Care and Protection

Indoor Car Cover

Fitted Cost : **1,971.00 AED** *(Price is inclusive of VAT)*

The Indoor Car Cover, specially designed for the Levante, traces the muscular lines of the car body, enveloping and protecting it to perfection.

- Made-to-measure using a quality anti-laddering Maserati
- Blue fabric.
- The cover is finished with contrasting light-grey details that
- further bring out the distinctiveness of the vehicle lines.

Outdoor Car Cover

Fitted Cost : **2,569.00 AED** *(Price is inclusive of VAT)*

The Outdoor Car Cover protects the vehicle against dust, scratches and the effects of the weather.

- The high-performance fabric used makes the cover waterproof, breathable and stretchable.
- Eliminates the wind effects and provides a perfect fit under any conditions.
- The cover comes in a light-grey colour and is branded with Maserati blue details that highlight the muscular lines of the car.

Care and Protection

Floor Mats Black / Beige

Fitted Cost : **1,424.00 AED**^{/Each} *(Price is inclusive of VAT)*

Designed to enrich and make the most of the style and elegance that characterize the vehicle interiors, the Levante Branded Floor Mats are a further personalization detail that will make any and all driving experience onboard the Maserati of SUV ever more exclusive and unique. A distinguishing element of these floor mats is a special side insert in eco-leather found on both the passenger and driver's side, designed by Maserati Centro Stile, that depicts a finely embroidered Levante logo.

- The Branded Floor Mats come in a kit containing two front and two rear floor mats, all enriched by a fine tone-on-tone edge made of eco-leather.
- Each floor mat is tailor made so as to precisely follow the shapes of the vehicle interior floor, and is equipped with anchoring clips to provide optimal stability and safety while driving.
- The Levante Branded Floor Mats are available in the three color versions designed for the standard interior equipment: black, sabbia and brown.
- They have been strictly tested and approved by the R&D Department of the Maserati Quality laboratories to certify their best performance in terms of functionality and materials used.

Care and Protection

Car Battery Charger And Conditioner -EU version

Fitted Cost : **1,172.00 AED** *(Price is inclusive of VAT)*

The Maserati Battery Conditioner is the ideal accessory to protect your car battery, increasing its performance and lifetime.

Simply apply it to the car battery and connect it to a power socket to maintain the battery charge at a steady level, ranging from 95 to 100%.

The battery conditioner is extremely easy to use and does not need to be programmed before use.

You may leave it connected for several months, without risking to damage the vehicle.

Care and Protection

Protective Film for Loading Edge

Fitted Cost : **1,144.00 AED** *(Price is inclusive of VAT)*

Designed to provide the best protection, the Protective Film for the Loading Edge is the ideal solution for preserving the precious bodywork of the Levante, keeping its aesthetics unaltered over time. The film is applied to the rear bumper to protect the area mainly exposed to possible scrapes and damage caused by suitcases and various objects that may hit the luggage compartment while loading and unloading. The shaped film is transparent, so that the color of the bodywork is not altered, and does not yellow over time. After removal, it does not leave any residues on the application surface.

Care and protection

RH / LH Side Protective Films Body Color Painted Parts

Fitted Cost : **1,526.00 AED**/Each *(Price is inclusive of VAT)*

The Side Protection Kit comprises a film which provides optimal protection of the car body in areas where impacts from gravel and other external agents are most likely to occur. The film is made of transparent urethane which does not change the color of the bodywork and does not turn yellow over time. The film is molded and covers the side panels of the vehicle with absolute precision. It is simple and quick to apply using a water-based solution, which does not leave any adhesive residue on the application surfaces when it is removed.

Transportation & Loading Solution

Roof Rails Chrome Version (Retrofit Kit)

Fitted Cost : **6,253.00 AED** *(Price is inclusive of VAT)*

The Levante Accessories for the Roof are a valuable and effective aid for the driver when luggage, sports equipment or other items need to be comfortably carried. Each individual accessory has been specially tested and approved by Maserati to certify that it perfectly meets the vehicle technical features and maintains an accurate balance between road and off-road performance. The Roof Rails, which perfectly follow the lines of the bodywork, are the basic element for using many transport solutions available in the Accessories range. At the same time, they add to the car aesthetics, highlighting the harmonious and sporty lines of the Levante. Depending on the desired vehicle equipment, the Roof Rails are available in two different versions: with “Chrome” color or “Black Piano” color finishing. If these parts were not chosen as first equipment or Optional (OPT) when ordering the vehicle, and the owner would like to install them at a later stage, the dedicated Retrofit Kits are available in the Genuine Accessories range.

