NEW DESIGN

BRIGHTER DESIGN*.

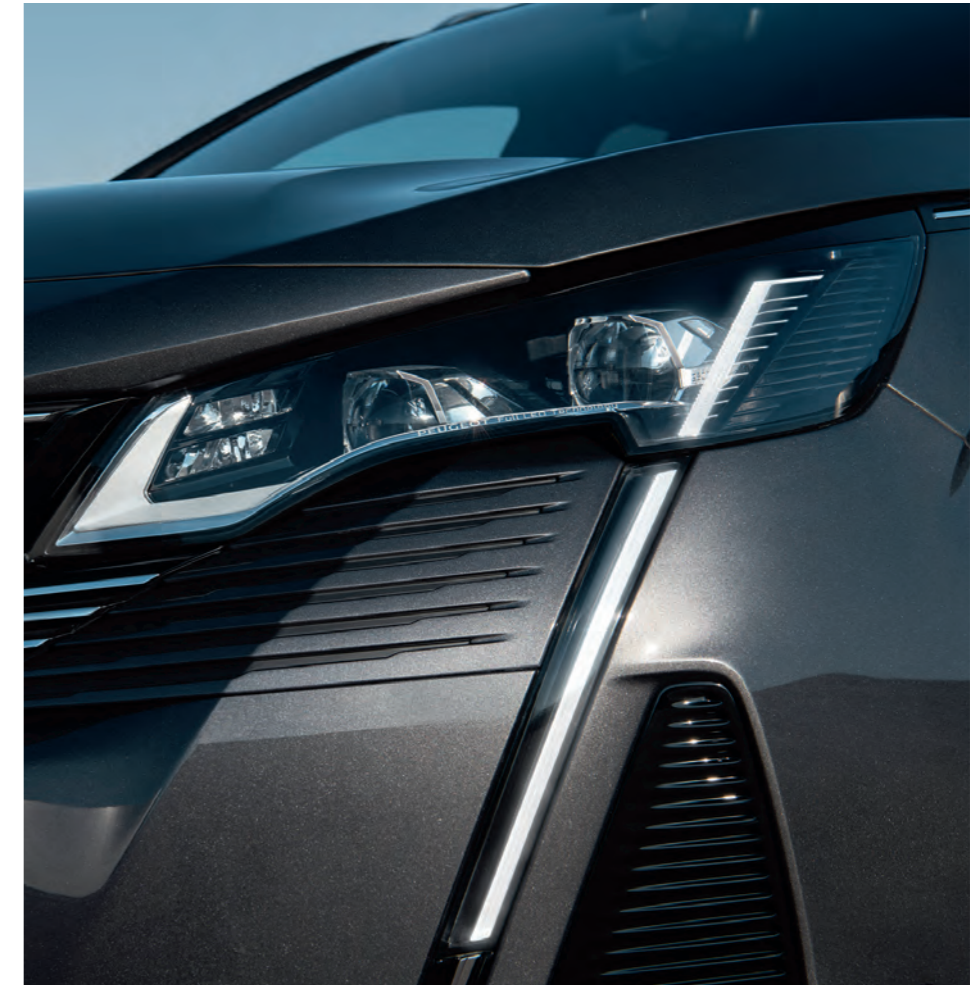

*Inspired design.

REFINEMENT AND DYNAMISM.

The exterior design of the new PEUGEOT 3008 SUV highlights its assertive character, balance of strength and smoothness. The powerful, refined front end of the 3008 SUV, with its frameless vertical grille and its wings in the extension, prefigures the aesthetic codes of tomorrow.

STRONG PERSONALITY.

The lighting signature includes, right from the entry level of the range, new LED headlights emphasised by the DRLs in the shape of "luminous crocodiles" with a chrome tip, characteristically PEUGEOT and identifiable at first glance. To enhance its character, the new PEUGEOT 3008 SUV can also be equipped with full LED headlights with SDL* function.

*Static Directional Lighting function, which significantly improves visibility on bends, available as standard on GT.

INCISIVE LIGHT SIGNATURE.

