

The new Rio

Movement that inspires

For the fun lovers.

EXTERIOR DESIGN

The bold new Kia Rio is designed to make the way you live your life, full of fun and adventure. Featuring a spacious newly designed interior, combining smart connectivity with a whole array of the latest technological advances, plus 60:40 split-folding rear seats that can fold fully flat, it offers all the versatility you could possibly wish for. And to top it all off, the Kia class-leading 7-year warranty means all your needs are perfectly covered.

For the thrill seekers.

EXTERIOR DESIGN GT-LINE S

When driving is all about seizing the moment, the new Rio GT-Line S is the car. With its sporty dynamic design and muscular styling combined with the latest smart technology, the new Rio GT-Line S loves the open road and the city streets in equal measure.

From the muscular front bumper with integrated ice-cube LED fog lamps, stunning contoured radiator grille and Bi-function headlamps, to the rear bumper with twin muffler - the new Rio GT-Line S shouts style and adventure. Add to that exclusive 17" alloy wheels, side-sill styling and a sleek interior and you have a car that leaves others behind.

GT-Line S ice-cube fog lamps The striking ice-cube design transforms the LED fog lamps into high-tech must-haves.

GT-Line S radiator grille A combination of high-gloss finish and dark chrome surround gives the GT-Line S grille that special sporty and bold statement.

For the sports lovers.

Inside the new Rio GT-Line S, you'll immediately notice a step-up in sporty character and sheer excitement. A stunning black carbon-fibre-feel dash, contemporary patterned seats and sporty D-cut steering wheel are just some of the many features you'll only find in the GT-Line S. What's more, there's a 4.2" fully digital instrument cluster and an 8" LCD navigation screen, plus Kia's advanced new UVO Connect, keeping you connected with your car at all times.

INTERIOR DESIGN GT-LINE S

For the constant connectors.

CONVENIENCE AND COMFORT

Connectivity is woven into the very essence of the new Kia Rio, with state-of-the-art technology and infotainment systems. Check out the 4.2" fully digital cluster display. C The 8" touch screen navigation system, featuring the innovative UVO Connect telematics system, which includes 'Kia Live' services such as Live Traffic, Live Parking and Live Weather, as well as Smartphone-App-based services including Remote Door Lock and Door Unlock; or chill out with an 8" touch screen audio system that's compatible with Android Auto and Apple CarPlay. All in all you'll be spoilt for smart choices.

Bluetooth

In the new Rio, Bluetooth technology gives you hands-free access to your phone and selected functions.

Digital Audio Broadcasting (DAB)

DAB uses a digital signal to deliver optimal clarity and performance over the radio, as well as programme and track information.

Voice recognition

Voice recognition lets you navigate, place and take calls, listen to text messages, control audio and more - all by using your voice.

Supervision cluster with 4.2" LCD display A tasteful, customizable and intelligently designed supervision cluster displays outside temperature as well as vehicle and trip data, and lets you adjust the settings of your Rio.

8" TFT-LCD colour screen navigation system The multi-language navigation system includes UVO Connect and a back-up camera display.

Where? When? How? The answer is here.

Our new navigation system with Kia's Connected Services powered by TomTom Live Services takes reliable route guidance to the next level of accuracy and excellence. It keeps you in touch with the outside world and offers more handy information than ever. At the heart is a WiFi unit that enables the Rio navigation system to connect to the Internet through your smartphone.*

1. Live Traffic**:

The navigation system delivers highly accurate live traffic information that is updated every two minutes, so you know exactly where traffic is running smoothly, or which areas to avoid. When things get busy, the system lets you know and suggests alternative routes.

2. Speed Cameras**:

You'll also be alerted to a whole range of speed cameras, including fixed and stationary ones, as well as restricted access zones. The system can even take into account areas where accidents are particularly common, and warn you about these accident black spots.

3. Local Search:

If you're looking for a sushi restaurant, a supermarket or a particular place to meet, simply select Local Search. The database contains 500 searchable categories, 25,000 keywords and 250,000 locations to ensure you find what you need.

