For an LTE internet connection with a Wi-Fi network in the vehicle. With a data transfer rate of up to 100 Mbps and a hotspot for up to eight Wi-Fi enabled mobile devices. Access is possible from up to 100 metres outside the vehicle. The use of mobile data abroad is possible using either a domestic contract SIM card following activation in the configuration menu or a local prepaid SIM card. For more detailed information, visit your Audi Centre.

*For more detailed information, speak to your Audi Centre.
^A mobile phone contract (not included) is required for use.

Family

Audi child seat youngster plus

Offers a high level of comfort, thanks to the intelligent seat-belt guide. The height and width of the backrest are adjustable. Adjustments to the seat size can be made with ease using a viewing panel. Suitable for children weighing between 15 and 36 kg (approx. 4 to 12 years of age).

ISO-FIX base for Audi baby seat and Audi child seat

A more secure fit for the Audi baby seat and the Audi child seat. Can be installed and removed quickly. The adjustable support provides better stability. Enhances the level of protection for the child. Note: The ISO-FIX base is optional for the baby seat, but is mandatory for the child seat.

Audi child seat

Can be used in the forward or rear-facing position. With adjustable seat shell, integrated seat belt and adjustable headrest. Can only be used in conjunction with the ISOFIX base. Suitable for children weighing between 9 and 18 kg (approx. 1 to 4 years of age).

Child seat colour variants

All child seats are available in the colour combinations of Misano red/black and Titanium grey/black. The materials used are kind to the skin, breathable, light-resistant, removable and washable and are certified in accordance with the Oeko-Tex® Standard 100. Replacement covers are available from your Audi Centre.

Child seat underlay (not pictured)

Tailored to the design of the child seats as well as the interior of the vehicle. Car seats are protected against dirt and potential imprints made by the child seats. Includes two practical storage pockets. Fully compatible with all Audi child seats, even where the ISOFIX base is used.

Audi baby seat

Easy to fit using the ISOFIX base (recommended). Can also be secured using the three-point belt. The integrated seat belt ensures that the child is more secure; the attached hood also acts as a means of sun protection. With adjustable headrest. Suitable for small children up to 13 kg (approx. 12 months).

Audi baby mirror

Easy to secure to the headrest of the rear seat thanks to the Velcro fastener, keeping the baby in the rear-facing baby seat in view. Viewing angle can be adjusted as required. Not for integrated headrests.

Audi plush steering wheel

A steering wheel in an exclusive Audi design for racing drivers both big and small. Fitted with a squeaky horn for even more fun.

Cuddly 'Rob the Gecko'

Made from high-quality plush, Rob is hard-wearing, soft and washable.

Comfort and protection

Luggage compartment shell

Made-to-measure luggage compartment protection. Robust and washable. All-round edging prevents liquids from leaking onto the luggage compartment floor. Available for the A3 Sportback, the A3 Saloon and the A3 Cabriolet.

Floor mats

Textile mats made from durable, tightly woven velour. Easy-to-clean, all-weather floor mats made from 100% recyclable plastics. Also available in rubber. Each is made-to-measure. A3 branded.

Interior products

A sturdy storage solution for various small items. The high-quality rear seat box with a volume of approx. 12 litres makes journeys even more comfortable. It can be secured to the rear seat bench in just a few steps. Includes a mesh pocket with internal drawstrings to secure the contents. Numerous other interior products are available (e.g. rubbish bin for disposing of rubbish accumulated when travelling that comes with a waterproof interior compartment, and a shoe organiser with storage space for up to three pairs of shoes). Please contact your Audi Centre for other available products.

Luggage compartment box, foldable

Made from black polyester, offering a storage capacity of up to 32 litres. Easily assembled using Velcro tabs, providing a functional and practical solution. When laid flat, the box also acts as an additional protective underlay for the luggage compartment. Washable and easy to clean.

Vehicle cover for indoor use

Ideal fit, in Anthracite, bearing the Audi logo. Made from a breathable and anti-static material. The piping accentuates the shape of the vehicle. Excellent protection from dust and dirt.

Espresso mobile

With a pressure of 16 bar, the espresso mobile is perfect for coffee lovers. The set includes 18 illy ESE pods, two shatterproof espresso cups, a microfibre cloth and an elegant case. Connection via the cigarette lighter in the vehicle interior.

Retrofit solution for the auxiliary heater/ventilation (not pictured)

Warms the vehicle automatically before departure and de-ices the windows without starting the engine. Simply set the departure time in advance and drive off with an unobstructed view and a pleasant climate in the vehicle interior. Including separate remote control with illuminated display.

Anti-marten device (not pictured)

Keeps animals away from your Audi. A battery-powered, high-voltage device with double-pole stainless steel contact plates. Does not require an electrical connection to the vehicle. Emits ultrasonic signals.

Retrofit solutions: parking aid, cruise control system, and light and rain sensor (not pictured)

Supports drivers when driving into and out of parking spaces with four unobtrusive ultrasound sensors in the rear bumper. Also available for the front bumper. The cruise control system keeps the vehicle speed constant at any speed over 19mph.* The light and rain sensor automatically controls lights and wipers in cloudy weather, in darkness and during rainfall. Including coming home/leaving home function.

*To the extent permitted by the engine performance or the engine braking action.

Sun protection system

Offers virtually full sun protection. Made-to-measure two or three-part set for the side and rear windows. Easy to assemble and store.

Gecko air freshener

Attaches easily to the air vents and fills the vehicle interior with a pleasant fragrance. No risk of leakage because the gecko air freshener does not contain any liquid.

Care products

Tailored to the high-quality materials used to construct your Audi. Suitable for numerous applications, either in the vehicle interior or for outer care, depending on the product.
