### What happens if I terminate the agreement?

Any balance is refunded to you, without charge if a service has already been charged to your plan.

### Are there any additional charges to pay?

We charge a £15 cancellation charge if you cancel the agreement before the first service, otherwise there are no fees.

The Forest Gate Group Service Plan covers the scheduled services of your vehicle. Tyres, exhausts and other components subject to wear and tear during the life of your vehicle are excluded. Loan/courtesy cars are subject to availability, insurance and driving licence checks and must be booked in advance. Accident repairs must be carried out by Forest Gate Body Centre. The engine size groups shown are based on Vauxhall, Chevrolet and Ford vehicles. Service Plans are available on other manufacturer's vehicles; however Forest Gate reserve the right to place other manufacturer's vehicles in a higher band due to parts being more expensive. Please ask for full details of the terms and conditions of the Forest Gate Group Service Plan scheme.
