THE ALL NEW
MG RX8

The MG name has long been synonymous with developing eye-catching sporty vehicles, with its heritage stretching back decades and incorporating some of the most memorable models around. But that was then, and this is now. The acclaimed manufacturer has delivered a bold and capable seven-seat SUV - The MG RX8 that provides incredible style with off-road capability, luxurious comfort, and some of the finest automotive technology available.

EXTERIOR

There's something simple but captivating about the design of the new MG RX8. Whether it's the bold stance, the high ride height, or the smooth body lines, the silhouette of the model is enough to capture the attention. On closer inspection, the dual-slot hood, silver lip, and bold chrome grille demonstrate that there is plenty of refined flourishes that will impress. Riding on 20 inch* (LUX Trim) dual-tone alloy wheels, the new MG RX8 strikes a commanding presence on the road and, with sleek chrome exhausts, standard features such as the LED Headlamps, LED DRL and hammer-style LED tail lights, and a wide and flexible rear opening, this is a model that looks stylish from any angle. You can also choose from several exterior finishes - Universal White, Pearl White, Blue, Grey, Brown and Black. Enjoy the ease of access to the cargo space with power tailgate.

INTERIOR

The MG RX8 has an ingenious theater-style cockpit design that creates a gradient in the front and the rear seating arrangement. Even the third row of passengers can get an un-paralleled view. As you might expect from a seven-seat SUV, the interior is crafted for the utmost in space and comfort. The premium quality of the cabin ensures that you and your passengers can all sit back and relax out on the road sinking into the premium leather upholstery crafted and finished to give you the feel of soft and delicate leather and making the most of the ample head and legroom. For those accessing the third-row they are assured to enjoy space with the seating room of 1,155mm making it a leader in its class. The intelligent 37 storage compartments help keep the interior free of clutter, while the modular seating arrangements can be tailored to your precise requirements. With the second and third row seats folded, you can even benefit from luggage space of 2,178 litres. Adding to the cabin room, MG RX8 provides the best of airflow for the passengers with its Dual Zone Climate Control air conditioner tested for the region along with a separate rear air conditioner with climate control for those rested in the rear seats.

SAFETY

WHEN IT COMES TO SAFETY,
WE SPARE NO DETAILS

MG RX8 is well equipped with standard safety features such as Front, Side and Curtain Airbag, Front and Rear Sensors with Rear View Camera, Cruise Control, Active Rollover Protection and Tyre Pressure Monitoring System and comes equips further ADAS feature such as the Lane Departure Warning System on the LUX trim. As all MG product line-up, the MG RX8 comes with 5 Star C-NCAP safety rating.

PERFORMANCE

The MG RX8 is built on body-on-frame chassis with high ground clearance of 202 mm and wading depth of 800 mm, offering a good off-road capability experience and provides a greater flexibility across the vehicle.

Enjoy the 4x2 RWD on the MG RX8 STD trim and real time Torque on Demand (TOD) 4x4 drive system on the COM and LUX trim which changes the torque in 0.1 sec, you can choose between part time and all time 4x4 driving modes combined with the driving mode selector - Auto, Snow, Off-Road, Sport, 4L, and 2H - the performance of the vehicle adapts to offer the most rewarding experience. With the Net Blue Technology 2.0-litre turbo engine delivering torque of 360Nm, you can be confident that you have the power available to overcome any challenge life throws at you.

TECHNOLOGY

The new MG RX8 has been developed to offer the utmost in comfort and flexibility, but also offers some of the finest technology around to enhance the driving experience. For example, wireless phone charging and smartphone connectivity with Apple Carplay and Android Auto enabled to the 10 inches color touchscreen ensure you will always be able to stay entertained and in control of your communications, while measures such as Cruise Control, Keyless Entry and Push Button Start are all fitted as standard.
