The HR-V draws a double take everywhere you go.

The HR-V has been brilliantly designed to adjust around you. We dreamed big when building the new HR-V. It's home to cleverly designed space – all wrapped in a sleek and stylish exterior.

The HR-V is a coupé-styled SUV with all the smart looks of its bigger brother. Looking rugged on the road with distinctive bumpers and a bold front grille, it still cuts a sporty shape with flowing curves and hidden rear door handles that add coupé-like styling.

The HR-V gives you the best of both worlds: a responsive ride with top-performing fuel economy.
