ŠKODA

Karoq

Effective: 1st April 2025

Take it easy, take it anywhere

Introducing the Karoq Edition.

Every journey can be the beginning of something. A valuable experience, a happy coincidence or a shared memory. And with the versatile Škoda Karoq Edition, you can make those journeys comfortably. With its unmissable SUV styling and additional specification enhancements, the Karoq Edition is as practical as it is head-turning. Its proportions are underlined by a distinctive front grille and all-round protective elements. LED illumination and eye-catching alloy wheels complete the impressive exterior.

Step inside, and you'll be welcomed by customary Škoda offerings like spaciousness, all-you-can-have connectivity features and reassuring assistance systems. And for those of you looking for more adventurous detours, the Karoq also comes with an optional 4x4 drive.

That's Simply Clever. That's Škoda.

Pricing valid as of 1st April 2025.

* The recommended 'on the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1st April 2025. Choice of wheels and other options may affect fuel consumption, BiK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1st April 2025.

** This engine is available from stock only. Please check availability with your local Škoda retailer.

The BIK charges quoted reflect charges which apply to vehicles registered after 6th April 2025. These charges may differ from any charges displayed or quoted before 6th April 2025.

Information regarding tyre technical specifications can be found by visiting the Škoda car configurator **here**.

*** Please note "non Edition" trims are only available from Stock Only.

VED (Vehicle Excise Duty) from 1st April 2025

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO_2) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO_2 figures may differ on these vehicles if taken from current Škoda UK stock.

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate.

* This rate applies to diesel cars tested to real driving emissions step two (RDE2) standards

** This rate applies to diesel vehicles that do not meet the real driving emissions step two (RDE2) standards.

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £410 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

BiK calculation example

Based on Karoq SE Edition 1.0 TSI 116PS		
P11D value		**£30,345.00**
Company car BiK tax based on CO_2 emission level		**32%**
Taxable BiK (for 2025/26 tax year):	32% of £3,0345.00	**£9,710.40**
Annual company car tax (2025/26)		
20% income tax	20% of £9,710.40	**£1,942.08**
40% income tax	40% of £1,942.08	**£3,884.16**
Monthly company car tax (2025/26)		
20% income tax	£1,942.08 divided by 12 months	**£161.84**
40% income tax	£3,884.16 divided by 12 months	**£323.68**

Company car tax is based on the vehicle's carbon dioxide (CO_2) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO_2 emissions of the vehicle for the current tax year 2025/26.

A landmark on any road

With its robust body with protective features and higher ground clearance, the Karoq Edition invites you to venture off the beaten track. At the same time, its spacious design, sleek lines, and stylish wheels accentuate the car's ambition to be a great urban SUV.

Dynamic front design

The front view of the Karoq is characterised by the sharply cut headlights and integrated fog lamps.

Panoramic sunroof

This electrically adjustable panoramic sunroof provides extra sunlight and fresh air at the simple touch of a button.

Full LED tail lights

The tail lights have been innovated both in terms of shape and technology. Fitted with animated turn indicators, they significantly improve the visibility of your car for other drivers. In addition, when you lock and unlock your car, the welcome effect activates the animation feature.

Models shown are not UK specification. Some of the equipment shown is optional.

Home from home

From ambient lighting to heated seating, the Karoq's premium interior features a host of intelligent elements that make you feel instantly at home.

Models shown are not UK specification. Some of the equipment shown is optional.

Virtual Cockpit

The Virtual Cockpit displays on-board computer specifications in combination with other information, such as navigation. You can choose from five layouts controlled via the View button on the steering wheel.

LED ambient lighting

The ambient lighting offers a choice of ten colour options for the dashboard and front and rear door lighting, meanwhile the front and rear foot area illumination comes in white.

Electrically adjustable front seats

The front seats are electrically adjustable and come with a memory function for the passenger comfort and convenience.

Tri-zone climate control

This intelligent system allows three autonomous thermal comfort zones to be set for the driver, front passenger and rear passengers.

Models shown are not UK specification. Some of the equipment shown is optional.

