DACIA DUSTER COMMERCIAL

Offering extra practicality and loading space to our multi-award winning Duster, the Duster Commercial is for open or off road*, it'll go wherever you want to go. With its dominant front grille, ready-for-anything roof bars and new 16-inch wheels, this Van takes on any terrain. The added side protection, skid plates and front lighting signature will leave a lasting impression. On top of this it offers: a fitted wooden floor, load compartment cover, alarm, rubber mats, opaque film over the fixed rear windows as standard. It's got everything you need with its payload of up to 350kg (depending on model), utilising its roomy load area and all the tax advantages of a Light Commercial Vehicle. It's rugged, robust and ready for business.

We've built our range simply with two trim levels; Essential and Expression. Both are available with Dacia's proven drivetrains. Essential offers either TCe90 4x2 petrol, or Blue dCi115 4x4 options. A dashboard message will remind you when the AdBlue® needs topping up via specific AdBlue® filling cap located next to the usual Diesel fuel filler cap. A full tank of AdBlue® will last for 6 full tanks of Diesel.

WE'VE GOT YOU COVERED

You might think our shockingly affordable prices mean our cars aren't made to last. Actually, the Dacia range is one tough cookie. To prove it, you get a 3-year* warranty (or 60,000 miles, if you reach that first). This means we will replace any part which has been deemed by a Dacia approved dealer to be defective due to a manufacturing fault, free of charge. To keep the good times rolling, you can extend your warranty up to 7 years for a great price. We also give you a 2-year paintwork and 6-year anti-corrosion warranty, so you can kick back knowing that your Dacia will stay looking good-as-new for years to come.

ROADSIDE ASSISTANCE

Although our cars are built for plain sailing, you can rely on us if you have a breakdown – 24/7 365, wherever you are in the UK or Northern Ireland. This offer also stands for the first 3 years/60,000 milesΔ after you buy your new Dacia.

DACIA CAR INSURANCE 1

Dacia Insurance has been specifically created to provide superb protection for you and your car. Unlike most other UK insurers, in the event of an accident, your Dacia will be repaired at a Dacia Approved Bodyshop using only Dacia approved parts and approved repair methods. This maintains your Dacia's safety rating, protects its resale value and helps to maintain its Dacia warranty^. Dacia Insurance also offers a courtesy car for the duration of a repair at a Dacia Approved Bodyshop.
