

 Audi Genuine Accessories

A6

Audi Genuine Accessories. As individual as you are.

Make the most of every journey in your Audi A6, thanks to a wide range of accessories carefully selected by our experts. Each one is created with the care and attention to detail you'd expect of Audi, produced to our meticulous standards and designed to integrate perfectly with the car you drive. Take a look through this guide to see a wide selection of the accessories available, then visit the online AudiStore.

Sport and design

Page 04

Add an extra touch of style and flair to your A6 with a range of dynamic options.

Transport

Page 08

Wherever your journey takes you, make sure you can bring everything you need with genuine Audi travel accessories.

Communication

Page 12

Music. Phone contacts. Social networks. Stay connected to everything that matters as you drive with our communication technology.

Family

Page 14

Nothing in your Audi could be more important than your family, so we've developed features with their safety, security and convenience in mind.

Comfort and protection

Page 18

Give your Audi all the protection it needs, whether it's against muddy footprints or scratches while unloading luggage.

Sport and design

quattro LED for the door sill*

For a bright entrance. When the vehicle doors are opened, an LED light projects the quattro logo onto the ground. Available in a two-part set for the driver and front-passenger side or for the rear vehicle doors. Requirement for the LEDs in the rear entry areas: the interior and exterior Lighting Pack, which is available as an option.

Footrest and pedal caps in stainless steel*

As attractive as they are practical: The footrest and pedal caps are made from brushed stainless steel, with a rubber coating on the surface to provide better grip. Available for automatic and manual gearboxes.

quattro film set (not pictured)

The 'quattro' lettering as a film set for the rear section of the vehicle on both sides. Available in either Brilliant black or Ice silver, metallic, depending on the exterior vehicle colour.

Engine sound system^ (not pictured)

An integrated technical solution that has been specially developed for TDI® engines. Two actuators integrated into the exhaust system work in a similar way to loudspeaker membranes and provide the rumbling sound of a powerful engine. The corresponding black chrome-finished tailpipe trims also create a visually distinctive element.

*Available as optional equipment or as a retrofit solution from your Audi Centre.
^Ask your Audi Centre about specific installation requirements.

Anti-theft wheel bolts

To stop thieves, the bolts can only be loosened with the special adapter provided.

Cast aluminium winter wheels in '5-V-spoke' design (not pictured)

Extra sportiness in winter. In dimensions 18" x 7.5J for 225/50 R18 tyres. Maximum permissible speed: 130mph. Fuel efficiency class: E, wet grip class: C-B, external rolling noise class: 72 dB.

Snow chains

For increased hold on snow and ice. Available in a range of sizes.

Wheel bags

A four-part set with convenient handles for easy transport and storage of complete wheels. Made from tear-resistant plastic. Wheel bolts can be stored in the outside pockets.

Cast aluminium winter wheels in '5-arm helica' design

High-quality and striking. In dimensions 17" x 7.5J for 225/55 R17 tyres.

Cast aluminium winter wheels in '5-arm rotor' design

Distinctive and stylish. In dimensions 16" x 7.5J for 225/60 R16 tyres. Also available as a complete winter wheel suitable for use with snow chains. Maximum permissible speed: 130mph. Fuel efficiency class: E, wet grip class: B, external rolling noise class: 72 dB.

^Please note the following information relating to wheels: Aluminium wheels with a high-gloss turned finish, or polished or partly polished aluminium wheels, must not be used in the event of wintry road conditions. Due to the manufacturing process, the rim surfaces do not possess sufficient anti-corrosion protection and are at risk of long-term damage due to road salt or similar materials. Please note that not all cast aluminium wheels are available as optional equipment; some are only available as a retrofit solution from your Audi Centre.

Cast aluminium wheels in '5-tri-spoke' design, anthracite, high-gloss turned finish^

The cast aluminium wheels in dimensions 20" x 8.5J impress with an elegant design and high-gloss turned finish spokes. For 255/35 R20 tyres.

Cast aluminium wheels in '5-semi-V-spoke' design matt black, high-gloss turned finish^

In dimensions 19" x 8.5J for 255/40 R19 tyres.

