

GMC
WE ARE PROFESSIONAL GRADE

2019
TERRAIN

CLAIM YOUR TERRAIN

Find your space, your place, your moment. The 2019 Terrain is the compact SUV reimagined with you in mind. Expressive design, relentless engineering and purposeful technology are the latest reminders that the same passion and purpose that drive you also drive us. We're setting our own standards and proving that Professional Grade isn't merely a label, it's a way of life. Terrain is the example that we're all pros. We take a bold stance for what we believe in and pursue it like a pro.

DESIGN

**| ENTICE
LIKE A PRO**

CREATING DESIRE UPON FIRST GLANCE IS OUR TRADEMARK. SO IS THE UNMISTAKABLE CONFIDENCE THAT HINTS AT THE ENGINEERING EXCELLENCE WITHIN THE 2019 TERRAIN.

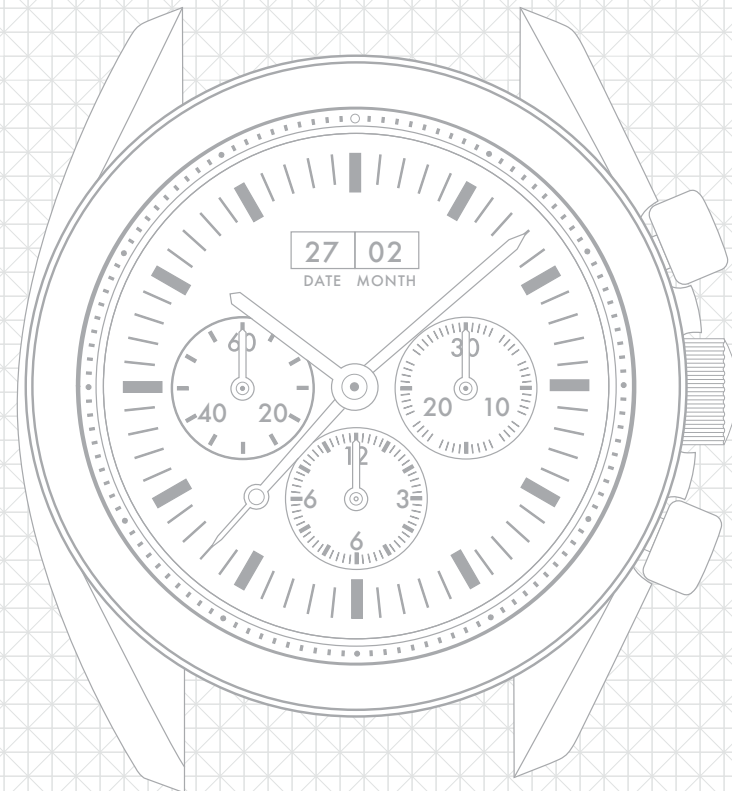

INSPIRATION

To create an interior you'd feel comfortable in, we drew inspiration from the worlds of aviation, architecture, furniture and even wristwatches. Their resistance to the typical and the ordinary helped us create an interior refined around you.

