FLEXIBLE. CAPABLE. COMMERCIAL.

> LOADSPACE

Your vehicle says a lot about your business. Say more with the Defender Hard Top’s instantly recognisable silhouette and fully customisable exterior signage panel.

The toughest Land Rover ever made, Defender Hard Top is hard to beat. Believe us, we’ve tried. Tested over millions of kilometres and thousands of trials, it’s built to last.

Vehicle shown is Defender Hard Top 110 in Tasman Blue.

LOADSPACE

> MORE INFORMATION

New Land Rover Defender Hard Top features up to 2,059 litres of practical, flexible loadspace, so there's no need to compromise. Ever. Find exactly what you're looking for fast with ultra-bright headliner lights, up to four times more luminous than standard passenger bulbs.

HARD TOP 110

- Loadspace capacity: Up to 2,059 litres (wet)*
- Loadspace length: Up to 1,472mm
- Loadspace width: Up to 1,423mm
- Loadspace height: Up to 937mm
- Loadspace tailgate opening height: 904mm
- Loadspace tailgate opening width upper/lower: 898/953mm

*Volume as measured by simulating the loadspace filled with liquid. Includes underfloor stowage, excludes jack and tools.

DEFENDER HARD TOP 110

CLEVER AND CONSIDERED STORAGE

Every single millimetre of floor space is configured to help maximise your business’s load capacity.

Protect your load and floor from scratching with integrated non-slip, heavy-duty mats. Fully removable for easy cleaning and access to the six fixed lashing points.

Hide expensive tools and other valuable items out of sight in Defender Hard Top 110’s illuminated and lockable underfloor storage spaces.

HARD TOP 110

- Vertical Access Hatch length: Up to 492mm
- Vertical Access Hatch width: Up to 514mm
- Horizontal Access Hatch length: Up to 224mm
- Horizontal Access Hatch height: Up to 369mm
- Forward Underfloor Stowage capacity: 155 litres (wet)*
- Rearward Underfloor Stowage capacity: 58 litres (wet)*

*Volume as measured by simulating the loadspace filled with liquid. Includes underfloor stowage, excludes jack and tools.

> CAPABILITY

CAPABILITY

> MORE INFORMATION

Defender Hard Top, our most capable Defender ever, has a host of features that ensure you can take your business anywhere.

TOWING

Hook up and go with a 3,500kg towing capacity. Advanced Tow Assist⁽¹⁾ gives you the freedom to reverse a trailer while Defender Hard Top takes care of counter steering.

CARRYING

Defender Hard Top is designed to carry the weight of your load with a maximum 800kgs payload with Defender Hard Top 110 or 670kgs.

WINCHING

A strong proposition in more ways than one. The remote-control electric winch⁽²⁾ has a pulling force of 4,536kg and can be operated up to 45 metres away.

⁽¹⁾Only available on Defender Hard Top 110.
⁽²⁾Not compatible with Front Expedition Protection System or 'A' Frame Protection Bar.

DEFENDER HARD TOP MEANS BUSINESS

Even the most extreme off road is never off limits with Defender Hard Top's extraordinary all-terrain capabilities and permanent All Wheel Drive.

[> INTERIOR DESIGN](#)

ALL WHEEL DRIVE

When driving across low-traction surfaces such as ice and snow, torque can be balanced between the front and rear wheels, providing greater stability and control.

ALL-TERRAIN CAPABILITY

Our unique Terrain Response systems enable the driver to optimise the vehicle's engine, gearbox, centre differential and chassis systems to match the demands of the terrain.

