Ford Kuga Vignale, in Milano Grigio body colour, Appearance Pack, Bumper Styling Pack and exclusive 19" alloy wheels (options at extra cost)

***A new expression
of Ford.***

Ford Vignale is a unique ownership experience. It appreciates the value of your time with services and benefits that help you make the most of this precious commodity. The vehicles themselves shine with craftsmanship and attention to detail.

*Immerse yourself
in total luxury.*

To enter the cabin of a Kuga Vignale is to immerse yourself within a world of contemporary luxury. A Ford Vignale welcome screen greets you and the quilted leather seats are sumptuous and inviting. Exclusively sourced soft-touch leather extends across the top of the fascia to create a full leather interior in the truest sense.

Please note: Front head restraints may vary slightly to design shown.

**Your dedicated
Ford Vignale
Relationship
Manager.**

When you enjoy the full Ford Vignale experience in a **Ford Store** you can sample exclusive materials and colours in the tranquil environment of a **Ford Vignale Lounge**. To help free up your valuable time, a specially-trained **Vignale Relationship Manager** will provide a personalised service tailored to your requirements.

**Only found on a
Ford Kuga Vignale.**

Exclusive features such as optional chrome styling on front and rear bumpers, hexagonal-style mesh front grille and optional 19" 10-spoke alloy wheels – all distinguish Vignale from other Kuga models. You can also order your Kuga Vignale in Ford's Milano Grigio paint colour, unique to the Ford Vignale range.

Ford Kuga Vignale in Magnetic body colour, Appearance Pack and Bumper Styling Pack (options at extra cost) and exclusive 19" alloy wheels (optional at extra cost).

*Designed to make
your life easier.*

The Ford Kuga Vignale makes your driving experience as easy as possible. **Ford SYNC 3** lets you control infotainment with remarkably simple voice commands. At the push of a button, **Active Park Assist** is designed to steer you into parking spaces. While **Keyless Entry** with **hands-free tailgate** means you won't have to fumble to find your key when your hands are full.

*It's all about your
time.*

Ford Vignale recognises that time is your most precious commodity. That's why we can work to your schedule and arrange an extended test drive, so that you can fully appreciate the vehicle's qualities. Furthermore, the handover of your new Ford Vignale can be at the time and place most convenient for you.

**Let us take care
of it.**

As a Ford Vignale owner, you need only call **one number** to access everything relating to Ford Vignale Services. Whether it's arranging collection for servicing at a place of your choice or a loan vehicle to be brought to the collection point, one call – day or night, seven days a week – and we will take care of it.

The fuel economy figures quoted in the table below are achieved by following strict EU governed test procedures and are specifically designed to enable customers to compare vehicles from all manufacturers on a like-for-like basis. Fuel consumption is directly affected by the length of the journey; number of passengers and amount of luggage carried; individual driving style; road and traffic conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle such as the addition of a roof rack. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures (below) in day-to-day driving, although the vehicle is technically capable of doing so.

*In 4th gear. ⁹⁰Ford test figures. ⁹⁰The declared fuel/energy consumptions, CO₂ emissions and electric range are measured according to the technical requirements and specifications of European Regulation (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO₂ emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors are very important in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded from <http://carfueldata.dft.gov.uk/>

M6 = 6-Speed manual, MPS6 = 6-Speed PowerShift Automatic, A6 = 6-Speed Automatic. DPF = Diesel particulate filter. BP Ultimate can boost power and acceleration, lower exhaust emissions and improve fuel economy, compared with ordinary fuels.

Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. **+**The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.
