

GEELY EX2

ELECTRIC HATCHBACK

geelyauto.co.uk

SAY Hi TO SMARTER CITY DRIVING

Compact on the outside yet surprisingly spacious within, the Geely EX2 is designed for modern urban living. Easy to manoeuvre, easy to park, and effortless to live with – it fits seamlessly into busy streets, tight spaces and everyday routines.

WLTP range up to

214 MILES²

DC charge time 30% to 80%

25 MINS³

DRIVE CONFIGURATION

REAR WHEEL

Effortless performance, efficient charging and intelligent driving dynamics - all designed for the city and beyond.

DESIGN THAT STANDS OUT

Clean lines, confident proportions and distinctive details give the Geely EX2 a fresh, playful presence.

Blending aerodynamic efficiency with fun character, the result is contemporary, expressive and unmistakably electric. From signature lighting to thoughtful interior details, the Geely EX2 is designed to be enjoyed up close.

LED headlights
Adaptive LED headlights illuminate up to 170 metres ahead of you⁴. The feather inspired design is adopted in both the headlights and taillights.

Flush door handles
The semi-concealed door handles blend seamlessly into the side profile of the Geely EX2, with keyless entry as standard.

DESIGN THAT STANDS OUT

16” alloy wheels
Designed to stand out, the Geely EX2 rides on 16” alloys wheels, elevating its presence with bold confidence and modern style.

Two-tone paint
Pairing the body coloured paint with a striking black contrast roof adds a sharper, more sporty edge to the Geely EX2 (Ultra only).

MORE SPACE, MORE POSSIBILITIES

36
Smartly integrated storage compartments
1,320L
Boot capacity (rear seats folded down)
70L
Frunk storage capacity

SAY HI TO SPACE WITHOUT COMPROMISE

Thoughtfully designed to make everyday life easier, the Geely EX2 offers generous room for passengers, luggage and everything in between. From the spacious cabin to versatile integrated storage, it's space that adapts to how you move.

WRAPAROUND CABIN INTERIOR

Step inside the Geely EX2 and discover a cabin designed around you. Thoughtful ergonomics, soft-touch materials and refined finishes create a space that feels as good as it looks - every time you get in.

Thoughtful design meets premium comfort

The cabin is intended to create a welcoming environment for drivers and passengers. With intuitive controls and a clean, modern layout, every feature is within easy reach.

Set the mood inside the cabin

Customisable ambient lighting changes colour to match your style or mood, creating a modern and inviting atmosphere for every drive – with 256 colours to choose from (Ultra only).

Wireless phone charging

Simply place your phone on the wireless charging pad and let the Geely EX2 take care of the rest. No cables. No distractions. Just seamless charging while you focus on the road ahead (Ultra only).

CRAFTED FOR COMFORT

SYNTHETIC LEATHER UPHOLSTERY

**ELECTRICALLY ADJUSTABLE
FRONT SEATS**

**HEATED FRONT SEATS
AND STEERING WHEEL**
(Ultra only)

Five seat configuration

A true five-seat layout ensures that all occupants can travel comfortably, supported by a flat rear floor that improves legroom and ease of movement.

CONNECTIVITY AS STANDARD

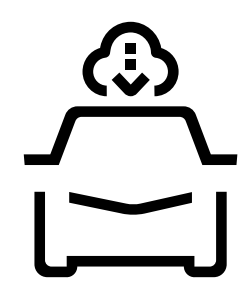

OVER THE AIR, INTO YOUR CAR

Over The Air (OTA) updates⁵ make owning a Geely EX2 effortless and rewarding, with new firmware and software sent directly to your car.

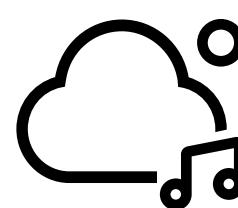

Geely Connected Services

Built-in 4G connectivity with a monthly data allowance included for two years⁶. Stream, get real-time traffic updates and control your Geely EX2 from the Geely app.

