Dacia Sandero Stepway

A little more about our **new MY18 range**

Dacia fully supports the introduction of the new emissions testing procedure, called 'Worldwide Harmonised Light Vehicle Test Procedure' (WLTP).

WLTP represents a positive change to provide consumers with fuel economy and emissions data which is more representative of the results you may achieve in real life.

Stand out from the crowd

If you're tired of the same old family cars, then the Sandero Stepway is a breath of fresh air. Whether you're on the school run or the open road, it's not short on style either.

For starters there's the raised ride height. It really puts you in the driving seat with a clearer view of whatever's ahead. Then there are the **16" wheels**, skid plates, and black wheelarch extensions and side sill. Everything you need for some rugged SUV style.

Look the business with satin chrome roof bars, stunning metallic colours, a restyled front grill and LED day-time running lights.

Throw in a choice of impressively reliable engines, ABS, **Emergency Brake Assist (EBA)** and **Electronic Stability Control (ESC)**. It's quite the performer.

Dacia Sandero Stepway MY18

Good looking inside and out

Looks will only get you so far. So we made sure the Sandero Stepway's interior punches above its price bracket too. After all, you spend most of your time driving the car, not gazing at it lovingly (although we won't judge if you do.)

Satin chrome air vent, central console and door handle surrounds? Fancy upholstery and **DAB radio** as standard? Air conditioning to make sure you keep your cool? They're all there and ready to roll.

Five proper seats mean there's plenty of room for the whole family too. And they'll all help you stay extra safe, thanks to the reinforced body structure, **front and side airbags**, and **height-adjustable headrests**.

The best of both worlds

Looking for a practical, good value car that's not dull as dishwater? Well, you're in the right place. The Dacia Sandero Stepway is proof that affordable can also mean stylish. Not to mention comfortable and fun.

Combining the practicality of a family hatchback with the rugged good looks of an SUV, you really can have it all.

Start with our multi-award-winning Dacia Sandero (six **WhatCar awards*** if you're counting). Add some rugged, dynamic off-roader style. Throw in some classy interior touches, like smart upholstery and steering wheel. We think you'll agree the result is a bit of a winner.

Auto Trader thought so, describing the Sandero Stepway as, "undeniably great value for money."** So why compromise? **Enjoy the best of both worlds now.**

Stand out from the crowd

If you're tired of the same old family cars, then the Sandero Stepway is a breath of fresh air. Whether you're on the school run or the open road, it's not short on style either.

Servicing

Just like most cars, you need to get your Dacia serviced every year (or 12,000 miles if that comes first).

When the time comes, your local Dacia workshop is the place to go. With us you always get Dacia-trained experts, and original Dacia parts with a one-year warranty.

Want a helping hand? We make it easy to spread the cost of your servicing needs with Finance. Just speak to your Dealer or check the Dacia Price Guide for more information.

* Official fuel consumption figures are produced for comparison purposes and are measured according to the European Regulation 692/2008 and may not reflect real life driving results. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption. For further information, please visit the Vehicle Certification Agency web site www.vca.gov.uk. Dacia Sandero Stepway

The Dacia way

Fourteen years isn't long. But in that time we've grown from unknown to international warriors. We've sold 5 million Dacias globally since 2004. And since we launched in the UK in 2013, 120,000 smart folk have bought themselves Dacias.

It takes something different to make an impact like that. And we've got different by the shed-load.

See, we think practicality should always come first. No silly frills, just exactly the kit and quality you need. So that's what our simple range of smart, reliable cars give you. Our prices are always clear and remain shockingly affordable.

Maybe that's why we've been one of the **fastest growing car brands** in Europe since 2004. Or maybe it's the awards we keep winning like our most recent award Autotrader's best value brand 2018. Don't just take our word for it – check out our trophy cabinet and our genuine customer reviews on **Dacia.co.uk**.

Did you know we're part of the **Renault Nissan Mitsubishi Alliance**, and share our head office with Renault? That means we also share Renault's **nationwide dealer network**. So if you want to pop in for a look, chat or test drive, chances are we're pretty close by.

Drop in; it's easy to find your local dealer at **dacia.co.uk/find-a-dealer**.

Take your **first adventure**

Make a smart choice today.