SUSPENSION

As comfortable on or off road thanks to independent front and rear suspension, plus a choice of coil or Electronic Air Suspension with Adaptive Dynamics.*

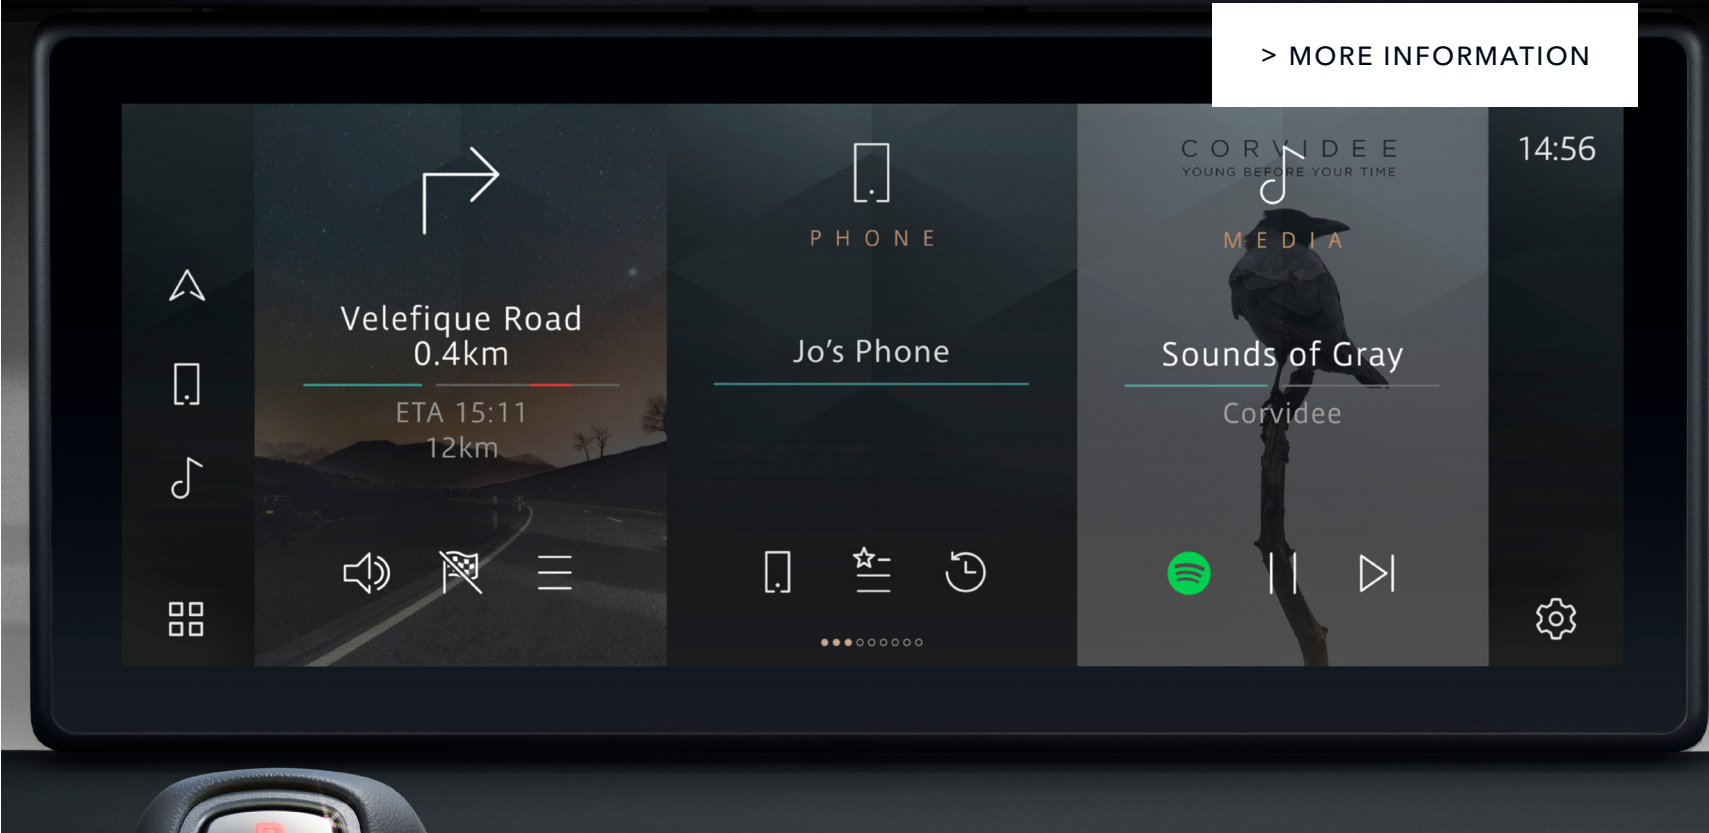

*Model dependent.
Vehicle shown is Defender Hard Top 110 in Tasman Blue.

