VIP SERVICE CLUB

OFFERING YOU PEACE OF MIND

BRENWOOD VIP SERVICE CLUB

GIVING YOU COMPLETE PEACE OF MIND

Brenwood Motor Company's service plan helps you spread the cost of your motoring maintenance and beat inflation!

By paying a small monthly fee towards your plan, you will cover the cost of your servicing and MOT each year (including all parts and labour) for the period of the plan. And as the payments will not increase over this time, you will avoid any potential price increases.

If you decide to change your car, you can use the money paid into your plan towards the cost of a new car from Brenwood instead.

But that's not all! As a VIP member of our service Club you'll also receive:

- A complimentary introductory pack worth £15
- A courtesy car guaranteed when you book your car in for a service
- A collection and delivery service
- A mini valet when you book in advance
- A free winter check - giving you extra piece of mind when it matters most
- A "1/2 price Brenwood Service" introductory voucher to offer to a friend

So, with your plan in place and the cost of motoring budgeted for, you can relax knowing that you are covered.

What is covered in the plan?

Includes a service and an MOT per year, with parts and labour also included in the cost.

Why should I choose the plan?

With fixed payments for the period you can beat inflation and price increases and spread the cost of your car maintenance with small manageable payments.

Are my payments transferable?

A flexible plan, you have total control of your payments with the option to use your funds to contribute towards the payment of a new car.

Will the payments change?

The payments are guaranteed to remain fixed for the term of your plan.

Can I cancel?

You can cancel your plan at any time and if you have not used your plan you can receive a refund of monies left in the account.

If you have any other questions about the plan feel free to call us on 01592 655550