Cast aluminium wheels in '5-semi-V-spoke' design anthracite, high-gloss turned finish^

This distinctive eye-catcher for your Audi A6 is available in dimensions 19" x 8.5J for 255/40 R19 tyres.

Transport

Bicycle rack

This bicycle rack, made from specially shaped aluminium and powder-coated steel, enables the bicycle to be attached to the car particularly easily. Lockable. Maximum load capacity: 17 kg. Can only be used in conjunction with the carrier unit.

Carrier unit for the roof rails

A carrier unit for various roof rack modules with an embossed Audi logo. The profile is made from anodised aluminium tubing. The carrier unit is easy to fit and is mounted with anti-theft bolts. Maximum permissible gross weight of the carrier unit, roof rack modules and load: 100 kg. For the A6 Avant and the A6 allroad quattro.

Bicycle fork mount

Easy to use. Lockable. Suitable for bicycles featuring a quick-release fastener on the front wheel. Maximum load capacity: 17 kg. Can only be used in conjunction with the carrier unit.

Front wheel holder

Made from anodised matt aluminium, mounted with anti-theft bolts, completely pre-assembled. Not suitable for bicycles with a half axle. Can only be used in conjunction with the bicycle fork mount.

Carrier unit

Carrier unit with chrome Audi logo for various roof rack modules, such as the bicycle rack, kayak rack or ski and luggage boxes, made from anodised aluminium. The carrier unit is easy to fit and is lockable. Maximum permissible gross weight of the carrier unit, roof rack modules and load: 100 kg. Available for the A6 Saloon.

Bicycle carrier for trailer towing hitch

Bicycle carrier (also suitable for electric bikes) for up to two bicycles with a maximum load capacity of 60 kg.* The same key can be used to separately lock bikes onto the carrier and the carrier onto the vehicle. Moveable wheel restraints provide a secure hold. Easy access to the luggage compartment is possible thanks to a practical folding mechanism. The bicycle carrier can be folded up and conveniently stored in the bag provided, saving space. An extension kit for a third bicycle is also available as an option.

*Please note the information regarding the maximum permissible trailer load and the gross vehicle weight rating of your car can be found in the vehicle manual.

Kayak rack

For single kayaks weighing up to 45 kg. Can be tilted for easy loading and unloading. The kayak rack and elasticated belt can be secured separately. Can only be used in conjunction with the carrier unit.

Trailer towing hitch (not pictured)

Mechanically swivelling trailer towing hitch. The ball hitch under the vehicle can be swivelled out for use and swivelled back in when not in use. Includes a 13-pin socket, which is integrated into the ball hitch for easy access.

Ski and luggage boxes

A new design from Audi featuring improved aerodynamics thanks to a flatter, sportier shape. Available in Platinum grey with Brilliant black sideblades and gloss Brilliant black, each featuring chrome Audi rings and a high-quality, rivet-free look. Boxes are lockable and can be opened from both sides for easy loading and unloading, with an internal handle for closing the box. The simple, quick-action securing system includes torque limitation. Positioned towards the front of the vehicle, providing optimum access to the luggage compartment. Available in three sizes: 300 litres, 360 litres and 405 litres. Can only be used in conjunction with the carrier unit.

Ski and luggage boxes

Volumes	300 l	360 l	405 l
External dimensions (LxWxH)	1,902 x 630 x 376 mm	1,756 x 826 x 376 mm	2,050 x 800 x 380 mm
Maximum number of skis	4-6	5-7	5-7
Maximum length of skis	1,750 mm	1,550 mm	1,900 mm
Maximum number of snowboards	3-4	4-5	4-5
Maximum permissible load	60 kg	75 kg	75 kg

Ski and snowboard rack

For easy transportation of up to six pairs of skis or four snowboards. Lockable. Can only be used in conjunction with the carrier unit.

Roof carrier bag

For storage or transport of a carrier unit and smaller roof rack modules. Made from durable material, with multiple loops and a side pocket for tools or small parts.