4. Weather forecast:

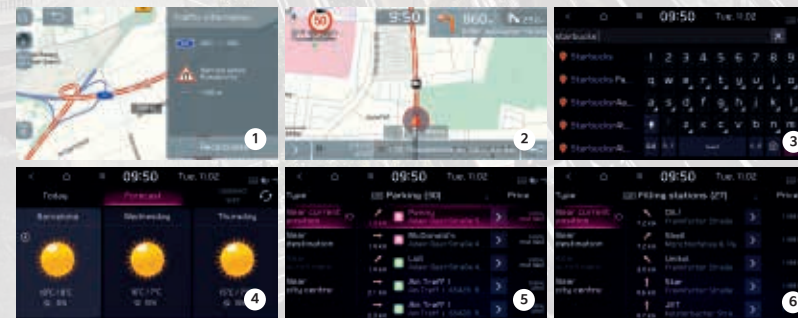

Is your weekend away going to be sunny or a washout? Better check the weather forecast. Just type in your destination to view a four-day summary, complete with minimum and maximum temperatures, wind speed and chances of sun or rain.

5. Parking information:

To help you park your car swiftly, the system will indicate parking areas before you arrive at your destination. It will show potential on-street parking spaces based on historic data, and off-street parking with colour-coded availability.

6. Fuel info:

When you're running low on fuel, the system will show you the nearest petrol stations and prices using a TomTom online database, so you can plan your refuelling stops accordingly.

*Smartphone with data plan required to activate services.

**Legal restrictions to these services may apply depending on country usage.

Apple CarPlay™ is a smart, safe way to use your iPhone while driving. It takes all the things you might want to do, and puts them into your Rio's display, so you can get directions, make a call and listen to music - all while staying focused on the road.

Android Auto™ is designed to keep you perfectly connected to your phone - while minimizing distractions so you stay safe on the road. The simple, intuitive interface lets you access features like Google Maps, apps, music and voice control, and automatically organizes info into simple cards that appear just when they're needed.

Applaud the enthusiasm.

KIA UVO CONNECT

Created exclusively by Kia, UVO Connect brings driving into the digital era in two distinct ways. Once activated, Kia Live makes use of the SIM card included in the infotainment system to retrieve and update live data for its services, so you have access to seamless information displayed directly on the navigation screen. And our new UVO app offers a range of data and information about your car through your Android or Apple smartphone. What's more, this exciting new technology has been developed to comply with the latest EU Data Protection Directive, ensuring the highest levels of data privacy, transparency and protection.

Kia Live Services

Live traffic information

The navigation system delivers highly accurate live traffic information from TomTom that is constantly updated, so you know exactly where traffic is running smoothly, or which areas to avoid. When things get busy, the system lets you know and suggests alternative routes.

Camera/danger zones*

Be alerted to a whole range of fixed and stationary speed cameras as well as restricted access zones. The system also alerts you to areas where accidents are particularly common.

Weather forecast

With an up to three-day forecast available, you can simply type in your destination to view a complete summary, including minimum and maximum temperatures, wind speed and chances of sun or rain.

On-board Services

Kia's **Online Navigation** system uses cloud-based servers to collect real-time and historical traffic information to predict the traffic ahead. That means that with Kia's Online Navigation you receive far more accurate navigation information and guidance instructions, and a much truer Estimated Time of Arrival (ETA).

The **Online Voice Recognition**, supported by server technologies, enables hands-free applications to use your voice commands to search for nearby Points of Interest (POIs), addresses or weather or simply to send text messages.

Points of interest

Looking for a place to eat, a local business or somewhere special to visit? All this information and more is easily accessible with the live, regularly updated POI directory.

Parking

Kia Live shows available parking locations before you arrive at your destination. It will show potential on-street parking and off-street parking, including locations, details, prices and availability.

Fuel info

When you're running low on fuel, the system will show you the nearest petrol stations and prices using an online database, so you can plan your refuelling stops accordingly.

Vehicle Information

Find my car

tells you the last known location of your vehicle - ideal if you are parked in a large car park.

Vehicle status

offers an overview of your car's status including battery charge level and ignition, and the status of the doors.

My trips

gives a summary of your previous journeys including average speed, distance driven and time in transit.

Notifications

Notifications can share **Diagnostic Notifications** with you about the current status of your car, supply you with a **Monthly Vehicle Report** giving an overview of your car usage. You can also be notified whenever your car alarm is triggered, if any open car windows or doors are detected.

UVO App

Designed for both Android and Apple smartphones, the UVO app offers complete peace of mind with a whole range of features dedicated to providing diagnostic data about the status of your car and the trips you take. The app can also activate a range of remote functions and features when you are away from the car.

