

THE NEW MINI COUNTRYMAN.

ADD INSPIRATION.

Looking for adventure? Let the MINI Countryman inspire you to take the path to new experience and new horizons of the mind.

This versatile Sports Activity Vehicle will stir you to leave it all behind and enter a world of unique discovery. Naturally, the Countryman is just as home in an urban jungle as it is in the great outdoors. With powerful engines and serious off-road capabilities, it tackles even the trickiest terrain with ease. It also has space for five people and their luggage. Practical additional features and state-of-the-art technology guarantee exciting new experiences, whether on a planned holiday or a spontaneous getaway. So what are you waiting for?

UNBEATABLE PERFORMANCE ON ANY TERRAIN.

COOPER S.

Better, faster, stronger: 2.0 litre, four-cylinder petrol engine with 141 kW for maximum sporty power. Hallmarks include the red S on the rear, side scuttles, the mesh-look radiator grille and chrome-plated tailpipes on the left and right sides. MINI ALL4 Exterior Optic package and Piano Black Exterior available on request.

COOPER.

Let's get away from it all: the 1.5 litre, three-cylinder petrol engine. Special features: a chrome tailpipe and roof and exterior mirror caps in an optional contrasting colour.

The MINI Countryman offers you a choice of two petrol engines with MINI Twin Power Turbo technology. Thanks to Dynamic Stability Control (DSC), its drive torque is automatically distributed between the front and rear axles. A 7-speed DCT automatic transmission comes standard on both Cooper and Cooper S models.

Sport suspension settings ensure firm road holding without compromising on comfort. The MINI MID, GREEN and SPORT Driving Modes provide a new and unique driving experience by allowing you to change the steering and accelerator characteristics at the touch of a button.

* Depending on the environmental conditions, a temporary peak output is provided that may be approx. 10% above the nominal output; the duration of the peak output increases as the environmental temperature decreases (at +25 °C approx. 5 s, at -20 °C approx. 40 s)

AN EYE-CATCHER IN EVERY LANDSCAPE.

Demonstrate your knack for design with the Countryman: Modern paint finishes with contrasting colours for the roof and exterior mirrors are available for each of the trims.

Dynamic accents can be added with bonnet stripes that match the contrasting colours. A wide range of modern light alloy wheels in sizes from 17 to 19 inches can further customise the look of your Countryman. A selection can be found on the right. More light alloy wheels are available via Original MINI Accessories.

HOP IN AND MAKE YOURSELF AT HOME.

Journey off the beaten track without compromising on comfort: The seat geometries and high-quality materials in the Countryman invite you to relax and enjoy the ride. In all trims, the Countryman offers a choice of either stylish and dynamic fabric combinations or quilted, perforated and grained genuine and faux leathers. When selecting between them, keep in mind how they will combine with a corresponding Interior Style.

EQUIPPED FOR FUNCTION – BOTH INSIDE AND OUT.

Perfect your chosen trim with a range of features like a collision and pedestrian warning system and Active Cruise Control (1). An integrated Parking Assistant helps you find a parking space and supports you with parallel parking. Connected Navigation Plus delivers the latest technology, including the MINI Head-Up Display (2) that puts core journey information right in your field of vision. With a personal concierge, real-time traffic information via the navigation system (3) and a range of other Remote Services, this package opens up all the latest ways to interact with your vehicle (3).

A range of individual options are also available to make your MINI just how you want it – these include a stylish Piano Black exterior (4), full LED headlights with Matrix light functionality (4), fold-out picnic bench at the rear (5), Easy Opener function with automatic tailgate operation and Comfort Access (6) and the 360 Watt Harman Kardon® HiFi system with 12 speakers (7).

There's more on all available packages and individual options at [mini.com](https://www.mini.com)

MOBILITY LIKE NEVER BEFORE – WITH THE NEW MINI APP.

Get the most out of your MINI: The new MINI app is a mobile add-on that seamlessly connects your smartphone to your MINI and gives you access to your vehicle's core functions. The app's intuitive, user-friendly design make it incredibly easy to use. The MINI app also opens up new routes and interactions with MINI Connected and your surroundings – it gives you a constant overview of the current status of your MINI and Remote Services also mean you always know where your MINI

is parked. It makes it even easier to get from A to B as it lets you add favourites like “home” and “work” or you can send other destinations straight to your MINI. If your MINI has any service requirements, the app will notify you directly. You can then use the app to make an appointment with the MINI Service Retailer it has saved for you.

Nominal power/rated speed kW/rpm		100/ 4500-6500	141/ 5000-6500 (4750-5500)
Max. torque/revs Nm/rpm		220/1480-4100	280/1350-4200
Compression ratio/fuel :1		11/91-95 RON	11/91-95 RON
Performance			
Max. speed km/h		203	226
Acceleration 0-100 km/h s		9.7	7.5
Consumption			
Combined (WLTP min / max) l/100km		6.3	6.7
CO ₂ emissions, combined (WLTP min / max) g/km		143	153
Weight/capacity			
Permitted trailer load, braked, max. 12% gradient/unbraked kg		1500 / 750	1500 / 750

The published fuel consumption and CO₂ emission figures are established according to legislated technical specifications (UNECE Regulation 101/UN Regulation 83 and SANS 20101 standards), which sets out the procedures that are used to measure the CO₂ emissions and fuel consumption. The claimed figures are established using specific tests under standardised, carefully controlled conditions and may differ from consumption achieved under real world conditions with the influences of altitude, road surface, geographic conditions, vehicle options, temperature, humidity, tyres size and driving behaviour amongst others.

The models illustrated in this brochure show the specifications for vehicles produced by BMW AG for the German market. In part, they include optional equipment and accessories not fitted as standard. The availability of standard and optional equipment, and configurations of options, may vary for all models in this brochure after going to press on April 29th, 2020 and may vary from country to country within the European Union. For detailed information about the situation in your country, please contact your authorized MINI dealer. Subject to changes in design and equipment.

At the end of the use phase, all vehicles can, of course, be recycled and re-used. Additional information about returning your old vehicle can be found on our website at mini.com/recycling