Transportation & Loading Solution

Roof Rails Black Piano Version (Retrofit Kit)

Fitted Cost : **6,253.00 AED** *(Price is inclusive of VAT)*

The Levante Accessories for the Roof are a valuable and effective aid for the driver when luggage, sports equipment or other items need to be comfortably carried. Each individual accessory has been specially tested and approved by Maserati to certify that it perfectly meets the vehicle technical features and maintains an accurate balance between road and off-road performance. The Roof Rails, which perfectly follow the lines of the bodywork, are the basic element for using many transport solutions available in the Accessories range. At the same time, they add to the car aesthetics, highlighting the harmonious and sporty lines of the Levante. If these parts were not chosen as first equipment or Optional (OPT) when ordering the vehicle, and the owner would like to install them at a later stage, the dedicated Retrofit Kits are available in the Genuine Accessories range.

Transportation & Loading Solution

Front & Rear Skid Plate Chrome (retrofit kit)

Fitted Cost : **9,623.00 AED** *(Price is inclusive of VAT)*

Developed to protect the bodywork, the front and rear Skid Plates translate into a clear stylish element that perfectly blends with the design of the vehicle and that strongly emphasizes its look with an even more dynamic character.

Transportation & Loading Solution

Front & Rear Skid Plate Black (retrofit kit)

Fitted Cost : **9,623.00 AED** *(Price is inclusive of VAT)*

Developed to protect the bodywork, the front and rear Skid plates translate into a clear stylish element that perfectly blends with the design of the vehicle and that strongly emphasises its look with an even more dynamic character.

Transportation & Loading Solution

Roof Cross Bars

Fitted Cost : **4,359.00 AED** *(Price is inclusive of VAT)*

To install the Roof Cross Bars, the vehicle must be equipped with the roof rails, available as OPT 357 or as Retrofit Kit.

Transportation & Loading Solution

Roof Luggage Box

Fitted Cost : **7,353.00 AED** *(Price is inclusive of VAT)*

The spacious Roof Luggage Box has been optimized to perfectly combine style and space. Lightweight and aerodynamic, the box boasts a volume of 410 litres, dramatically increasing the loading capacity of the vehicle. The box has a double opening system to help loading and unloading operations, under any conditions.

- Color: Glossy Black.
- Weight (Kg.): 16.
- Load Capacity (Kg.): 45
- Volume (l): 410
- Straps: 3

Vehicle Note:

To install the Roof Luggage Box, the vehicle must be equipped with the Roof rail and Cross Bars.

Transportation & Loading Solution

Roof Bike Carrier

Fitted Cost : **3,929.00 AED** *(Price is inclusive of VAT)*

The Roof Bike Carrier is extremely practical and lightweight, and can be used to transport a bike quickly and safely, without any risk of damaging the vehicle and its equipment. The special system design keeps the bike in position by means of three locking devices: one on the frame, equipped with a padded clamp, and two on the wheels, with an adjustable diagonal quick-release strap.

Technical Specs:

- Max. number of bikes: 1
- Load Capacity (kg.): 20
- Mounting of bike: frame/wheel
- Fits frame dimensions (mm): Up to 100

Vehicle Note:

To install the Roof Bike Carrier, the vehicle must be equipped with the Roof rails & Cross Bars.

Transportation & Loading Solution

Towbar mounted bike carrier

Fitted Cost : **8,194.00 AED** *(Price is inclusive of VAT)*

The Towbar Mounted Bike Carrier is the ideal solution for everyday transport of up to 3 bikes: compact, lightweight and easy to use, the system is securely fastened to the towbar by means of a practical handle. A convenient pedal-operated mechanism enables the bikes to be tilted for easy access to the luggage compartment, even when being transported. It is equipped with a double lock to secure the towbar system and bikes to the support.

Technical Specs:

- Max. number of bikes: 3
- Load Capacity (kg): 45
- Max bike weight (kg): 20
- Product Size: 74 x 126 x 80
- Weight (kg.): 45
- Fits frame dimensions (mm): 20-80
- Wheel distance (cm): 19

Vehicle Note:

To install the Towbar Mounted Bike Carrier, the vehicle must be equipped with the Towbar available as OPT AHX or as Retrofit Kit.

Transportation & Loading Solution

Surfboard/Windsurfer Carrier

Fitted Cost : **3,782.00 AED** *(Price is inclusive of VAT)*

The Surfboard/Windsurfer Carrier Support is used to attach a board and two masts to the roof bars. Strong straps are used to secure the board, and the padded protections allow the board to be transported without any risk of damage.