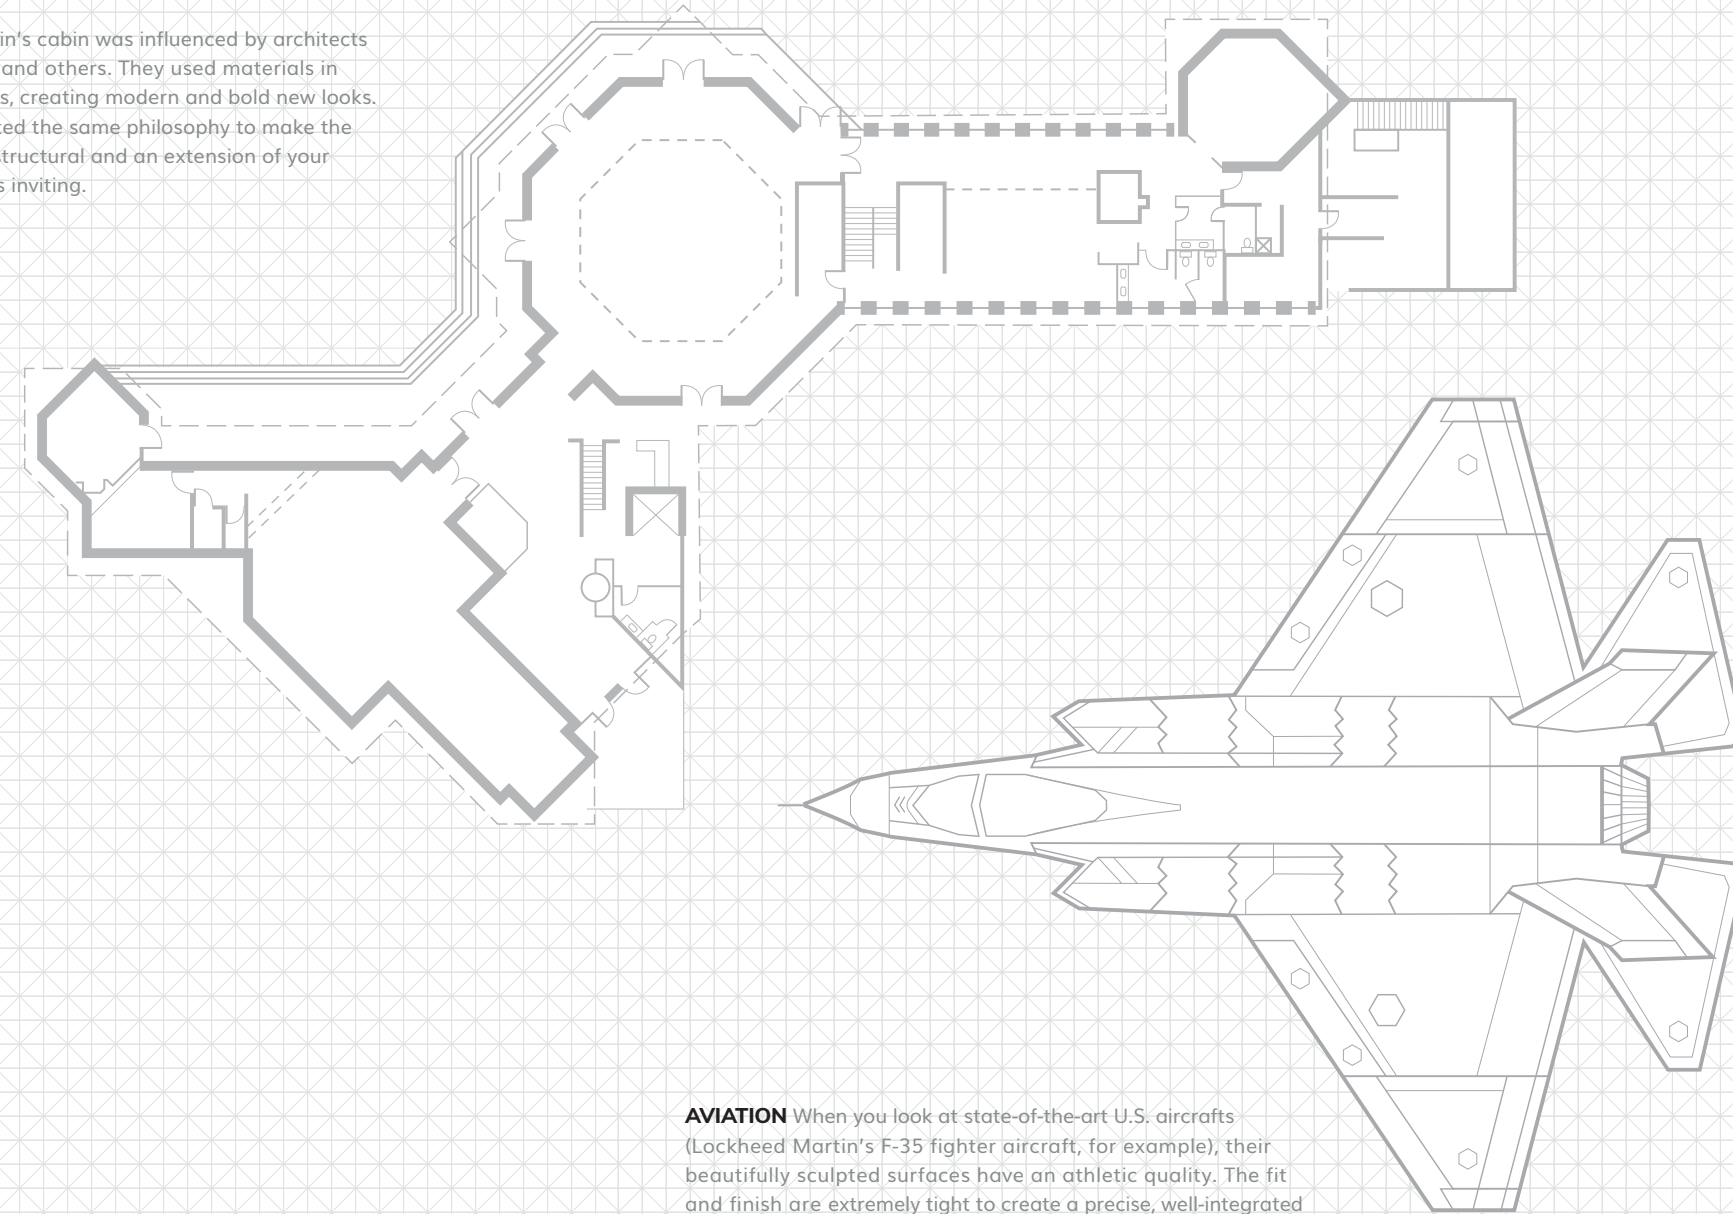

FURNITURE We were heavily influenced by modern furniture. To be specific, we drew inspiration from mid-century modern designs. The ideas that were shaped serve a purpose, nothing is frivolous or ostentatious. The placement of premium materials provides a sense of quality and attention to detail. The use of contrasting stitching and the feel of a soft-touch instrument panel give the sense the interior was designed just for you.

WATCHES We looked at high-end watches. Watches that projected a sense of quality and precision rather than decadence. For example, we wanted Terrain's gauges and infotainment screen to be high-tech and intuitive. The gauge cluster has a clean and easy-to-read design. Everything from the infotainment system to the latest technologies were intelligently engineered into the interior.

ARCHITECTURE Terrain's cabin was influenced by architects such as Eero Saarinen and others. They used materials in unique, innovative ways, creating modern and bold new looks. Our design team adopted the same philosophy to make the interior bold, modern, structural and an extension of your home. So it feels just as inviting.

