7. The Manufacturer's obligations under the Contract will cease once all the Services have been provided pursuant to the Service Specification or the Customer or Dealer cancels the Contract.

8. The Customer may transfer the Contract to a new owner of the Vehicle without additional charge.

9. The Customer has the right to cancel this Contract at any time without giving reason by informing the Service Plan Provider of the decision to cancel by using the Evolve portal, by sending an email to cancel@emac.co.uk or by telephone to 0330 099 6826. The Customer may use the attached model cancellation form but it is not obligatory.

10. The Manufacturer shall not begin provision of the Services until after the expiry of the Primary Cancellation Period unless expressly directed otherwise by the Customer. If in such circumstances Services have been provided, and the Customer cancels this Contract in accordance with clause 9, the Customer will be liable to pay the Manufacturer an amount:

- i) for the supply of the Service which the Manufacturer has supplied, ending with the time when the Service Plan Provider is informed of the Customer's decision to cancel the contract; and
- ii) which is in proportion to what about been supplied, in comparison with the full coverage of the contract.

The Manufacturer will deduct such amount from the payments received from the Customer prior to reimbursement of the Customer in accordance with clause 14.

11. Where the Customer cancels this Contract within the Primary Cancellation Period, the Dealer shall make the reimbursement without undue delay, and not later than 14 days after the day on which the Service Plan Provider is informed about the Customer's decision to cancel this Contract. The Dealer will make the reimbursement using the same means of payment as the Customer used for the initial transaction, unless the Customer has expressly

agreed otherwise; in any event, the Customer will not incur any fees as a result of the reimbursement. For the avoidance of doubt, no Cancellation Fee shall be payable.

12. If the Customer cancels this Contract within the Secondary Cancellation Period, no Cancellation Fee shall be payable. The Customer or an authorised representative of the Dealer must provide written confirmation of the account number, the Vehicle registration number and the Customer name and address to the Service Plan Provider in order to cancel. Upon cancellation pursuant to this clause 12, the Manufacturer shall pay an amount equal to the Balance to the Customer within 28 days of receiving notice of cancellation. For the avoidance of doubt, the Dealer shall retain any Service Cost or Management Fee which have been incurred during the Secondary Cancellation Period.

13. To cancel this Contract after the expiry of the Secondary Cancellation Period, but prior to all the Services having been provided, the Customer or an authorised representative of the Dealer must provide written confirmation of the account number, the Vehicle registration number and the Customer name and address to the Service Plan Provider. The Customer shall pay a Cancellation Fee to the Service Plan Provider which will be deducted from the Balance. Details of the amount of the Cancellation Fee are available at any time from the Service Plan Provider. The Manufacturer shall pay an amount equal to the Balance to the Customer within 28 days of receiving notice of cancellation. For the avoidance of doubt, the Manufacturer shall retain any Service Cost or Management Fee which have been incurred during the Secondary Cancellation Period. In the event that the Balance is in deficit (i.e., less than zero) the Customer shall remain liable for the outstanding amount and shall make immediate payment to the Dealer of an amount to return the Balance to zero, and the Dealer shall be entitled to charge interest at a rate of 4% above the base rate of National Westminster Bank plc. until full reimbursement is made.

14. The Customer and the Manufacturer acknowledge that the Service Plan Provider is entitled to collect all or part of the Total Payment and acts as agent for the Manufacturer in relation to the collection of any payments pursuant to the Direct Debit Payment Scheme and any Management Fee(s). Furthermore, the Customer and the Manufacturer acknowledge that financial responsibility for Deposit Payment(s) and sums payable through the Direct Debit Payment Scheme towards the Total Payment lies with the Manufacturer and not with the Service Plan Provider.

15. The Dealer's Standard Terms and Conditions (a copy of which is available on request) shall apply to all vehicle servicing work carried out by the Dealer pursuant to this Contract.

16. Any payments due pursuant to the Total Payment have been calculated on the basis of the Service(s) occurring at the time intervals specified in the Service Specification. The Manufacturer reserves the right to require an Accelerated Payment from the Customer in the event of the Vehicle being presented for Service earlier than the time intervals specified in the Service Specification or the mileage exceeding the Manufacturer's recommended service interval mileage per annum. Any such Accelerated Payment will be requested by the Dealer at the time the Vehicle is presented for Service but will not affect the amount of the Total Payment (and so the amount of each of the remaining Direct Debit Payments will then be reduced by the Service Plan Provider to reflect the Accelerated Payment). This Contract

only obliges the Dealer to provide Services up to the value of payments made to date by the Customer under the Contract.

17. Any Direct Debit Payments due pursuant to the Direct Debit Payment Scheme have been calculated using the current rates of VAT. If the rate of VAT should change, the Service Plan Provider will adjust the Total Payment and payments due pursuant to the Direct Debit Payment Scheme and/or any Accelerated Payment to reflect the new rate of VAT, and the Customer agrees to pay the adjusted payments.

18. The Customer is reminded that if the Vehicle is still covered by the contractual warranty which came into force on the first registration then the continuing validity of such warranty may be affected if the Vehicle is not serviced at the time and mileage intervals appropriate to it. The Customer is strongly advised to refer to the service handbook of the Vehicle for further information and is advised that in the event of any inconsistency between this Contract and the service handbook as to when Services are due, then the service handbook must be assumed to be accurate. If a Service is due in respect of the Vehicle, then it is the responsibility of the Customer to arrange for that Service to be carried out regardless of whether the payments made to date under the Contract are sufficient to pay for the cost of the Service.

19. All non-service related items detailed in the Service Item Breakdown section of the contract may be subject to change at the Dealer's discretion.

20. This Contract shall terminate on the earliest of the following events (a) On the end date/mileage specified as part of the Service Specification detailed within the Contract; or (b) On the Vehicle having received all Service(s) covered by the Contract (c) Transfer of the Balance in accordance with clause 11 12 or 13. Any balance remaining following any of the previous events will revert back to the Manufacturer. The Customer may have a right to reclaim any Balance subject to adherence to clause 11, 12 and 13 up to a period of 6 months from the scheduled end date of the contract. Any Balance remaining 42 months after the registration of the vehicle shall become the property of the Manufacturer.

21. If the Customer wishes to make a complaint, the Customer should contact the Service Plan Provider:

- i) by email support@emac.co.uk; or
- ii) in writing to EMaC House, Southmere Court, Crewe Business Park, Crewe, Cheshire, CW1 6GU; or
- ii) by telephone 0330 099 6826.
