Exterior Highlights

- AVANTGARDE bodystyling with black wheel arch liners and roof rails in silver chrome
- Mercedes-Benz Iconic grille with surround and panel in silver chrome [3]
- 19" 5-spoke light-alloy wheels with summer tyres [1]
- Heat and noise insulating acoustic glass
- Privacy glass
- 128 litre 'frunk' front storage compartment [7]
- SKY CONTROL panoramic roof [4]
- LED high performance headlamps with Active Highbeam Assist [5]
- EASY-PACK tailgate

Interior Highlights

- Comfort seats with ARTICO man-made leather upholstery, black seat belts, lumbar support and electric adjustment [2]
- Heated front seats [2]
- Multifunction sports steering wheel in nappa leather [6]
- USB package plus
- THERMATIC 2-zone climate control
- Anodised look anthracite trim [6]
- Interior partition net [9]

Technology Highlights

- 10.3" driver display, 14" central display and 14" digital trim panel [6]
- Smartphone integration
- Electric charging flap with DC charging up to 330kW, AC charging up to 11kW [8]
- Wireless charging for mobile devices
- Blind Spot Assist, Active Lane Keeping Assist, Brake Assist and Traffic Sign Assist
- Parking package with MB.DRIVE PARKING ASSIST and reversing camera
- PRE-SAFE® system

Exterior Highlights

- AMG Line bodystyling with body-coloured wheel arch liners and roof rails in silver chrome [7]
- Mercedes-Benz Iconic Grille with panel in Dark Chrome with partially illuminated Mercedes-Benz star [9]
- 20" AMG 5-spoke light-alloy wheels with summer tyres [1]
- Surround lighting via LDC projector in the front doors with animated projection of the Mercedes-Benz pattern [4]

Interior Highlights

- AMG Line Sport Seat package with ARTICO man-made leather upholstery and black seat belts [8]
- Trim elements in white open-pore natural fibre honeycomb design [6]
- Multifunction sports steering wheel in nappa leather [5]
- Memory seat package [2]
- Instrument panel and beltlines in ARTICO man-made leather in nappa look
- Illuminated door sills with interchangeable cover
- Ambient lighting package
- AMG floor mats and aluminium sports pedals

Technology Highlights

- MBUX Superscreen: 10.3" driver display, 14" central display and 14" passenger display [3]
- Digital AMG Line: specific features of the MBUX multimedia system, ambient lighting and sound world
- Digital Extra: MBUX Entertainment for 3 years

with EQ
Technology

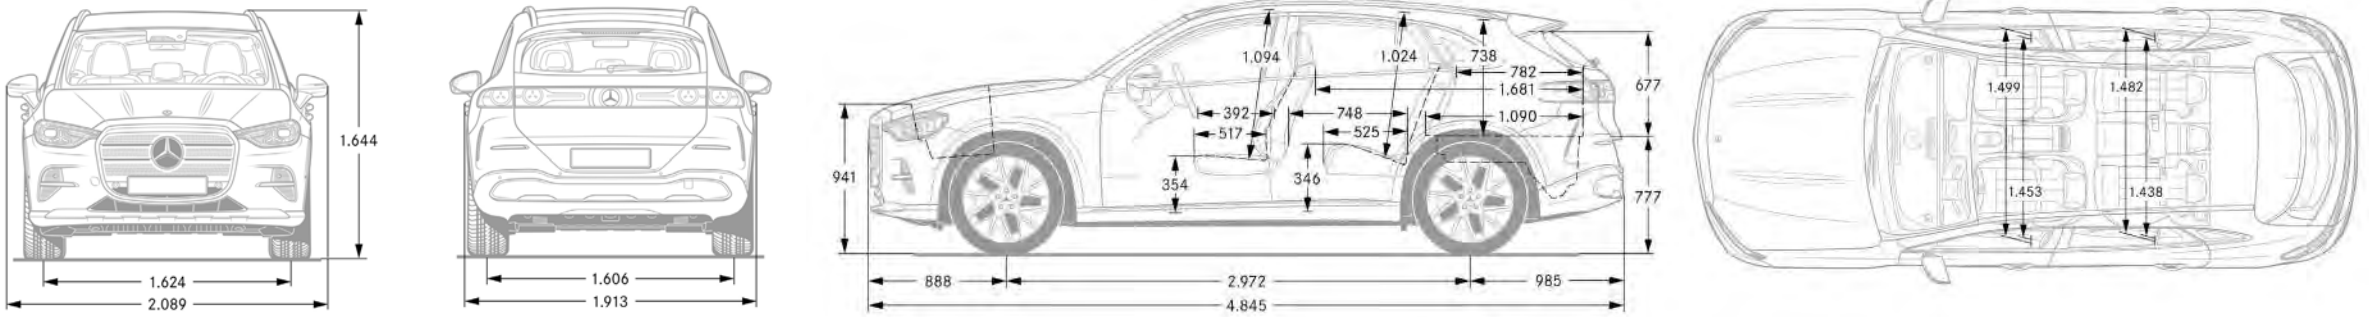

Emissions		
CO2 (g/km)		-
Emissions standard		Euro 6-WLTP
Powertrain		
Powertrain		Dual electric motor
Gearbox		2 speed transmission
Drive type		4x4 (AWD)
Electric motor type		
Power	hp (kW)	489 (360)
Torque	Nm	800
Powertrain		
Acceleration (0-100 km/h)	sec	4.3
Top speed	km/h	210
Battery		
Battery type		Lithium-ion
Battery capacity (useable)	kWh	94
Battery warranty		10 years/ 155,000 Miles
Battery capacity % guaranteed under warranty		70%
Charging		
On-board charger (AC)	kW	11 (22 optional)
Charging time - Wallbox 11kW AC	0-100%	10 hours
Charging time - Home Wallbox 7kW AC	0-100%	15.25 hours
On-board charger (DC)	kW	330
Charging time - public rapid charger (330kW)	10-80%	22 minutes
Range		
Electric Range	miles	387 - 406 miles
Electric energy consumption, combined	Wh/km	164 - 173
Weights & Capacities		
Kerb weight	kg	2655 - 2747
Permissible gross vehicle weight	kg	3,040
Boot capacity - seats up/down	litres	520 / 1,690
Frunk' capacity	litres	128
Frunk' capacity (ISO 3832)	litres	100
Maximum roof load	kg	75
Permissible trailer load (unbraked/braked [at 12%])	kg	750 / 2,400
Permissible tow ball weight	kg	100

¹Figures according to Directive 80/1269/EEC in the currently applicable version ²The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in Ireland. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging ³The certified electrical consumption is generally determined at maximum AC charging capacity using a Mode 3 cable. It is therefore recommended that vehicles with a HV battery preferably be charged at a wallbox or an AC charging station with a Mode 3 cable in order to achieve shorter charging times and improved charging efficiency ⁴Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–80% charge using a wallbox (three-phase) or standard socket (single-phase) ⁵Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–100% charge using a wallbox (three-phase) or standard socket (single-phase)

⁶Mass of the vehicle in running order with at least 90% full fuel tank, plus the mass of the driver (estimated by law at 75 kg), fuel and fluids, equipped with the standard equipment as specified by the manufacturer as well as, where applicable, the mass of the body, cab, trailer coupling and spare wheel(s) as well as tools. Optional extras, additional equipment and accessories can influence the weight, residual payload, rolling resistance, aerodynamics, etc., and therefore also affect the consumption/CO₂ values ⁷All figures are based on a standard specification with the smallest tyre size ⁸The choice of wheels and transmission may affect CO₂ emissions and corresponding Road Fund Licence ⁹The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in Ireland