The great escape

Whether heading out on an urban adventure or embracing the extreme, the Karoq Edition delivers all the performance you need. Simply buckle up your seatbelt, select your driving mode and see where the unknown takes you.

Four-wheel drive

The 4x4 system is designed to smoothly distribute the torque between front and rear axles automatically, to help you maintain control and stability.

Direct shift gearbox (DSG)

The seven-speed DSG automatically adapts to your driving style, whilst taking road conditions into account. It reduces the strain on the engine and stress to the driver, by deciding when to change gear, leaving you free to concentrate on the journey.

Drive mode select

Featuring Normal, Sport and Eco mode, plus Individual mode to truly meet all your needs. All-wheel drive versions also offer an optional Off-road mode, designed specifically for low-traction conditions.

Innovation at every turn

Škoda Connect: take the online world with you

To be online fully and permanently means not only having access to entertainment and information, but also possible assistance while on the move. Škoda Connect, which includes Infotainment Online and Care Connect services*, is your gateway to a world of unlimited communication possibilities.

Images shown may not be UK specification. Some of the equipment shown is optional. * Remote Access is optional on all trims. ** For further information regarding wireless functionality, contact your Škoda partner. For usage terms and compatibility information for SmartLink, visit our website.

Škoda Connect

Real-time traffic updates. Remote Access* and vehicle control. Instant assistance service. Just a few ways Škoda Connect turns the Karoq into a fully interconnected car that's ready for everything life and the road has to throw at it. Download the MyŠkoda app to take full advantage, or **click here to learn more about Škoda Connect**.

SmartLink

With the SmartLink, the car's infotainment system enables the driver to safely use the phone while driving. Plus, all installed applications that are certified as safe for vehicles are compatible with Apple CarPlay or Android Auto, which are also available wirelessly**.

