

WHEN THERE'S  
**TOUGH**  
TO BE DONE

---

THE NEW-GENERATION  
**HILUX**

---

MODEL SHOWN: 2.8 GD-6 4X4 RAIDER X 6AT

INTRODUCTION

# XTRA CAB. XTRA CAPABLE. XTRA TOUGH. XTRA HILUX.

---

When there's tough to be done, you don't reach for a vehicle that only looks the part. You reach for the New-Generation Hilux Xtra Cab. The one that's proven itself on South African soil.

The New-Generation Hilux Xtra Cab has earned every kilometre of its reputation. Forged from decades of legend, it now arrives sharper, more advanced and better equipped than ever; built for operators who demand a capable all-rounder with smarter technology where it matters most.

From the Highveld to the Karoo, the job doesn't care what day it is. And the Xtra Cab keeps the Hilux promise clear: toughness is not a claim. It is standard.

MODEL SHOWN: 2.8 GD-6 4X4 RAIDER X 6AT

# XTRA LOAD. XTRA CALL.

The New-Generation Hilux Xtra Cab range is built for tough roads. Powered by the proven GD-6 diesel performance, it delivers raw strength, the practicality of an extended cab, and the no-nonsense confidence of the Raider X grade. Whether you're chasing efficiency with rear-wheel drive or demanding the muscle of 4x4 traction, there's a New-Generation Hilux Xtra Cab ready to take on the job. No excuses, just capability.

**2.8 GD-6 RB Raider X 6AT:** For the operator who wants stronger performance, refined appointments and advanced safety to match.

**2.8 GD-6 4x4 Raider X 6AT:** Peak power and full all-terrain ability. When the road ends, this is where you belong.

## XTRA CAPABLE. XTRA READY.

When there's tough to be done, dependability must answer.

The New-Generation Hilux Xtra Cab range runs on Toyota's unstoppable GD-6 turbodiesel engine. The 2.8 GD-6 ups the ante with serious pulling power for those who demand more. With an automatic gearbox and the choice of rear-wheel drive or full 4x4 traction, the Xtra Cab lets you match the machine to the mission, no matter the terrain.

At its core, the ladder-frame chassis is the backbone of Hilux's unbreakable reputation. Built to haul, tow, trek and endure, the Xtra Cab is the capable all-rounder for South Africans who need to carry heavier loads, pull harder, and keep moving long after other vehicles have tapped out.

**2.8GD-6** 150 kW @ 3000 – 3400 r/min 500 Nm @ 1600-2800 r/min  
6-speed automatic (4x2 and 4x4)

# TOUGH XTERIOR

The New-Generation Hilux Xtra Cab wears its toughness with greater precision. A bold new front and rear design creates a stronger, more technical appearance. Every line, angle and detail has been shaped with strength in mind.

## Key features include:

- 18-inch wheels that enhance both capability and presence
- LED daytime running lights for a sharper, more distinctive identity
- Blind Spot Monitor integrated into the side mirror for added awareness
- Parking sensors to make manoeuvring easier and more convenient
- Deckside and rear access steps for faster, easier and more secure loading and unloading

# XTRA COMFORT

The New-Generation Hilux Xtra Cab introduces a redesigned cabin for long days, early starts, and every kilometre in between. With a more modern interior and practical technology, it's built to work as hard as those behind the wheel.

**Key interior and connectivity features include:**

**A redesigned cabin experience, featuring:**

- Restyled dashboard
- Updated steering wheel
- A 12.3-inch infotainment display

Practical storage solutions, designed for everyday gear and essentials

**Raider X model comfort and convenience upgrades, including:**

- Wireless charging
- Leather finishes

**MyToyota Remote\*, giving you access to:**

- Remote Door Lock and Unlock
- Remote Close Window
- Remote A/C and Schedule A/C
- Find My Car
- Anti-Theft Alarm

Comfort that's been earned. Technology that works as hard as you do. A cabin built for life behind the wheel of a Hilux.

\* MyToyota Remote features are available on the New-Generation Hilux, accessible via the MyToyota App.

Restyled dashboard

Wireless charger

# XTRA SAFETY

---

The New-Generation Hilux Xtra Cab proves that toughness is about more than performance, it's also about protection. With advanced safety systems and driver assistance technology, it delivers confidence on every journey.

Because the load matters. And so do those who carry it.

**Key safety features include:**

**Core safety systems across the range:**

- Anti-lock Braking System (ABS)
- Electronic Brake-force Distribution (EBD)
- Brake Assist (BA)
- Vehicle Stability Control (VSC)
- Seven airbags

**Toyota Safety Sense 3.0 provides intelligent driver assistance that:**

- Detects potential hazards early
- Supports braking and steering when needed
- Helps keep you focused on the road ahead

**Enhanced awareness technology, including:**

- Blind Spot Monitor with Rear Cross Traffic Alert and Safe Exit Assist (both new to the Hilux range)
- 360-degree Panoramic View Monitor for improved visibility in tight spaces and low-light conditions

# TOYOTA ENVIRONMENTAL CHALLENGE 2050

AT TOYOTA, CREATING TECHNOLOGICALLY ADVANCED VEHICLES ISN'T OUR ONLY PRIORITY; WE'RE COMMITTED TO LOWERING OUR ENVIRONMENTAL IMPACT THROUGHOUT OUR ENTIRE PRODUCTION PROCESS. HOW? BY SETTING OURSELVES SIX CHALLENGES THAT WILL SEE US REACH A TRULY WORLD-CHANGING GOAL - A POSITIVE ENVIRONMENTAL IMPACT BY 2050.