Technical Specs:

- Load: Sailboard and mast
- Load capacity: 1 sailboard 2 masts
- Length of strap (cm): 2x275

Vehicle Note:

To install the Surfboard/Windsurfer Carrier, the vehicle must be equipped with the Roof Bars.

Transportation & Loading Solution

Luggage compartment collapsible box

Fitted Cost : **631.00 AED** *(Price is inclusive of VAT)*

This practical Collapsible Box is the ideal solution for keeping small and medium-sized objects tidy, and to avoid losing anything inside the car boot. The box can be easily secured using the Velcro strip on its base and rear, while when it has been collapsed it can also be used outside the car as a stylish and convenient briefcase with a front pocket to carry documents, a tablet, etc.

Transportation & Loading Solution

Luggage Compartment Mat

Fitted Cost : **694.00 AED** *(Price is inclusive of VAT)*

The Levante Luggage Compartment Mat is made from a lightweight and waterproof thermoplastic material that will protect the luggage compartment floor from mud, oil, sand, water, and snow. Designed to cover the floor but leave the optional anchors and rails uncovered. Features a Maserati Trident detail.

Comfort and Communication

Grade 0 + child seat

Fitted Cost : **1,684.00 AED** *(Price is inclusive of VAT)*

The Maserati Group 0+ Child Seat, created exclusively for the Ghibli, is the result of a partnership with Peg-Pérego, the Italian company renowned for its high quality, Italian-made baby products. This child seat has been tested according to rigorous Euro NCAP child safety standards.

The upholstery, specially designed for Maserati, is a combination of dark grey fabric and black leather and is embellished by contrasting light grey stitching. The Child Seat is Maserati branded and personalized with the Trident logo on the headrest and the name "Maserati" written on the seat belt fitting.

The Group 0+ Child Seat can be easily attached to the ISOFIX base (available separately) on the back seat only.

Features:

- Adjustable side impact protection with five different heights
- Body support for newborns
- Handy button to adjust the tension and the length of the straps
- Adjustable hood and handlebar
- It can be used at home as a reclined cradle
- It can be used in combination with the pushchair.

Comfort and Communication

Child Seat Group 1 (from 9 to 18kg)

Fitted Cost : **2,772.00 AED** *(Price is inclusive of VAT)*

The Maserati Child Seat Group 1 is the result of the partnership with Peg Pérego, a well-known Italian company for high quality and Made-in-Italy juvenile products.

The child seat has undergone all required safety tests and is type-approved according to the European ECE R44/04 standard.

The seat cover is made of a combination of dark grey fabric and black leather embellished with light grey stitching, especially developed for Maserati. The seat is Maserati branded with the Trident logo on the headrest and "Maserati" writing on the child seat's security belt fastener.

Group 1 Child Seat can be fastened easily onto the ISOFIX Base (separately available) or installed using the car's seat belt.

Features:

- Adjustable side impact protection
- Reclines into four positions
- Adjustable 5-point safety harnesses
- It can be used at home as a reclined cradle
- Adjustable, padded shoulder harnesses

Comfort and Communication

Child Seat Group 2/3 (from 15 to 36kg)

Fitted Cost : **2,035.00 AED** *(Price is inclusive of VAT)*

The Maserati Child Seat Group 2/3 is the result of the partnership with Peg Pérego, a well-known Italian company for high quality and Made-in-Italy juvenile products. The child seat has undergone all required safety tests and is type-approved according to the European ECE R44/04 standard.

The seat cover is made of a combination of dark grey fabric and black leather embellished with light grey stitching, especially developed for Maserati. The seat is Maserati branded with the Trident logo on the headrest and “Maserati” writing on the child seat’s security belt fastener.

The Group 2/3 is quick and easy to secure to the vehicle seat using the car’s seat belt and the two hooks on the rear of the child seat.

Features:

- Broad backrest and supportive headrest provide protection from side impacts.
- Reclining backrest.
- Side Protection ensures maximum stability when turning corners.
- Light, easy to use and simple to remove.
- The hooks allow to attach the seat to the vehicle Isofix anchors providing extra stability.

Comfort and Communication

ISOFIX BASE - GR 0+ / 1

Fitted Cost : **912.00 AED** *(Price is inclusive of VAT)*

The Isofix Base 0+/1 is fastened onto the car's Isofix attachments without using seat belts and it remains installed at all times, ready to accommodate the child seat Group 0+ or 1. Thanks to the Isofix Base, the child seat can be securely fitted to the car with one simple, safe and quick action, which only takes a few seconds.

