### Specification and Standard Features on the "Luton Box Van" Body

Main Body Subframe manufactured from (Galvanised) Z140 Steel and is a bolted construction  
 Front Bulkhead is manufactured from 30mm thick LIDERfoam panels  
 Bulkhead is tested for conformance to ISO 27956  
 Side Panels are constructed from 3.0mm GRP  
 Box is constructed using "2 piece" profile system - no external sealing or rivets  
 Roof construction is translucent GRP sheet in Aluminium frame with 6x "crowned" roof bows  
 Roof is tested at a weight of 80Kg/m<sup>3</sup> without distortion.  
 Platform (floor) panels are manufactured from 15mm Wisa Deck "Phenolic coated Plywood  
 Panels will have high friction surface to prevent load shifting  
 Rear Door aperture ring is constructed from lightweight Z140 (galvanised) steel to accommodate Rear Roller Shutter Door  
 Rear Door is a "Roller Shutter" with lip seals to sides, compression seal to lower edge and brush strip to top to prevent water ingress  
 "Luton" aero head is a one piece styled GRP construction  
 Vehicle chassis is extended by 675mm using reinforced extensions to accommodate a 500kg Tail-lift  
 Load Lashing : 2x rows of "Load Lock" rail to accommodate load securing straps or shoring poles  
 Rear Fenders/Mudwings are of Black Thermoplastic construction for zero corrosion.  
 Internal Load Compartment Lamp - 700 lumens LED type  
 Centrally High Mounted Stop Lamp (LED type) is incorporated into rear header  
 All auxiliary lighting i.e. Side Marker lamps (when required) are LED type.  
 All relevant safety and operation signage (decals) and Operator Instruction Manual are included.  
 All Luton/Box Van products and optional features are Type Approval compliant  
 2nd stage C.o.C. (Certificate of Conformity) to allow vehicle registration is included  
 Warranty (Parts and Labour) : 5 years/200,000 kilometres  
 Spare Parts availability is "Next Day" from a dedicated U.K. based Service Dept. from 7.30am - 5.00pm Monday - Friday.

All Luton Box Van bodies are fully quality approved by LDV and SAIC Mot
