ŠKODA KODIAQ. THE REAL WINNER.

ŠKODA has further developed the emotive design of the KODIAQ, which can also be ordered as a 7-seater, and improved its aerodynamics.

The restyled front with an elevated bonnet and the redesigned, more upright ŠKODA grille reinforce the KODIAQ's bold appearance. New alloy wheels measuring up to 20 inches further enhance the car's dynamic and striking look. As a result of a further refined ŠKODA design language, the KODIAQ presents as even more emotive and self-assured.