Remote Services

Send to car

allows you to pre-plan and set your journey through the app for seamless use in the navigation system.

Last-mile navigation

to guide you right up to the door. Once you have parked your car, you can continue to use the navigation system remotely on your smartphone.

Door control

offers remote locking and opening of the car doors without a key or fob.

User profile transfer

lets you remotely check and change a whole range of vehicle settings - like sound and radio - on your smartphone. You can then store the changed settings in your UVO App, send them to your vehicle and apply them again with ease.

Information and control service for your Kia; the services will be available free of charge for a period of seven years commencing on the day the vehicle is sold to the first owner of the vehicle, i.e. the point in time the initial purchase agreement becomes effective, and may be subject to change during that period. Details of operation and terms of use can be obtained from your Kia partner and at kia.com. Smartphone with iOS or Android operating system and mobile phone contract with data option necessary, incurring additional cost.

*The speed displayed in the navigation screen may differ from your actual speed.

For the comfort pursuers.

CONVENIENCE AND COMFORT

The new Kia Rio takes your comfort seriously. There's a choice of ergonomically designed seating in stylish cloth or sporty leather. Add to that other features such as heated and height-adjustable seats for both driver and front passenger, automatic air conditioning plus the Rio's amazing way of maximising space, and there's always plenty of room for everyone to indulge, stretch out and venture off.

For the action explorers.

No matter what the next adventure, city trip or open road brings, the new Kia Rio is ready and willing. With its roomy interior, generous 325 litres of cargo space and flexible folding rear seats, everyone and everything can be comfortably accommodated, which means you'll always be ready for anything.

CONVENIENCE AND COMFORT

1. **60:40 split-folding rear seats** The rear seats split 60:40 and fold flat to give you total flexibility for people or cargo.
2. **Full-folding rear seats** Rear seats fold flat to accommodate long or bulky items in an extended cargo space.
3. **Adjustable cargo floor** Position the cargo-area floor higher to be flush with the folded seat backs (left), or lower to accommodate tall items (right). (The cargo floor in Mild Hybrid versions is always positioned lower.)

For the slick movers.

Dynamic driving and performance is key in the new Kia Rio. That's why it boasts a modified suspension setting to ensure more agile and immediate handling, with improved ride comfort. With automatic or manual transmission and differing engine sizes to choose from, you can be sure that every driving experience will be exhilarating and enjoyable.

TRANSMISSION

Manual transmission The efficient 6-speed or 5-speed manual transmission ensures quick, smooth gear changes.

Automatic transmission Enjoy smooth acceleration, agile gear shifts and fuel economy with the 7-speed DCT (Dual-Clutch Transmission).

For the future transformers.

MILD HYBRID

The new Kia Rio features an EcoDynamics+ Mild Hybrid Powertrain System, offering low-emission everyday driving. By cleverly pairing the latest 1.0 T-GDi gasoline engine with a 48-volt lithium-ion battery it can reduce fuel consumption and vehicle emission levels. What's more, the integrated e-system recovers kinetic energy during deceleration phases to provide torque assistance when accelerating.

Simplified visual representation of the Mild Hybrid iMT sailing operation.

Sailing Mode

When the driver lifts their foot from the throttle and lets the car sail without accelerating or braking, depending on the charge level of the 48-volt battery the engine will seamlessly and smoothly switch off, resulting in a more efficient ride. As soon as the throttle or brakes are pressed, the engine will immediately take over. The coing function and the distance covered with the engine off depend on driving conditions and vehicle speed.

For the safety minders.

No matter what sort of driving you're doing, in the new Kia Rio safety is always a top priority. That's why it delivers innovative features and cutting-edge technology to keep you and your passengers as safe as possible on the road and when parking.

Forward Collision-Avoidance Assist (FCA) Evaluating both camera and radar data from your vehicle, the FCA system analyses information about other cars, pedestrians or cyclists, to avoid a potential collision with them. FCA also functions to prevent collisions with vehicles when making a left turn at an intersection. If it detects a potential collision, a warning signal appears on your instrument cluster and maximum braking power is applied. The system can detect approaching vehicles and cyclists as well as pedestrians crossing the road.

Lane Following Assist (LFA) & Lane Keeping Assist (LKA) This system uses camera sensors to monitor road markings and check whether your car is in the centre of your lane. It warns you when the vehicle is approaching the boundaries of the lane and if necessary adjusts the steering to correct it.