Navigation system

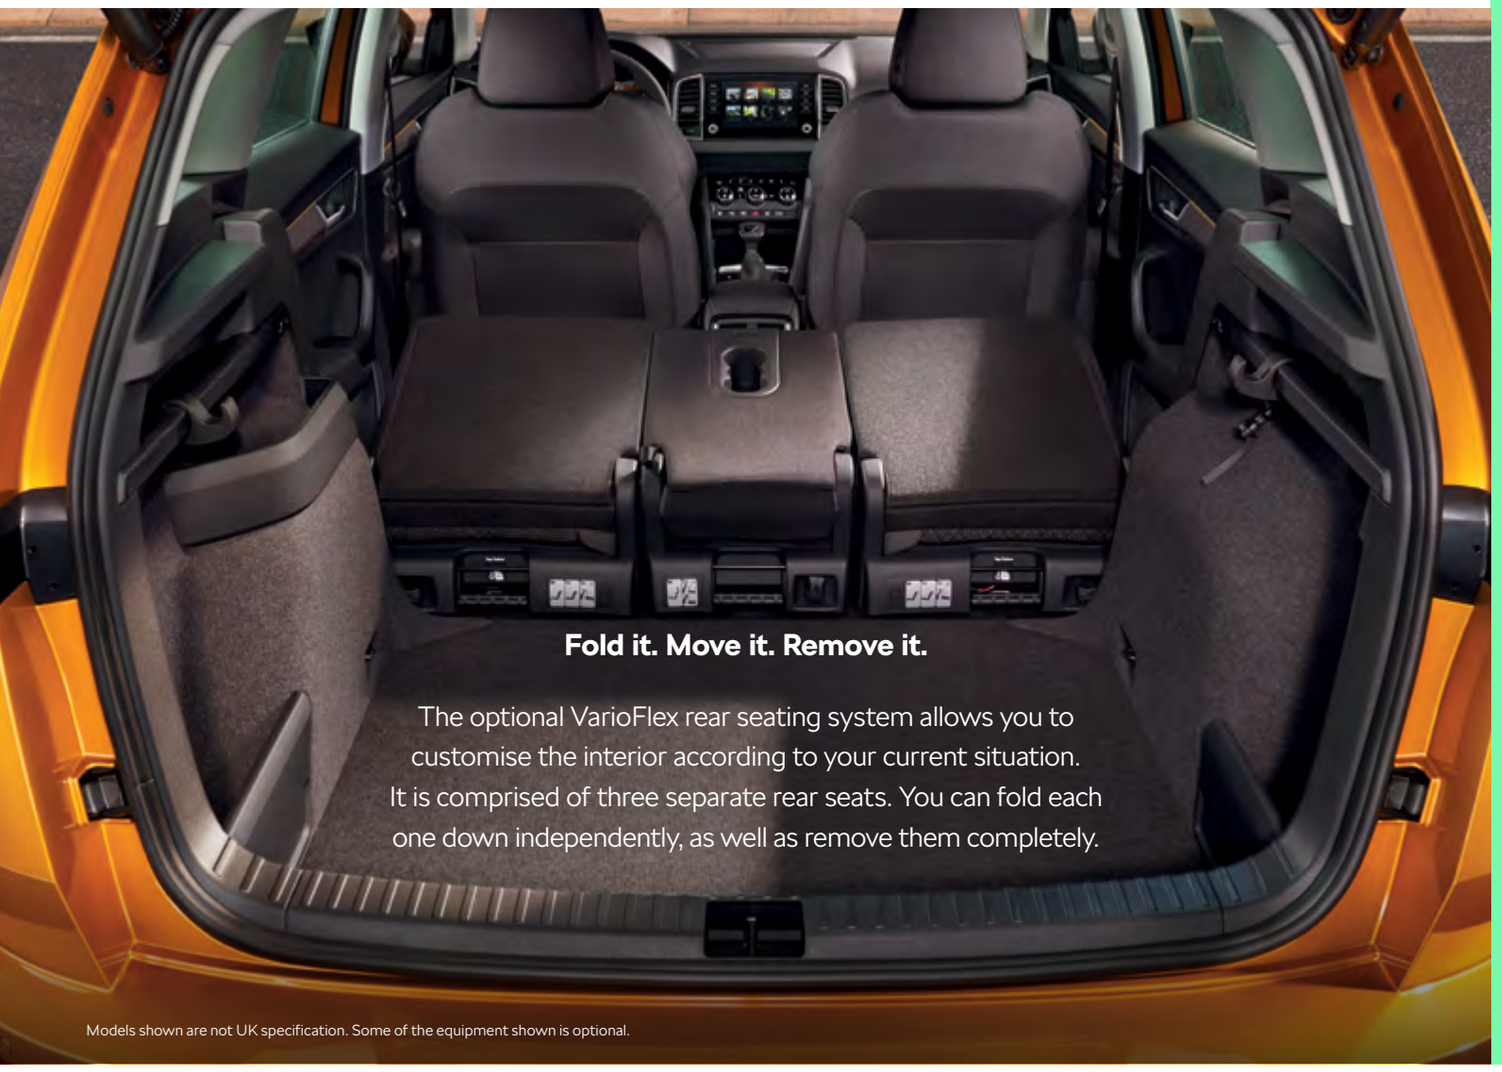
The Amundsen satellite navigation with 8" touchscreen display and integrated Wi-Fi will get you from A to B, but why stop there? With its Bluetooth® and Wi-Fi capability, it offers more connectivity on-the-go.

Emergency call

An SOS call is made automatically in the event of an emergency on the road. The system can also be activated manually by pressing the red button on the roof console. With the eCALL+ feature, information such as the vehicle's location or the number of people in the vehicle is provided to the first responders.

Highly accommodating

Maximising space has always been Škoda's way. It's why the car's flexible rear seats can be configured to your precise journey requirements, while the cleverly designed storage compartments and adaptable boot space ensures everything you need is always close at hand.



Fold it. Move it. Remove it.

The optional VarioFlex rear seating system allows you to customise the interior according to your current situation. It is comprised of three separate rear seats. You can fold each one down independently, as well as remove them completely.

Models shown are not UK specification. Some of the equipment shown is optional.