The message is clear – Toyota Motor Corporation (TMC) wholeheartedly supports the Paris Agreement and accepts the challenge to achieve carbon neutrality by 2050. The Paris Agreement is a legally-binding international treaty on climate change and is aimed at reducing the emission of gases that contribute to global warming. While this treaty was only adopted in 2015, Toyota has been innovating and investing in technology to reduce emissions and achieve carbon neutrality for well over 30 years. Toyota has also led the way with more electrified vehicles on the road than any other automaker.

THE TOYOTA HILUX HAS BEEN MANUFACTURED TO MINIMISE ITS CARBON FOOTPRINT.

Guided by the goals of the Toyota Environmental Challenge 2050, as little impact as possible is made on the environment during each step of the process. From design to manufacturing, to end-of-life recycling programmes, our planet always comes first. This is because the ultimate long-term goal for Toyota is to make all our vehicles as environmentally friendly as possible. With this in mind, the entire Hilux range has been designed to have very low CO<sub>2</sub> emissions.

## CHALLENGE 1

### NEW VEHICLE ZERO CO<sub>2</sub> EMISSIONS CHALLENGE

By owning a Toyota you would be contributing to the reduction of vehicle CO<sub>2</sub> emissions by 90% in 2050 as opposed to 2010. You will help us promote the development of next-generation vehicles and further accelerate the spread of these vehicles.

## CHALLENGE 2

### LIFE CYCLE ZERO CO<sub>2</sub> EMISSIONS CHALLENGE

You are lending a helping hand to Toyota's efforts to reduce to zero not only CO<sub>2</sub> emissions produced in travelling and manufacturing, but all CO<sub>2</sub> emissions including the process of materials production, disposal and recycling of vehicles.

## CHALLENGE 3

### PLANT ZERO CO<sub>2</sub> EMISSIONS CHALLENGE

You uphold the two main pillars of our strategy to achieve zero CO<sub>2</sub> emissions at our plants which are:

1. Developing and introducing low-CO<sub>2</sub> technologies with ongoing kaizen.
2. Adopting renewable energy sources and utilising hydrogen energy.

## CHALLENGE 4

### CHALLENGE OF MINIMISING AND OPTIMISING WATER USAGE

In automobile manufacturing, we use water in painting, forging and other processes. Therefore, even a small reduction of its impact on the water environment is important. We have two measures to achieve this - comprehensive reduction of the amount of water used and comprehensive purification of the water and returning it to the earth.

## CHALLENGE 5

### CHALLENGE OF ESTABLISHING A RECYCLING-BASED SOCIETY AND SYSTEMS

You have contributed to our 40 years on the challenge of resource recycling. Going forward, by rolling out to the world the technology and systems evolved in Japan, we will all continue working on the challenge of establishing a recycling-based society.

## CHALLENGE 6

### CHALLENGE OF ESTABLISHING A FUTURE SOCIETY IN HARMONY WITH NATURE

Here at Toyota we have engaged in planting trees at our plants and environmental conservation activities in our surrounding areas. To establish a society where humans and nature coexist in harmony, we are promoting several activities to connect regions, the world and the future.

TOYOTA IS SERIOUS ABOUT COMBATING THE PROBLEMS ASSOCIATED WITH WASTE TYRES IN THE COUNTRY AND HAS THEREFORE TAKEN UP ITS PRODUCER RESPONSIBILITY AS DEFINED BY THE WASTE MANAGEMENT ACT OF 2008. WASTE TYRE REGISTRATION NUMBER: TPREG0031GAU

All Toyota vehicles can now be connected to the MyToyota App on your mobile phone, giving you more control of your driving experience and opening up a whole new world of personalised offerings and customisable features, so that you can enjoy:

- IN-CAR WI-FI\***  
Connect to Wi-Fi

## TOYOTA GENUINE PRODUCTS

For guaranteed fit and function, Genuine Parts are essential in maintaining the safety and reliability of your vehicle. They also comply with all safety, regulatory and environmental requirements, making it the obvious choice. The same exacting precision applies to Toyota Accessories, developed by engineers with extensive knowledge on vehicle integration – you can enhance the appeal and functionality of your Hilux without compromising its safety features or warranty. Warranties are about peace of mind, and the Genuine Unlimited Warranty is designed to provide superior cover (up to 10 years, unlimited mileage) and a seamless claims process thanks to full integration with Toyota systems. The Genuine Extended Service Plan also enjoys exclusive approval by Toyota SA and provides flexible extension options up to 10 years or 300 000 km to suit your period of ownership. Paying today's rates for tomorrow's maintenance is a sensible way to protect the resale value of your Hilux by means of a full service history.

## TOYOTA APPROVED SERVICES

Specialised vehicle maintenance requires first-class facilities, advanced equipment and expert knowledge. Toyota Quality Service and Value Service not only promise accurate diagnosis and repair, but also a philosophy of building trust through a genuine concern for the needs of our customers. To complement the extensive network of Toyota dealers, we have a vast number of Accredited Body and Paint Repairers, selected on stringent criteria to ensure outstanding workmanship and customer service. You can maintain your vehicle's pristine condition without compromising its warranty thanks to the exclusive use of Genuine Parts by our Accredited Repairers. Offering 24-hour access to a full complement of assistance and recovery benefits, Toyota Roadside Assistance provides the peace of mind that competent support is only a phone call away.

## TOYOTA GENUINE MEANS

- ✓ UNCOMPROMISED SAFETY
- ✓ GUARANTEED QUALITY
- ✓ PEACE OF MIND
