

The Kia EV5

Movement that inspires

Design

Dynamic Style. Ideal Size.

We believe in movement that inspires. Design that makes a statement. Technology that redefines expectations. The Kia EV5 moves family life into a new era of electric mobility. With generous SUV dimensions, tailored comfort and extensive storage capacity, it blends rugged yet sleek design with smart connected technology for everyday confidence and enjoyment.

Exterior Design.

A bold new face.

Dynamic lines meet articulate details: the EV5's confident front styling is strikingly modern, with a unique identity that is instantly recognisable.

Unified style, front to back.

Every detail of the EV5's rear design is a unison of strength and sophistication. The Star Map taillights bring one cohesive high-tech signature to the impactful styling.

Exterior Design.

Precision-crafted alloy wheels.

Distinctive alloy wheels, crafted in 18" and 19" designs, elevate the EV5's presence with a modern stance and dynamic detailing.

Dynamic silhouette.

The EV5's profile balances elegance with solidity. Sculpted side garnishes reinforce its robust character, while the clean, flush handles add a refined, futuristic edge.

Interior Design.

Space that adapts to every moment.

Enjoy the practicality of second-row seats that fold flat for a long 2-metre loading area. Together, the 566 litre boot and 44 litre frunk provide strong all round storage capacity.

Optimised space, maximised comfort.

The EV5's smart proportions make family journeys easier. A high seating position creates a sense of space. The second row provides exceptional comfort with more than a metre of legroom.

Interior Design.

Seats that put comfort first.

The EV5's interior displays premium finishes throughout. Heated, ventilated and relaxation seats are all available.

Ambient lighting.

Step inside and the EV5 greets you with wrap-around ambient lighting flowing across the dashboard and doors. It sets the mood, adapts to drive modes and even responds to alerts.

Connectivity & Convenience

Seamless & smart technology.

Panoramic triple display.

Everything in view, exactly where you need it, with one seamless display combining a 12.3" driver cluster, 5.3" climate screen and 12.3" infotainment display.

The Kia AI Assistant.

Say "Hey Kia" to activate Kia's AI Assistant, to receive directions, tips and support. It makes every journey smarter and more personal.

OTA updates & Kia Upgrades.

EV5 offers a fully connected driving experience, with regular over-the-air updates and opportunities to access a range of content and functions through Kia Upgrades.

Fingerprint recognition.

Experience seamless, secure entry with Kia's fingerprint technology. Touch the sensor and automatically unlock your driver profile, start your EV5 and restore your personalised settings. No password needed.

Safety

Made for your protection.

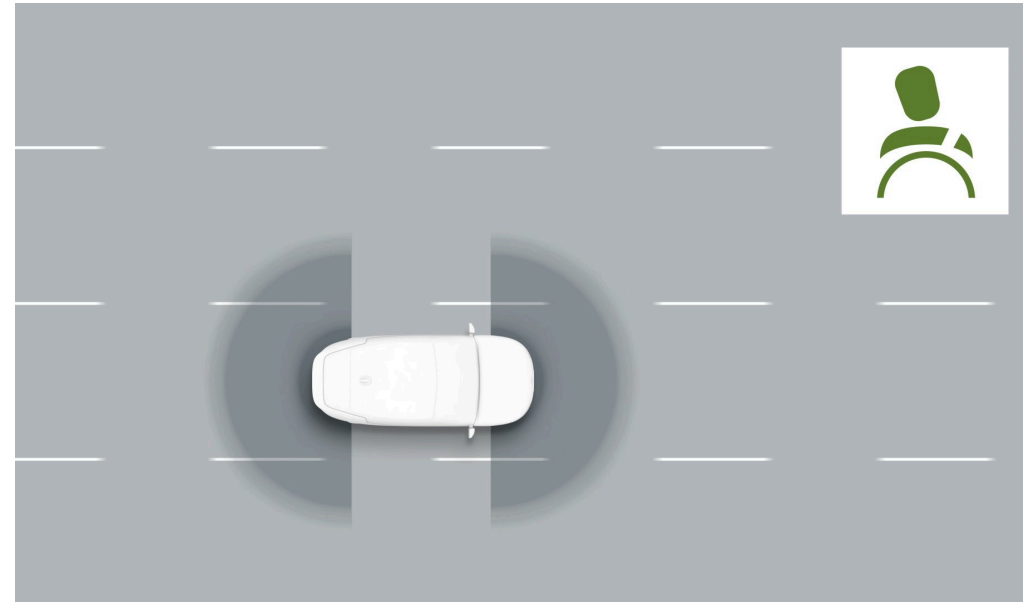

Driving Assistants

Highway Driving Assist with Hands-on Detection (HDA2)