Forward & Reverse Parking Distance Warning (PDW) with Switch On/Switch Off button Ideal for confident parking, PDW uses ultrasonic sensors mounted on the front and rear bumpers to warn of any obstacles in front or behind when manoeuvring into a parking space. The audible beeps can be switched on or off.

Blind-Spot Collision Warning (BCW) When you want to change lane, the BCW system detects any vehicle(s) in your blind spot and warns you with a warning symbol in your side mirror and on your centre display together with an audible alert.

High Beam Assist Cameras Embedded in the windscreen detect oncoming vehicles at night and automatically switch to a low beam to avoid dazzling other drivers. Once the oncoming vehicle has passed, the high beam is switched back on.

Electronic Stability Control (ESC) In the event of sudden braking or turning, the ESC system activates to regulate engine torque and distribute braking force independently, slowing you down safely with maximum control.

Vehicle Stability Management (VSM) Along with motor-driven power steering, VSM helps ensure that the Rio remains stable when simultaneously braking and cornering.

Hill Start Assist Control (HAC) Get added support for those tricky hill starts. Hill Start Assist Control will prevent you from rolling backwards.

Straight-Line Stability (SLS) When braking in a straight path, SLS senses any difference in applied brake pressure between the right and left wheels, and adjusts the pressure to counteract yaw and maintain straight-line stability.

For the peace of minders.

SAFETY AND ASSISTANCE

The new Kia Rio is built around a dedication to safety. From the advanced materials of its body and their placement, to the incorporation of the latest, most vigilant and most proactive driver assistance systems, including specialist sensors and radar equipment - safety is always paramount. A whole host of protective materials and highly advanced features have been incorporated to help to keep you safe, supported and in control.

Six airbags To help protect occupants and potentially reduce injuries in the event of a collision, the Rio includes front airbags for the driver and front-seat passenger, two airbags at the sides and two curtain airbags running the length of the cabin.

51%

 AHSS

The new Kia Rio uses 51% Advanced High-Strength Steel (AHSS) to deliver phenomenal body rigidity, enhanced cabin protection and dynamic performance.

8

 zones with hot-stamped components

With hot-stamped components in 8 core stress areas, the Rio's strengthened body structure helps provide even more crash protection.

97

 m of structural adhesive

With more than six times as much structural adhesive as the previous generation, the new Rio is more rigid yet lighter, and features improved noise, vibration and harshness management.

For the custom conscious.

Add that personal touch or flourish to your new Kia Rio with Kia genuine accessories that are custom-designed and engineered to make a statement. Built to meet the highest standards of quality and style, these premium accessories are the ultimate way to complement your car. Speak to your local Kia dealer, who will be delighted to help you make your choice.

Body styling kit

Make sure your new Kia Rio is as unique as you are. Now you can make an eye-catching style statement on the road. Add a host of striking design details with this accessories kit, which includes side skirts, a tailgate trim line and door mirror caps. Available in classic piano black, elegant silver and vibrant red. All these products are offered both as a kit and for individual purchase.

ACCESSORIES

- 1. Textile floor mats, velour** Keep your cabin unblemished for longer. These high-quality velour floor mats will protect your new Kia Rio's interior from everyday dirt and enhance its look at the same time. Tailor-made to fit the footwells perfectly, they feature the vehicle logo in the front row and are held in place with fixing points and anti-slip backing.
- 2. Rear seat entertainment cradle for iPad®** TV shows, movies, games - now your passengers can enjoy them all on the road and pass the time quicker on long journeys. Rotate and tilt for the best possible viewing experience.
- 3. Trunk liner** However wet, muddy or grimy things get, this custom-made liner will protect your trunk area. It is durable, antislip and waterproof with raised edges. The textured anti-slip surface helps prevent loads moving around. Custom-made and designed to complement the interior of your car, and featuring the Rio brushed aluminium logo.
- 4. Door sill protection foil** Driver and passenger feet can cause everyday wear and tear to your door sills over time. Protect them with a new surface layer and add these durable foils. Available in black and transparent.

For the detail enthusiasts.

FEATURES

In addition to its modern design, state-of-the-art technology and cleverly conceived features, the new Kia Rio also comes with a wide selection of features to personalise your car and make it extra special.

Radiator grille

Kia's iconic tiger-nose grille has been updated for the new Kia Rio. The long, narrow and closed high-gloss black grille makes more of a statement than ever before - and reinforces the new Kia Rio's sporty look.