At the rear, the new PEUGEOT Full LED technology lights include characteristic 3D claws and scrolling indicators. The lights are covered with transparent smoked glass, extending the black boot strip on either side of the vehicle, which visually enlarges the rear of the vehicle for a sportier look.

EXCLUSIVE CHARACTER.

Special Washington* 19" diamond-cut aluminium wheels in Onyx Black finish with Black Mist lacquer. The wheels also feature brand-new design, wide wheel arch protectors and solid door sills, enhancing the robust dynamism of the new PEUGEOT 3008 SUV.

* Available as standard on 3008 GT.

UNLIMITED CONNECTIONS.

The Mirror Screen* function enables you to enjoy the apps on your Apple CarPlay™ or Android Auto™ compatible smartphone on the touchscreen. And your smartphone recharges wirelessly** in the storage area in the centre console.

*Standard on all versions. The Mirror Screen feature works using Android Auto™ (for Android phones), Apple CarPlay™ (for iOS phones) or with MirrorLink® technology (for MirrorLink® compatible Android smartphones and only when paired with "Peugeot Connect Radio"), subject to mobile data contracts. Only these three certified applications will operate when stationary and while driving as applicable. When driving, certain functions of the applications concerned will be inhibited. Some types of content, which may be available for free with your smartphone, require a subscription to an equivalent app that is certified Android Auto™, Apple CarPlay™ or MirrorLink®. Functions and features subject to change continually, dependant on Handset Operating system and version and App. version.

** On GT version, induction charging for devices compatible with the Qi standard.

THE UNIQUE EXPERIENCE OF THE NEW PEUGEOT I-COCKPIT®.

The new SUV PEUGEOT 3008 invites you to discover its spectacular interior with its even more modern and top-of-the-range PEUGEOT i-Cockpit®. Its compact multifunction steering wheel offers more sensations and greater manoeuvrability. The 8" and new 10" HD (on GT) touchscreen comes with elegant chrome Toggles Switches giving quick and intuitive access to the various comfort functions. Its 12.3" head-up digital instrument panel now has high-quality display.

HIGH QUALITY RENDERING.

Its 12.3" head-up digital instrument panel is equipped with a high-quality display that can be easily configured* and customised* and means you don't take your eyes off the road.

ULTIMATE COMFORT.

Bathe in the light from the large panoramic sunroof*, sink into the AGR massaging seats** and the very high-fidelity sound from the FOCAL® *** Hi-Fi system. Watch the ingenious hands-free hatch**** open or close, making it easy to load all your items. All it takes is a swift foot motion under the bumper to activate it.

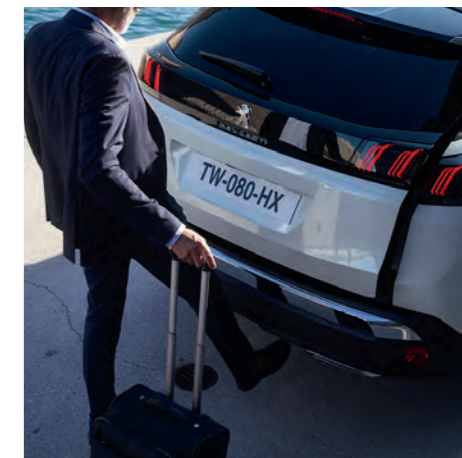

Create your own in-car space with the "Magic Flat" system and its 2/3 to 1/3 fold-down bench seat, creating a flat surface. Store your items, depending on leisure activity, and even load very long objects thanks to the flat-folding passenger seat****.

* Available as optional or GT version.

