SAFE, SMART AND STYLISH.

What more can you ask for from the new 2017 Trax. This crossover is as versatile as it is impressive. From its phenomenal amount of offerings, which come standard, to its advanced safety features. Let's not forget its spacious interior either. This is one small SUV designed for big city living.

BIG ON VERSATILITY.

With a variety of seating configurations to fit passengers and cargo, Trax is the small SUV that's big on versatility. 60/40 split-folding rear seats give you the flexibility to carry a bike, paddleboard, plenty of shopping or whatever life brings. And a fold-flat front passenger seat allows you to carry items up to 2.4 meters long.