INTERIOR DESIGN

An interior with purpose, your cabin is your office. Carry an additional passenger in comfort with a front row jump seat. At other times, fold it down to create an armrest with two cup holders. Keep you and your load safe with a fixed, full height load partition and rear meshed window. The Black, satin finish is both smart and robust, protecting against scratching and load deformation. Protect your interior from the exterior. Keep mud and dirt at bay with deep-sided rubber mats fitted as standard.

ALL-NEW INFOTAINMENT

Inspired by your smartphone. Our new infotainment system, Pivi Pro, delivers full connectivity and key information at a glance. Defender Hard Top's Navigation System learns your preferred routes and suggests faster alternatives should there be delays.

PERSONALISE DEFENDER HARD TOP FOR YOUR BUSINESS

> CONTINUED

The following pages take you through a logical series of steps to make your vehicle a true expression of your business. You have a number of choices: from selecting your engine and model, to exterior and interior colours, wheels, finishes and those detailed touches that define your character. You can start with our online configurator at landrover.ie

1

CHOOSE YOUR MODEL

Each model has a choice of distinctive features. This guide will help you to select your ideal Defender Hard Top.

2

CHOOSE YOUR ENGINE

You can now select your engine. You can choose from three powertrains.

3

CHOOSE YOUR EXTERIOR

Choose from a range of optional features to enhance Defender Hard Top’s supreme capability.

4

CHOOSE YOUR INTERIOR

Select from a range of interior features, seating styles, premium materials and trims to further customise the interior cabin.

5

CHOOSE YOUR LAND ROVER OPTIONS

For that finishing touch, select from a range of accessories.

CHOOSE YOUR MODEL

SELECT DEFENDER HARD TOP 110 FROM €61,680

Each model has a choice of distinctive features. This guide will help you to select your ideal Defender Hard Top. On the following pages you'll see the standard features for each model.

(1) WLTP is the new official EU test used to calculate standardised fuel consumption and CO₂ figures for passenger cars. It measures fuel, energy consumption, range and emissions. This is designed to provide figures closer to real-world driving behaviour. It tests vehicles with optional equipment and with a more demanding test procedure and driving profile. Figures are shown as a range under WLTP testing measures. The lowest figures refer to the most economical/lightest set of options. The highest figures refer to the least economical/heaviest set of options. WLTP legislation dictates that where there is <5g CO₂ variance between the lowest and highest figures, only the highest is declared.

IMPORTANT NOTICE: Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles, parts and accessories, and alterations take place continually. Whilst every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current specifications or availability, nor does it constitute an offer for the sale of any particular vehicle, part or accessory. Distributors and Retailers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

COLOURS: Image colours reproduced here are provided for illustrative purposes only. Colours are reproduced on-screen and may therefore vary compared to the actual finish. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Land Rover Retailer. Distributors and Retailers are not agents of Jaguar Land Rover Limited and have absolutely no authority to bind Jaguar Land Rover Limited to any express or implied undertaking or representation.

Information and images displayed in relation to the InControl technology, including Touchscreen, App screens, or sequences are subject to regular software updates, version control and other system/visual changes depending on options selected.

Optional features and their availability may differ by vehicle specification (model and powertrain), or require the installation of other features in order to be fitted. Please contact your local Retailer for more details, or configure your vehicle online. All in-car features should be used by drivers only when safe for them to do so. Drivers must ensure they are in full control of the vehicle at all times. Certain features require an appropriate SIM with a suitable data contract, which will require a further subscription after the initial term advised by your Retailer.