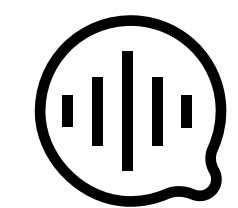

Over the air updates⁵
The latest updates and newest features directly from Geely to your car. (Active internet connection required.)

Media streaming
Access your favourite music, podcasts or audiobooks, without having to touch your phone.

Geely app store
Browse the latest applications purpose-built for your car.

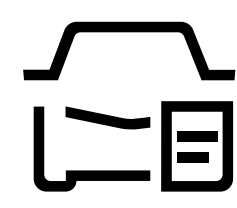

Voice control
Ask your Geely EX2 to open your window for example, and it even recognises who spoke based on their position in the car.

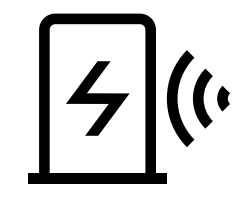

Remote vehicle functions
4G connectivity allows you to communicate with your car via the Geely smartphone app.³

Vehicle location
Locate your Geely EX2 on a map or by activating the horn.

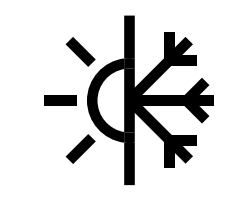

Vehicle status
Check the interior temperature, whether the vehicle is locked or how much range you have, for enhanced control.

Scheduled charging
Take advantage of off-peak energy periods at home by scheduling charge times.

Comfort seats
Heat your seats, and heat your steering wheel, all before you enter the car. (Geely EX2 Ultra only.)

Climate control
Activate the car's air conditioning functions, including the demister and temperature control.

Doors and windows
Lock and unlock doors, or open a window for airflow, before you arrive at the car.

Tailgate
Lock and unlock the tailgate or frunk to allow for remote access (Geely EX2 Ultra only.)

SAY Hi TO ELECTRIC FREEDOM

Whether it's the daily commute or a spontaneous detour, the Geely EX2 turns every journey into something to enjoy. Smooth electric power, confident handling and intelligent assistance systems work together to make city streets feel effortless - and the open road feel inviting. Wherever you're headed, the Geely EX2 brings confidence to your drive.

CHARGING MADE EASY

Home charging

A range of home charging solutions are available. Speak to your Authorised Geely Dealer to find the right one for you.

Public charging

Utilise public charging when you're on the move, or if you're unable to charge at home. The UK's public charging network is constantly growing

Getting you moving in 25 minutes

Charge your Geely EX2 from 30-80% in around 25 minutes with DC charging up to 80kW³.

The specifications, features, and descriptions provided for the Geely EX2 are based on information available at the time of publication (July 2026) and are subject to change without prior notice. Actual specifications may vary by model trim. Images shown are for the Ultra and are for illustration purposes only and may include optional features not available on all models. To the extent permitted by law, Geely Auto UK holds no liability for any reliance on the information provided in these materials. Geely Auto UK reserves the right to make modifications to the product, design, equipment, and availability at its sole discretion. Consult your authorised Geely Dealer for the latest information and availability. Advanced Driver Assist Systems (ADAS) features are designed to assist the driver but do not replace the need for attentive driving. Performance may vary depending on weather, road conditions, and other external factors. Drivers must always remain in control of the vehicle and comply with road laws. Refer to the Owner's Manual for detailed information on system limitations. Apple CarPlay® is a registered trademark of Apple Inc. Android™ Auto is a registered trademark of Google Inc. Apple CarPlay® and Android™ Auto support specific applications and devices. Compatibility and functionality may depend on the operating system and software version of the connected device. Use of these features while driving must comply with local road safety laws. Bluetooth functionality is dependent on device compatibility and software version. Features such as call handling, music playback, and other Bluetooth services may vary between devices. Check with your authorised Geely Dealer for compatibility details. Wireless charging functionality is compatible with specific devices that meet the Qi standard. Charging performance may vary depending on device type, battery condition, and usage during charging. Non-compatible devices may require additional accessories. Always ensure the charging surface is free from objects to avoid interference. Geely Connected Services are provided through a SIM card that is permanently installed in the vehicle. Features may vary by model, market, and service provider. Subscription fees may apply after the initial trial period. Check with your authorised Geely Dealer for more information. Geely Auto UK Ltd is not responsible for service interruptions caused by network or coverage limitations.

