BODY CONSCIOUS

SPORTY AND STYLISH, smart and sleek, Nissan Pulsar's flowing curves have a magnetic quality. Keep your eyes on those racy contours and that purposeful profile: they're the flavour of what's to come.

[REQUEST A TEST DRIVE](#)

OPEN MINDED

TAKE TIME TO REFLECT: never has a hatchback given you so much room to breathe. Incredibly light and airy with extra room for both you and all your passengers, Pulsar's cabin takes the meaning of generosity to new levels.

NISSAN ADVANCED DRIVE-ASSIST DISPLAY

INNOVATION UNDER YOUR NOSE

It's all there, right in front of you, on a full colour 5" TFT information display: from turn-by-turn directions to caller ID, audio track details to Safety Shield status, Nissan's Advanced Drive-Assist Display serves up all your info under your nose, so you keep your eyes on the road.

CALLER ID

Check your calls while keeping your eyes on the road.

AUDIO

Get full details on the artists and music you're enjoying while in motion.

SAFETY SHIELD

Keep clear of trouble thanks to visual and audible warning signals.

COLOUR SELECTION

Customise your screen by choosing the colour of the car displayed.

TURN BY TURN NAVIGATION

Never miss a turn thanks to rapid access to essential navigation info.

TYRE PRESSURE MONITORING SYSTEM

No more guesswork: Each tyre pressure is displayed on screen and a signal lights up on the dash if the pressure is low.

NissanConnect

Bluetooth

NISSANCONNECT MOBILE APPS

SMART AND FUNCTIONAL. The NissanConnect is packed with a rich range of features and is incredibly easy to use thanks to the high resolution 5.8" anti-glare touchscreen. With a powerful combination of audio, navigation and communications functions, as well as cutting edge connectivity and smartphone integration features.

CONNECTED WHEREVER YOU GO. NissanConnect offers Smartphone integration. Enjoy an ever evolving list of applications* from the comfort of your Nissan's display screen, all tailored to enhance your overall driving experience in a safe way. Your Pulsar will become an integrated piece of your connected lifestyle, just like your smartphone, tablet and computer.

INTELLIGENT DRIVER ASSISTANCE and navigation functions support you in all kinds of traffic situations.

STREAMING AUDIO VIA BLUETOOTH®. Enjoy digital radio, Over The Air internet radio or stream music from your mobile phone.

IPOD/USB INPUT. Plug in your iPod or MP3 player to access your entire music library while you're on the road.

*Only use NissanConnect services when safe to do so. Some applications may be introduced at a later date. NissanConnect service subscription required but is available on a complimentary basis for 2 years from purchase. Service and applications are only available in select European countries and on select Nissan models. Service and applications may be provided by third parties outside Nissan's control, and are subject to change without notice or liability to Nissan or its agents (including, without limitation, services cancelled/suspended by third parties). Certain remote functions require compatible phone or device, not included with vehicle. Cellular networks are provided by cellular companies, and are not within Nissan's control. Cellular networks not available in all areas. Roaming charges and/or data usage charges may apply. Nissan is not responsible for any equipment replacement or upgrades or associated costs that may be required for continued operation due to service changes.

NISSAN AROUND VIEW MONITOR YOUR VIRTUAL BIRD'S EYE VIEW

Using four cameras, the Around View Monitor delivers a panoramic view of your vehicle, as well as split-screen close-ups of the front, rear and side to make parking safer and easier. If you're backing up, Moving Object Detection will warn you of any unseen dangers, like a child passing by on a bike or a family pet - it saves you a lot of worry.

For terms and conditions relating to Nissan Technologies visit www.Nissan.co.uk/technologyterms

DON'T BUMP YOUR NOSE.

In Drive or Reverse, the display gives you both a front and overhead view, so you know just how far to pull up – without going too far.

COMPLETE THE PICTURE.

Located under your driver's side mirror, this camera helps round out your virtual 360° bird's-eye view, whether you're in Drive or Reverse.

SPARE YOUR WHEELS.

