ADVANCED TECHNOLOGY.

The upgraded Chevrolet MyLink™ system features a new interface on a standard 7-inch diagonal color touchscreen. You can also take some of your favorite compatible iPhone® features and put them on your vehicle's touchscreen display in a smart, simple manner, access your phone, music and messages, as well as some of your other favorite apps, thanks to Apple CarPlay™ support.

DESIGN WITH A PURPOSE.

The stunning exterior design of the Aveo was created to turn heads. Sleek lines, bold edges and sweeping curves all surround the aggressive light fixtures and iconic dual-port grille, while hours of extensive aerodynamic testing and refinement have made the Aveo more efficient, handle better and offer increased performance.