AVIATION When you look at state-of-the-art U.S. aircrafts (Lockheed Martin's F-35 fighter aircraft, for example), their beautifully sculpted surfaces have an athletic quality. The fit and finish are extremely tight to create a precise, well-integrated appearance. These elements were brought into our design, giving Terrain's interior a sculpted look and feel.

TERRAIN DENALI INTERIOR IN TAUPE/LIGHT PLATINUM shown with standard equipment.

A DESIGN THAT DOESN'T STOP AT THE DOOR

There's a design harmony flowing between Terrain's exterior and interior to create a sense of consistency, spaciousness and symmetry. You'll find a blend of contemporary styling, premium soft-touch materials and authentic aluminum trim throughout the cabin. From your first entry, Terrain elevates the experience.

The image shows the front interior of a Chevrolet Terrain Denali. The seats are upholstered in a light taupe or light platinum leather-like material with a quilted pattern on the backrests. The dashboard, center console, and door panels are finished in a matching light color with dark wood trim accents. The steering wheel is black with the Chevrolet bowtie logo in the center. The instrument cluster and infotainment screen are visible on the right side of the dashboard. The overall aesthetic is clean, modern, and premium.

**EASY TO ENTER.
HARD TO LEAVE.**

TERRAIN DENALI INTERIOR IN TAUPE/LIGHT PLATINUM
shown with standard equipment.

**SPEAKS VOLUMES.
SILENTLY.**

TERRAIN SLT IN BLUE STEEL METALLIC
shown with standard equipment.