In Drive or Reverse, you can push the camera button to switch from a bird's eye view to a side view of the vehicle. A great help for seeing how close you are to the curb.

LOOK OUT BELOW.

In Reverse, the display helps you see what's directly behind you, while the overhead view helps with shorter objects otherwise hidden below your window.

PUT YOUR FOOT DOWN – WITH A CLEAN CONSCIENCE

There's no compromise between power and performance with Nissan Pulsar. The downsized, state-of-the-art all-turbo engine line-up combines impressive fuel economy and high torque responsiveness. You can choose a direct injection turbo-charged DIG-T 115 or DIG-T 190 which provides an even more thrilling driving experience. Alternatively, opt for the fuel sipping economy of the dCi 110 diesel engine. Either way, you'll be amazed.

Xtronic

Xtronic automatic transmission enhances driving pleasure further by providing smoother, more responsive acceleration without sacrificing fuel economy.

STOP/START SYSTEM

Nissan's automatic Stop/Start System is standard on all models. To save even more fuel, it stops the engine when it's not needed, at traffic lights for example, and then smoothly and quickly restarts as you push the accelerator pedal to pull away.

ACTIVE TRACE CONTROL

delivers confident handling around the corners by controlling brake pressure at individual wheels to aid tracing at corners and help smooth vehicle response.

ENGINE	OUTPUT (PS)	TORQUE (NM)	CO ₂ (G/KM)	FUEL CONSUMPTION (L/100 KM)
1.2 DIG-T MT	115	190	121 (18")	5.2 (18")
1.2 DIG-T Xtronic	115	165	119 (16" & 17")	5.1 (16" & 17")
1.6 DIG-T MT	190	240	134 (17") / 138 (18")	5.7 (17") / 5.9 (18")
1.5 dCi MT	110	260	98 (18")	3.8 (18")

NISSAN SAFETY SHIELD

LOOKING OUT FOR YOU

Drive with confidence, shielded from danger, thanks to an innovative range of smart technologies that monitor your vehicle's systems and surroundings at all times. Using an array of sensors including the rear camera and front radar, Nissan's advanced safety systems work together to warn you of any potential dangers and offer you and your passenger's outstanding protection.

ENVISAGE THE INVISIBLE

TYRE PRESSURE MONITOR SYSTEM. No more guesswork: all your tyre pressures are displayed on screen and a signal lights up on the dash if they're low.

BLIND SPOT WARNING. What you can't see, the Blind Spot Warning System can. If there's a vehicle in the blind spot area on either side of Pulsar, a warning light will illuminate on the wing mirror to let you know. If you're indicating to change lanes and a vehicle is dangerously close, the warning light will start flashing and you'll hear an audible warning signal too.

LANE DEPARTURE WARNING. Keep focused: you'll be warned if you drift out of your lane. Unless you're indicating, the system will give you a signal to remind you to straighten up.

FORWARD EMERGENCY BRAKING. Depending on speed and situation, Nissan's Forward Emergency Braking system can reduce the impact of a collision by automatically activating the brakes if you get too close to the car in front of you.

MOVING OBJECT DETECTION. Meet your digital parking co-pilot. With 360° degree coverage, at parking speeds this function will warn you if anything moves in close proximity to the car – for instance a family pet or child on a bike.

6 STANDARD AIR BAGS

HELPING TO PROTECT YOU. With 6 standard airbags available, including side and curtain airbags as well as the Nissan Safety Shield, Pulsar is equipped with a full suite of active and passive safety features to offer you and your passengers outstanding protection.

*For terms and conditions relating to Nissan technologies visit www.Nissan.co.uk/technologyterms

SLIDE, FOLD, PACK & GO

Despite its class-leading rear leg-room, Nissan Pulsar's family-size luggage space makes sure nothing gets left behind. What's more, its 385 litres boot capacity becomes 1,395 litres with the seats folded down. Thanks to four different seat combinations and a 60/40 split, you've plenty of options for bulkier goods - so slide in the golf bag, pack up the pushchair, load the bikes and go!

1,395 LITRES

You, your passenger and a whole load of cargo.