Spacious storage

Several spacious storage compartments have been included in the interior.

Simply Clever features

Karoq offers the well-known Simply Clever features clearly arranged in a single package. The package includes a net restraint system, cargo elements and a double-sided boot mat.

Jumbo box

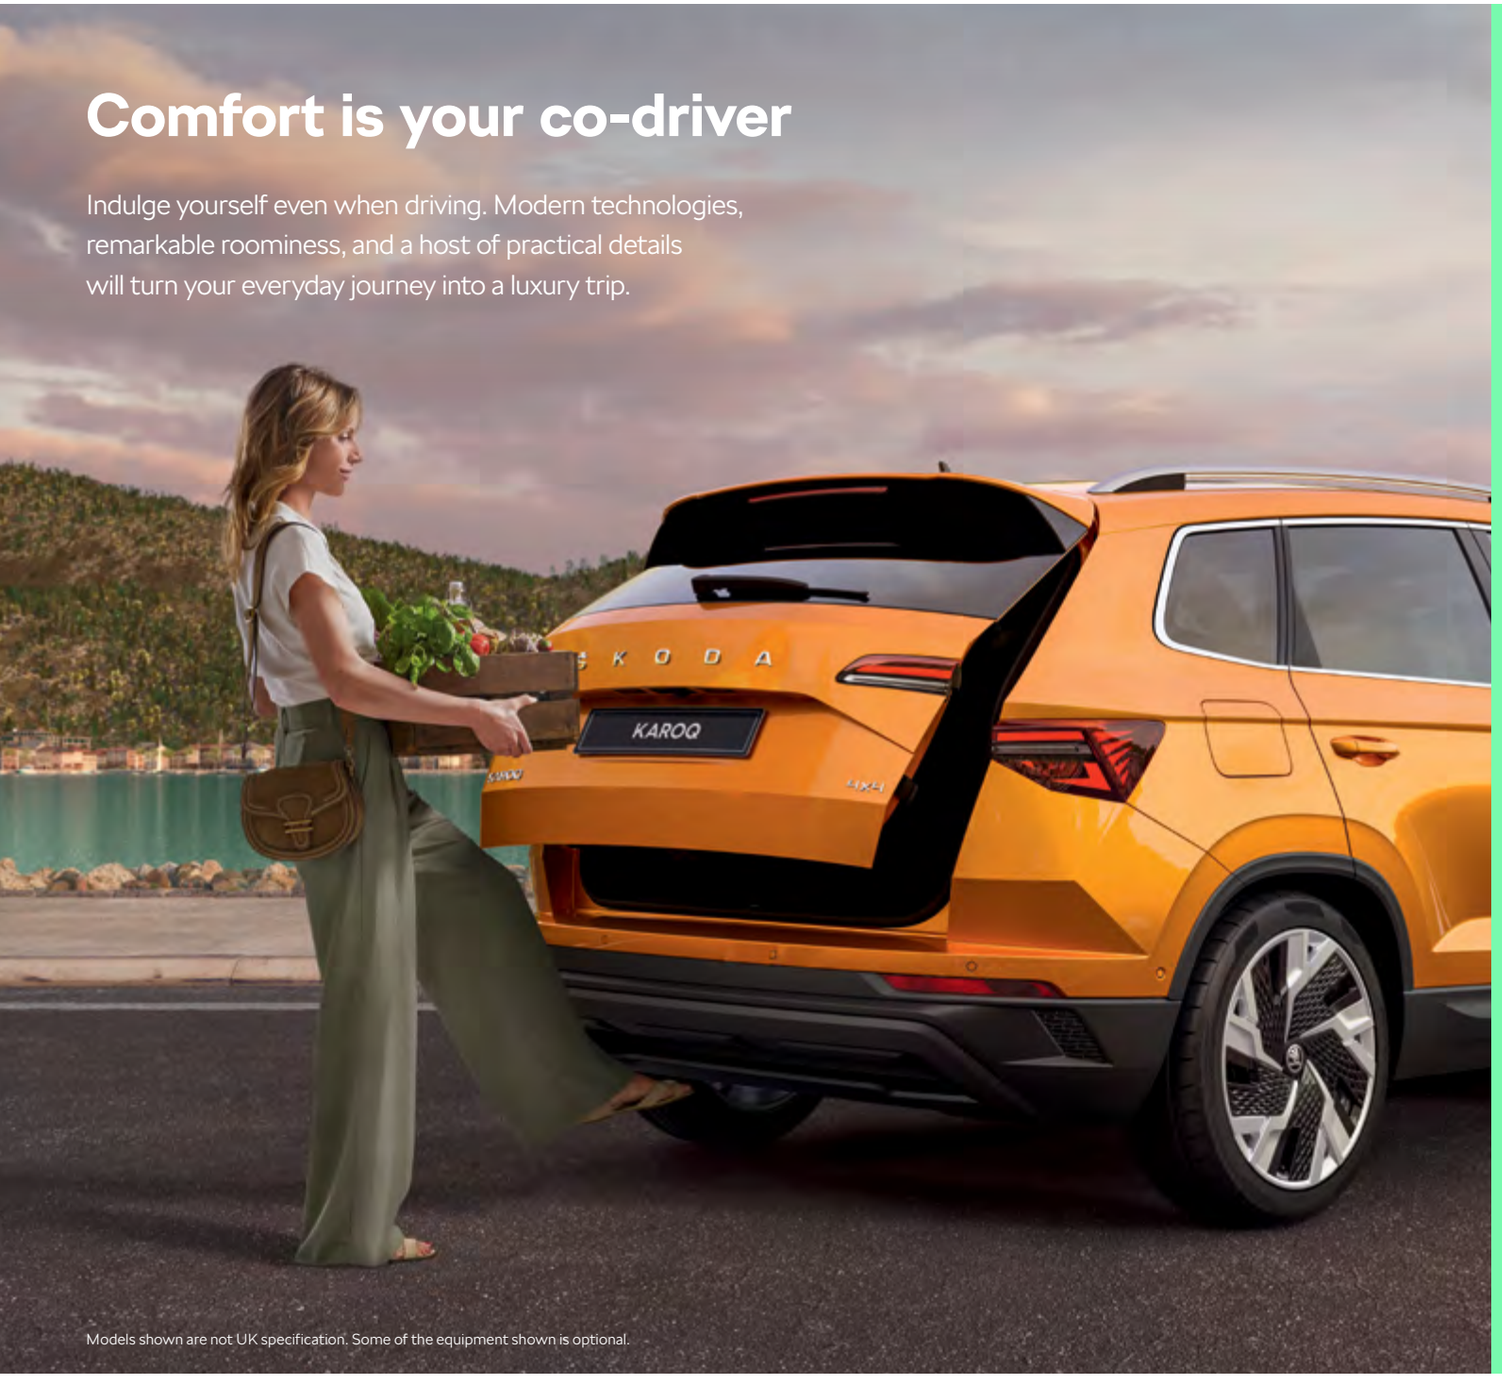
Featuring reversible cup holders, the Jumbo Box will also store your gadgets, house keys and cards.