THE ART
OF TERRAIN

We've elevated Terrain's design to a major art form. It's bold and confident. Distinctive features, such as GMC C-shaped LED signature lighting surrounding the headlamps and taillamps, exclusive Denali grille and sculpted wheels, perfectly integrate beauty and purpose to catch your eye while optimizing functionality.

**IT MOVES.
STANDING STILL.**

ENGINEERING

2.0L I-4 Turbo

OVERACHIEVE LIKE A PRO

FROM THE BEGINNING, WE'VE RELENTLESSLY PUSHED THE BOUNDS OF PHYSICS,
SCIENCE AND MATHEMATICS TO NOT ONLY RAISE THE BAR, BUT COMPLETELY REINVENT IT.

TERRAIN DENALI IN GRAPHITE GRAY METALLIC
shown with standard equipment.

**YOUR DRIVE.
TURBOCHARGED.**

CHOOSE YOUR POWER

No matter how you drive, Terrain's turbocharged engines generate their own performance personality to match your needs. The 1.5L offers efficiency without sacrifice and the 2.0L produces strong acceleration and pulling power. Transferring all of this performance to the road are 9-speed automatic transmissions on the 1.5L and 2.0L models. In fact, Terrain is the only vehicle in its class to offer a standard turbocharged engine combined with a 9-speed transmission.

TENACITY

TRACTION: IT'S NAMED TERRAIN FOR A REASON

We expect you to challenge Terrain with a variety of driving environments, surfaces and conditions. The Traction Select system is engineered to allow you to make real-time adjustments to how Terrain responds based on those ever-changing driving situations. Front-Wheel-Drive (FWD) models feature Normal and Snow modes; All-Wheel-Drive (AWD) models offer Off-Road and an AWD Disconnect mode engineered to optimize efficiency.

HERE'S SOMETHING YOU DON'T HEAR EVERY DAY: QUIET

In a world filled with noise, Terrain fills the cabin with quiet. We've helped reduce unwanted engine noise with Active Noise Cancellation in every 2019 Terrain. This technology identifies and reduces undesirable sounds by constantly monitoring and measuring engine noise. Terrain works to cancel out unwanted engine sound while preserving the sounds you want to hear. In addition, Terrain features an acoustically laminated windshield to help minimize wind and other outside noise while driving.

TERRAIN DENALI INTERIOR IN JET BLACK
shown with standard equipment.

FUNCTIONALITY

PERFORM LIKE A PRO

EVERY ELEMENT IN TERRAIN GOES BEYOND ITS BOLD, CONFIDENT APPEARANCE. EACH ONE SERVES A HEIGHTENED PURPOSE—GIVING A WHOLE NEW MEANING TO UTILITY IN SUV.

WE ENCOURAGE CARRY-ONS

Terrain includes many storage solutions. For 2019, we replaced the traditional center console-mounted transmission shifter with a class-exclusive push-button and pull-switch-based Electronic Precision Shift System. This creates an expansive lighted under-console pass-through storage area along with side-by-side cupholders. There's also plenty of storage in the center console with an organizing system, upper and lower door panels and an expansive compartment built into the passenger-side instrument panel. We've also carved out plenty of under-floor storage in the cargo area.

A 2.4 METER LADDER? THERE'S ROOM FOR THAT, TOO

We designed Terrain to handle the varied demands of your life. It quickly goes from comfortably accommodating people to easily allowing you to use every centimeter of space for cargo. A front-to-back flat load floor includes new fold-flat front-passenger and 60/40 split folding second-row seats so you can carry long objects (up to 2.4 meters) with ease. When folded down, the hard material on the back of the front seat helps protect it from damage. With the front-passenger seat folded down, you have up to 2285 liters of max cargo space.¹ To access all of this space, Terrain offers an available hands-free power liftgate.

¹Cargo and load capacity limited by weight and distribution.

TERRAIN SLT INTERIOR IN JET BLACK/BRANDY
shown with standard equipment.

SETTLE IN. NEVER SETTLE.

