# INTRODUCING THE MINI COUNTRYMAN.

The MINI Countryman is a versatile, five-seater Sport Activity Vehicle that's more comfortable than ever. As big as it feels on the inside, the Countryman is still a MINI through and through. Gliding through the city, coasting through the mountains – it's all effortless. It's just under 4.3 metres long, which means it has some serious luggage capacity in addition to ample legroom. The MINI Countryman also comes equipped with standard features you might expect to be optional. With powerful engines and optional ALL4 all-wheel-drive, it tackles even the trickiest terrain with ease. So what are you waiting for? The world won't explore itself.

## COOPER

A 1.5-l 3-cylinder petrol engine (136 hp/110 kW) and a 2.0-l 4-cylinder diesel version (150 hp/110 kW) offer a handy blend of power and economy. It comes with a Chrome-plated exhaust tailpipe.

## COOPER S

Better, faster, stronger: With a 2.0-l 4-cylinder petrol engine (192 hp/141 kW), the Cooper S packs the biggest punch. Hallmarks include the red S at the rear, side scuttles, the radiator grille with honeycomb structure and Chrome border and the twin Chrome-plated exhaust tailpipes (right and left).

## COOPER S

The MINI Countryman Plug-in Hybrid features a clever combination: A 3-cylinder petrol engine (136 hp/100 kW) at the front with an 87-hp/65-kW e-motor at the rear axle. The MINI Countryman Plug-in Hybrid is instantly recognisable via the yellow MINI Plug-in Hybrid logo on the side scuttles and at the rear. Additional hallmarks include the yellow Cooper 'S' badge on the front grille and tailgate, the single Chrome-plated tailpipe at rear apron and the charging port on the left-hand side.

## VED RATES

VED rates for brand new cars are determined by their CO<sub>2</sub> emissions figure. First year VED applies to the first year of ownership. Annual VED rates apply thereafter. The MINI Countryman models fall into one of the categories listed below:

### Petrol

CO <sub>2</sub> emissions (g/km)	131-150
First year VED	£210
Annual VED (second year onwards) for cars costing under £40,000	£145
Annual VED (second year onwards) for cars costing over £40,000*	£465

### Diesel

CO <sub>2</sub> emissions (g/km)	111-130
First year VED	£210
Annual VED (second year onwards) for cars costing under £40,000	£145
Annual VED (second year onwards) for cars costing over £40,000*	£465

### Plug-in Hybrid

CO <sub>2</sub> emissions (g/km)	51-75
First year VED	£15**
Annual VED (second year onwards) for cars costing under £40,000	£135**
Annual VED (second year onwards) for cars costing over £40,000*	£455**

## PRICES AND SPECIFICATIONS

MINI UK reserves the right to alter prices and specifications without notice. MINI UK has made every effort to ensure the accuracy of information but does not accept liability for any errors or omissions.

## ON THE ROAD PRICE

The recommended On The Road price is based on the Recommended Retail Price (RRP) and On The Road charges. OTR charges include:

Delivery and MINI Emergency Service	£500
Number plates	£25
Vehicle first registration fee	£55
Vehicle Excise Duty	See left

<sup>†</sup> The CO<sub>2</sub> figures are for comparison purposes and may not reflect real life driving results which depend on a number of factors including the starting charge of the battery, accessories fitted (post registration), variations in weather, driving styles and vehicle load. They were determined according to a new test (WLTP) and translated back to the outgoing test (NEDC) and will be used to calculate vehicle tax on first registration. Only compare CO<sub>2</sub> figures with other cars tested to the same technical procedure.

\* Annual VED (second year onwards) for cars costing over £40,000 is payable for five years.  
\*\* Rates for alternative fuel vehicles including the MINI Countryman Plug-in Hybrid with CO<sub>2</sub> emissions of 56-55 g/km.

\* Figures are for comparison purposes and may not reflect real life driving results which depend on a number of factors including the starting charge of the battery, accessories fitted (post registration), variations in weather, driving styles and vehicle load. All figures were determined according to a new test (WLTP). The CO<sub>2</sub> figures were translated back to the outgoing test (NEDC) and will be used to calculate vehicle tax on first registration. Only compare fuel consumption and CO<sub>2</sub> figures with other cars tested to the same technical procedure. Figures vary within the range depending on the style selected and the optional equipment fitted.

