

i20

Welcome to Hyundai. Welcome to Candoism.

Innovation is at the heart of what we do. We call it 'Candoism' and it keeps us focused on the future. Since launching our industry-leading 5 year unlimited mileage warranty, we've become one of the world's fastest growing car companies.

In 2016 we launched IONIQ – the only car available in Hybrid, Electric and Plug-in Hybrid options. 2017 saw us premiere the i30 N, an exciting dive into the world of high quality performance vehicles. In 2018 we introduced the Kona electric, the first fully-electric subcompact SUV in the European market. 2019 has seen the launch of NEXO, our latest innovation in the mass production of zero-emission Hydrogen Fuel Cell vehicles. We've also revolutionised the buying experience with Click to Buy – our clever website which allows you to buy your next Hyundai from the comfort of your sofa. We're proud of what we've achieved in a short space of time.

So what happens next? The answer is inspired by you, our customers, because our next innovation will happen with you in mind. For us 'done' will never be 'done' – we're always excited to start again. Welcome to Candoism. Welcome to Hyundai.

The i20 arrives with an array of impressive features, from expressive design and state-of-the-art safety innovations, to seamless connectivity and an extra-roomy interior. Perfect for a spontaneous road trip or a quick drive to the shops – it's the perfect overall package.

Dynamic design to capture your imagination.

With its eye-catching profile and design, the i20 really stands out from the crowd.

The expressive exterior now features boldly sculpted bumpers and Hyundai's signature Cascading Grille, which is framed by sweeping headlights with a unique LED light signature. The sporty fog lights and striking alloy wheels complete the dynamic look and add to its athletic appeal.

Luxurious quality everywhere you look.

The i20 offers a winning combination of outstanding space and an elegant interior design. You'll enjoy a look that's as fresh inside as it is outside.

The premium cloth on the seats, plus beautiful stitching on the steering wheel offers an even more distinctive look. With space, style and refinement that is hard to find in a compact car, the cabin exudes a high-quality atmosphere. The sporty heated steering wheel features ergonomically positioned controls so you can stay connected and in control.

Shifts gears, transforms mindsets.

People used to think you needed a big engine to get good performance. That mindset has shifted thanks to the i20.

The sporty and economical 1.0 T-GDi engine delivers 100PS and 172 Nm and provides a perfect combination of dynamism and efficiency. It is available with a new 7-speed dual-clutch transmission (7DCT), which combines the fuel efficiency and driving fun of a manual transmission with the convenience of an automatic transmission.

Seamless connectivity on every trip.

The i20 provides you with the kind of seamless connectivity you'd expect, so you can keep in touch with your friends and family on every trip.

Ideally located for optimal access, the new 7" touchscreen supports Apple CarPlay™ and Android Auto™ so you can connect your phone and have your music, phone and app functions up on the big screen. Conveniently located AUX-in and USB ports also provide easy connectivity and fast charging.

Spacious comfort for you and your family.

For us, space isn't a luxury. It's a must. That's why the i20 provides some of the best legroom in its class, with an outstanding capacity for five adults.

If you need to load something bulkier – the 60/40 split-rear seats can easily be folded completely flat. This increases the boot capacity from 326 litres to 1,042 litres (VDA), which gives you a whole lot of uncompromised space.

Welcome to Hyundai SmartSense.

The i20 now also features Hyundai SmartSense – our cutting-edge Advanced Driver Assistance Systems.

Enjoy more safety on the road, and extra peace of mind on every trip. From automatically braking to avoid a collision and helping you stay in your lane, to automatically switching the high beam headlights on and off for better visibility, the i20 is designed to protect you and your passengers.

Lane Keeping Assist (LKA). At speeds over 37 mph the system alerts the driver about unsafe movements. In case of an unintended lane departure, it will warn the driver and can apply counter steering torque to guide the car back to a safe position.

Autonomous Emergency Braking (AEB). Automatically applies partial or maximum braking force if a potential collision is detected.

Driver Attention Alert (DAA). This standard feature raises safety and convenience to an entirely new level by continuously monitoring and analysing driving patterns. When a pattern of fatigue or distraction is identified, DAA gets the driver's attention with an audible alert and pop-up message suggesting a break.

Emergency Stop Signal (ESS). ESS helps warn surrounding traffic when emergency braking on the i20 is detected.

Hyundai Finance

Hyundai Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements, our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist your car purchase:

CONDITIONAL SALE

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple — you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

RETURN: you can hand the car back to us with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

RETAIN: you can pay the optional final payment and the car is yours.

RENEW: you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

T&Cs apply. Subject to status. Applicants must be 18 or over. Guarantee/Indemnity may be required. Hyundai Finance, RH1 1SR

5 Year Unlimited Mileage Warranty

At Hyundai we continually invest in the latest manufacturing technology designed to give you years of enjoyable motoring. Our trust in our products is backed up by our comprehensive aftercare package to ensure you have the best possible experience as a Hyundai owner.

Only Hyundai-trained technicians will carry out any warranty work, and we'll also check for any software updates to keep your car running smoothly. You can be sure that we'll only use Hyundai Genuine Parts - tested and approved by us.

5 YEAR UNLIMITED MILEAGE WARRANTY

Peace of mind comes as standard with our manufacturer-backed, unlimited mileage, 5 year warranty* which protects your Hyundai against manufacturing defects and is fully transferable to the next owner.

HYUNDAI ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands, with Onward Travel included to get you home if your car can't be fixed at the roadside†.

5 ANNUAL VEHICLE HEALTH CHECKS

Free, expert visual inspections by your Hyundai dealer on key areas of your car, to help spot any potential problems early.

ADDITIONAL AFTERCARE

A 12 year anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

* Vehicles used for taxi, daily rental hire and reward or light commercial vehicles are limited to 100,000 miles. Terms and conditions apply. Visit hyundai.co.uk/warranty for further details.

† Complimentary Hyundai Roadside Assistance automatically covers your Hyundai for 12 months from the date of first registration and can be re-activated annually upon adhering to the recommended service schedule at an Authorised Hyundai Dealer. Visit hyundai.co.uk/assistance for further details.

Motability Plans

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit www.motability.co.uk

Hyundai Service Plans

For the school runs and the shopping trips. The multi-storeys and the motorways. Holidays, the commute, the appointment you simply can't be late for. This is your driving life.

Hyundai Service Plans are a convenient way to plan ahead, with a bespoke plan, tailored for your individual circumstances. So you're simply free to live your driving life knowing your servicing costs are already covered. With payment options to suit you and no interest or credit checks. Just the certainty that your Hyundai is always in great hands.