Rain sensor

The rain sensor detects raindrops on the windscreen and activates the wipers when a coverage threshold is met.

Electric folding mirrors

Fold and unfold the wing mirrors at the push of a button.

Heated steering wheel

On cold mornings, you'll enjoy the welcoming and easier-to-grip heated steering wheel.

Automatic air conditioner

This offers set-and-forget functionality, automatically turning the system on and off to maintain the desired temperature in the cabin.

Keyless entry

Enjoy easy, keyless entry with the remote key. Open and lock your vehicle by simply pushing a button on the outside door handle.

8" colour touch screen audio

The touch screen audio system displays artist and track names and can be controlled at the tap of a finger. The system is compatible with Android Auto as well as Apple CarPlay and offers MP3 compatibility too.

USB connection

Flash drives and other compatible audio devices can be connected via the USB port.

Heated front seats

Heated front seats include three adjustable warmth levels to keep you cosy when it's chilly outside.

Centre console armrest

Comfortable support when driving, with a soft-touch armrest colour-coordinated with the interior trim.

Rear USB charging port

Rear passengers can conveniently charge their devices via the USB port mounted on the back of the centre console.

For the sophisticated insiders.

INTERIOR GRADES

Your new Kia Rio says as much about you inside as it does outside. Choose from a versatile range of seat options including fabric and leather.

Black Faux Leather Upholstery

Soft, bolstered seats with artificial leather trim offer long-lasting comfort. Matching trim on the doors and dash give the interior a welcoming ambience.

Premium Black Cloth Upholstery

Soft, durable cloth seat providing warmth and comfort, featuring a distinctive woven-in design pattern to give an added modern interior feel. The doors and dash feature trim and painted metal in colours that offset the shades of the cloth trim.

Black Cloth Woven Upholstery

Soft yet durable cloth seat material provides warmth and support. The doors and dash feature trim and painted metal in colours that offset the shades of the cloth trim.

Black Cloth & Faux Leather Upholstery with Grey Stitching

Eye-catching black cloth and artificial leather seats with striking grey stitching ensure the new Rio GT-Line S has a chic and sporty feel all its own.

All the peace of mind you'll need.

PEACE OF MIND

Now there are even more reasons to buy a stylish, technology packed Kia. Peace of mind comes as standard when you join the Kia family with the Kia Promise - 7 great owner benefits when you buy your Kia and register at MyKia.

7 more reasons to join our Kia family

There are a lot of things to consider when buying a new car. Compromising on reliability in the long term shouldn't be one of them. That's why Kia have redefined quality and offers a unique, industry-leading 7 year warranty that comes with peace of mind for at least 100,000 miles.

Our complimentary driveway insurance, with up to 5 days of optional cover if required, will get you on the road right away and comes complete with one year's free Excess Return worth up to £250, protecting your excess whoever your insurer is. You can also upgrade to a great value, annual insurance policy. Our policies cover you for genuine Kia approved repairs, parts and labour, meaning you never have to compromise when keeping your Kia 100% Kia.

Our 24/7 Roadside Assistance package is designed for Kia owners in partnership with the RAC. All new cars have complimentary cover for 12 months from the first date of registration. If you register on MyKia, you can unlock Kia Roadside Assistance Plus, giving you the highest level of cover provided by the RAC, including onward travel and European cover.

Order Genuine Kia accessories, where and when you need them! Our Click & Collect service offers choice and convenience, recognising your model from the registration number to ensure you get exactly what you need. Then simply collect at your nearest Dealer, where they can fit them too.

Online service booking offers convenience and flexibility 24/7. Offering quality and value at one of our Dealers nationwide. Kia trained technicians use the latest diagnostic equipment and technology. All of our Genuine Kia parts come with a 2 year warranty. Fully inclusive pricing at the click of a button.

When you own a Kia, you become part of the family and benefit from a relationship based on trust and transparency. When you visit one of our dealers for a service, your vehicle will benefit from a complimentary Health Check, a wash and vacuum and alternative transport if needed. Welcome to the Kia family!

Available to all Kia owners, whoever your insurer and whatever the circumstances of the accident, Kia Accident AfterCare can take care of things for you. We'll liaise with your insurer, provide a free courtesy car and exercise your right to genuine Kia parts and repairs at a Kia Approved Bodyshop.

*For full terms, conditions and exclusions please visit kia.com/uk