Foldable tables

Built into the backrests of both front seats, the foldable tables with drink holders can be used for more than just your refreshments.

Comfort is your co-driver

Indulge yourself even when driving. Modern technologies, remarkable roominess, and a host of practical details will turn your everyday journey into a luxury trip.



Models shown are not UK specification. Some of the equipment shown is optional.

Electrically folding tow bar

Activated by a switch in the boot, the Karoq's foldable tow bar ensures it is safely hidden when not required.

Virtual pedal

On-hand when none of yours are free. Simply use a 'kick motion' underneath the luggage compartment or use the key to effortlessly open the boot.

Rear-view camera

Hidden under the boot handle, the rear-view camera makes light work of reverse parking, with an integrated washer to keep obstacles visible.

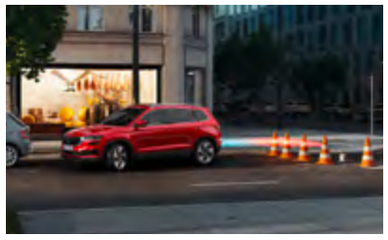
Front and rear ISOFIX seats

Enjoy more room to relax and play in the back with the generous knee and headroom that Karoq offers. ISOFIX connections on rear seats, as well as the front passenger seat also ensure younger passengers can travel safely.

Always on the lookout

It's always helpful to have an extra set of eyes on the road. It's why you'll find a number of smart assistant systems, ready to protect you and your passengers from any unseen dangers.

Parking package



Parking sensors

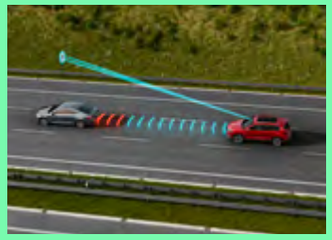
Rear view camera

Make parking a breeze with the Parking Package. Helping you to park in the most challenging of spaces, the front and rear sensors guide you both in and out of any parking position, while the rear view camera takes the stress out of reversing.

Images shown may not be UK specification. Some of the equipment shown is optional.

Travel assist package

Front assist



Adaptive cruise control

Lane assist

Traffic jam assist

Our Travel Assist Package features an onboard camera that recognises and displays key traffic signs on the trip computer and navigation system, helping you to be safer behind the wheel. The adaptive cruise control keeps you a safe distance from the vehicle in front and enables you to maintain a constant speed without using the pedals. The package also features front assist which warns the driver if there is a danger of colliding with another vehicle or other obstacle in front of the car.

Škoda Financial Services

Škoda Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car's value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new Škoda on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

Škoda Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your Škoda Retailer for your personalised quotation today.

T&Cs apply. Škoda Financial Services.

Service and maintenance

Our range of servicing and maintenance plans will help to keep your Škoda in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine Škoda approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

Service Plan for cars under a year old

This covers your first 2 services for a fixed payment, protecting you from inflation. You can choose to pay upfront or monthly across 24 monthly payments. The service plan includes a maximum of one oil service and one oil and inspection service with pollen filter change. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your Škoda Retailer to create a more tailored service plan.

Exclusions, terms and conditions apply. Servicing must be carried out in line with the requirement of the service schedule. All work must be carried out at a Škoda Authorised Repairer. Additional work, including wear and tear, is excluded. Freepost Škoda Financial Services.

Service intervals

When you order your Karoq, you can choose whether your car is on a fixed or a flexible service regime. Your Škoda retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

> Driven fewer than 10,000 miles per annum.
> Mainly short journeys, driven mostly in towns or cities.
> High vehicle loading/towing and frequent hill climbs.
> Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

Warranty

Peace of mind with a Škoda warranty

In the first two years of owning your car, you'll get the peace of mind of a two year unlimited mileage warranty. In addition, you'll also get a further warranty on new vehicles supplied through the appointed retail network until the vehicle has completed 60,000 miles or the end of the third year, whichever is sooner. Your Karoq also benefits from a three-year paint warranty and 12-year body protection warranty.

Exclusions and terms and conditions apply.

Owning a Škoda

Three-year vehicle warranty from new
First two years unlimited mileage.
Third year with 60,000 mile limitation, whichever is sooner.
Four to five years Optional Extended Warranty.

Three-year paint warranty
Up to 12 years body protection.

Exclusions and limitations
Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark plugs, batteries for key fobs and alarms, light bulbs and shock absorbers. Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, headlight adjustment, steering geometry adjustments and wheel balancing are excluded.

Damage (including but not limited to the following) is excluded:

- Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- Damage caused by an accident.
- Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, and loss of personal effects or income are not recoverable under the terms of the warranty.

Adding that little extra to your car

If the standard specification and factory fitted options aren't enough for you, then why not take a look at our range of retailer fitted accessories? A separate accessories brochure can be found at your local retailer, or can be viewed online at: **skoda.co.uk/owners/accessories-and-merchandise**
