SAFETY FIRST NO COMPROMISE

The new MG 5 with CNCAP 5 Star Safety Rating brings you 13 active safety features for optimal protection on the road. Supported by high-strength steel cage and laser brazing technology, the vehicle delivers enhanced sealing, sound insulation, and stiffness to prevent injury.

Dual frontal, side-chest, and side-head curtain airbags come as full option safety. ABS and Electronic stability control means you are well protected in case the worst should happen.

Enjoy additional peace of mind with the Auto Hold or Electric Parking Brake, the Remote Central Lock feature, the Rear parking sensor, and the standard ISOFIX.

DISTINCTIVE STYLE

The new MG 5 exudes magnetic energy. With an imposing exterior design characterized by a sleek side lining, the vehicle opens to a yacht-style interior emphasized by a big touch screen and extending to both sides of the car. The rhythmic and smooth lines come to embed a comfortable and pleasant atmosphere.

The LED Headlights display a lightning blade design that accentuates the vehicle's aggressive look while brightening illumination. They seamlessly connect to the chrome grill to create a strong frontal visual impact. The Daytime Running Lights add a modern aesthetic touch to the front look while the LED Rear Lights make sure, to add an extra punch.

SUPERIOR PERFORMANCE

The new impressive MG 5 is all about smart efficiency. With a 1.5 L CVT and a Dual Cooling Cycle Engine, the vehicle promises durable performance, better fuel economy, and an ultra-smooth driving.

Extra efficient fuel consumption: 5.5L/100 KM*

*Conditions apply.

Power output exceeding expectations: 118 HP at 6,000rpm.

Euro 5 Emission Control Standard.

INCOMPARABLE COMFORT

The New MG 5 sets off smoothly with a Cruise Control, indulging its passengers in Premium Interior design and features. The soft-touch material, highlighted by leather upholstery, is enhanced with Power Assisted Front Seats for ultra-convenience, and Front Heated Seats for extra comfort. We're talking 6-Way Electric Adjusted Driver Seat with manual lumbar support and 4-Way Electric Adjusted Passenger Seat.

The journey is always breezy with an Electric Sunroof that allows the room cabin to be well ventilated at pleasant outdoor temperatures, or a tested High-grade AC system that secure even cooling inside the vehicle for hot-weather days.

The keyless entry and push start button features make sure you start your ride hassle-free while the hands-free Bluetooth system allows practical multifunction steering. Ready to take off?

MATCH YOUR STYLE

The MG 5 offers exterior and interior color choices to match every driver's personality. Adorned in glamorous metallic and glossy paint, its variations are sure to impress any taste*.

- **Interior:** Beige and Black.
- **Exterior:** Metallic Colors in Grey, White, Red, Black, Blue and Golden.

*Color combinations are subject to manufacturer's production and GCC specifications.

HI-TECH IN EVERY DETAIL

Enjoy in-car entertainment with a state-of-the-art 10.1-inch* Infotainment System enhanced by an upgraded 1280 x 720 touchscreen for HD Display, the MG 5 is also enabled with Android Auto and Apple Carplay to use your mobile devices and apps while you keep your focus on the road. Add to that the exclusive feature of a 360-degree camera for a cutting-edge ride.

WIDELY SPACIOUS

29 storage spaces for daily use, the new MG 5 is your go-to sedan for any kind of journey. The vehicle offers a 512 LTR super trunk space, which can accommodate for a whole family's luggage. Hello road trips! The vehicle's additional large luggage openings and low floor facilitate large items' handling, combining style with convenience.
