Specifications featured and mentioned in this Catalogue do not come standard on all models. Please refer to the local Dealer for details.

COMPETITIVE AND INTUITIVE TECHNOLOGY.

The latest evolution of the available Chevrolet MyLink® infotainment is available in the 2017 Impala. It features an all-new intuitive interface with the latest, easy-to-use technologies. It's highly customizable, so you can personalize the system with features like phone projection through Apple CarPlay and the ability to pair up to 10 devices. Staying connected is also easier, courtesy of Bluetooth® wireless technology, that makes actions like making calls or playing music a pleasure. And keeping the fun going is a Wireless Charging Pad capable of keeping compatible devices on the go.

RAISING THE BAR OF SAFETY.

Safety was a top priority when designing the 2017 Impala. Which is why it features some of the most innovative and ingenious advances in safety technology, namely the standard StabiliTrak®. The Advanced Safety Package features additional available technologies like Side Blind Zone Alert and Forward Collision Alert. In the event of a collision, the Chevrolet Impala's innovative safety features go to work, helping to protect with 10 standard air bags.
