling noise class: 72 dB.

#### Cast aluminium wheels in '5-arm rima' design, matt black, high-gloss turned finish\*

Exceptional design that works in harmony with your Audi TT. In dimensions 20" x 9.0J for 255/30 ZR20 tyres. It is a statutory requirement for these wheels to be used only in conjunction with the wheel covers that are available separately.

#### Wheel bags

Four-piece set with practical handles, enables easy and clean transportation and the storage of complete wheels. Made from tear-resistant plastic. Wheel bolts can be stored in the outside pockets.

#### High-tech gecko film set (not pictured)

Adds a unique touch, not only to your vehicle, but also to many other surfaces. Available in two sizes: 20 x 15 cm and 40 x 30 cm.

#### Snow chains

For enhanced hold on snow and ice. Available in a range of sizes.

#### quattro decals (not pictured)

The quattro logo as a decal for the rear section of the vehicle on both sides. Available in either Brilliant black or Ice silver, metallic, depending on the exterior vehicle colour.

#### Valve caps

The four metal valve caps with embossed Audi logo provide enhanced protection for the valve against dust, dirt and moisture. Available for rubber, metal and aluminium valves.

#### Anti-theft wheel bolts (not pictured)

To stop thieves, the bolts can only be loosened with the special adapter provided.

#### Footrest and pedal caps in stainless steel\* (not pictured)

The footrest and pedal caps are made from brushed stainless steel. The rubber coating on the surfaces ensures enhanced grip. Available for automatic and manual gearboxes.

\*Please note the following information relating to wheels: Aluminium wheels with a high-gloss turned finish, or polished or partly polished aluminium wheels, must not be used in the event of wintry road conditions. Due to the manufacturing process, the rim surfaces do not possess sufficient anti-corrosion protection and are at risk of long-term damage due to road salt or similar materials. Please note that not all cast aluminium wheels are available as optional equipment; some are only available as a retrofit solution from your Audi Centre.

\*Available as optional equipment or as a retrofit solution from your Audi Centre.

# Transport

### Ski and luggage boxes

A new design from Audi featuring improved aerodynamics thanks to a flatter, sportier design. Available in Platinum grey with Brilliant black side blades or gloss Brilliant black, each featuring chrome Audi rings and a high quality, rivet-free look. Boxes are lockable and can be opened from both sides for easy loading and unloading, with an internal handle for closing the box. The simple, quick-action securing system includes torque limitation. Positioned towards the front of the vehicle, providing optimum access to the luggage compartment. Available in three sizes: 300 litres, 360 litres and 405 litres. Can only be used in conjunction with the carrier unit.

### Carrier unit

Carrier unit for various roof rack modules, such as the bicycle fork mount, kayak rack or ski and luggage boxes. Made from anodised aluminium, the carrier unit is easy to fit and is lockable. Maximum permissible gross weight of the carrier unit, roof rack modules and load: 75 kg.

### Ski and luggage boxes

Volumes	300 l	360 l	405 l
External dimensions (LxWxH)	1,902 x 630 x 376 mm	1,756 x 826 x 376 mm	2,050 x 800 x 380 mm
Maximum number of skis	4-6	5-7	5-7
Maximum length of skis	1,750 mm	1,550 mm	1,900 mm
Maximum number of snowboards	3-4	4-5	4-5
Maximum permissible load	60 kg	75 kg	75 kg

### Kayak rack

For single kayaks weighing up to 45 kg. Can be tilted for easy loading and unloading. The kayak rack and elasticated belt can be secured separately. Can only be used in conjunction with the carrier unit.

#### Ski and snowboard rack

For easy transportation of up to six pairs of skis or four snowboards. Lockable. Can only be used in conjunction with the carrier unit.

#### Roof carrier bag

For storage or transport of a carrier unit and smaller roof rack modules. Made from durable material, with multiple loops and a side pocket for tools or small parts.

#### Bags for roof boxes

Robust yet flexible. These bags are equipped with a watertight floor featuring a watertight border extending 5 cm upwards. These are ideal for making full use of the Audi roof boxes, as it is possible to use the individual bags in various combinations. Available in three sizes: S (43 litres), M (76 litres) and L (82 litres).

#### Front wheel holder

Made from anodised matt aluminium, mounted with anti-theft bolts, completely pre-assembled. Not suitable for bicycles with a half axle. Can only be used in conjunction with the bicycle fork mount.

#### Bicycle fork mount

Easy to handle. Lockable. Suitable for bicycles with a quick-action lock on the front wheel. Can only be used in conjunction with the carrier unit.

#### Bicycle rack

This bicycle rack, made from specially shaped aluminium and powder-coated steel, enables you to attach your bike to your Audi safely and securely. Lockable. Maximum load capacity: 17 kg. Can only be used in conjunction with the carrier unit.

# Communication

**Audi USB memory key**  
The exclusive storage device that emulates the look of a genuine Audi vehicle key. Memory capacity: 8 GB.

**Bluetooth headset**  
The ideal addition to the optional Audi Entertainment Mobile, compatible with various Apple products such as the iPad. The headset can be folded up and conveniently stored in the bag provided. The rechargeable batteries can achieve an operational life of up to 15 hours.

**Wireless charging cover (not pictured)**  
Enables wireless charging of the Apple iPhone 5 upwards. To charge, simply place the inductive charging case on a Qi-compatible charging station, such as the Audi Phone Box with wireless charging.