Hi, WE'RE GEELY.

We're a global automotive group with nearly 40 years of heritage.
We've spent the last 15 years investing in the UK's automotive industry.
And we couldn't be prouder to launch here with the Geely EX2.

It's the next chapter in a journey built on ambition, growth and a
commitment to the road ahead. Because while Geely might mean 'lucky',
this isn't about fortune.

This is about our mission to power progress and move
people forward with confidence and optimism.

GEELY = LUCKY

DISCLAIMER

¹ Data taken from the Chinese Passenger Car Association.

² The stated electric range of up to 214 miles is based on the Worldwide Harmonised Light Vehicle Test Procedure (WLTP) and applies to Geely EX2 Max and Ultra only. Actual range may vary depending on driving style, road conditions, vehicle load, use of climate control and other factors. Figures are provided for comparison purposes only and may not reflect real-world driving results.

³ Based on 60kW DC fast charging from 30% to 80% under optimal conditions for Geely EX2 Pro and 80kW DC fast charging from 30% to 80% under optimal conditions for Geely EX2 Max and Ultra. Actual charging times may vary depending on various factors including, but not limited to, the battery age, condition, temperature, and existing charge, facility used, and duration of charge.

⁴ The stated headlight range of up to 170 metres is based on laboratory testing under controlled conditions. Actual real-world performance may vary due to factors such as weather, road conditions, vehicle load, and cleaning/maintenance.

⁵ OTA updates available with an active subscription (free for the first two years). Update availability may vary by model and software version.

⁶ 3GB of 4G data per month included for the first year and 2GB of data per month included in year 2.

⁷ Vehicle driver assistance and safety systems are not a substitute for attentive driving. Drivers retain full responsibility for providing the necessary inputs for safe control of the vehicle. System descriptions within this pricelist are provided for information purposes only. System limitations and operational requirements apply. See manual for details.

⁸ The stated maximum power of 85kW applies to Geely EX2 Max and Ultra only. The maximum power of the Geely EX2 Pro is 60kW.

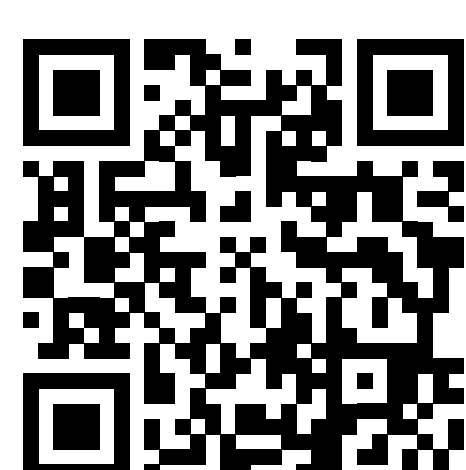

⁹ The stated acceleration speed of 11.5 seconds applies to Geely EX2 Max and Ultra only. The acceleration speed of the Geely EX2 Pro is 14.2 seconds. 0–62 mph acceleration time measured under standardised test conditions. Figures are provided for comparison purposes only. Actual results may vary according to vehicle specification, battery charge level, environmental conditions and driving conditions. Performance figures relate to a vehicle with sufficient battery charge. Acceleration performance may be reduced at low battery charge levels or in certain temperature conditions.

¹⁰ For full warranty terms and conditions, including details of cover outside of base and battery warranties, click here - geelyauto.co.uk/geely-auto-warranty-commitment.

¹¹ The stated electric range of up to 156 miles is based on the Worldwide Harmonised Light Vehicle Test Procedure (WLTP) and applies to Geely EX2 Pro only. Actual range may vary depending on driving style, road conditions, vehicle load, use of climate control and other factors. Figures are provided for comparison purposes only and may not reflect real-world driving results.