Bags for roof boxes

Robust yet flexible. These bags are equipped with a watertight floor featuring a border extending 5 cm upwards. Ideal for making full use of the Audi roof boxes, as it is possible to use the individual bags in various combinations. Available in three sizes: S (43 litres), M (76 litres) and L (82 litres).

Communication

Audi wireless internet access with LTE*

For an LTE internet connection with a Wi-Fi network in the vehicle. With a data transfer rate of up to 100 Mbps and a hotspot for up to eight Wi-Fi-enabled mobile devices. Access is possible from up to 100 metres outside the vehicle. The use of mobile data abroad is possible using either a domestic contract SIM card following activation in the configuration menu or a local prepaid SIM card. For more detailed information, visit your Audi Centre.

iPad adapter

Adapter for Apple iPads; secured to the backrests of the front seats. The adapters can simply be slotted onto the holder for mobile devices, which is available separately. An iPad can still be used as normal. With integrated charging function and 90° pivot. Requires preparation for Rear Seat Entertainment.

Audi Entertainment Mobile^

The third-generation Audi Entertainment Mobile provides entertainment on the move with excellent image quality thanks to the 10.1-inch touchscreen. Perfect for videos, photos, games and music, it includes software that is intuitive to use, numerous connection options (SD, USB 2.0, HDMI IN, etc.) and a high level of functionality. By connecting to a Wi-Fi hotspot, users can access the internet (e.g. via Audi wireless internet access).† The device can be attached in the vehicle to the backrests of the front seats or used outside the vehicle. Requires holder for mobile devices and preparation for Rear Seat Entertainment

*A mobile phone contract (not included) is required for use.
 ^The Audi Entertainment Mobile is the winner of the Plus X Award in the product of the year category for 2015/2016.
 †Available as a retrofit solution from Audi Genuine Accessories.

Bluetooth headset (not pictured)

The ideal addition to the optional Audi Entertainment Mobile, compatible with various Apple products such as the iPad. The headset can be folded up and conveniently stored in the bag provided. The rechargeable batteries can achieve an operational life of up to 15 hours.

Universal mobile phone holder plus (not pictured)

Brings safe storage for your mobile and improved reception through a connection to your car aerial. Also offers wireless charging in accordance with the Qi standard (if supported by your phone). Alternatively, a mobile phone not enabled for Qi wireless charging can be charged via a type-A USB port. Requires optional mobile phone preparation (Bluetooth). Cannot be used in conjunction with the MMI Navigation Plus or MMI Touch. For more detailed information, visit your Audi Centre.

Adapter cables for Audi Music Interface (not pictured)

Enables various iPod models as well as other portable media players to be connected to your vehicle. Operated via the MMI system if this function is supported by the media player. Possible to charge the media player, depending on the adapter and player in use.

Audi SD card (not pictured)

For storing your music: ultra-compact and universal SDHC memory card (16 GB), class 10. Comes with a protective case.

Navigation update (not pictured)

Maps with advanced content (e.g. new roads and points of interest), for greater comfort and a more relaxed driving experience. Our tip: Combine the update with the next vehicle service. For more detailed information, visit your Audi Centre.

Family

Audi child seat youngster plus

Offers a high level of comfort thanks to the intelligent seat-belt guide. The height and width of the backrest are adjustable. Adjustments to the seat size can be made with ease using a viewing panel. Suitable for children weighing between 15 and 36 kg (approx. 4 to 12 years of age).

ISOFIX base for Audi baby seat and Audi child seat

A more secure fit for the Audi baby seat and the Audi child seat. Can be installed and removed quickly. The adjustable support provides better stability. Enhances the level of protection for the child. Note: The ISOFIX base is optional for the baby seat, but is mandatory for the child seat.

Audi child seat

Can be used in the forward or rear-facing position. With adjustable seat shell, integrated seat belt and adjustable headrest. Can only be used in conjunction with the ISOFIX base. Suitable for children weighing between 9 and 18 kg (approx. 1 to 4 years of age).