Comfort and Communication

Pushchair

Fitted Cost : **3,887.00 AED** *(Price is inclusive of VAT)*

In addition to Child Seats, a compact complete Maserati-Peg Pégégó Pushchair has been developed. It is compatible with Group 0+ Child Seat; in fact, thanks to two hooks under the seat the Group 0+ Child Seat can be fastened directly onto the pushchair. It is Maserati branded with “Trident” logo on the headrest and on both rear wheels, “Maserati” logo on the side and on the foot muff. The seat cover is made of the same color combination as the child seats.

- Every pushchair comes with a hood, foot muff, rain-cover and cup holder.
- Equipped with a large easy-loading basket to hold all necessities.

Comfort and Communication

iPad Holder for iPad 4th Generation

Fitted Cost : **1,432.00 AED**^{Each} *(Price is inclusive of VAT)*

To provide Maserati Customers the opportunity to comfortably use their tablet even on the road, Maserati developed the iPad Holder for 4th Generation iPad. Embellished with a silver grey Maserati logo on the inside of the protection case, the iPad Holder fits easily onto the front seats headrest thanks to the specific mount provided in the kit. The iPad Holder, made in black soft touch, is suitable for 4th Generation iPad (with lightning connector) and can be adjusted in various positions. The wireless Infrared functionality of the iPad Holder allows the passenger to connect an infrared headphone to the iPad making the journey as relaxing as possible (the headphone is not included in the package).

Safety Kit

Safety Kit – Middle East and India

Fitted Cost : **672.00 AED** *(Price is inclusive of VAT)*

The Emergency Kit helps you calmly deal with any unexpected situations during your trip. It comes in a smart case that fits perfectly into the recess on the left-hand side of the luggage compartment.

The kit consists of the following items*:

- Safety Triangle
- Reflective Vest
- Light sticks
- Wind-Up Torch
- First-Aid Kit
- Gloves

*The items in the kit may vary from country to country.

Tire & Wheels

Security Stud Bolt Kit

Fitted Cost : **873.00 AED** *(Price is inclusive of VAT)*

The special Security Stud Bolts, specially designed for the Levante, make the vehicle more secure against the risk of wheel rim theft, as the wheels may be fitted and removed only using the special wrench provided in the kit. The stud head features a special design that combines an appealing look with the greatest functionality.

Tire & Wheels

Branded Valve Cap Kit

Fitted Cost : **335.00 AED** *(Price is inclusive of VAT)*

The Valve Caps add an extra touch of elegance. The caps are made of a lightweight, rust-proof material, resistant to all weather conditions. The Trident logo embosses on the cap personalizes the valve cover.

Care and Protection

Indoor Car Cover

Fitted Cost : **2,098.00 AED** *(Price is inclusive of VAT)*

Made from a quality anti-laddering blue fabric with smart light-grey piping, the Indoor Car Cover fits the vehicle perfectly and protects it from dust while parked in a garage or indoors. The cover is enhanced with features printed in grey: the outline of the radiator grille and the Trident logo at the front, "Quattroporte" written on the windscreen, the three air vents in the sides and "Maserati" written on the boot.

Outdoor Car Cover

Fitted Cost : **2,456.00 AED** *(Price is inclusive of VAT)*

Made to measure from high-performing fabrics, the New Quattroporte Outdoor Car Cover is the ideal solution for protecting the vehicle from scratches, dust and weather. The outdoor Car Cover is waterproof, breathable and stretch, all features that ensure a perfect fit and effective protection of the bodywork. This cover is pale grey with dark blue trims. It has custom-printed details: the outline of the radiator grille and the Trident on the front, the name "Quattroporte" on the windscreen, the three air intakes on the side and the writing "Maserati" on the boot.

Safety Kit

Emergency Kit - Middle East & India

Fitted Cost : **758.00 AED** *(Price is inclusive of VAT)*

The Emergency Kit can be a useful aid in case of need. It comes in a smart case that fits perfectly into the recess on the left-hand side of the luggage compartment.

The kit includes the following items*:

- Safety Triangle
- Reflective Vest
- Light Sticks
- Wind-up Torch
- First aid kit
- Gloves

*The items in the kit may vary from country to country.

Comfort and Communication

Umbrella

Fitted Cost : **402.00 AED** *(Price is inclusive of VAT)*

Specially designed and developed to be stored in the Quattroporte's main compartments, the Maserati Umbrella is an accessory that will always be within easy reach. Lightweight and sturdy, it is embellished with the Maserati logo.