** AGR seats (Aktion Gesunder Rücken : German association for back health): standard on GT version.

*** Available as standard on GT version.

**** Standard on Allure and GT versions.

FEATURES

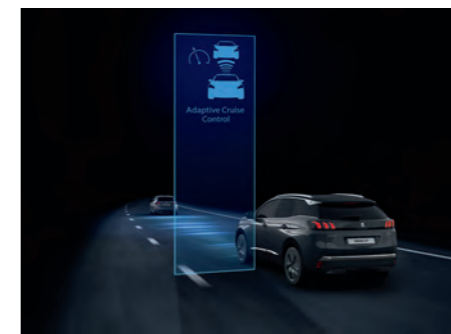

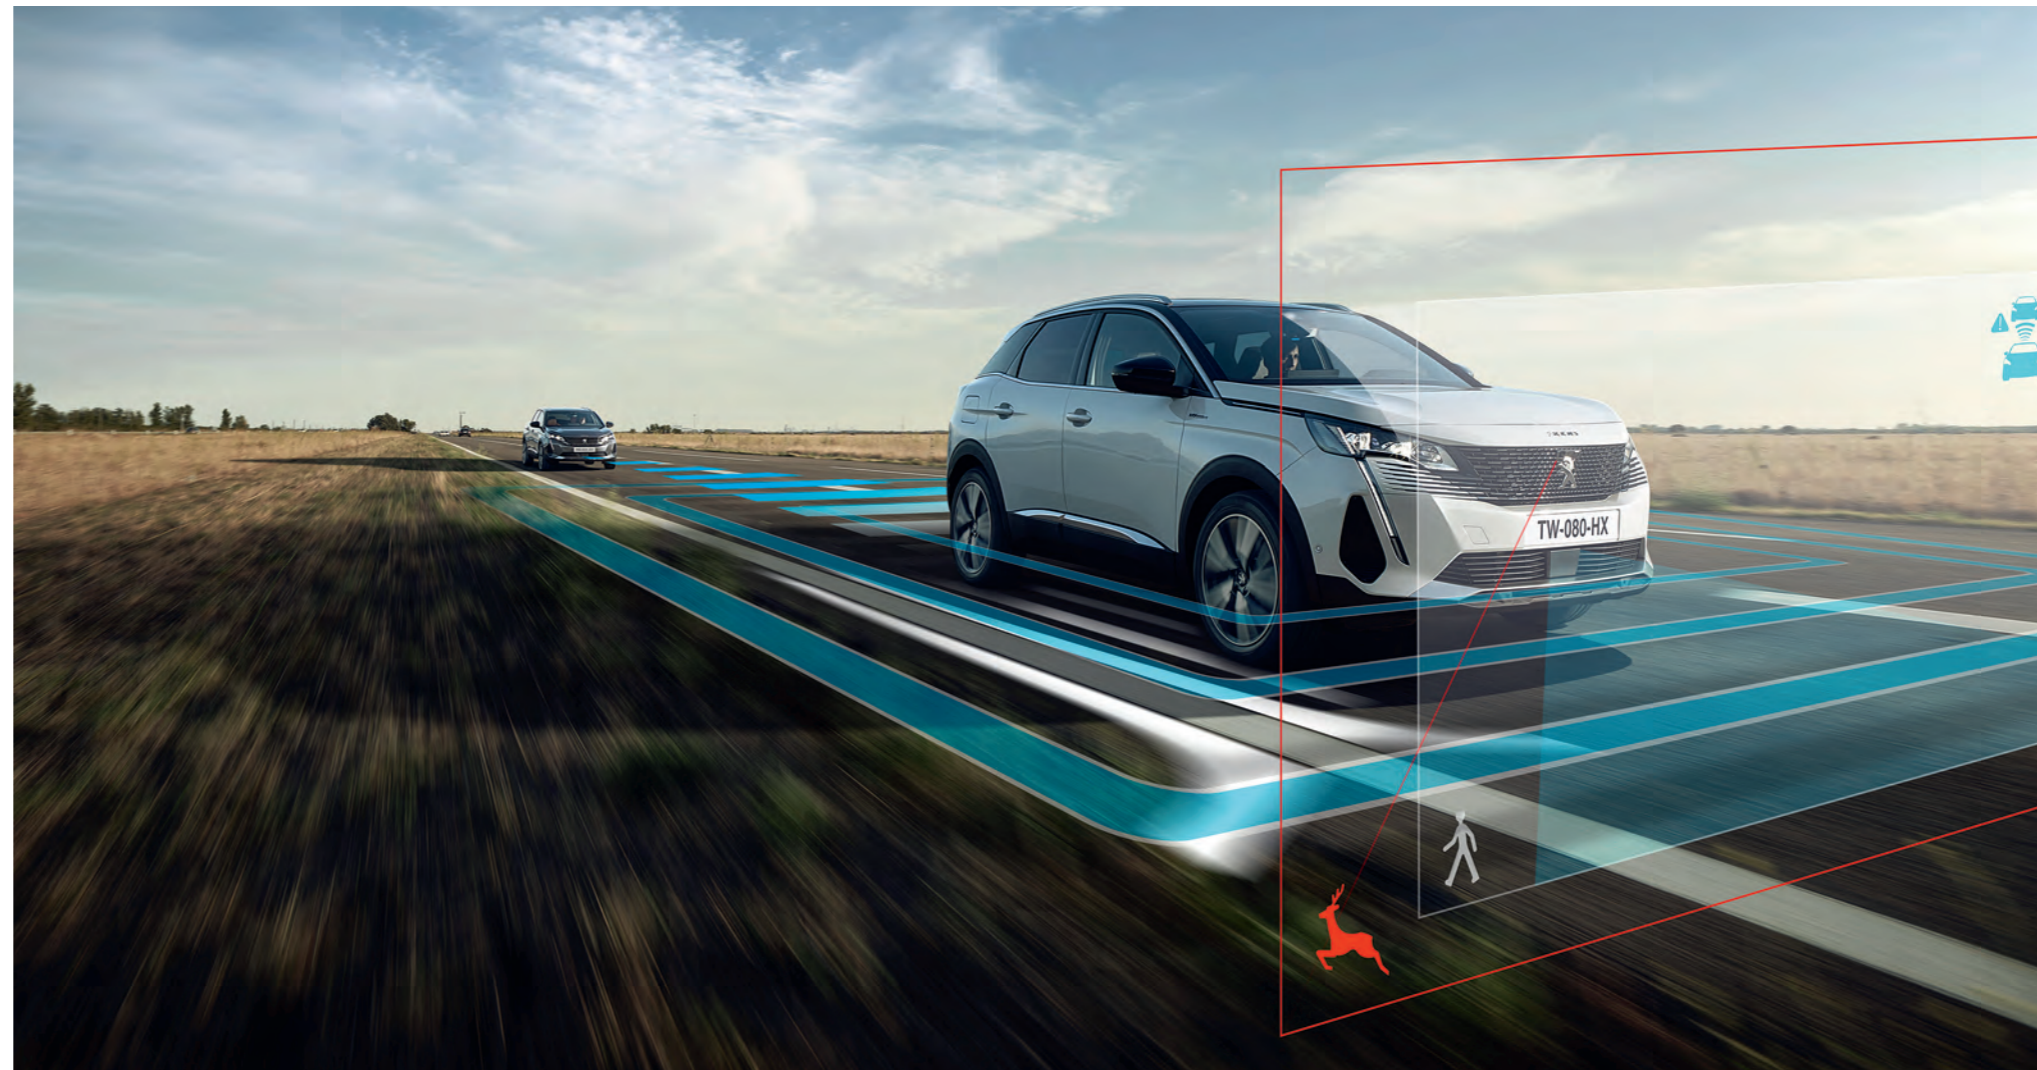

SMART TECHNOLOGY.

INNOVATIVE TECHNOLOGY.

The numerous latest-generation driving assistance systems in the new SUV PEUGEOT 3008 further enhance on-board comfort and safety and help you to drive semi-autonomously: extended road sign recognition, Stop & Go* ACC adaptive cruise control, lane departure warning with detection of roadsides, active blind spot monitoring and detection**.

These aids are additional guarantees of peace of mind at the wheel. Automatic emergency braking can also be triggered if pedestrians or cyclists are located near the vehicle (On the GT Model this is functional even at night).

SEMINES

THE POWER OF CHOICE.

PETROL 1.6 THP 121 KW EAT6

Offered with the EAT6 6-speed automatic gearbox, the 121 kW THP turbo petrol engine boasts a high level of torque (240 Nm @ 1 400 rpm) including in lower gears. It combines dynamism and flexibility.