Child seat colour variants

All child seats are available in the colour combinations of Misano red/black and Titanium grey/black. The materials used are kind to the skin, breathable, light-resistant, removable and washable and are certified in accordance with the Oeko-Tex® Standard 100. Replacement covers are available from your Audi Centre.

Child seat underlay (not pictured)

Tailored to the design of the child seats as well as the interior of the vehicle. Car seats are protected against dirt and potential imprints made by the child seats. Includes two practical storage pockets. Fully compatible with all Audi child seats, even where the ISOFIX base is used.

Audi baby seat

Easy to fit using the ISOFIX base (recommended). Can also be secured using the three-point belt. The integrated seat belt ensures that the child is more secure; the attached hood also acts as a means of sun protection. With adjustable headrest. Suitable for small children up to 13 kg (approx. 12 months).

Audi baby mirror

Easy to secure to the headrest of the rear seat thanks to the Velcro fastener, keeping the baby in the rear-facing baby seat in view. Viewing angle can be adjusted as required. Not for integrated headrests.

Audi plush steering wheel

A steering wheel in an exclusive Audi design for racing drivers both big and small. Fitted with a squeaky horn for even more fun.

Cuddly 'Rob the Gecko'

Made from high-quality plush, Rob is hard-wearing, soft and washable.

Comfort and protection

Luggage compartment shell

Tailor-made luggage compartment protection – washable and robust. All-round edging prevents liquids from leaking onto the luggage compartment floor.

Luggage compartment lining

Practical protection for the entire luggage compartment against animal hairs, dirt, moisture, oil and many chemicals. Made from high-quality, fabric-reinforced PVC material. Includes a flame retardant, flexible, durable film with non-slip surface. Waterproof and easy to clean. Only for the A6 Avant.

Luggage compartment tray

For all those items of luggage that often leave marks when they are transported. The tray is made of plastic and features high edges and a robust design; it is also easy to clean. Wide grooves prevent loads from slipping. Available for the A6 Avant and A6 allroad quattro.

Loading sill protective sheet (not pictured)

The made-to-measure protective sheet for the loading sill, made from transparent film, enhances the level of protection for the bumper against damage when loading and unloading the luggage compartment.

Protective film for paintwork (not pictured)

Transparent, barely visible, high-performance protective film with an extra clear coat of paint. Reduces the effects of stone chipping, scratches and scrapes. Applied to the front of Audi vehicles.

Mud flaps (not pictured)

Made from high-quality plastic. Prevent damage to paintwork and stop dirt building up in the area around the sills and rear apron of the vehicle. Available as a two-part set for the front and/or rear of the vehicle.

Partition grille for the luggage compartment

The practical partition grilles (lengthways and transverse) enable the luggage compartment to be separated from the interior as required; the luggage compartment can also be divided down the centre. The partition grille is easy and convenient to fit – no drilling is required. Not suitable for the A6 Saloon.

Luggage compartment box, foldable

Made from black polyester, offering a storage capacity of up to 32 litres. Easily assembled using Velcro tabs, providing a functional and practical solution. When laid flat, the box also acts as an additional protective underlay for the luggage compartment. Washable and easy to clean.

Floor mats

Available as textile mats made from durable, tightly woven velour, as easy-to-clean all-weather floor mats made from 100% recyclable plastics and as rubber floor mats. A6 branded.

Coat hanger

For jackets, coats and other items of clothing. Attaches to the front head restraints.

Safety harness for dogs

Safety harness for dogs available in four sizes. Made from highly resistant materials, including tear-resistant nylon and stainless-steel parts. Special padding makes things more comfortable for your pet. With reflective strips in the chest area. Can double as a harness for use outside the vehicle.

Rear seat protective cover

The versatile zip-fastening system allows dogs to enter and exit the vehicle via the rear doors. Simple and fast to attach. Durable surfaces, watertight and washable.

Cool bag

With connection cable suitable for 12-volt sockets. The plastic interior provides space for up to 12 litres. Practical to use thanks to the adjustable carrying strap.

