

Integrated Management System

Policy Statement

Al Ghandi Auto group has implemented an Integrated Management System (IMS) as the framework for setting, reviewing and continually improving our quality, health and safety and environmental objectives. Our IMS has been developed and implemented in accordance with the requirements of ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018.

- We are committed to the protection of the environment, the prevention of pollution, ill-health and accidents.
- We are committed to the continuous improvement of our environmental management system through effective measures to reduce waste, improve efficiency and recycle.
- We are committed to the wellness of our employees, providing and maintaining a safe working environment, accident prevention measures and the avoidance of risk to human health.
- We are committed to the Consultation and participation of our workers in the matters related to their health and safety
- We are committed to satisfying all statutory, legal and compliance obligations relating to the environment, health and safety.
- We are committed to continuous improvement of our IMS processes and performance.
- We strive to enhance customer satisfaction and maintain a leading position in all areas of our business.
- Our IMS shall be documented, implemented, maintained and regularly audited.
- This Policy shall be communicated to all persons working under the control of the organisation and made available to all interested parties.
- This policy shall be reviewed periodically to ensure that it remains relevant and appropriate to the organisation.