<sup>†</sup> Figures were obtained using a combination of battery power and fuel. The MINI Countryman Plug-in Hybrid is a plug-in hybrid vehicle requiring mains electricity for charging.

<sup>1</sup> Sport models are slightly longer due to the John Cooper Works aerodynamic kit fitted as part of the standard equipment.

<sup>2</sup> Luggage capacity varies depending on whether the rear seats are up or folded down.

# THE MINI COUNTRYMAN PLUG-IN HYBRID.

The MINI Countryman Plug-in Hybrid combines an electric motor and battery with a conventional petrol engine to offer drivers the best of both worlds. For short trips and inner-city driving, it glides silently and emission-free up to 9.3 – 12.4 miles<sup>2</sup> on battery power. Any 230-volt power supply fully charges the battery in 150<sup>1</sup> minutes at most, using electricity harvested from completely carbon-neutral, regenerative sources.

For longer journeys, motorway stretches and short sprints, the MINI Twin Power Turbo petrol engine takes over and regenerative braking charges the battery. The result is consistently better performance and fuel economy, however varied your driving habits may be.

# SENSIBLE REASONS TO CHOOSE A MINI.

Exceptional drive, build quality and an array of striking interior design features – all great reasons to buy a MINI but that’s certainly not the whole story. Here are some other things you might find interesting:

## Finance that focuses on you

Driving away in your new MINI could be closer than you think. From getting an online quote, to getting behind the wheel, we make the financing journey easier. We offer four tailored finance products, so whether you want to own or lease your MINI, you’ll find a finance product that works for you. Visit [offers.mini.co.uk/finance-options](https://offers.mini.co.uk/finance-options) for more information. What’s more, you can manage your agreement online with MyMINI Finance.

## MINI Select

Having three options at the end of your agreement makes this our most popular finance product, for new or Approved Used MINIs.

## MINI Hire Purchase

The attraction of MINI Hire Purchase is that there are no mileage restrictions. Better still, when you get to the end of your finance agreement, your MINI is all yours.

## MINI Contract Hire

Available for both personal and business users, this is a truly effortless way to get the keys to a MINI.

## MINI Divide

For those who can afford a large deposit. This 24-month finance product lets you pay a significant initial deposit then £1 for the following 23 months at 0% APR. At the end of your agreement it gives you a number of choices, allowing you to keep your options open.

MINI UK, a trading name of BMW (UK) Limited, is a credit broker not a lender.

Finance provided by MINI Financial Services, Summit ONE, Summit Avenue, Farnborough, Hampshire GU14 0FB. MINI UK introduces customers to MINI Financial Services only.

## Servicing

But won’t a MINI be expensive to service you ask? Nope. We’ve made sure of that by offering every new MINI owner comprehensive service cover for a one off payment. For further information including TLC pricing and terms and conditions visit [mini.co.uk/aftersales](https://mini.co.uk/aftersales) or contact your MINI Retailer.

## Genuine MINI Accessories

Genuine MINI Accessories are the only range of products which are approved by the people that build the MINI. Every item is at one with the design, build and spirit of this uncompromising car. New or Approved Used, there are many ways to make your MINI unique with our innovative equipment and Accessories.

Be it exterior styling accessories including decals, alloy wheels, roof rack systems and mirror covers or why not tailor the interior, where the range extends from the rear-view mirror covers and door lock caps to MINI Advanced Car Eye and Travel and Comfort systems for rear seat entertainment and storage.

Whichever you choose, Genuine MINI Accessories are sure to make your MINI as individual as you. For details of the full range available ask about our MINI Accessory brochures at your local MINI Centre or visit: [mini.co.uk/accessories](https://mini.co.uk/accessories)

## Our retailers

Last but certainly not least, our lovely MINI Centres. Our retailers take a lot of pride in making their showrooms nice places to visit and staffing them with friendly, knowledgeable staff. Our service areas are filled with MINI specialists who know them inside out and are ready to lavish them with care.

Prices and technical data shown are those in effect at the time of publishing and may alter periodically subject to product changes. All prices include VAT unless quoted separately.