Keep smaller items safe and within reach thanks to lots of handy compartments and hidden storage space.

DPF FILTER

WHAT IS A DPF?

A **DIESEL PARTICULATE FILTER (DPF)** forms part of the vehicle's exhaust in order to limit the amount of soot particles contained within the exhaust gas passing into the atmosphere.

When the amount of soot in the filter reaches a specific level, this needs to be reduced in order to maintain the filter's function.

This reduction is called '**REGENERATION**' and is carried out by the vehicle's electronic control system which raises the exhaust gas temperatures during normal driving. If a vehicle requires frequent regeneration due to driving style, these high temperatures cause the engine oil to degrade more quickly.

However, from 2011 onwards Nissan vehicles were fitted with an **OIL CHANGE SUPERVISOR (OCS)** as well as a DPF to help monitor the condition of the oil and ensure the quality never falls below a minimum level.

WHAT IF I ONLY DRIVE SHORT JOURNEYS?

If the vehicle is only driven for short journeys, or at low speed, then it may not be possible for regeneration to occur. In this situation, the below warning lights will be illuminated on your dashboard.

Please refer to your Owner's Manual for further information.

After seeing these warning lights you need to drive, as soon as possible, above 40mph until the light goes out. This can take up to 30 minutes depending on the amount of soot collected in the filter.

WHAT IF I IGNORE THEM?

If you continue to drive at low speeds the exhaust gas temperatures cannot rise, so regeneration cannot occur. In this instance, a combination of the below warning lights will be illuminated on you dashboard.

In this case, and in order to protect the engine and DPF Filter, the vehicle will require '**SERVICE REGENERATION**' which can only be carried out by a workshop equipped with Nissan diagnostic equipment. You will need to go to your nearest Nissan dealer in case the oil and filter needs to be replaced.

As '**SERVICE REGENERATION**' is not a manufacturing fault, so the cost will **NOT** be covered under warranty.

Nissan. Innovation that excites.

VED rates are determined by the vehicles CO₂ emissions figures and by the type of fuel used. The following table applies to all new car registrations:

VED Band	A	B	C	D	E	F	G	H	I	J	K	L	M
CO ₂ Emissions Figure (g/km)*	up to 100g	101-110g	111-120g	121-130g	131-140g	141-150g	151-165g	166-175g	176-185g	186-200g	201-225g	226-255g	over 255g
Petrol Car	£0	£0	£0	£0	£130	£145	£185	£300	£355	£500	£650	£885	£1,120
Diesel Car	£0	£0	£0	£0	£130	£145	£185	£300	£355	£500	£650	£885	£1,120
Alternative Fuel Car	£0	£0	£0	£0	£120	£135	£175	£290	£345	£490	£640	£875	£1,110

* g/km = grammes of CO₂ per kilometre travelled.

All Light Commercial Vehicles will have a standard VED rate of £230 per annum.

VAT and VED

VAT application is based on current HMRC guidelines, please check with HMRC for specific guidance for the vehicle you are purchasing.

VED is determined by the DVLA, please check with the DVLA for specific guidance for the vehicle you are purchasing.

Optional equipment. This price list features a selection from the full range of optional equipment, be they standard, dealer fit or factory options.

For further information and details of the full range, please contact your local Authorised Nissan Dealer.

Nissan's commitment to you includes all of the following benefits – some of which may be the reasons why you chose your new Nissan in the first place:

Manufacturer's warranty – Nissan's comprehensive warranty provides cover for your new Nissan from defects in materials or workmanship. Your vehicle is covered in all European Countries where Authorised Nissan Dealers are located. If your vehicle becomes inoperative due to a warrantable defect a towing service, when necessary, to the Authorised Nissan Dealer is covered. If a warrantable defect abroad takes more than six hours to repair, the Touring Assistance Programme will pay for a hotel room or rental car up to a certain maximum. The paint warranty covers painted body parts (excluding the underbody) for three years regardless of mileage driven. For further details please contact your local Authorised Nissan Dealer. Petrol and diesel engine cars – Three-year/60,000 miles. Petrol and diesel engine LCVs and Navara – Five-year/100,000 miles.

