

JAGUAR INSURANCE

ASSET PROTECTION

JAGUAR

INTRODUCTION

Did you know that if your vehicle is written off as a total loss through an accident, fire, theft or adverse weather conditions, most motor insurance companies would only pay out the current market value of your vehicle, and not the original purchase price of your vehicle when you bought it?

For example, if a vehicle costing £33,000 was written off after 12 months, most motor insurance companies would pay out the current market value, which might only be £29,500.

If you wanted to then replace your vehicle with one of similar value, you would have to find the difference.

Or, if you had taken out finance to spread the cost of paying for your vehicle, then you could find that the amount received from your motor insurance company was less than the amount you still owed on your finance agreement.

In either event, you could be out of pocket – this is where Jaguar Asset Protection could help you.

Jaguar Asset Protection provides an exceptionally high level of cover and has received the top 5-star rating by Defaqto, the UK's leading independent financial services rating agency.

SIGNIFICANT EXCLUSIONS

If the vehicle is:

- Used as an emergency or military vehicle, courier or delivery vehicle, invalid carrier or driving instruction vehicle.
- Used for hire or reward of whatsoever nature, or as a taxi.
- A scooter, motorcycle, touring caravan, non-UK specification vehicle or not built for principal sale in the UK or classed as a grey import, kit car, bus, coach, commercial vehicle more than 3.5 tonnes, truck, heavy goods vehicle or any vehicle not listed in the Glass's Guide publication.
- Used for track days, road racing, rallying, pace-making, speed testing or any other competitive event.

- Written off by someone not eligible to drive your vehicle under the terms of the motor insurance policy for whom you gave consent or where the person driving your vehicle did not have fully comprehensive insurance in place for the vehicle.
- Written off after it was taken or driven without your consent by a family member, spouse or partner.
- Over ten years old at the start date of the policy.
- Over 100,000 miles at the start date of the policy.
- Not registered with us within 100 days from the date of original purchase.
- Subject to a contract hire or lease agreement.
- Modified other than in accordance with your vehicle manufacturer's specification. In this instance, cover will not be provided if it is determined that the total loss occurred as a result of this modification.

Where total loss results from:

- Your vehicle being driven in the European Union other than the United Kingdom or any other country shown on an International Motor Insurance Card ("Green Card"), where you have not kept in force a motor insurance policy providing an equivalent level of cover as you would have enjoyed in the United Kingdom.
- You do not have comprehensive motor insurance in place from the start date until the date of total loss.
- The insured vehicle is owned by a garage, vehicle trader or any other associated vehicle trade company.
- If you take the option under your motor insurance policy to replace the vehicle, new for old, following the agreed total loss of the vehicle covered hereunder.
- Any arrears, default or late payment charges, excess mileage charges, maintenance and recoverable VAT, any warranty, new vehicle registration fee, any insurance premiums, road fund licence, fuel and paintwork protection applications or negative equity transferred from a previous agreement.

JAGUAR ASSET PROTECTION

If your vehicle is written off and a settlement offer is made by your motor insurer (or 3rd party through an accident management company), we will pay you the difference between the amount paid out by your motor insurer (or 3rd party through an accident management company) and the original purchase price you paid for your vehicle.

If your vehicle is subject to a finance agreement and the early settlement amount is greater than the original purchase price you paid for your vehicle then we will pay you the difference between the amount paid out by your motor insurer (or 3rd party through an accident management company) and the finance early settlement amount.

Any payment will be paid directly to the finance company on your behalf.

Whether you have purchased your vehicle on finance or not, Jaguar Asset Protection could return you to the original position you were in when you first purchased your vehicle.

The charts below illustrate how much Jaguar Asset Protection could pay out if you purchased a vehicle for £33,000 and it was written off in either the 1st, 2nd or 3rd year of your policy.

Can I transfer my Jaguar Asset Protection policy to a new owner or a new vehicle?

It is not possible to transfer your Jaguar Asset Protection policy to a new owner.
