What is this type of insurance?

This type of insurance is Retail Price Protection (RRP) Insurance better known as GAP (Guaranteed Asset Protection). This insurance cover protects against the financial shortfall you may face if your vehicle is the subject of an insurance total loss, due to fire, accident or theft. A total loss means that in your motor insurer's view the vehicle is damaged beyond economical repair or that the vehicle has been stolen and not recovered.

Your comprehensive motor insurance policy will only make a payment based on what your motor insurer considers to be a reasonable value at the date of total loss. Retail Price Protection GAP Insurance will pay an amount equal to the difference between your motor insurance settlement and the price you paid for the vehicle or, if greater, the amount you're required to pay your early settlement amount under your finance agreement.

This insurance is underwritten by Acasta European Insurance Company Limited, whose office address is 4 Station Rd, Cheadle Hulme, Cheadle SK8 5AE. Acasta European Insurance Company Limited is authorised and regulated by the Gibraltar Financial Services Commission and subject to limited regulation by the Financial Conduct Authority and Prudential Regulation Authority for the conduct of UK.