LEAF and e-NV200 – Nissan LEAF and e-NV200 offer a 5-year / 60,000 mile warranty on all EV dedicated components, including the lithium-ion battery, and a 3-year / 60,000 mile warranty on standard components. This is with the expression of e-NV200 which offers a 5-year / 60,000 mile warranty on mechanical components and corrosion*. The Nissan LEAF and e-NV200 lithium-ion battery state of health guarantee protects against battery capacity loss (less than 9 bars out of 12) as shown on LEAF and e-NV200's capacity gauge for a period of 5 years / 60,000 miles. For LEAF and e-NV200 flex customers, the battery state of health guarantee applies for the duration of the battery lease.

*The Basic Vehicle Warranty for e-NV200, according to 3.1 of the Warranty Booklet and Maintenance Record, is extended to 5 years (from the warranty start date) / 60,000 miles (whichever comes first). Only vehicles registered on or after 1st November 2016 are eligible for the Extended Warranty. Body parts and paint excluded during year four and year five. Terms and exclusions apply, for further information please see Extended Warranty Terms and Conditions. Apart from the afore-mentioned, all warranty conditions included in the Warranty Booklet and Maintenance Record remain unchanged. Issuer of this Extended Warranty is Nissan International Insurance Ltd

FURTHER INFORMATION

Nissan European Roadside Assistance is provided for the period of your new vehicle manufacturer warranty.

Roadside, Recovery and At Home products are provided by RAC Motoring Services (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Motoring Services (in respect of insurance mediation activities only) is authorised and regulated by the Financial Conduct Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Onward Travel and European Cover are underwritten by RAC Insurance Limited (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Insurance Limited is authorised and regulated by the Financial Conduct Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Nissan EV Pan-European Roadside Assistance is provided by AXA for 3 years or 60,000 miles, whichever comes first.

For LEAF and e-NV200Flex (battery lease) customers, the Nissan EV Pan-European Roadside Assistance will cover you for the duration of your battery lease agreement should your Nissan EV run out of battery charge. For any other repair work, the basic warranty clause still applies.

Benefits and Services are provided by AXA Assistance. AXA Assistance is authorised and regulated by the Financial Conduct Authority (FCA).

FCA Register number 439069. AXA Assistance UK Limited (registration 2638890) 106 - 118 Station Road, Redhill Surrey RH1 1PR

Peace of mind – we always guarantee our workmanship, and all genuine Nissan replacement parts and accessories have a minimum of one year's warranty. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices

Our technicians have been trained by Nissan to work on your vehicle and they are the Nissan specialists. They use the latest equipment to ensure your vehicle is given the best treatment. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices.

Recyclability – we take all our environmental responsibilities very seriously - innovation today comes with a deep respect for the environment. Our engines are now much more unobtrusive and their emissions have been considerably reduced. All our vehicles are designed with recycling in mind.

Nissan Finance offers a wide range of flexible finance schemes to meet the needs of both our retail and business customers. Preferences, Hire Purchase, Nissan Contract Hire and Finance Lease, all offer the in-built flexibility to make the package tailor-made to meet your individual needs. We also provide added security to your finance agreement with a comprehensive range of payment protection plans. Ask your local Authorised Nissan Dealer for details.

The Nissan Motability Programme developed in association with the registered charity Motability enables those with difficulty getting around to obtain selected models on preferential terms.

All prices in this list are quoted in pounds sterling. Value Added Tax (VAT) has been calculated at 20%.

While all reasonable effort has been made to ensure the accuracy of the information provided, due to Nissan's policy of continuous product improvement, all particulars contained are subject to constant revision and Nissan reserves the right to change, alter or modify, among other things, specifications, colours and prices of models without notice at any time. Accordingly you should consult your local Authorised Nissan Dealer for the exact introduction dates of all models and for the most up-to-date information.

Images shown are for guidance purposes. In some instances photos are of non UK specification vehicles and do not represent a specific model, grade or offer.
