

# Mercedes-Benz Tyre & Alloy Insurance

Protect yourself from damage to your tyres and/or alloy wheels.

Mercedes-Benz Tyre & Alloy Insurance helps ensure your Mercedes-Benz is kept in a showroom condition. The policy enables you to claim for accidental and malicious damage to your tyre(s) and alloy(s).

## How it works

Should your tyre(s) and/or alloy(s) suffer accidental or malicious damage simply register your claim by phone and complete a claims form.

## Why choose Mercedes-Benz Tyre & Alloy Insurance?

- You can choose the term of your policy from 24, 36 and 48 months to complement the length of time that you plan to own your Mercedes-Benz.
- You are covered for 5 tyre replacements and 6, 8 or 10 alloy replacements (depending on your policy term).
- European cover as standard.
- When making a claim, your motor insurance no claims bonus will not be affected.
- A £25 excess is payable for each claim per tyre and/or alloy you make.
- The insurer will replace alloy wheels to Mercedes-Benz specifications with a re-manufactured alloy wheel.
- When making a claim for a damaged tyre the tread depth must be above 2mm anywhere across 75% of the width of the tyre.
- Business users are covered up to a total annual mileage of 20,000. Private users have no restriction to mileage.

**Please note:** A Mercedes-Benz Business Manager will be pleased to assess your needs for this product and they will only offer you the product if they believe you are suitable and eligible.