Rubbish bin

A practical way to dispose of rubbish when travelling, with a waterproof interior compartment and a capacity of approx. 5 litres. Can be secured to the backrest of the front seats. Easy to clean. Standard refuse bags can also be used and secured easily inside the rubbish bin.

Business bag

More space for all your business needs. The high-quality business bag offers you a storage volume of approx. 14 litres – enough space for a laptop of up to 15 inches, as well as other accessories. Can be securely fastened to the rear seat bench or the front passenger seat using the three-point seat belt. Can also be used outside the vehicle as a briefcase.

Rear seat bag

An organised storage space for the rear seat bench. With its various interior mesh pockets, additional storage compartment and total volume of approx. 27 litres, the rear seat bag in high-quality Audi design provides plenty of space for the various items required on a long journey. Easily secured using the three-point belt. Includes a non-slip surface on the underside of the bag.

Rear seat box

A sturdy storage solution for various small items. The high-quality rear seat box with a volume of approx. 12 litres makes journeys even more comfortable. It can be secured to the rear seat bench in just a few steps using the standard three-point belt. Includes a mesh pocket with internal drawstrings to secure the contents.

Shoe organiser

Organisation on the go: The shoe organiser can be integrated into the high-quality Audi interior and offers storage space for up to three pairs of shoes. The backrest of the front seats is also protected against soiling from shoe prints and stains. Not for integrated head restraints.

Espresso mobile

With a pressure of 16 bar, the espresso mobile is perfect for coffee lovers. The set includes 18 illy ESE pods, two shatterproof espresso cups, a microfibre cloth and an elegant case. Connection via the cigarette lighter in the vehicle interior.

Sun protection system

A made-to-measure sun protection system for virtually complete sun protection inside your Audi. Available as a three-part set. Easy to assemble. Easy to store.

Seat back pocket

Featuring a high-quality Audi design, this pocket offers additional storage capacity with various practical sections for an even tidier interior. The pocket has a volume of approx. 11 litres and can be secured to the backrest of the front seats. The handles also enable it to be used outside the vehicle.

Vehicle cover for indoor use (not pictured)

Ideal fit, in Anthracite, bearing the Audi logo. Made from a breathable and anti-static material. The piping accentuates the shape of the vehicle. Excellent protection from dust and dirt.

Vehicle cover for outdoor use

Made-to-measure vehicle cover for outdoor use. Made of breathable and waterproof material, bearing the Audi logo. Offers protection against environmental influences such as scratches, dirt, dust, sunlight and rain. Includes transport bag for easy storage. Washable at 30°C.

Gecko air freshener

Attaches easily to the air vents and fills the vehicle interior with a pleasant fragrance. No risk of leakage because the gecko air freshener does not contain any liquid.

Care products

Tailored to the high-quality materials used to construct your Audi. Suitable for numerous applications, either in the vehicle interior or for outer care, depending on the product.

LED gooseneck reading lamp

A very bright light wherever you need it, thanks to the flexible silicone rubber neck. Excellent stability in all positions. Connection via the cigarette lighter.

Retrofit solution for the cruise control system (not pictured)

Automatically controls the speed of the vehicle, even when travelling up and downhill. The system can be implemented when you are travelling at 19mph or more. The set speed will be displayed in the Driver's Information System and is controlled by the steering column lever. Speed can be adjusted, up or down, in 1mph increments by moving the lever up and down. The system disengages when the accelerator or brake is applied.

Retrofit solution parking system (not pictured)

Supports drivers by emitting an audible signal whenever there is insufficient distance from obstacles. Four unobtrusive ultrasonic sensors are installed in the rear bumper. Activated by selecting reverse gear.

Anti-marten device (not pictured)

Keeps animals away from your Audi. A battery-powered, high-voltage device with double-pole stainless steel contact plates. Does not require an electrical connection to the vehicle. Emits ultrasonic signals.

Audi Tracking Assistant plus (not pictured)

Enables the tracking and tracing of a stolen vehicle in many European countries via GPS/GSM technology. Featuring automatic driver recognition and an intelligent restart restriction function. For more detailed information, visit your Audi Centre.