HDA2 with HoD automatically adapts your target speed to meet the limit, while keeping you at a safe distance from the vehicle ahead. The upgraded hands-on detection sensors on the steering wheel detect whether you are touching it, even without movement, and adapt your speed accordingly. HDA 2.0 is even capable of changing lane automatically when you use the side indicator.

Smart Cruise Control 2 (SCC2) with Emergency Stop Function

With SCC 2.0 technology, the EV5 adjusts speed to traffic and road conditions, including reducing speed on curves to keep everyone secure. It smoothly returns to your preset speed once conditions allow. If it detects that you're unresponsive in the driver set, it safely stops the vehicle in its lane, alerting others and unlocking all the doors automatically.

Highway Assistants

Lane Following Assist 2.0 with Hands-On Detection

LFA 2.0 helps keep your EV5 centered in its lane by monitoring lane markings and surrounding vehicles, providing steering assistance when needed. The upgraded Hands-on Detection sensors on the steering wheel detect whether you are touching it, even without movement.

Anti-Collision Assistants

Blind-Spot Collision-Avoidance Assist (BCA)

BCA alerts you to any vehicles in your rear side blind spot when changing lanes. And if you're exiting a parallel parking space and a car is coming from behind, it can also activate automatic emergency braking to help avoid a collision.

Forward Collision-Avoidance Assist 2.0

FCA 2.0 gives you extra peace of mind by helping to prevent potential collisions with pedestrians, cyclists and other vehicles. If you don't brake hard enough in time, your EV5 can apply the brakes automatically. It also supports you in avoiding accidents when turning at or crossing intersections among other driving scenarios.

Parking Assistants

Parking Collision-Avoidance Assist, Forward/Side/Reverse

Parking is stress-free in the EV5 thanks to Parking Collision-Avoidance Assist in all directions. It alerts you to potential hazards around the vehicle, and if necessary, automatically applies the brakes to help prevent a collision. (Available on GT-Line S models only)

RSPA (Remote Smart Parking Assist)

You'll never need to worry about navigating your vehicle in and out of tight spots again. The remote parking function does the hard work for you, automatically steering you into place and even performing diagonal parking, even remotely at the tap of your smart key. (Available on GT-Line S models only)

Charging & Range

Electrified performance you can rely on

Charging & Range

Drive further - faster.

From daily errands to weekend getaways, you can rely on the EV5's all-electric performance to keep up with family life. Enjoy up to 329 miles of electric range on a single charge, and a fast 150 kW peak charging that recharges from 10% to 80% in just 30 minutes. With smooth dynamics and cutting-edge range management, the EV5 is engineered for both everyday practicality and long-distance confidence.

Accessories

Style up your EV5.

Accessories

Style up your EV5.

Tailor your EV5 to your needs and personality with Kia's extensive range of accessories. Designed to enhance your comfort, give you added flexibility, and let you customise your car

Kia App

Kia Connect... Your free seven-year connected services.

Kia Connect opens your Kia to the world of connected services. Once activated, it enables a number of essential digital features in your car. You can also install the Kia app on your smartphone and pair it with your Kia to control certain functions remotely and consult a wealth of information about your car.

In-car services

Your free seven-year Kia Connect, once activated, uses your vehicle's embedded SIM card to connect it to the world of live data.

Real-time traffic information

Your navigation system uses live traffic information to recommend the best route and dynamically predict the most accurate arrival time.

Speed cameras and danger zones

Be alerted to speed and traffic light cameras, and to areas where accidents are particularly common.

Weather information

With up to three days' weather forecast available, you can check weather conditions at your destination.

Points of interest

Are you looking for a place to eat, a local business or the nearest ATM? All this information and more is easily accessible via your Kia's live, connected directory.

Parking

Kia Connect helps you find available parking locations. It shows on and off-street parking locations, including prices and likely availability.

