SAFETY STARTS WITH YOU.

Offering up the most powerful 1.4L engine in its class, Spark is the fuel-efficient car that turns heads and turns new corners in providing confidence as well as control. The Spark is also designed for a confident drive every time you get behind the wheel. In addition to 2 standard air bags, antilock brakes and a high-strength steel safety cage, Spark offers a number of available safety features to help you stay safe on the road.¹

HELLO, TECHNOLOGY.

With Spark's Infotainment System and Apple CarPlay™ compatibility, you can simply and smartly connect with some of your most used iPhone® features, including Maps, Music, Messages and Phone, right on your touchscreen display.²

¹ A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.
² Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the U.S. and other countries.