Transport and Loading Solutions

Luggage Net

Fitted Cost : **312.00 AED** *(Price is inclusive of VAT)*

The stability of the items in the luggage compartment is fundamental for safe and relaxed driving. The Luggage Compartment Net is a simple and effective accessory which, thanks to its two layers, enables even the smallest objects to be secured.

Sports

Sport Pedals Cover, LHD

Fitted Cost : **3,085.00 AED** *(Price is inclusive of VAT)*

Made of brushed steel, the Sports Pedals have been developed for those who wish to enhance their vehicle's interior with an even more dynamic and sporty look. The pedals and the footrest have special rubber inserts that provide excellent grip, whilst the oval Maserati logo features prominently on their surfaces.

*Please check whether your vehicle can be fitted with this accessory.

Transport and Loading Solutions

Reversible Luggage Compartment Mat

Fitted Cost : **1,221.00 AED** *(Price is inclusive of VAT)*

One side in rubber and the other in black carpet fabric make the Luggage Compartment Mat both versatile and practical in any situation. Depending on different needs and circumstances, it can be used on either side and is equipped with handles so it can be easily raised and positioned within the luggage compartment. This mat is branded on both sides with a metal plate, hand enameled in black, bearing the Maserati logo.

Transport and Loading Solutions

Luggage Compartment Mat

Fitted Cost : **799.00 AED** *(Price is inclusive of VAT)*

Stylish and practical accessory to protect the luggage compartment, the Luggage Compartment Mat comes in a waterproof, washable and highly resistant material. It follows the shape of the luggage compartment perfectly in order to exploit all its space, and has a fine trim finish.

Care and Protection

Branded Mats - LHD Four-zone - Black

Fitted Cost : **1,424.00 AED** *(Price is inclusive of VAT)*

The Branded Floor Mats, tailor-made for the Quattroporte, not only protect the car's carpet but also enhance the look of the interior. Available in a variety of colors to complement the leather upholstery, the mats are trimmed with eco-leather edgings in matching tones. The driver's floor mat is further enriched with a side insert where the car's logo is finely embroidered. Special anchorage points keep the mats in place and make them easy to fit. The kit comprises two front and two rear floor mats.

Care and Protection

Car Care Kit

Fitted Cost : **954.00 AED** *(Price is inclusive of VAT)*

Both inside and out, this is constructed from the very highest quality materials, so naturally it needs to be cleaned and protected by using only the finest products. The dedicated Car Care Kit comes in a smart and practical transparent case with leather detailing. All the products have been tested and approved by Maserati's laboratories and are 'Kyoto Friendly', making them not only highly effective but environmentally friendly, as well.

The kit comprises the following:

- Car Shampoo
- Insect Remover
- Wheel rim treatment
- Window cleaner
- Plastic cleaner
- Leather cleaner and Reviver
- Delicate fabric Detergent

Care and Protection

Protective Film for Loading Edge

Fitted Cost : **1,579.00 AED** *(Price is inclusive of VAT)*

Designed to provide even higher levels of protection for the paintwork, the Protective Film for the Luggage compartment's Loading Edge adds to the range of protective films available in the Accessories range. The protective film is applied on the rear bumper to protect the area that is most susceptible to scratches or damage caused when loading or unloading items from the luggage compartment. The shaped film is completely transparent so that the colour of the bodywork is not altered, and neither does it become discoloured over time. After removal, no residues are left on the application surface.

Care and Protection

RH Side Protective Film Kit

Fitted Cost : **1,632.00 AED** *(Price is inclusive of VAT)*

Giving maximum bodywork protection in those areas most susceptible to scrapes and stone damage, the Side Protection Kit consists of a transparent urethane film that does not change the color of the bodywork and does not turn yellow over time. The film is molded and covers the side panels of the vehicle with absolute precision. Simple and quick to apply, it comes with a removable adhesive system. In fact, the film is applied using a water-based solution, which when removed, does not leave any adhesive residue on the surfaces it was applied to.

LH Side Protective Film Kit

Fitted Cost : **1,632.00 AED** *(Price is inclusive of VAT)*

Safety

Emergency Kit - Middle East & India

Fitted Cost : **593.00 AED** *(Price is inclusive of VAT)*

The Emergency Kit can be a useful aid in case of need. It comes in a smart case that fits perfectly into the recess on the left-hand side of the luggage compartment.

The kit includes the following items*:

- Safety Triangle
- Reflective Vest
- Light Sticks
- Wind-up Torch
- First aid kit
- Gloves

*The items in the kit may vary from country to country.