Have a seat, but not just any seat. A major focus in designing the 2019 Terrain was seat comfort—no matter which row you choose. On Denali models, in addition to the heated and ventilated front seats, we offer rear outboard heated seats. Plus, rear-seat passengers get to personalize their comfort with two recline positions. The driver seat offers available eight-way power adjustments with two-way lumbar, and there is an available six-way front-passenger seat.

TERRAIN DENALI INTERIOR IN TAUPE/LIGHT PLATINUM
shown with standard equipment.

Terrain achieves the ultimate in support and comfort with seats engineered to maintain their shape from day one for the long road ahead.

PROACTIVE

HELP TO KEEP TROUBLE FROM FINDING YOU

To increase awareness of surrounding traffic, Terrain offers available intuitive driver-assist and safety technologies. They help you avoid collisions by helping keep Terrain in its lane and pointing out potential threats. And like a pro, no other competitor in its class offers a GM-exclusive Safety Alert Driver Seat.

Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

OUR LATEST INNOVATION: EASY TO USE

Terrain's infotainment system is familiar and easy to use. Smartphone integration projects your phone's screen and select apps onto Terrain's 7" or available 8" diagonal center screen—allowing you hands-free access to texts, NAV, music and more. And to truly make listening a pleasure, choose the available Bose® premium seven-speaker sound system.

AVAILABLE 8" DIAGONAL CENTER MULTI-TOUCH SCREEN INCLUDES:

- + APPLE CARPLAY™ COMPATIBILITY¹
- + ANDROID AUTO™ COMPATIBILITY¹
- + BLUETOOTH² FOR PHONE AND AUDIO STREAMING
- + ADVANCED VOICE RECOGNITION
- + NAVIGATION (AVAILABLE)

¹Vehicle user interfaces are products of Apple® and Google™ and their terms and privacy statements apply. Requires compatible smartphone. Data plan rates apply. ²Go to mygmc.com/learn to find out which phones are compatible with the vehicle.

DEFINE YOUR TERRAIN

Add your own exclamation point to the 2019 Terrain. GMC Accessories are designed so you can personalize your Terrain to fit your style as well as your needs. They're also engineered and tested to meet your standards.

CARGO PACKAGE Enhance the functionality of your cargo area with the Cargo Package. It includes a custom-molded, integrated cargo liner in Jet Black with red GMC logo that covers both the cargo-area floor and the back of the rear seat, providing enhanced protection when carrying items of various sizes. To keep items secure, the cargo net with integrated storage pouch prevents small items placed inside it from shifting while in transit. Conceal your possessions with the retractable cargo security shade, which mounts behind the rear seat and extends rearward above the cargo area when in use.

ROOF RACK CROSS RAILS Add function and style to your vehicle with the Roof Rack Cross Rail Package. These cross rails are removable and are the base for mounting other cargo-management accessories.

FLOOR LINERS Get maximum protection for the interior of your vehicle with premium all-weather floor liners. Specifically designed for your vehicle, they provide precise coverage around the interior trim, driver pedals, seat tracks and door jambs for substantial carpet coverage.

ROOF-MOUNTED CARRIER Conveniently and safely transport your bicycles with the versatile roof-mounted Sidearm Bike Carrier by Thule®. Accommodates disc brakes, thru-axles and other non-traditional frame styles, and offers maximum frame protection, making contact with only the wheel.

ALL-WEATHER FLOOR MATS Help protect the floor of your vehicle with the hardworking functionality of these premium all-weather floor mats. Featuring the GMC logo on the front mats, these precision-designed mats fit the floor of your vehicle exactly, and nubs on the back help keep them in place. The custom pattern collects sand, dust and other debris for easy cleaning.

BLACK GMC LOGO Enhance the appearance of your vehicle with a GMC Accessories GMC Emblem Package. These stylish black Emblems attach via adhesive backing.