# Family

#### Audi child seat youngster plus

Offers a high level of comfort thanks to the intelligent seat-belt guide. The height and width of the backrest are adjustable. Adjustments to the seat size can be made with ease using a viewing panel. Suitable for children weighing between 15 and 36 kg (approx. 4 to 12 years of age).

#### ISOFIX base for Audi baby seat and Audi child seat

A more secure fit for the Audi baby seat and the Audi child seat. Can be installed and removed quickly. The adjustable support provides better stability. Enhances the level of protection for the child. Note: The ISOFIX base is optional for the baby seat, but is mandatory for the child seat.

#### Child seat underlay

Tailored to the design of the child seats as well as the interior of the vehicle. Car seats are protected against dirt and potential imprints made by the child seats. Includes two practical storage pockets. Fully compatible with all Audi child seats, even where the ISOFIX base is used.

#### Audi child seat

Can be used in the forward or rear-facing position. With adjustable seat shell, integrated seat belt and adjustable headrest. Can only be used in conjunction with the ISOFIX base. Suitable for children weighing between 9 and 18 kg (approx. 1 to 4 years of age).

#### Child seat colour variants

All child seats are available in the colour combinations of Misano red/black and Titanium grey/black. The materials used are kind to the skin, breathable, light-resistant, removable and washable and are certified in accordance with the Oeko-Tex® Standard 100. Replacement covers are available from your Audi Centre.

#### Audi baby seat

Easy to fit using the ISOFIX base (recommended). Can also be secured using the three-point belt. The integrated seat belt ensures that the child is more secure; the attached hood also acts as a means of sun protection. With adjustable headrest. Suitable for small children up to 13 kg (approx. 12 months).

#### Audi plush steering wheel

A steering wheel in an exclusive Audi design for racing drivers both big and small. Fitted with a squeaky horn for even more fun.

#### Cuddly 'Rob the Gecko'

Made from high-quality plush, Rob is hard-wearing, soft and washable.

# Comfort and protection

### Luggage compartment shell

Made-to-measure luggage compartment protection. Robust and washable. All-round edging prevents liquids from leaking onto the luggage compartment floor.

### Loading sill protective sheet (not pictured)

Protection for the bumper: Simply attach to the load hook of the luggage compartment to prevent damage when loading and unloading. Including polyester bag with zip and strap.

### Rubber floor mats

Made-to-measure. Offer improved protection against heavy soiling. Connected to the vehicle by means of the fastening points on the vehicle floor. TT branded.

### Premium textile floor mats

Tailored to the size of the floor in the Audi TT. Made from durable, thick velour. With a special coating on the underside. The floor mats are secured using the points provided for this purpose on the floor of the vehicle. TT branded.

#### Business bag

More space for all your business needs. The high-quality business bag offers you a storage volume of approx. 14 litres – enough space for a laptop of up to 15 inches, as well as other accessories. Can be securely fastened to the rear seat bench or the front passenger seat using the three-point seat belt. Can also be used outside the vehicle as a briefcase.

#### Rear seat bag

An organised storage space for the rear seat bench. With its various interior mesh pockets, additional storage compartment and total volume of approx. 27 litres, the rear seat bag in high-quality Audi design provides plenty of space for the various items required on a long journey. Easily secured using the three-point seat belt. Includes a non-slip surface on the underside of the bag.

#### Luggage compartment box, foldable

Made from black polyester, offering a storage capacity of up to 32 litres. Easily assembled using Velcro tabs, providing a functional and practical solution. When laid flat, the box also acts as an additional protective underlay for the luggage compartment. Washable and easy to clean.

#### Retrofit solution parking system

Supports drivers by emitting an audible signal whenever there is insufficient distance from obstacles. Four unobtrusive ultrasonic sensors are installed in the rear bumper. Activated by selecting reverse gear.

#### Espresso mobile

With a pressure of 16 bar, the espresso mobile is perfect for coffee lovers. The set includes 18 illy ESE pods, two shatter-proof espresso cups, a microfibre cloth and an elegant case. Connection via the cigarette lighter in the vehicle interior.

#### Anti-marten device (not pictured)

Keeps animals away from your Audi. A battery-powered, high-voltage device with double-pole stainless steel contact plates. Does not require an electrical connection to the vehicle. Emits ultrasonic signals.

#### Vehicle cover for indoor use

Ideal fit, in Anthracite, bearing the Audi logo. Made from a breathable and anti-static material. The piping accentuates the shape of the vehicle. Excellent protection from dust and dirt.

#### Mud flaps (not pictured)

Made from high-quality plastic. Prevent damage to paintwork and stop dirt building up in the area around the sills and rear apron of the vehicle. Available as a two-part set for the front and/or rear of the vehicle.

### Gecko air freshener

---

Attaches easily to the air vents and fills the vehicle interior with a pleasant fragrance. No risk of leakage because the gecko air freshener does not contain any liquid.

### Audi Tracking Assistant Plus (not pictured)

---

Enables the tracking and tracing of a stolen vehicle in many European countries via GPS/GSM technology. Featuring automatic driver recognition and an intelligent restart restriction function. For more detailed information, visit your Audi Centre.

### Care products

---

Tailored to the high-quality materials used to construct your Audi. Suitable for numerous applications, either in the vehicle interior or for outer care, depending on the product.

### LED gooseneck reading lamp

---

A very bright light wherever you need it, thanks to the flexible silicone rubber neck. Excellent stability in all positions. Connection via the cigarette lighter.