Fuel station information

The system shows you the nearest petrol stations and prices to plan a refuelling stop.

Charging station information (electric and plug-in hybrid vehicles only) Your car gives you the location of charging stations, with useful information such as availability and charging speeds available.

Apple CarPlay™ is a smart, safe way to use your iPhone while driving. It takes all the things you might want to do, and puts them into your display, so you can get directions, make a call and listen to music all while staying focused on the road.

Android Auto™ is designed to keep you perfectly connected to your phone while minimizing distractions so you stay safe on the road. The simple, intuitive interface lets you access features like Google Maps, apps, music and voice control, and automatically organizes info into simple cards that appear just when they're needed.

Mobile application services

Once Kia Connect is activated in your Kia, it gives you access to a wide range of useful functionalities through the Kia App (available on Apple™ and Android™).

Find my car and first/last mile navigation

You can check the location of your car from your smartphone. Your app can also use augmented reality to guide you to your car. When driving and parking before reaching your exact destination, your app can give you guidance to walk the last bit of the way using augmented reality or Google Maps.

Vehicle status

The Kia app gives you an overview of your Kia's status including fuel/battery level, doors, windows, bonnet or tailgate. It lets you know if any of the vehicle's functions isn't working properly. You can also use the app to consult information about your past trips or to obtain a summary of key stats for your past month's driving.

Notifications and remote door control

You get warned if your vehicle's anti-theft alarm is triggered or if you left your doors unlocked. What's more, you can lock and unlock doors from your phone, wherever you are.

User-profile-linked vehicle settings

Select your preferred vehicle settings from your phone for a tailored experience once you get behind the wheel.

Valet mode

Activate the valet mode in your car and you can track its location and speed on the app. Ideal when you lend your vehicle to an airport's valet parking service. Kia services are available free of charge for a period of 7 years commencing on the day the vehicle is sold to the first owner of the vehicle and may be subject to change during that period. You need a smartphone with iOS™ or Android™ operating system and your own data plan to operate the Kia mobile apps. Your Kia needs to be in a location with Vodafone signal to connect to these services.

For new vehicles sold from May 2021, Kia offers, per vehicle, two free-of-charge updates of the maps in the vehicle's navigation system and of the Head Unit software using the so-called "over-the-air" method ("OTA Updates"). Once the two free-of-charge OTA Updates have been consumed, you will be able to get updates of the maps in the vehicle's navigation system and of the Head Unit software only (i) by accessing the following web page <https://update.kia.com/EU/E1/Main> or (ii) at a dealership.

Kia Promise

7 more reasons to join our Kia family

Now there are even more reasons to buy a stylish, technology packed Kia. Peace of mind comes as standard when you join the Kia family with the Kia Promise - 7 great owner benefits when you buy your Kia and register at MyKia.

There are a lot of things to consider when buying a new car. Compromising on reliability in the long term shouldn't be one of them. That's why Kia have redefined quality and offers a unique, industry-leading 7 year warranty that comes with peace of mind for at least 100,000 miles.

With every new or Approved Used Kia you can get driveaway insurance and a £250 Excess Return voucher free of charge. All Kia owners can use our Accident AfterCare service and with Kia Care Service Plans we offer great value fixed price servicing.

Our 24/7 Roadside Assistance package is designed for Kia owners in partnership with the RAC. All new cars have complimentary cover for 12 months from the first date of registration, giving you the highest level of cover provided by the RAC, including onward travel and European cover.

Online service booking offers convenience and flexibility 24/7. Offering quality and value at one of our Dealers nationwide. Kia trained technicians use the latest diagnostic equipment and technology. All of our Genuine Kia parts come with a 2 year warranty. Fully inclusive pricing at the click of a button.

At Kia we care about you as an individual and want to deliver service that fits your needs. When you visit one of our Dealers for a service your vehicle will benefit from a complimentary vehicle health check, a wash and vacuum and alternative transport if needed. We look forward to spending time getting to know you!

Kia Charge gives you access to the majority of public charging infrastructure in the UK and across Europe. It lets you locate stations, plan journeys, charge and pay, all with one solution.

Connectivity with Kia Connect & Over-the-Air Updates. Kia Connect is our range of connected services both in-car and through the Kia Connect mobile app. Over-the-Air Updates keep your infotainment system up to date using your Kia's mobile data connection.