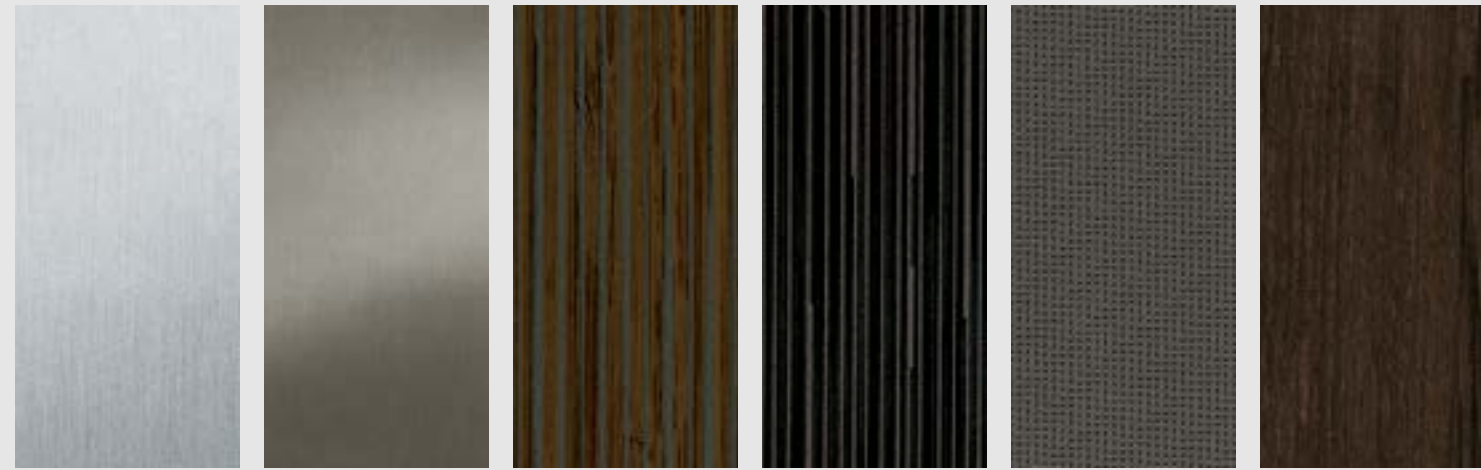

ASSIST STEPS Get in and out of your vehicle with ease with these stylish molded assist steps, featuring a textured pattern for more sure footing and the GMC logo in the center of the step.

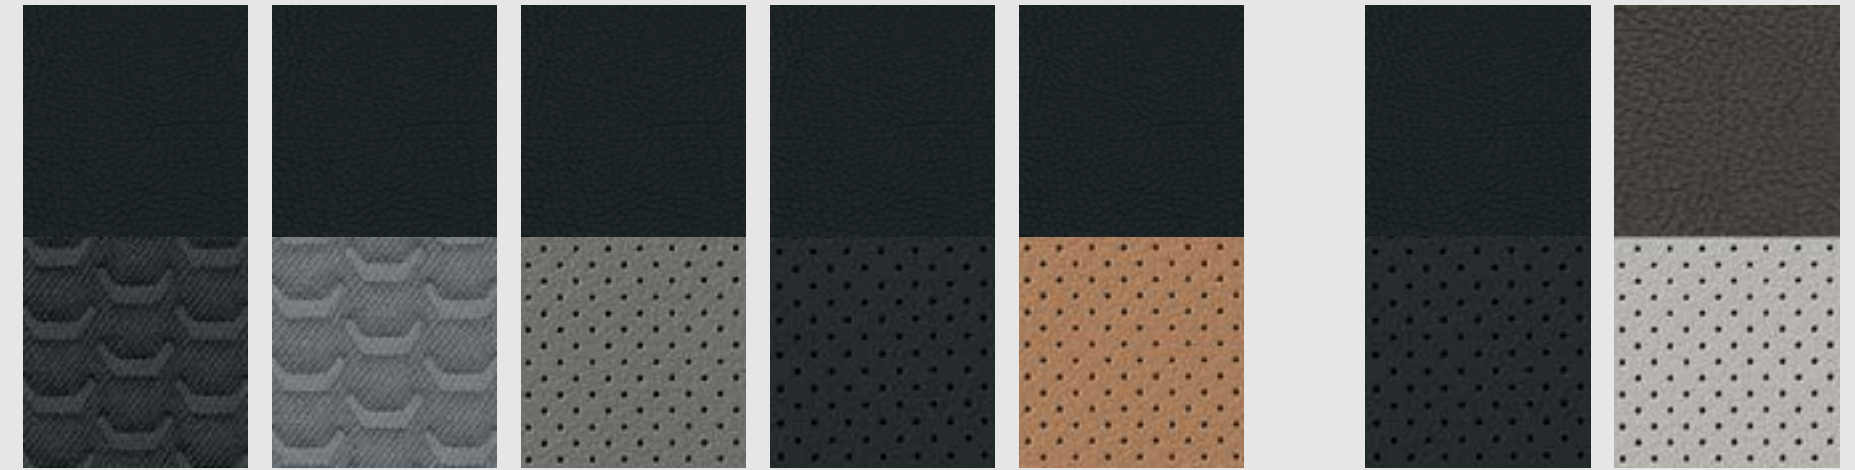

UNIVERSAL TABLET HOLDER Second-row passengers can easily use their tablets on the road with the universal tablet holder. It securely holds a single tablet against the front seatback in a choice of portrait or landscape orientations, attaching to the driver or front-passenger-seat head restraints posts.

¹Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. Data plan rates apply. ²Not compatible with all devices. ³The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adapter or back cover. To check for phone or other device capability, visit my.gmc.com/learn for details. ⁴Go to my.gmc.com/learn to find out which phones are compatible with the vehicle. ⁵Vehicle user interfaces are products of Apple® and Google™ and their terms and privacy statements apply.

Requires compatible smartphone. Data plan rates apply. ⁶A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner's Manual and child safety seat instructions for more safety information.

⁷Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ⁸Cargo and load capacity limited by weight and distribution.

WHO'S FOLLOWING WHOM?

At GMC, we don't want you to merely follow us on social media. We'd like to start a dialogue so we can learn more about each other. Join the conversation and share your passion for all things Professional Grade. gmcarabia.com | [#gmcterrain](https://twitter.com/gmcterrain)

GMC When you buy a GMC, you don't just take home a new vehicle. You also enjoy the peace of mind that makes driving your GMC a pleasant experience.

MIDDLE EAST VEHICLE TESTING

Every GMC is tested in the region, so we know it can withstand the climate. Then, before launch, we check and double-check every inch of the vehicle for optimal performance. GMC specifically develops many of its features—including its air conditioning, engine cooling systems, and paint—to perform in tough conditions. The result is a vehicle you can depend on.

BUMPER TO BUMPER 3-YEAR / 100,000 KM WARRANTY *

Every GMC comes with a comprehensive 3-year/100,000 km warranty to cover any eventuality. So wherever you are in the Middle East, you can be sure that any malfunction from defects in materials or workmanship will be taken care of.

COURTESY VEHICLE PROGRAM **

GMC strives for your convenience. In the unlikely event of a warranty repair involving extended repair times, you may be offered a suitable courtesy vehicle for your convenience.

MAINTENANCE PLEDGE

Our Maintenance Pledge is simple: every visit you make to a GMC dealer service center will be a satisfying one. Here's why:

- Our service and maintenance pricing is transparent, competitive, and comes with no hidden charges. You'll know up front how much it costs to maintain your vehicle throughout its warranty period.
- Our cost of maintenance is extremely competitive, and our service is second to none. Regular maintenance of your GMC at a GMC dealer service center will ensure it retains the highest possible resale value.
- For a scheduled maintenance service booked under appointment we guarantee same-day delivery of your vehicle—in most cases, while you wait.

ROADSIDE ASSISTANCE ***

Driving a GMC entitles you to free emergency roadside assistance and recovery 24 hours a day, 365 days a year, wherever you are in the Middle East, for a period of 4 years.

GMC PARTS

GMC's region-wide dealer network is supported by a well-stocked parts distribution center, ensuring constant availability of parts to keep your vehicle on the road.

GMC parts are priced to ensure low cost of maintenance and at the same time guarantee that you get genuine parts at competitive prices.

GMC CERTIFIED PRE-OWNED VEHICLES

All of our certified pre-owned vehicles come with the confidence of:

- A 110+ point quality inspection
- A minimum 12-month warranty
- 24-hour roadside assistance
- A 7-day exchange option***
